CHUGIAK-10¢

Bandit Assaults Fire Chief

A masked bandit, caught attempting to hold up a local liquor store made his escape after an attakk upon Chugiak Fire Cheif Fred Hahn last Friday.

Hahn and his wife were at Bradley's Shopping Center at Eagle River purchasing supplies for the Fireman's dance, when Bradley suddenly decided to check the ajoining liquor store.

He (Bradley) discovered a man wearing a silk stocking over his head in the act of entering the back door of the store. The prowler carried a nickle plated revolver.

Bradley slammed the door between the market and the liquor store and attempted to call the State Police on the phone. After a delay of five or more minutes (there was some difficulty in putting (cont page 3 col 2)

JOMAN BURNED IN RESTURANT ACCIDENT

A women employee was accidentally burned whan a gas oven exploded at Spping Creek Lodge last Monday.

Injured was Mrs. Evelyn Morris of Birchwood . Mrs. Morris had opened the oven to put in some bread when the accident occured.

According to Alma Haid, owner of the Lodge the oven which had been turned on for some time had either not been light (cont page 2 col 2)

PTA ELECTS OFFICERS

Election of a new panel of officers was the maini item on the agenda of the monthly (cont page 8 col 2)

rire

FLAMES ENGULF THE HOUSE BELONGING TO MRS. GERRY JAHR AT MILE 22%,

FIRE LEVELS PETERS CREEK HOME

Fire broke out twice on Saturday afternoon, the second time completely destroying the home of Mrs. Gerry Jahr at mile 22%.

The house had been unoccupied for several weeks and Mrs. Jahr was in the process of moving her personal belongings back into the house when the fire broke out the first time.

The Chugiak Volunteer Fire Company responded to the call and succeeded in extinguishing the blaze which appeared to have started in the attic.

Some time later, after Mrs. Jahr had left to return to Anchorage fire once again broke out, again in the attic.

The fire Company once again responded, but this time the fire was out of control and they were unable to save the house.

The loss was estimated at about \$15,000 for the house and \$2,500 for the contents.

Ironicaly, the contents of the house had been removed at the time of the first fire, but were returned to the house when it was thought that the ' fire was extinguished.

It was not determined as to whether the original fire had not been completely extinguish ed (cont page2 col 3)

eaves Local Family Homeless

A fire which broke out at 3:30 PM on Tuesday, completely destroyed the trailer home of Chester Lehman at mile 17%.

The trailer was unoccupied at the Fire was reported.

Lehman had been hospitalized at the 5040th AF hospital for the past month, while his wife had been taken early Tuesday morning to the

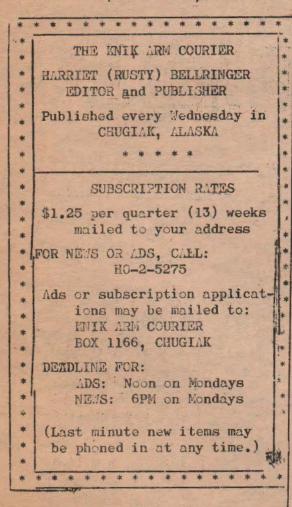

Palmer Depital to give birth to their fourth child. The Lehman's three older children had been staying with a neighbor when the fire was discovered.

The Chugiak Volunteer Fire-Company responded to the call with the tanker and the jeep pumper, however the fire was out of control by the time they arrived. It was not possible to determine the cause of the fire, nor was it known if the loss was covered with insurance.

An appeal has been issued by the community Welfare Organization for help for the Lehmans. The family lost all of their possessions in the fire and clothes, furniture and of prime importance housing is needed for the family.

Mrs. Ralph Long of the Chugiak Welfare Service has asked for a house which could be rented for the Lehmans, as Mrs. Lehman would be unable to come bome from the hospital with her new baby until suitable housing can be found. Also donations of clothing for the family ine sought. The three older children, all girls, are three, five and seven years of age. There will also be an infant. Anyone wishing to donate should contact Mrs. Ralph Long at HO-2-5153 or may leave their (cont page 2 col 2)

WEDNESDAY, APRIL 13th, 1960

SIGNS OF SPRING

Some of the less pleasant signs of spring is the variety of debris that comes to light with the melting snow.

However, the most sickening and pitiful of these signs is the corpses of long dead dogs that are scattered along the roadside.

Since the responsibility of removing these victims of hit and run accidents falls upon no one and particular, many are left where the melting snow uncovers them until the ravens and other scavengers have picked their bones.

This is not only a menace to public health, but is a distressing sight particularly to small children that may happen upon them.

What is most surprising, is that many of these are Seed close to homes or other habitation, yet no apparent attempt has been made to remove them.

The blame Bor this unfortunate situation is impossible to affix, however, it does give us something to think about, as it is a problem that effects us all.

Perhaps we might suggest that anyone who had a pet disappear during the winter might look along the roadside. They might find his remains there.

* * * *

(Fire strikes family cont page 1 col 3) names with any clergyman in the community.

(Woman buthed, cont page 1 col 1)

ed or the fire had gone out. Either,way, when the door was opened the accurulated gas was ignited by one of the other burners on the stove and the resulting explosion occured.

The Chugiak Fire Company ambulance responded to the call and Mrs. Morris was taken to the Providence Hospital, where she was treated for second degree burns. She required no further hospitalization.

PAGE 2 SOODING O CONSCISS

5- 15 Ci. ...

If you have problem windows in your house, and have been unable to find ready made draperies to fit them; or if you have just been unable to find anything you like, then here is good news!

Ethel McAllister, of mile 13½ Eagle River is making her skill and experience at designing custom made draperies available to everyone.

Ethel has equipped a shop at her home and will upon order, design and make beautiful custom made draperies for surprisingly reasonable prices.

In addition to making new draperies, Ethel will remodel, repair or alter any drapes that you may desire.

So whateger your problem may be, we suggest that you drop in and talk it overwith Ethel. She has a wealth of wonderful ideas and can help you make your windows something to be proud of.

Peters Creek Fire)cont page 1 col 2)

or whether the second time was a new fire entirely. It was suspected that faulty wiring was the cause of the fire in hoth instances.

It was also not known as to whether or not the loss was covered hy insurance.

COOK FOR APRIL ... ALMA HAIK

When Alma agreed to be our cook for the month we felt that our readers would never forgive us if we did not attempt to get her famous bread recipe. Alma was willing to share it, but the recipe she used would hake 30 loaves of bread at one time.

We felt that this would be a little more than the afferage housewife would care to tackle at once, so we settled for something just as good. This recipe for light tasty refrigerator rolls was the same one which won Alma the Grand Frize at the baking contest at the first Chugiak Spring Carnival.

REFRIGERATOR ROLLS

1 cake fresh yeast
1 tbs. sugar
1 cup warm milk
1/3 cup sugar
1//3 cup melted butter
2 well beaten eggs
4 cups all purpose flour
1/4 tsp salt.

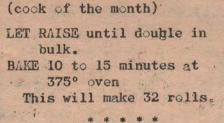

CREAM yeast with 1 tbs. sugar ADD remaing ingredients MIX well and place in refrig. • the day before rolls are to be baked.

When ready to bake, divide dough in two parts. ROLL out in large circles. SPREAD with melted butter

CUT each circle in 16 pieces like a pie.

ROLL each piece from the wide end toward the center.

(next col.)

. 18

(Fire Chief attacked, cont page 1 col 1)

through the call) Hahn decided to check outside. Hahn said "...I was not trying to be a hero, I was sure that the guy had left by this time."

Hahn saw this person peering in the back door of the liquor store, but still did not 'think it was the holdup man,' but some neighborhood youngster. He called out and asked what he was doing. The man membled something and started to walk away, then apparently changed his mind and turned on Hahn and pulled his gun.

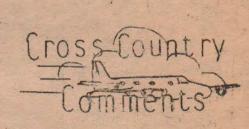

He order Hahn to turn around and to maise his hands. Then he struck Hahn on the back of the head and ran off.

Kahn was taken to the Eagle River office of Dr. Simpson where stitches were necessary.

Bradley said that although there was slightly under one hundred dollars in the cash register in the liqour store, none of the mon#" ey was taken.

Bradley said that he had heard no noise that may " have made him suspect that someone may have been en- " tering the liquor store, "" "..it was just a sixth sense

Bradley also said that he has since installed a complete burglar calarm system (cont page 5 col 3)

PAGE 3

A familiar question to all Alaskans traveling in the south 48 is "...are prices really high in Alaska?"

This is a question that we usually answed in the affirmative, although the difference was not as high as we had expected.

However it was a pleasant surprise th find in New York City that one commodity is considerably higher that it is in Alaska, and that is the cost of parking ones car.

It is to be expected the cost of parking in lots or public garages would be high, what with the vast number of cars in the city as compared with the amount of curtside parking available; but it was the cost of metered curbside parking that amazed us.

The parking meters in New York City do not take nickles but dimes. Not only that, but it is not possible to buy a fraction of on hour, parking for me or more pennies. A person must buy an houss worth of parking regardless of how long they may desire to stop.

The high cost of parking, along with the many bridge and tunnel tolls that one must constantly pay while driving from one part of the pity to another explains why so many New Yorkers don't even own autos, but rely on the city's highly efficient public transportation system instead.

APRIL 13^b, 1960 The Green Thumb Corner By: Betty ^Bockstahler

A warm invitation is hereby extended all Chugiak "green-thumbers" to participate in the activities of the Chugiak Garden Club this year! For those of you who are new in the area, we might mention that this Club is composed of an assortment of genial and motley individuals who meet once a sonth, on the last Tuesday, to chat about the numerous problems, questions and triumphs connected with the planding of a little seed and the ementual production of a vegetable or flower. The meetings are informal and the coffeepot is on early. Occasionally an expert in some particular field is asked to tell us some of his or her secrets--but usually a general discussion of the pertinent gardening problems of the day keeps us occupied during the meeting.

April's meeting is scheduled for Tuesday, April 26th at the home of Mrs. Walter Pippel at Mile 15. Mark the date on the calendar and plan to be there! To keep us "on our toes" be-

tween meetings, our members have volunteered to provide helpful hints for inclusion in this column weekly. If you've a gardening problem you'd like answered in this column, address you question to the Club's President, Paul Swanson, Chugiak's Postmaster, and he'll answer it, or see that it's routed to the right "expert" for answer.

Planting time is almost upon us, so begin to plan what you want to accomplish gardenwise this year--join us on April 26th for advice on how to go about it.

NO. MOVIE THIS WEEK

Due to the fact that April the 15th is GCOD FRIDAY, the school move has been postponed to the following Friday, April 22nd.

There will be two more movies shown at the Chugiak School this year.

Watch this column in the COURIER for scheduling.

REPUBLICANS TO FORM LOCAL CLUB

Local Republicans met Friday April 8th at the Eagle River Boy Scout Hut to discuss resolutions to be submitted by the Chugiak Group to the South Central District Convention which is scheduled for Saturday April 16th at the Lousac Library in Anchorage. This convention is open to the public and begins at 9 am and will last all day.

The next meeting of the Chugiak group will be Friday April 29th at the Alaska Woodcfaft shop at 8 pm. Any interested persons are invited to attend. The main subject on the agends will be the organization of a Chugiak Republican Club.

* * * * *

PALMER MARKET TO MOVE

The Piggly Jiggly store in Palmer will soon be moving to new and larger quarters.

The new location will be in the new addition which has been built on to the bowling alley,

* * * * *

BPR EMPLOYEES RECEIVED TERMINATION NOTICES

The Department of Public Works, Division of Highways is now engaged in preparing offers of emp;oyment to all Bureau of Public Roads empoyees.

These offers were mailed prior to April 7%.

The Bureau of Public Roads mailed termination notices on April 1st, effective date July 1st, 1960.

An orderly (next col.)

(BPR notices)

transition is expected, although adjustments are to be expected in the overall organization due to the transfer from Federal to State management of our highway system.

DANCES GET OFF TO SLOW START

The first dance which was held at the Carmival Hall by the Chugiak Firemen was not too well attended.

However, the Fire Company is going to continue holding the weekly dances in the hope that attendance will pick up as word gets around.

The dances take place each Friday at the Carnival Hall starting at 9 PM. Music is by a popular dance combo and refreshments are on sale.

(NEWS AND ACTIVITIES OF THE CHUGIAK PUBLIC LIBRARY)

The library received this past week the monthly contribution from the state. The list of titles is as follows: MCUSE MCUSE (children's) CARTIER SAILS THE SAINT -LAWRENCE ISAAC NEWTON A PUPPY NAMED GHI (child.) FIND A CAREER IN JOURNALISN YOUNG TITAN IMMORTAL VILLAGE LAND CF THE MIDNIGHT SUN NEIGHBORD TO THE SCUTH

The library board meeting scheduled for Tuesday April 5th, was postponed. The next official meeting of the board will be May 3rd. In the event of an earlier meeting notice will be given in the COURIER.

Approximately one year ago, your library moved to the present location at Swannee Slopes. The building was donated by Paul Swanson. Also dontaed were lumber, cement block for shelving, aldng with time and material to install additional wiring. The aid of volunteer librarians was inlisted. The (next col.) (book report)

VFW made provision for fuel throughout the winter and recently contributed to the purchase of new books.

Over 900 new books have been added to the library this year, through purchase and personal contnibution; and finally for the first time, the library became accessable to the school children, who take out an average of 125 books per month,

Awakened interest produced additional volunteer help which made all these advances possible. Your library is truly the product of community effort and cooperation and we hope, a contributing factor to community enjoyment.

CENSUS TAKER FINDS PEOPLE COOPERATIVE

Beatrice Mackey, census taker in the Chugiak area reported that things are progressing smoothly and that she has found with only one exception that people are very cooperative.

Mrs. Mackey said that surprisingly, no one has hesitated in giving their correct age. This is contrary to the common belief that most women try to hide this fact.

TEEN CLUB CLARIFIES BY-LAWS

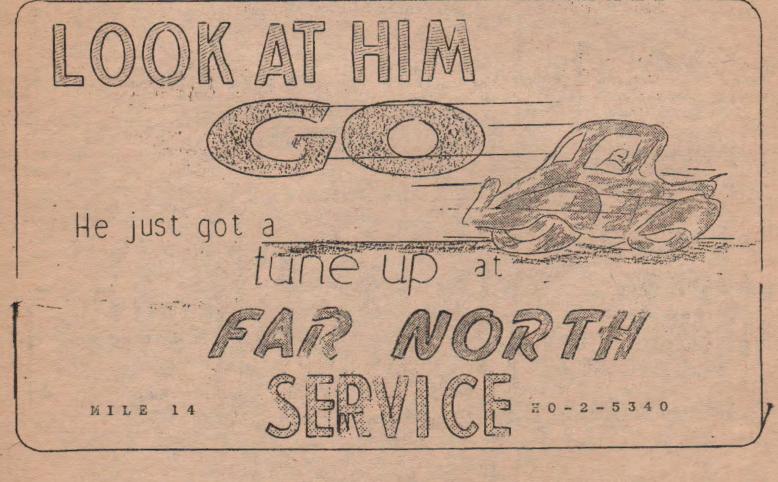

PAGE 6

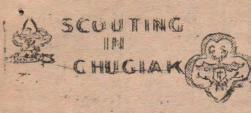

Miss Sandra Steeby, secretary of the Chugiak Teen Club as made this statement concerning the club get-together on Sunday April 10th at which several members and 4 guests were present.

"There has been some question as to whether or not the guests were to old to be eligible to attend. I hope that those who questioned their attendance will read the club by-laws, which read that as long as guests abide by the rules, they are welcome regardless of age. The member who brings them is responsible for their actions. If the guest fails to observe the rules of the club or be34 haves in an unbeomming manner the mamber who brought them will lose his or her membership."

Miss Steeby also mentioned that parents of the members are extended a steady and cordial welcome to attend any or sll club functions. She also expressed the club's thanks to the persons who have helped getting the club started.

To Max Pyles for helping in the organization, to Bob Brown for writing the by-laws, to Glenn Gnad for the use of the amusement machines, to Mr. Osbourne of the Birchwood Lumber Cc. for his donation of building material, to Mr. & Mrs. Carl Steeby for the use of the club-house, to Mr. Frank Milliman for printing t(cont page _____)

HOMEMAKERS TO ATTEND

The Chugiak Homemakers Club nade plans to attend the annual Homemakers Tea in Palmer on May 3rd. The group, which met at the home of Nancy Asher on April 7th experienced a good turn-out.

The Tea, which will this year be held at the Elk's hall is open to all Homemakers.

The Chugiak group has voted to donate to the fund which is being raised to purchased a resusitator for the nursery of the Valley Hospital. This fund is being supported by all homemaking groups.

It was not decided whether or not to send a member to attend the Short Course in Fairbanks this year.

The next meeting will be on May 12th at the home of Dottie Fetrow. It will (next cd) PAGE 7 (homemakers)

be a pot-luck and each member is requisted to bring her favorite dish. The meeting will begin at 11 am. a* * * *

HEALTH COUNCIL TO ASSIST IN BLOOD TYPING

The Chugiak Health Council will help in the Civil Defense Blood Typing Program which will be held in this community soon.

Ray Henriches, Civil Defense Biredtor for the Chugiak area attended their April 11th meeting and explained the program to them.

Plans were also discussed for a TB chest X-ray Clinic to be held in Chugiak sometine in September.

The Health Council will relieve the teachers at the Chugiak school of the semi-annual task of weighing and meas uring of all the school children. This is done once in the fall and again in the spring.

The invitation for new members to the Health Council brought six prospective members to the meeting. * * ***
