Johnson Home Destroyed By Fire!

A fire of undetermined origin completely destroyed the small house which Mr. and Mrs. Chalmers Johnson were occupying at 22 mile, last Thursday morning. The building was completely involved with fire by the time it was discovered. The Johnson's were not home as they were making preparations to go to their Tangle Lakes lodge for the summer season. No estimate of loss has been given.

COURIER BEGINS SUBSCRIPTION DRIVE

During the months of May and June, the Knik Arm Courier will conduct its first actual subscription drive.

In the past, though we have accepted subscriptions, we did not encourage them but depended mainly on newsracks in local stores and carrier boys for the distribution of the paper. However, during the past months there have been more and more requests for subscriptions and mail service, for many readers sometimes miss an issue by forgetting to procure it at the stands.

To successfully conduct this drive we are enlisting the aid of our paper boys who have done such an excellent job of distributing the papers in fair or foul weather. We will promote them to subscription agents and hope that when you are solicited by them that you will give them your subscription for they will be earning a commission on all that they sign up.

Subscriptions run quarterly, or for a 13 week period. The cost

5th Grade to Present OPERETTA

H.M.S. PINNAFORE TO BE SEEN

Miss Witherell's Fifth Grade pupils and pupils from Mrs. Barr's class have undertaken the presentation of the Gilbert and Sullivan operetta "H.M.S. Pinnafore" under the direction of Miss West, their music teacher.

The principal parts are being sung by Danny Werre as Captain Mike Snelson as Steward Joe Porter, Carol Teeter as Josephine, Cathy Burns as Buttercup, Allan Phillips as Ralph, Mark Whaley will be Old Dick Deadeye, that arch villain of the seven seas, and Jerry Christian is the Boatswain. The rollicking choruses will be sung by the other members of the two classes.

This popular operetta will be presented Tuesday May 5th in the afternoon for the school and again Tuesday evening at the Parent Teacher meeting, which is also May 5th. Miss West reports that the operetta has been cut somewhat so that it will not be such a long presentation.

The show will be in the Multi Purpose room at the Chugiak School.

INSTALLATION OF P.T.A. OFFICERS TUESDAY

P.T.A. MEET SET AHEAD ONE
WEEK

The installation of officers for the Chugiak Parent Teacher Association will take place Tuesday evening, May 5th. The meeting will be called to order at 8:00 p.m. sharp for besides the usual business and installation of Officers the P.T.A. will be treated to a presentation of the operetta "H.M.S. Pinnafore" by the pupils of the Fifth Grades. Officers elected at the April meeting and to be put in office for next year are: Mr. Carl Sand, president; Mrs. Leslie Todd, vice-president; Mrs. J. Wintersteen, secretary; and Mrs. Jack Frankforth, treasurer.

The meeting was set up one week this month as the regular second Tuesday date was too near the closing of school, which is May 15th.

The school picnic is to be held on Tuesday afternoon May 12th between the hours of 2:00 p.m. and 4:00 p.m. and is for school children only.

EILEEN NEWTON & CATHY STEVENS TO GO TO SPELLING BEE

Tomorrow afternoon both Eileen Newton and her alternate, Cathy Stevens, will go to Anchorage to compete in the area-wide Spelling Bee being sponsored by the Anchorage Daily Times.

Eileen and Cathy are pupils of Mr. Bucky Morse in the Seventh Grade.

The Wallace Boys at Chugach Aggregate have a new front-end loader on tracks.

GOOD OLD-FASHIONED
TREATMENT

Last week one of our teachers who is not in the habit of being 'riled', rared up and took an insolent and indolent student by the nape of the neck and marched him to the Principal's office to be there expelled from school. God Bless Her and More Power to Her. And I hope she put the Fear of The Devil in my boy as well as all of the others pupils in our school.

The following is reportedly prepared by the police department of Houston, Texas, and is reprinted from an Ann Lander's column in The Bakersfield Californian of Feb. 17, 1959.

12 Rules for Rearing Delinquent Children

1. Begin with infancy to give the child everything he wants. In this way he will grow up to believe the world owes him a living.
2. When he picks up bad words laugh at him. This will make him think he's cute. It will also encourage him to pick up "cuter" phrases that will blow the top off your head later.
3. Never give him any spiritual training. Wait until he is 21 and then "let him decide for himself."
4. Avoid use of the word "wrong". It may develop a guilt complex. This will condition him to believe, later, when he is arrested for stealing a car, that society is against him and he is being persecuted.
5. Pick up everything he leaves lying around - books, shoes and clothing. Do everything for him so he will be experienced in throwing all responsibility onto others.

6. Let him read any printed matter he can get his hands on. Be careful that the silverware and drinking glasses are sterilized but let his mind feast on garbage.
7. Quarrel frequently in the presence of your children. In this way they will not be too shocked when the home is broken up later.
8. Give a child all the spending money he wants. Never let him earn his own. Why should he have things as tough as You had them.
9. Satisfy his every craving for food, drink and comfort. See that every sensual desire is gratified. Denial may lead to harmful frustration.
10. Take his part against neighbors, teachers and policemen. They are all prejudiced against your child.
11. When he gets into real trouble, apologize for yourself by saying, "I never could do anything with him."
12. Prepare for a life of grief. You will be apt to have it.

REGIONAL SANITARY ENGINEER
MAKES SPRING RECOMMENDATIONS
ON WATER SUPPLIES

Calvin Winey, Jr., the regional Sanitary Engineer has expressed his concern over some conditions existing here in regard to water supplies, particularly during the spring melting of surface water. He states, "Surface

Page 2

NEWS & ACTIVITIES

?
?
?

water supplies such as lakes, streams and undeveloped springs should not be considered safe for drinking purposes without treatment. Such water can be treated by boiling or adding one drop of household bleach per quart of water. If household bleach is used, the water should stand at least 30 minutes. When water is boiled it may have a flat taste. This can be eliminated by pouring from one container to another to add air. " Help and informational materials may be obtained from the Section of Sanitation & Engineering at 327 Eagle Street in Anchorage. The engineer and the sanitarians will be glad to help in any way possible to make your water supply safe.

THE Green Thumb CORNER

RHUBARB

One of the most valuable crops and also one of the most easily grown in the home garden is rhubarb. It is ready to use just a few weeks after the frost is out of the ground, long before berries are ripe and offers a tasty "fruit" for sauce, jams, jellies etc.

Rhubarb is hardy, even beyond the arctic circle. It does best in rich, well watered soil. It may be grown from seed, but it is preferable to obtain sections of root and crown.

The best variety is one that has deep red stalks, such as MacDonald, Ruby, Wine..these are all the best type to freeze as well as can.

The crown and roots should be divided into sections with one or two eyes to each piece. Set the pieces in holes 4 to 5 feet apart, that have been spaded deep and the soil mixed with barnyard manure. Cover the roots with 4 inches of soil, firm well and keep watered. It is best not to use any of the stalks until the second year. When flower stalks appear, they should be cut off.

Do not harvest all the stalks or they will come up spindly the next year. Each year

fertilize well with manure or commercial fertilizer 4-12-4, a handful around each plant several times during the summer. In the fall cover the plots lightly with straw or manure.

Reset or divide the crowns when the plants "run out" and stalks get spindly.

Rhubarb is rich in ascorbic acid and has many valuable uses.

In addition to the well known pies, jellies and sauces, undiluted rhubarb juice is strongly acid and may take the place of lemon juice or vinegar in many recipes. This is especially true of jelly juices such as highbush cranberries, and fully ripened raspberries and strawberries which lack tartness.

When harvesting Rhubarb, water the plant well the night before, or pick after a rain. Pull the stalks gently from the sockets, do not cut them. Cut off the leaves and place them around the plant or in the compost pile.

There are a large number of recipes for rhubarb including some for relishes. These are printed in Extension bulletin #T-22 and may be obtained at the extension service office.

GARDEN CLUB HAS GUEST SPEAKER

The meeting of the Chugiak Garden club on April 20th was held at the home of Paul Swanson. The guest speaker was Mr. Lew Hanks who gave an interesting talk on landscaping.

At a recent election, the club selected it's officers for the coming year. Paul Swanson was re-elected as President, and Dick Hannen is the Vice-President and Mrs. Fred Hahn the Secretary-Treasurer.

One of the projects that the Garden Club is interested in this year is the importing of Lady Bugs to this community for the control of aphids. These insect pest have been increasing in the past several years, and the members of the club feel that some measures should be taken to control them. There have been lady bugs brought to

the Anchorage area in past seasons with marked success.

Anyone in the community who is interested in participating in this project, even if they are not members of the Garden Club, is requested to contact Mrs. Fred Hahn. In order for this to be successful, it will require the cooperation of a number of people.

The next meeting of the Club will be the third Monday in May, which will be 18th. It is to be held at the Alaska Woodcraft at mile 13 1/2.

The garden club welcomes new members, and anyone interested in joining is invited to attend the meetings, or to contact any of the officers for further information.

115 PERSONS EAT AT SCHOOL BENEFIT DINNER

Mrs. Ing Tofson, announced that 115 dinners were served at the hot-lunch Benefit dinner Saturday night. However, the total taken in was approximately \$135., due to advance sales of tickets. This figure is not final, as some tickets have not yet been turned in.

Although this fell a little short of the hoped for 200, Mrs. Tofson was pleased with the results, and plans to make this an annual affair.

CBA TO RETAIN LABOR CREDIT SYSTEM

The Board of Directors of CBA At their Monday meeting decided that they would after all retain the system of labor credits in exchange for volunteer labor at the Carnival. They still intend to attempt to assist the Service organizations in meeting their submitted budgets, but any volunteers can turn in their time to any club of their choice. There are a number of jobs (next col)

That will need to be done. Among them are; seats to built for the stage show, rebuilding of damaged booths, assembling of the booths in the Carnival Hall, Guard duty during the Carnival, Parking attendents, ground clean-up and general labor. Any organization or group or individual who wishes to undertake any of these projects is invited to contact any member of the board.

The board has specifically issued an invitation to some group or organization to undertake project of preparing a printed program for the Carnival. This would entail selling of ads, working with Whitey Pullen on photographs and other program material and making the best deal for getting the program printed. The exact arrangements as to whether a cash payment or labor credit arrangement would be discussed with the interested parties. Any group that would like to undertake this is requested to either call Mr. Ray Tedrow, or to attend the next meeting of the board, which will be at the home of Dale Briggs next Monday, May 4th. Monday is the deadline for this project, so any interested parties are urged not to delay.

Also, the last call for booth space is being issued. Any local clubs that are planning to operate a booth at the Carnival are urged to make arrangements without further delay. As in past years these booths are operated on a 50-50% arrangement with CBA, or may be rented outright is the group so desires.

The mud is almost gone and work is expected to be going at top speed in order to overcome the disadvantage the late break-up has caused. Lets all pitch in and maintain the tradition of having each Carnival better than the last.

SHOPPING IN CHUGIAK

There usually comes a time in most families when some budding young barber or beautician feels the urge to try his or her skill on the hair of either himself or a small brother or sister. The results of such an experiment, while quite amusing, are often rather tragic. Particularly when the victim is a little girl.

However, mothers; do not despair entirely when you discover that those curls have been shorn, or that your little ones head has developed a lop-sided look.

Besse, down at Besse's Beauty Shop, has a wonderful knack for taking over the amature hair-cut, and by some magic turning it into a becoming pixie hairdo,

Even the most hopeless case can be salvaged to some degree, so that the little one may not look too unsightly during the growing out period.

We had this experience in our home recently; and we will be forever grateful to Besse for her wonderful repair job..

So if you should suddenly come upon the work of some scissor-happy youngster; spank first, then hurry down to Besse's at the Eagle River Shopping Center.

The Cook of The Month

(FROSTING, HIPPED CREAM)

Frost cake and refrigerate until about five minutes before serving.

COOK FOR APRIL
JEANNETTE WOTHERSPOON

For her final week as cook of the month, Jeanette has given us two cakes that are quite different. One is a hearty loaf that is so suitable for the lunch box or the pantry shelf. The other, a very extravagant party cake for those special occasions.

APPLESAUCE NUTBREAD

- " CUPS. SIFTED ALL PURPOSE FLOUR
- 3/4 cups sugar
- 3 tsp. baking powder
- 1 tsp salt
- 1/2 ts. soda
- 1/2 tsp cinnamon
- 1 cup chopped nuts
- 1 egg beaten
- 1 cup applesauce
- 2 tbs. melted shortening

Beat egg and add melted shortening and applesauce. Sift together dry ingredients and stir in nuts until well coated. Add to egg mixture and stir until just blended. Bake in greased 8"x4" loaf pan at 350° for about 1 hour.

YELLOW WHIPPED CREAM CAKE

- 1 pt. whipping cream
 - 3 eggs (beaten)
 - 2 cups cake flour
 - 3 tsp baking powder
 - 1 1/2 cups sugar
 - 1/2 tsp. salt
 - 1 1/2 tsp vanilla flavoring.
- WHIP cream until stiff FOLD in eggs and flavoring Then FOLD in sifted dry ingredients. Bake at 350° for 30-35 minutes.

FROSTING

- Whip 1 pint whipping cream
- Add 1/2 cup powdered sugar
- 1 tsp vanilla

FRIENDLY NEIGHBORS

The mud of the spring break-up prevented a number of the Friendly Neighbors from attending the meeting at the home of Elsie Obergs on April 22nd.

However, those who did attend were able to work out the schedule of volunteers to help at the school benefit dinner on Saturday. Eight ladies were lined up to set and clear tables, serve and wash up.

Also those present voted to accept the offer to decorate the booths at the Carnival in accordance with the new plan of cash payment for the entire job in lieu of Carnival Credits. The ladies decided to keep track of their own individual man hours and divide the proceeds among the organizations of their personal choice.

Since the ladies were reluctant to discuss too many business items in the absence of so many members, the evening ended up on a strictly social note, which is always quite delightful.

The next meeting will be at the home of Marie Rosenberg in Peters Creek on Wednesday, May 6th. at 1:30 P.M.

BELLES PROMISE NEW DANCE

At the Friday meeting, at the home of Ruth Briggs; the Chugiak Belles definitely decided to present a new dance this year.

In keeping with precedent of past years the exact nature of the new number will be kept a closely guarded secret. However the Belles are not adverse to revealing tantalizing little hints from time to time.

All that they will say at this time, is that it will be the most spectacular and most elaborately costumed since the original "CAN-CAN".

There are still openings in the Belles for any new members, so anyone who would like to join is requested to attend the Tuesday morning (10 AM) practice sessions at the home of Dorothy Steeby in Birchwood.

The Belles will also continue to meet on Thursday evenings at 8:00 PM at the home of Ruth Briggs.

CARNIVAL TO HAVE THREE SHOWS DAILY

This year the Chugiak Carnival will feature three stage shows daily. There will be two during the day, and one grand show in the evening. Each of the three shows will feature the guest star Ray Price, and at least one dance number by the Chugiak Belles.*****

BRUNERS BUY PARKSVILLE

MR. and MRS. JACK BRUNER of Anchorage, have bought the property known as Parksville and have moved their family to Chugiak. For the past two weeks they have been busy renovating and making changes and have plans for operating a business there in the near future. It is good to see lights in the familiar landmark again.

DICK and BARBARA BRAUNER and their son Will are back in Chugiak at their home at 18½ mile. The Brauners have been in Anchorage for the past three months.

New pupils are enrolling every day at the already crowded Chugiak School. Three families with school age children have moved into the area lately and there are eight children enrolled this week from these families. The children and their classes are: Lavon Jones, 3rd grade, Larry Jones, 5th grade; Craig Bruner, 3rd grade; Leslie Bruner, 4th grade; Sherry Flint 2nd grade, Bill Flint, 3rd; Patricia Flint, 5th; and Paula Flint, 6th.

All pupils of the Chugiak School are guests of P.T.A. at the annual school picnic to be held Tuesday, May 12th between the hours of 2:00 pm. and 4:00 p.m. on the school grounds. If the weather does not permit room parties will be held.

The regular buss runs will be delayed to carry the children home after the picnic.

Too Late to Classify:

WILL TRADE: Almost New 220 Electric Hot Water Heater, Cabinet Type, White, for anything of Equal Value. Call Walt Day at Moose Horn Homestead 2-5500.

THE LYLE FLINTs have returned to Chugiak and are looking for a fairly large house to rent in the area. Lyle is Virgil Flint's brother.

School FIRE SAFETY MEET

Last Wednesday evening the P.T.A. Fire and Safety Committee, Mr. Lee Emmert, Superintendent, representatives of the P.T.A. Executive Board and members of the Chugiak Volunteer Fire Company met in Anchorage with Architect Edwin Crittenden and staff and Mr. Krasinsky, the Superintendent of Maintenance of State Schools. The meeting was arranged at the recommendation of Mr. Isaac of the State School Board after the Chugiak P.T.A. asked him to take definite steps to make the Chugiak School safe. The plans for the new school were thoroughly studied as well as safety points in the present school to which the new addition is to be made. It is understood that the new addition will still use the halls as return ducts

for heating which Fire Chief Jim McDowell is strongly in disagreement with. Mr. Crittenden will send his report of the recommendations of the P.T.A. Committee and the deficiencies as noted by the Firemen to Fire Marshall Dearing, to the State Department of Education and to the Bureau of Public Works. The Committee does not expect to have a reply before the close of school but they feel that some headway was made and that before the new addition is begun that they will have an opportunity to again review the safety factors to be incorporated in the structure. All who attended the meeting stated that both Mr. Crittenden and Mr. Krasinsky were most cooperative and anxious to have the school meet all safety standards. The committee and Firemen will be active during the summer construction period on the project.

is \$1.25 per quarter, mailed weekly to your address. It is now possible to subscribe for as many quarters as you wish. Several bonuses are planned for subscribers during this May-June drive. For example, anyone subscribing or renewing their present subscription for two or more quarters during the two month period will be entitled to one free classified ad per month for the duration of their subscription. Also, to the 100th person to subscribe during May or June we will send the Courier FREE for one whole year. Of Course, for those who prefer, the COURIER will still appear at the usual stands at Moose Horn, The Market Basket, Eagle River Hardware, Lorraines, The Knik Knak Shop and at McGann's Eagle River Shopping Center, all in South Chugiak and at The Dari-Delite and Allen's Grocery in North Chugiak. Whether you subscribe or buy at the newsstands, read the COURIER for all the latest local news.

This year, as we did last summer also, the COURIER will print free, any classified ads for teen-agers in Chugiak who are seeking employment during the summer vacation. Also, we will print free, ads for anyone wishing to employ teen-agers. There are a great many young people in our community who are anxious to be gainfully employed during the summer, so we are in hopes that anyone who has either part or full-time work for these youngsters will feel free to take advantage of this Courier service.

CLARE "POP" MODOWELL has returned from the Southland where he spent the winter.

PHIL WELLS, who has been visiting his sister, Mrs. F.S. Pettyjohn Jr., has returned to Denali for the summer.

The Matanuska Electric Association is setting more new poles for service in Chugiak today, one being at the Chugiak Volunteer Fire Company property where the meter has been out of service for some time.
