WEDNESDAY, AUGUST 19, 1959

CHUGIAK-10¢

Earl Ray Elected to co-op board

Earl Ray, of mile 21½ was elected to a three year term to the board of directors of the Matanuska Valley Farmers Co-operative Association at the meeting last week., August 8th.

Earl operates the only dairy farm in Chugiak and is a member of the co-op.

SCHOOL OPENING MAY BE DELAYED

Although work is progressing rapidly on the addition to the Chugiak School, it is doubted is it will be completed by September 8th, the official opening day of school.

In view of this, opening of school in this community may be delayed for a week or two until such a time as the work is completed or is to a point where it will not interfere with classes.

It was decided that it would be better to delay the opening for a short period of time rather than resort to double shifts.

CHRISMAN BABY UNDERGOES SURGERY

The three week old daughter of Mrs. Veldora (Dodie) Chrisman has been released from the 5040th Air Force Hospital where she underwent surgery.

Little Jackie Faylene was suffering from a condition wherein the entrance to her stomach was closed, necessitating immediate surgery. She is recovering nicely from the operation.

WORLD TRAVELER ADDRESSES POLITICAL GROUP

Mr. Larry Bolyan addressed the informal class of politics at the home of Mr. and Mrs. Robert Schroeder on Friday, August 14th.

Mr. Bolyan had recently returned from Russia where he had been visiting, in accordance with a United Nations project.

He spoke of the trend toward socialism in this country, as well as describing conditions within the Soviet Union as he observed them.

He said that it appeared to him that the Russian people did not seem happy with their form of government, and that most of them would prefer the opportunity to own their own businesses and property.

Mr. Boylan was a substitute speaker for Mr. Harsons who was unable to attend.

LIBRARY GROUP TO MEET

There will be a meeting on Friday, August 21st at 8 pm at the Chugiak Public Library for the purpose of choosing a Library Board.

This meeting has been called by Mrs. Earl Ray and all persons who are interested in the development of the Chugiak Library are invited to attend.

This board, once selected will arrange for regular hours of library service and will engineer a campaign to sign up more members.

During the summer months and until school starts the library has remained open one night a week (Friday, from 7pm to 9 pm). However it is hoped to have more frequent hours in the fall.

There have been many new books sent to Chugiak from the Territorial Library in
(cont page 7 col 1)

Benefit for Public Health Nurse Planned

The Friendly Neighbor Club at their last meeting on Wednesday, July 12th, voted to promote an old fashioned Charity Bazaar in order to raise funds for the Public Health Nurse.

The group, meeting at the home of Joan Glafke in Peters Creek discovered that due to the fact that they operated at a loss in their booth at the Carnival, they did not have the funds in their treasury to make the donation that they had been considering.

In lieu of this they decided to hold a bazaar sometime in November to raise the funds.

It is hoped that a large selection of hand made gift items will be assembled at that time appropriate for Christmas giving.

The place at which to hold the bazaar will be decided at a later meeting, but it is hoped that one that is both centrally located and large enough to hold all the booths that are planned can be arranged for.

The club plans to invite any other organization in the community that would like to assist in raising funds for this worthy cause to participate in the bazaar, either by contributing handmade items or by operating a booth of their own.

Contribution from individuals as well as organizations will be welcomed.

Some ideas that are already being considered are stuffed toys, hand knits, potted plants etc.

At the next meeting, which will be held on August 26th at the home of Lorene Tofson, more definite plans will be made.

DEADLINE FOR:

ADS: NOON on Mondays
NEWS: 6 PM on TUESDAYS

WE DON'T HAVE A
CRYSTAL BALL

Well, the COURIER has been a
one man (or more correctly
woman) operation for three
months now, and it looks like
sailing should be a lot smooth-
er now.

A lot of the Kinks have
been ironed out and things
are pretty much routine. Of
course you can still expect
some glaring typographical
errors and some horrible mis-
spellings, and I doubt if I
will ever get to bed before
4 AM on Tuesdays (Wednesday
rather), but barring a maj-
or disaster the Knik Arm
Courier should continue to
hit the stands each Wednes-
day.

There was a minor disaster
last week, when the old typ-

writer "blew a gasket" and
started throwing up "a's"
all over the place. I im-
agine most of our readers
became dizzy before they fin-
ished reading it. However
the machine is at the repair
shop and this issue is being
pecked out on the little port-
able, which accounts for the
different appearance of the
type.

I have been asked why, if
I am the sole operator of the
COURIER, I keep using the
pronoun "we" or "our" when
referring to the paper. This
partially stems from a dislike
for the first person and in
part refers to the invisible
army of volunteer reporters
on who I rely for all the
"hot tips" that lead me to
the news items.

Which, while we are on the
subject, brings up another
matter.

I occasionally find that
something has happened in
our community that would have
made good news, even front
page news; yet it slipped by
me, right under my nose.
When I question people as to
why they didn't let me know,
they usually reply "...I was
sure you would know about
it". All this is very flat-
tering, but I don't have
a crystal ball. I depend
on my readers, friends,
critics etc. to supply me
with the leads and items that
you read in the pages of
the COURIER.

So, if you hear of someone
visiting or leaving, a new
(next col.)

baby, anything that you think
would be of interest let me
know. I appreciate the as-
sistance I have received from
all the club reporters, but
a lot of the news happens
outside of the club meetings.

So please, if something of
interest happens to your fam-
ily or friends and you think
it would be nice to have it
in the paper, let me know I
want very much to print these
items, but remember, I don't
have a crystal ball.

VACCINE UNAVAILABLE

It has been announced by Mary
Rowley, Public Health Nurse
that fourth in the series of
polio vaccine inoculations
will be discontinued due to
the shortage of vaccine.

The U.S. Public Health ser-
vice, Washing D.C. sent word
that all available vaccine
has been allocated to eight
of the southern states where
a high prevalence of polio
exists.

Miss Rowley says that as
soon as a supply of the vac-
cine becomes available the
public will be notified.

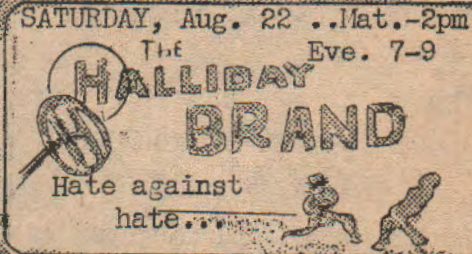

DIANA HALVERSON
HOSPITALIZED

16 year old Diana Halver-
son, daughter of Mr. & Mrs.
Faville Halverson of Mile
23 is in the valley hosp-
ital with, hepatitis.

Earlier this summer, Diane's
younger sister Kathy was
suffering from the same illness

The Cook of the Month

COOK FOR AUGUST
MARY KENNICOTT

We have had cooks who gave us recipes for an entire meal, but Mary is the first one to give us the menu for an entire day. Here in her own words is Mary's formula for a tasty, easy to fix two-meal menu.

"Like to trick your family into feeling well fed on only two meals on Saturdays and Sundays? Join my club. Start the morning out with Corn Fritters...the quick way.

CORN FRITTERS

- 1 egg
- 1/4 cup milk
- 1 cup pancake mix
- 1 can (12oz) whole kernel corn (drained)
- Cooking oil to depth of 1 inch in skillet.

BLEND egg and milk. Add pancake mix, stirring just until smooth. Fold in corn. To insure lightness, do not over beat. Drop by teaspoonfuls into heated (325°) oil.

COOK slowly until golden brown about 4 minutes. Serve with syrup with your choice of bacon, eggs, or ham or just fruit juice and coffee. (20 to 24 fritters) (next col.)

(cook of the month)

"After you make corn fritters be sure to save the grease for Sweet Potato Puffs to go with your late afternoon...early evening meal.

SWEET POTATO PUFFS

- 2 cups mashed sweet potato
- 4 marshmallows
- 1 cup crushed corn flakes
- Oil for deep fat frying
- CUT marshmallows in half.
- SHAPE 1/2 cup potatoes around each half. Roll in crushed cornflakes. Fry in deep hot fat (360°) F. until golden brown. Drain on paper towel. 8 servings (About 6 servings if you live in Chugiak.)

"You have plenty time to fix these sweet potato balls while you are cooking Barbecued Spareribs. (which taste better if you have moose ribs)

BARBECUED SPARERIBS

- 2 lbs. spare-ribs
- 1 tsp salt
- 2 Tbs. flour
- 2 Tbs prepared mustard
- 1 cup chopped onion
- 1/2 tsp ground cloves
- 1 tsp salt
- 1/2 tsp pepper
- 2 Tbs. Wostershire sause
- 1 cup juice from peach, apple or sweet pickles.
- 1 cup catsup (which my family doesn't care for, so we use tomato juice)

CUT spareribs into individual servings.
BROWN and season with salt.
ADD flour to mustard and make a paste. Add remaining ingredients. Blend well, (next col.)

(cook of the month)

pour over spareribs. Cover, and cook in a slow oven (300°) 1 1/2 hrs. turning once during cooking. 4 to 6 servings. (When we lived at Eklutna our friends from Anchorage learned that we cooked ribs on Sundays, so we had to get a bigger roaster and cook more, but it was worth the trouble.)

"One good way to round out a two meal day is with a late dessert with milk and (or) coffee. A good way to do that and get the most out of that cooking oil in the fryer is to make

ORANGE NUGGETS

- 1 cup pancake mix
- 1/2 cup milk
- 1 Tbs. Wesson oil
- 1 Tbs. sugar
- 1 egg (slightly beaten)
- 1 Tbs. grated orange peel
- (Spice Island grated orange or lemon peel really fills the bill and saves washing that horrible grater)
- Oil for frying.

COMBINE first 6 ingredients in a bowl and beat just until smooth.

DROP by teaspoonfuls into Oil heated to 350° and cook to a golden brown all over, a about 2 to 3 minutes.

DRAIN on paper towels.

COAT with a mixture of powdered and brown sugar.

Makes 20 to 24, and be prepared to slap fingers eager to gobble before you get these finished. "

Lorraines

Mr. & Mrs. Lee Emmert, have returned to Chugiak after a visit to Seattle. Mr. Emmert is principal at the Chugiak School and his wife is a teacher in one of the first grade classrooms. They are all prepared for that hectic first day of school.

Friends of Linda Henriches were all glad to see her back at the counter of the hardware store. Linda had a grand visit with kinfolk in Spokane, but complained that the weather was too hot.

Miss Carol Andrews, from Seward has been visiting with the Carl Steeby's. Carol will stay until she leaves for California, where she will attend school.

Mr. & Mrs. Vernon Hoot arrived at Swanee Slopes last week. The Hoots were supposed to teach at the Chugiak School this coming year. However, upon arriving, they learned that they had been transferred to Ninilchick, where Mr. Hoot will be the principal. The Hoots had spent the summer visiting in Minnesota.

Sgt. Ray and Mrs. (Ursla) Beam have returned to the community after a vacation back in New York State. They drove back in a new Volkswagon. However, the Beams will not spend much (next col.)

(comings & goings) time at their home at Mile 21 $\frac{1}{2}$ in Peters Creek. They have gone to Lake Lucille where Ray is NCO in charge of the army rest camp. They will remain there until school begins.

Lorene Tofson and her three children returned in time to enjoy some of this good Alaskan weather before Lorene has to return to work at the school lunch room where she is dietician. They spent the summer in Colorado where they also found the weather too hot.

Dorothy Jonrowe is on vacation from the Post Office and is spending with her husband Roger and their family just driving around and seeing Alaska.

The Frank Massey's of mile 22 $\frac{1}{2}$ are vacationing. They drove to Willow and are planning to take the train to see the country beyond the end of the road.

Mr. & Mrs. Robert Veach have arrived in the community. The Veaches both will teach at the Chugiak School. Last year they taught at Ouzinkie, Alaska. While in Chugiak, they will reside at the Far North Trailer Court.

Mrs. Sylvia Braman of Seattle is in Chugiak. She is staying (next col.)

(comings & goings) with the Art. Johnsons of Eagle River. Mrs. Braman is a long-time friend of Mrs. (Lorraine) Johnson.

WELL BABY CLINIC SCHEDULED

The next Well Baby Clinic will be held on Wednesday, September 9th. at the Chugiak Public Library from 1pm until 3pm. There will be Well Baby Clinics twice each month, on the 2nd and 4th. Wednesday. There will be a meeting of the Health Council on the evening of Sept. 9th.

NEW BABY

A baby boy, weighing 10 pounds 8 oz. was born to Mr. & Mrs. Peter Reuter in the Valley Hospital on August 8th. The Reuters, formerly of this community, are now living in Kenai where Peter is employed as an electronic technician.

The baby, their second was named Andrew Paul. Their other child is also a boy.

The Green Thumb Corner

FLOWER GARDENS

Now with summer drawing to a close, flower gardens are in full bloom and at their loveliest.

There are many beautiful flowers grown here in the community, and it is unfortunate that with homes so widely scattered, that a person cannot very easily make a tour of them.

However, there are some beautiful flower beds that are visible from the highway, and they do much to create a good impression of the community to passers through.

As always the beds of California poppy's and nasturtiums in front of the Chugiak school create a riot of color.

To those who have become home sick for the sight of a full blown rose, stop at the post office. Paul Swanson has some beauties blooming in
(next col.)

(flowers)

his beds.

Down Eagle River way, the planter boxes at McGanns are in bloom and very beautiful.

But for a sight of very many beautifully beds in glorious bloom, we urge all flower lovers to stop at the FAR NORTH Service Station and mile 14 and see Connie Slankers fabulous flower beds. Here is the proof positive of what a green thumb and tender loving care will produce.

For variety of blooms, and perfection of blossom we feel that these beds are beyond compare and feel that all the readers of this column should treat themselves to this sight.

A TIP FOR BERRY PICKERS

Here is a tip for those berry pickers who are busy putting the fruit of their labors up into jelly and jams.

While pouring the hot jam or jelly into the jars drop a few pellets of paraffin on top of each jar. The heat of the preparation will completely
(next col)

(jelly making)

melt the wax and as it cools it will provide the perfect seal without the usual bother of melting the paraffin in a separate container and pouring it on top of the preserves.

GARDEN CLUB TO PREPARE FLOWER DISPLAYS

At their Monday meeting at the home of Mrs. Fred Hahn, the Chugiak Garden Club voted to prepare floral displays for the enjoyment of the entire community.

These flower arrangements will be prepared by Mrs. Carl Pettit each Saturday and will be displayed at the Market Basket at the Eagle River Shopping Center.

Flowers will be contributed by the different members of the club, with Mrs. Pettit doing the arrangement.

Contributions of flowers from any member of the community will be welcomed, either wild or domestic flowers. Mrs. Pettit will be at the Market Basket each Saturday from 11 to 12 noon to accept contributions.

NURSES MEET AT KINGS LAKE

The first state Convention of the Alaska Nurses Association was scheduled to meet at Kings Lake Camp during the week of August 15-21.

The programs consists of a series of meetings, tours of the valley with some time out for recreation.

There are a number of speakers scheduled among whom is Dr. Marshall Simpson.

The local chapter, District 6 is hosting the convention under the chairmanship of Mary Rowley Public Health Nurse for the Chugiak Palmer Area.

PETERS CREEK GIRL WINS BASKET

11 year old Linda Robinson, daughter of Mr. & Mrs. Bruce Robinson of mile 23, won a lovely plastic wastebasket.

Linda won the basket by guessing within 3 ounces the weight of a display of Tupperware at the recent Carnival.

The basket was the second prize, the winner having guessed exactly.

CHRISTA BURG JOINS OBEDIENCE CLUB

Mrs. Richard (Christa) Burg has been accepted for membership in the Obedience Training Club of Anchorage.

Mrs. Burg, who operates Burg's Birchwood Kennels, has been studying obedience training this past year, and has been working with two of the pure bred German Shepherds which she raises.

At present Christa is grooming her prize "Durack Von Birckenwald (Sputnik) for the trials which will be held in November. At a practice meeting last Sunday Sputnik came in 2nd.

AMBULANCE RUNS:

August 13th. 5:20 PM Mrs. DeJokino of Birchwood transported to 5040th AF Hospital. Returned to service at 7:20 PM.

AUGUST 14th. 6 30 PM Received a call from the State Police to locate a Mr. Chilligan of Eklutna and transport him to the ANS Hospital where his nephew and brother were hospitalized after a hit and run accident. Private vehicle was used.

AUGUST 15th. 8 PM.

Rescue truck sent to Eklutna where a 2 car collision had been reported. Evidently a False Alarm, as no wreck was located.

FIRE PREVENTION ASSOCIATION REPORTS

At a special meeting at the home of Walter Pipple on Monday August 17th, the Fire Prevention Association voted to start construction of a larger and more permanent building to house the two pieces of fire equipment.

Plans for the building are now being drawn up, and as soon as they are completed a special meeting will be called to make the final arrangements to begin construction. Most of the materials needed are already on hand (next col.)

the past few months; among them a wonderful set of childrens books in the Disney series as well as some excellent adult reading.

As soon as the new board arranges the fall and winter hours, they will be published.

PETERS CREEK COMMUNITY CLUB MEETS

The results of the work-picnic were discussed at the meeting of the Peters Creek Community Club last night (Tuesday, Aug. 18th.) The membership agreed that it had been so successful both in the amount of work accomplished as well as the enjoyable time had by all, that another one has been scheduled for August 30th (Sunday).

Mrs Faville (Margaret) Halverson has once more been deligated as a committee of one to make arrangements for the refreshments.

The operation of the Dime Pitch at the recent Carnival were discussed and as in the case of most community organizations at that affair, no profit was realized. The possibility of abandoning the dime pitch in favor of a more profitable operation in future carnivals was considered, and the matter is being looked into.

The group discussed the operation of either a roller skating rink or a weekly dance at the carnival hall in cooperation with CBA, and it was decided to investigate the possibilities of the roller rink and report at the next meeting.

On the social side of the meeting, Bruce Robinson, self-appointed checker champion of Peters Creek successfully defended his crown to Mr. O.W. Lowe, a new resident in that
 (next col.)

(Peters Creek) section of the community. The rest of the group enjoyed an hour of pinochle.

As is customary a drawing of names of paid-up members was made for the door prize.

The name drawn was that of Earl Ray who was not present and therefore did not win the electric skillet.

MRS. LAUKAT IN HOSPITAL

Mrs. Frank (Marylee) Laukat is in the 5040th Air Force Hospital with a severe case of hepatitis. Marylee is the fourth member in a family of six to come down with the illness.

Recovering at this time are six year old Kris, Jimmy 10 and Eileen who is 12. The only ones in the family who have so far resisted the sickness are eight year old David and the father Frank. The Laukats live in Peters Creek at Mile 23.

MRS. MACKAY HOME FROM HOSP.

Mrs. Wayne (Bea) Mackey who had been hospitalized at the valley hospital has recovered and has been released.

A new product now being offered by the WALLACE CONCRETE Products is patio stones both colored and plain.

These attractive stones are available in hexagon and random shapes are a colorful companion to the ornamental fence blocks that Wallace has been producing for the past few years.

To anyone who is planning an outdoor dining area or who wishes stepping stones for a garden path, these are the answer.

There are any number of uses for these, for example, hearth stones for a fire-place.

We recommend that anyone who is planning to do any landscaping or terracing, drop in at the Block Plant, and look at these unusual items; they may open an avenue to a number of new ideas on how to make your garden more attractive.

MORE ABOUT NEW SAFETY LAW

JUNEAU, AUG. 18:

Alaska's new Safety Responsibility Law applies to all drivers or owners of motor vehicles who have accidents involving death, injury or property damage over \$200, whether the car is driven by an Alaska resident or not, Superintendent of State Police, A.P Brandt reminded today; "It affects residents, non-residents who may be assigned to this state by private business or the U.S. Government and tourists.

It makes no difference whether the car is registered in Alaska or not. All drivers or owners must report such accidents on an official form within five (5) days after the accident. Service personell should pay particular heed to this requirement, inasmuch as many such personnel do have drivers licenses from other states and have their cars registered in other states. They are subject to the same law as Alaska residents while driving in this State."

"The provisions for suspension of drivers licenses when drivers or owners do not have adequate automobile liability insurance or avoid suspension through some other provision of the law will become effective in Alaska and also in the home state of people who have licenses in other states. This is possible because of cooperative arrangements between states. Official report forms may be obtained from any state or local police office, insurance agent or from the Provost Marshal of service bases".

REMEMBER

The VFW ladies Auxilliary needs all your unwanted items and white elephants for their Rummage Sale, August 28th, 29th & 30th.

CHUGIAK 2nd LARGEST STATE-OPERATED SCHOOL IN ALASKA

According to a release from the Department of Education Chugiak has the 2nd largest enrollment of pupils of any state operated school in Alaska. This is exclusive of schools located on military bases.

Chugiak, with it's estimated enrollment of 500 students and 21 teachers is second only to Kenai, whose estimated enrollment is 695 and who will this year employ 32 teachers.

These present a sharp contrast with some of the other schools in the state, for example, Thorne Bay school near Ketchikan where only 8 pupils are enrolled.

The estimated enrollment of pupils within the state for the year of 1959-60 is 5,878, a 20% increase over last years registration of 4,875. Approximately 320 teachers are to be employed in these schools with about 60 of them brand new to Alaska. Roughly 50 others have transferred from other schools within the state.

This growth has necessitated the construction of new schools and the enlargement of present ones.

New buildings that will be ready for occupancy this fall are at Sterling, South Nalnek and Aleknagik.

By September of 1960 a replacement building is expected to be completed in Bethel, a 1 million building!

Also newly organized schools in new buildings (next col.)

(schools) at Soldotpa and Delta Junction will be ready by September, of 1960.

A few schools in isolated areas may fail to open because of lack of qualified teachers.

It was not felt that the immigration of hemesteaders to Alaska during 1959 had any great effect upon school population, except in a few localized areas in the Third Division.

The exact count of pupils in the Chugiak district as based on the recent school census conducted by the PTA has not yet been tabulated. However, as soon as these figures become available, they will be published.

CHUGIAK BELLES MEET

The Chugiak Belles met at the home of Rusty Bellringer on Friday, August 14th in the first of what will be regular monthly meetings.

Copies of the by-laws, which had been formulated at a previous meeting were passed out to those present.

The ladies were happy to welcome to their tropp, two new members; Mrs. Dick (Barbara Brawner, and Mrs. Tony (Betty)Bockstahler.

The introduction of new routines was discussed as well as changes and improvements to the existing ones.

The evening closed with a brief practice session at which time the ladies were glad to work off the extra calories they had taken aboard with the refreshments that had been served earlier.

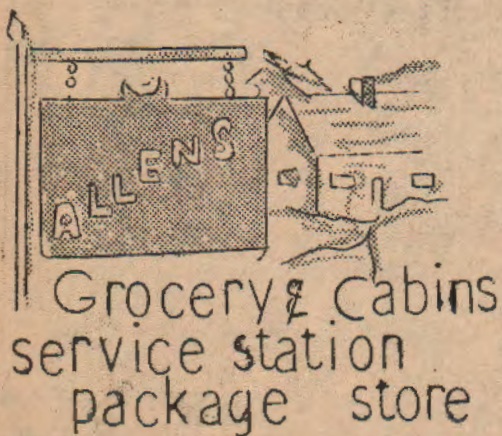

The next meeting will be on September 11th, at the home of Ruth Briggs.

DEN DOIN'S

DEN #3: Meets next Tuesday August 25th. at the home of Forest Charles.

DEN #6: Met last Tues. at the home of Jobie Woods. The boys picked brush, played games and enjoyed a barbecue.

NEXT SWIMMING: TODAY, meet at shopping Center at 6pm.

Pack #582 all enjoyed a Camp-out, at the South Fork of Eagle River, alst Saturday August 15th.

21 cubs and 6 dads participated.

They arrived at the campsite at 7 PM and 5 tents were pitched. The boys had brought food from home, and the weather was perfect. The time was well spent camping and fishing and the group returned home around noon on Sunday.

NEW BROWNIE PATROL FORMED
The new Brownie group in the Eagle River Area, under the leadership of Mrs. Fred Hahn has been designated a patrol of Troop #169.

The patrol now consists of eight Brownies:

- DEE FRANKFOURTH
- JULIANA LeDOUX
- JACQUELINE LeDOUX
- DANN HAHN
- JULIE VANOVER
- LINDA LLOYD
- CHRISTINE HEADLOUGH
- MARY HAEG

(next col.)

(Brownie patrol)

The patrol will participate in an investiture of new Brownies on Wednesday, August 26th.

This ceremony will be performed with the remainder of tropp 169

BROWNIE TROOP #56 will meet this Friday at 7:30 at the home of Clede Stephens.

GIRL SCOUT TROOP #54 meets each Thursday at 5 PM. The girls are still going to El-mendorf for their swimming lessons, and hope to be able to continue until the roads become too poor for driving.

4H FARMING:

The 4H farming group last Wednesday visited the home of Larry Petrow.

Earlier in the year the group had met at his home and helped to plow his garden. At the last meeting the group checked on the progress of his garden.

The next meeting will be at the home of Sheryll Oberg, at which time she will demonstrate on how to wash and otherwise prepare a cow for showing at a fair.

Sheryll plans to enter her two calves a 1 year old and a 2 year old in the State Fair next month.

4H SEWING:

(next col.)

(-I cont.)

4H SEWING:

7 members were present at the August 11th meeting of the 4H sewing group. There were 4 visitors,

- JANICE ELLIOT
- MARY ANN TOFSON
- LINDA TOFSON
- EILEEN NEWTON

The girls had gone roller-skating the previous Friday at the Roller Rink in Anch.

However, due to the fact that there were not enough skates to go around they had to skate in half hour shifts.

The girls are still working on their skirts, which they hope to have completed in time to enter them in the State Fair. Refreshments for the next meeting will be furnished by Eileen Newton who will be assisted by her friend Janice Elliot.

ANIMALS MUST BE VACCINATED

Anyone planning to exhibit cattle at the State Fair must show certificates showing that the animals have been tested for tuberculosis and brucellosis within the last 30 days prior to the Fair.

Also, all hogs must be vaccinated against hog cholera.

No animal will be permitted to unload at the fairgrounds until such health certificates are produced.

These measures must be taken for the protection of all the entries.

LDS ENJOY SPANISH DINNER

Members of the CHURCH OF JESUS CHRIST OF THE LATTER DAY SAINTS enjoyed a spaghetti dinner followed by a dance at the Candlelight Inn last Friday, August 14th.

A most enjoyable evening was had by all, and it is hoped to have these social evenings often.

CHUGIAK-VALLEY AREA TO ASSIST IN FUND RAISING

A campaign which will cover the Chugiak, Wasilla, Sutton, Alpine Palmer areas is planned in accordance with a plan to help raise funds for the construction of dormitories for the Methodist University.

It has been determined that \$7,500 will build one room that will house two students. This is in part of an all-Alaska campaign to raise \$1 million dollars. The room may be considered a memorial to the donor and a suggested name was the "Matanuska Room."

A kick-off dinner will be held in Palmer on Wednesday, September 23rd at which Bishop Raymond Grant, chairman of the board of trustees and Dr. Donald F. Bright, university president will be the principal speakers.

Chairman of the valley campaign will be George Smith, of Palmer.

DRY WELLS NOW PRODUCING

Two of the water wells, which had gone dry in the Peters Creek area have been drilled deeper and are now producing in great quantity.

In both cases the driller had to go only a few feet deeper and large quantities of water was available. One of the wells pumping 18 gallons per minute and the other 20,

A REMINDER

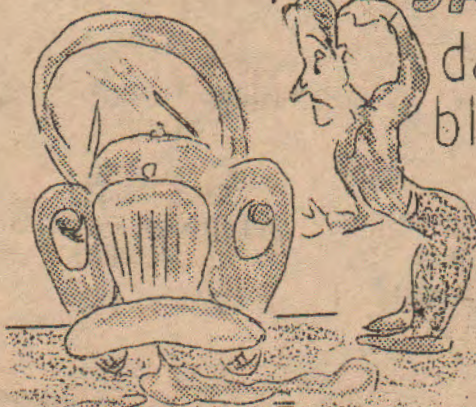

If you get your water from a shallow well or an open spring, be sure to have it tested by the Alaska Department of Health.

There has not a week gone by since the outbreak of the current epidemic of hepatitis that the COURIER has not reported at least one new case. PLAY IT SAFE! Have your water tested!
