JIM LAKE MAROONED WITH PNEUMONIA

During the high winds last week, school bus driver, Jim Lake, became ill. His temperature rose to 104 degrees. The wind had drifted the road to the Lake home with some drifts as high as 8 feet. Neighbors with pickups and tractors were thwarted by the huge drifts in their efforts to take him to the hospital. Rev. W.P. Craig and Rev. and Mrs. Nelson Moyer made their way to the Lake home on foot where Mrs. Moyer, who is a registered nurse, attended him until he was safely at 5040th hospital. Firemen with an ambulance traveled over the snow and hauled Lake to the ambulance where neighbors had gathered with hot water bottles to receive him and help to keep him warm. It was reported that he is now improved and expects to be released tomorrow from the hospital.

F.S. LEE BACK AT WORK

Mr. Francis Lee, who was seriously injured in an automobile accident last fall, has improved rapidly since being released from the hospital. On January 5th he reported to the Power Plant where he has been employed and was promptly put at a desk job until he is completely recovered.

CORRECTION

Last week it was reported that a list of persons were members of the Fire Prevention Committee. This was erroneous. The persons listed are Subscribers to the Fire Prevention Plan.

SORRY !!!

MOOSE HIT AT EAGLE RIVER BRIDGE

At about 9:30 p.m. Tuesday a small moose was hit by an automobile at the North portal of the Eagle River Bridge. Damage to the car was not extensive.

ORDINANCE MAN SPEAKS TO CHUGIAK P.T.A.

Capt. Williams of the Post Ordinance Department was guest speaker at the meeting of Parents and Teachers at the Chugiak School last Tuesday evening. Capt. Williams gave an interesting demonstration on dangerous ordinance items and showed the group many samples of shells and grenades that might be found by children, in the hope that they might be recognized by parents in time to avert tragedies. With the proximity of the military to our community and the frequent practice maneuvers that are conducted, the possibility of children finding unexploded and very dangerous items is a factor to be reckoned with. Capt. Williams also offered to give a similar demonstration to the children themselves. A question and answer period followed.

A report of progress of the play "Harver", was made and all members were urged to cooperate in any way possible.

Mr. Blake McKinley, 8th grade teacher, reported on the legislative workshop which has been held in Anchorage recently. He and other teachers have been gravely concerned over a number of proposals which have been made by the Public Administration Service with regard to the man-

page 2 please -

FIRE DESTROYS TRAILER HOME.

Fire completely destroyed the trailer home of Air Force Sergeant Jacob Hoopingarner and his family Sunday morning at about 11:00 o'clock. The Hoopingarners had recently purchased the trailer at the Eagle River Trailer Court and had occupied it for only about one month. They had no insurance. The family has three small children, a boy 1 year, and two girls, aged two and four. Mrs. Hoopingarner is expecting a fourth child this spring.

A neighbor lady whose name was not learned first discovered the fire and heroically rescued the children. The mother was awakened and by the time she left the burning structure her hair had been singed.

The fire apparently started in the lean-to though the cause is still being investigated. At this time it appears that the cause was faulty wiring aggravated by the recent high wind and the snow blowing into an outlet box.

Firemen answered the call but no equipment was available. They were prepared, however, to move all adjacent trailers, which proved unnecessary as there was no wind and fortunately extra space had been left between trailers.

P.T.A. MOVIE

This week's P.T.A. feature movie to be shown in the Multi purpose room Friday night is a Technicolor Western, "Man Without a Star". The movie starts at 7:30 p.m. and candy is sold at the door.

SCHOOL SYSTEM

The State of Alaska First Legislature convenes in just two weeks. The teachers in our State are gravely concerned about the turn of events in proposals for setting up the new school system, and well they may be. It behoves all of us to be concerned also. Last year the Statehood Committee (mostly Democrats, misguided, we think) hired a research outfit, The Public Administration Service, to figure out some new ways to set up the educational system under the ratified Constitution. This P.A.S. had this report prepared last October but the voters were not allowed to see it at that time for that would have given them a chance to study it and find the flaws. It was just this last week made public and the elected Legislators are endorsing it without even considering it. Mr. Fisher for one, took a quick look at his copy and promptly lost it, according to his own telling, but he

then went on to say that he wholeheartedly endorses the P.A.S. proposals. Three proposals which the P.A.S. made regarding school system are:
 1. Library and Museum Divisions be included under school department. (To say the least, this would be cumbersome)
 2. The Commissioner of education would be appointed by the governor rather than by the board of education. (What a political football that poor cus would be.)
 3. The present Board of Education would be abolished, or at best, be retained as an advisory agency. (Relegate those hard-working, unselfish people who give much thought to the best for our children, to the garbage can.)
 That is the kind of research that the P.A.S. did with Statehood Committee Dollars. They are from Chicago. Are we going to let gangsters tell us how to start our new school system? We'd better be writing letters! We'd better be telling Mrs. Ryan and Mrs. Fisher and Mr. Fisher and Mr. Hillstrand and Mr. Moody and others how it MUST be!

We had a letter for the editor today but it was unsigned so we hesitate to print it but we will tell you the gist of it. It seems that some of our teen-agers are hurt that

P.T.A. Meet -- Cont.
~~fix~~ manner of setting up the whole school system in the new State government. He strongly urged members of the P.T.A. to contact the legislators and let them know what is expected here from the school system. The Chugiak P.T.A. legislative committee was instructed to meet with teachers and study the proposals and formulate exact policies. A request was made for two more P.T.A. members to be appointed to serve on this important committee. The meeting ended with room-count and refreshments served by fifth grade mothers.

there have been false rumors regarding their behavior. We might well remember our own youth and quit worrying about the most of them 'going to the dogs'. Some will, sure, but most of them are real fine kids. We know you agree.

The Cook of The Month

COOK FOR JANUARY
ALICE SHROEDER

For her third recipe, Alice would like to offer a refrigerator roll with a "twist" These unusual, attractively shaped, rolls are a trifle sweeter than the more commonly known variety, and are quite suitable for that special dinner party.

GERMAN SOUR CREAM TWISTS

- 3½ Cups sifted flour
- 1 tsp. salt
- 1 cup shortening (½ butter)
- 1 pkg. dry yeast
- ¼ cup warm water
- ¾ Cup THICK sour cream
- 1 egg white & 2 egg yolks well beaten
- 1 tsp. vanilla
- 1 cup sugar

Dissolve yeast in water. Sift flour and salt into a mixing bowl. Stir dissolved yeast into flour mixture, adding sour cream, eggs, vanilla. Mix well with hands, cover with a damp cloth and refrigerate for two hours (or longer).

To shape rolls, place ball of dough on sugared board and roll into an oblong 8" x 16". Fold ends toward (next column)

center, ends overlapping. Roll about 1/4 inch thick. Cut into strips 1" x 4". Twist ends in opposite direction, stretching dough slightly. Put into shape of horseshoe on ungreased baking sheet. Press ends to keep shape. Repeat with rest of dough.

Let rise until double in bulk, bake at 375° for 15 minutes.

If you happen to have an oven lamp; place bread dough in oven and turn the lamp on. Dough will rise quicker and more evenly.

PETERS CREEK COMMUNITY CLUB
TO MEET

The monthly meeting of the Peters Creek Community Club will be held on Tuesday, Jan. 20th. at 8:00 PM at the HALF-WAY HOUSE.

This will be a very important meeting, so all residents of that community are urged to attend, whether they are members or not.

Guest speakers will be members of the Fire Prevention Committee, who plan to explain the new policies of the Fire Company and to outline its needs.

This subject is vital to all, so PLEASE attend.

MOOSE SEALS

Mrs. Byers 2 B
We have a new boy in our room. His name is William Keays, from Palmer, Alaska. It was so cold during the Christmas vacation, the nice in our room died.

Mrs. May 3rd Grade
Johnny Johnson was in the hospital at Palmer about a week. Quite a few third graders are bringing money for the Red Cross.

Sharon McAllister left for California for the holidays and has not returned yet. On Friday in the fourth grade there were only 16 pupils at school. Dick Hidyett's birthday is January 15. He will be 11 years old. Two other boys also have birthdays this month. Glenn Johnson, January 6
Dennis Hibbard, January 30.

Miss Miles 4A
This week we have gotten two new girls. Their names are Suzanne Hickey and Sandra Linek. Frank is away from our room because he is having his tonsils taken out. The unit in geography that we have been studying is about Holland.

Miss Eggleston 4 B
Before our Christmas party we made decorations for the tree and our room. Each day we picked a ball off the Christmas surprise tree and we did what ever the ball said, which had to do with Christmas. We also listened to Christmas records.

Fifth Grade News
Our class has been selling Christmas seals. The money recieved from them will be used to fight Tuberculosis, which strikes one person every six minutes. Fight Tuberculosis; buy Christmas

Seals. For every stamp you buy will make you and your friends that much safer. Be healthy, be safe, buy Christmas Seals!

Mrs. Kirk 6 A
Our class has a new boy from Palmer whose name is Duane Keays. We are very happy to have him.
Perry Hoag, one of our classmates, is in the hospital with a kidney infection. He has been in the hospital two weeks and will probably be a couple of weeks more. Mr. Kirk and the former Miss Search got married. Due to this our class and 6D had a party for Mr. and Mrs. Kirk. Also two of our boys are leaving. Doug Goedde is going to Nebraska and Glenn Zib is leaving Monday for Illinois.

MR. & MRS. JAMES POLZEFKO are the parents of a new son, born January 13th at 10:00 p.m.. He weighed 7 pounds. A name has not yet been chosen for this fourth boy.

MR. & MRS. JACK PHILLIPS and their three children have returned to Chugiak. They are renting the Lay Jahr home at 22 1/2 Mile.

ED BELLINGER spent the weekend at Fairbanks where he attended a meeting of the ALASKA SPORTSMEN'S ASSOCIATION. The meeting was concerned with the place of wildlife management and conservation in the new State Government.

"HARVEY" - Jan. 30 & 31

On our editorial page we wanted to say something about boroughs and our own utilities and what we ought to do about them, but we ran out of space and time. Think about it for next week we intend to tear it all apart and put it all back together in a brand new way. Let's hear your ideas on the subject too.

"HARVEY" REHEARSALS RESUMED

The hard-working cast of the P.T.A. play, "Harvey", are again giving up their evenings to polish the performance of the play which is scheduled for the evenings of January 30th and 31st. IT WILL BE BETTER THAN EVER. A new feature offered this time is a family ticket which enables mother, father and any number of children of the family to see the play for just \$3.00. Radio and T.V. appearances have been scheduled for advance publicity so it is hoped that the presentation may be to a full house.

Page 6 SHOPPING IN CHUGIAK

Everyone in Chugiak is familiar with the fine food served at SPRING CREEK LODGE, especially the wonderful baked foods that Alma turns out. The cakes and pies are "out of this world," but it is the homemade bread that has made Spring Creek famous. Platters heaped with slices of this fragrant, tender bread are brought to the table at the beginning of the meal; but this usually disappears and must be replaced even before the main course is served.

In the past an occasionally lucky person might find Alma with an extra loaf or two which they might buy. However now this treat is available to all: recently Alma has installed equipment for making bread in large quantities, and addition to making it for sale for stores in Anchorage, it is also on sale at Spring Creek. So, at a cost of only a few cents over bakery bread, you can treat your family to this wonderful, homebaked, "staff of life".
