Chugiak Shuts Out Braves in Opener

Chugiak Little League was off to a spectacular start when they won their opening game against the Braves 8 to 0.

The really exceptional playing of the boys shows promise of a brilliant season with perhaps this year winning the Championship.

Pitching and credited with the win was Mill Brawler, who is also responsible for several hits.

Larry Sossaman did a terrific job of catching as well as hitting a double and two singles.

Richard Jonrowe hit a triple (cont page 6 col 3)

Sisters Injured in Wreck

Little hope is held for the recovery of 11 year old Linda Toffson who with her 15 year old sister Maryanne was critically injured in an auto wreck last Monday.

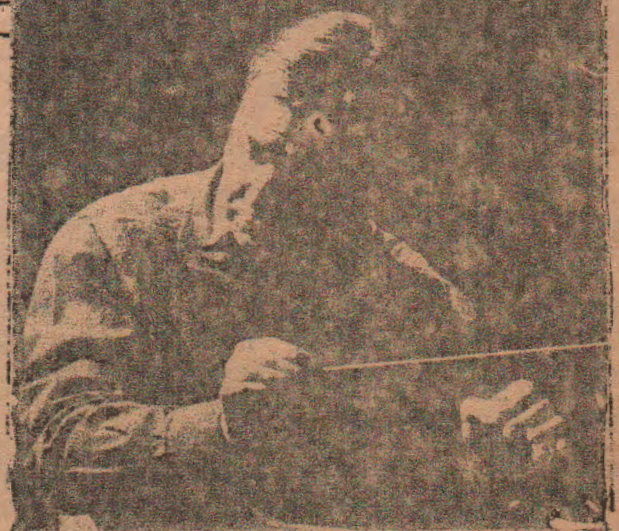

The accident occurred at the Peters Creek bridge late in the afternoon. The car, driven by Maryanne apparently struck the concrete abutment of the bridge while traveling south at a high speed. There were no witnesses to the accident, but no other car appeared to be involved.

A passing motorist left word of the accident at the Peters Creek Service who in turn called the State Police and the Chugiak Fire Company Ambulance.

Assistant Fire Chief Art Wallace responded to the call and administered First Aid with the assistance of a Catholic Sister who was one of a group from Providence Hospital that happened to be picnicing (cont page 6 col 2)

PLAY BALL

With the advent of the Little
League season we were trying
to phrase an editorial with
which to spark some interest
in the local games.

We must confess that we
were slightly stumped for a
way to express our thoughts
when a letter from one of
our readers (who is also a
loyal Little League fan, as
well as a parent of one of
the players) arrived which
stated our sentiments per-
fectly.

With her permission, we
will reprint it and hope that
it will encourage some enthus-
iasm for the wonderful job
that these lads do.

(letter)

"....Last year, there was
little morale support given
these boys, except for a few
of the parents.

This year we hope that
every parent will attend
these games as well as other
members of the community.

Just to say "we're behind
these boys", isn't enough!
Lest all attend the games and
"Root" for them.

Bud Fillmore has put forth
endless hours to shape this
team up, and Tommy Slanker
has fotted the bill, so we
feel that it is the least
the citizens of Chugiak can
do...especially the parents

of these boys...to attend
the games!

OPEN LETTER:

"...We would like to thank
all the people of the Chu-
giak area for their kind-
ness to us during our rec-
ent bereavement.

Special appreciation is
extended to our kind friends

ple of the shopping area
for their thoughtfulness to
us at this time.

when Smiths car turned in
front of her at the Moose-
horn Trading Post at mile
18½.

Witnesses said that Mrs.
Haik could not avoid hit-
ting the car. Her new
Volkswagon was completely
demolished.

The Chugiak Ambulance
transported her to Prov-
idence hospital where she
is in serious condition.

Her leg was crushed in
four places and she suf-
fered head injuries.

Smith and his wife and
infant son were uninjured.

The Haiks operate Spring
Creek Lodge at mile 20½.

Here is happy news for those
of us who find water still a
major problem. It is no lon-
ger necessary to drive to An-
chorage when the time comes to
do the family thing.

Roy Wilson of the Eagle Riv-
er Trailer Court has just open-
ed a "Washeteria" with brand
new automatic machines and large
speedy commercial size dryers.

Now at last the residents
of the area can enjoy the con-
venience of a modern public
laundry without having to dr-
ive fifty miles and spend long
hours to gain it.

This is just another of the
advances that our community is
offering, and we feel sure a
must welcome one.

BEARS AND TRESPASSERS BESET HOMESTEADER

When a bear tore up his camp at his remote mountain homestead, Til Wallace of Chugiak figured that was one of the hazards of the game and figured to make Mr. Bear pay for his damage with hide and meat.

However by the time he was able to borrow a suitable gun and return, he found a very frustrating situation.

It seems that the story of the wayward bear had reached the ears of a couple of soldiers who had been hunting unsuccessfully and they decided to go after him.

When Thil and a friend arrived at the homestead which is located on the most remote ridge in the Chugiak area, they discovered that the two soldiers had shot the bear and were spending the night in Thil's tent. They had disarranged the camp, used his supply of water (which he had to pack by hand for a mile) and scattered C Ration cans about the camp.

When Thil questioned them about their presence they explained that they had shot the bear, but made no apologies for using his tent or equipment, in fact made no offer to get out of the tent so that Wallace could use it, forcing him and his friend to sleep outside that night. Thil said that they did not even offer to hand out his sleeping bags, leading him to suspect that they were also using them.

The next day they asked Wallace to haul the carcass down the mountain with his jeep. After he had obliged (cont page 5 col 3)

The crowning insult came when someone showed Wallace a copy of the post newspaper, in which these modest (?) self-styled heros gave an account in their own words of how they had bravely shot the bear for the helpless and grateful (HAH!) homest-eader.

DAY CAMP CONTINUES

The girl scout day camp is now in it's second week, with the girls learning much about outdoor living and camp lore.

They cook all of their own meals and are taught many interesting projects, such as constructing an outdoor "ice-box" to keep food cool.

The scouts and brownies have been meeting Tues thru Thursdays at the Izaak Walton League Picnic Grounds.

at the Peters Creek Camp Grounds.

The girls were taken to the 5040th AF Hospital where all emergency measures were taken.

Linda, after six hours in surgery was pronounced in critical condition and has remaindd unchanged as of the last report.

She is suffering from broken bones, severe cuts and bruises and the full extent of her injuries is not known.

Her sister while also seriously injured, was able to be moved yesterday to Providence Hospital. She is suffering from many deep cuts about the head and her chest had been crushed from the impact with the steering column.

The girls are the daughters of Mr. and Mrs. Ingvol Tofson of Birchwood. Mr. Tofson is employed by Alaska Sales and Service in Anchorage. Mrs. Tofson is the manager of the Chugiak School lunch room.

At the time of the accident both parents were at Providence Hospital visiting Mrs. Tofsons sister Alma Haik who had been seriously injured in an auto accident the night before.

The girls had been returning from "Hidden Lake" local swimming spot when the accident occured.

The car was completely demolished.

The bride was attended by Mrs. Carol Connel who served as matron of honor. The best man was SP/4 Joseph Kope and Peter Dhlmann served as usher.

The double ring ceremony was performed by Rev. E.C. Chron of the Eagle River Baptist Church. Mrs. Lee Bandy accompanied Sgt Robert (next col.)

The bride wore a waltz length gown of lace over taffeta with seed-pearls and pearl sequins edging the v-neck.

A headpiece of satin leaves embroidered with seed pearls held a veil of imported Belgian lace. Her only jewelry was a double strand of pearls a gift from the groom.

Mrs. Connell was attired in a waltz length gown of yellow taffeta with an overskirt of of organdy with taffeta panels at the back. She carried a basket of white iris and yellow daisies.

The brides mother wore a green silk sheath with white accessories, while the mother of the groom wore blue lace over linen sheath with pink accessories. Both mothers wore corsages of pink cymbidinn.

Following the ceremony a reception was held at the Paul Swanson home, with Mrs. Jim Lake officiating. Mrs. Dale Thompson cut and served the wedding cake and Mrs. Francis Lee poured the coffee. CAR DAMAGED IN CRASH

A driver and two small children escaped unhurt last week when the car in which they were riding was struck by another at mile 17 1/2.

The car belonged to Mrs. Wm Garrison of Birchwood and was driven by a friend who had just picked up the two Garrison children, Debbie aged 5 and Randy age 2 1/2.

He had just pulled out of a side-road into the path of the oncoming car.

Damage to the Garrison car, a 1958 Buick was estimated at \$1,00. The damage to the other car was not known, nor were any of the occupants injured.

This was the second such accident at this blind curve in six months.

TWINS HOSPITALIZED

The two week old twin daughters of Mr. and Mrs. Steve Lund of Birchwood were admitted to the Valley Hospital this week.

Little Peggy and Paula were suffering from a vitamin deficiency and required special feeding. They will be released when they have regained sufficient weight.

VANDALS DAMAGE BOAT

Last week vandals damaged a small row boat which belonged to Bruce Robinson of mile 23.

The boat had been tied up at Mirror Lake and the oars were with it.

Robinson had not minded neighbors using his boat, but was quite unhappy when someone unnecessarily broke the oarlocks from the boat splintering the wood and necessitating replacement of the main stringers.
