

Precinct Division To Be Discussed

George Allen, Democratic Chairman for the Chugiak Precinct, has announced the holding of a non-partisan community meeting at the Chugiak School at 8pm on Thursday, May 18th.

At this time the proposed division of Chugiak into three separate precincts will be discussed.

This subject was brought up at an emergency meeting at the Half-Way House last Wednesday, at which time Sec. of State for Alaska, Hugh J. Wade was present to explain the matter.

It was felt that insufficient notice of this meeting had been given to enable all interested parties to attend; therefore a second meeting on this subject has

LITTLE LEAGUERS ARE PRACTICING

Chugiak Little Leaguers are practicing every evening at the Ball Diamond, located at the Chugiak Carnival Grounds at mile 21.

Manager Paul Fillmore is working out with the boys, assisted by Wiley Boroughs assistant coach.

Any boys between the ages of nine and twelve who is interested in trying out for the team is invited to come down to the ball park any evening at 6pm.

Selection for the team will be made at a later date.

Boys who do not qualify for the Chugiak team, will be permitted to play in the Farm League teams which are to be organized.

41 TO GRADUATE

Forty one graduates, the largest graduating class in the history of the Chugiak School, will receive their diplomas tonight at a formal graduation ceremony, to be followed by a dance and buffet.

For eight of the youngsters it was an agonizing experience, for the results of the state examinations did not arrive until Monday, and these particular eighth graders did

New School Super Appointed

Word has been received that Elmer C. Smith has accepted the Superintendency for the Chugiak Schools.

He is at present superintendent and Physical Education teacher at Dillingham.

Immediately previous to his assignment to Dillingham, Mr. Smith was Elementary principal at Kenai.

Mr. Smith will be replacing Lee Emmert who is transferring to Elmendorf On-Base school next fall.

BOY BURNED BY TRASH FIRE

Three year old William Schulz, son of Mr. & Mrs. Charles Schulz of mile 13 was badly burned last week when playing near a trash fire at his home.

The child's mother had left the boy momentarily with his older brother while she went into the house.

She heard the boy screaming, and ran out to discover that his clothing was on fire.

Mrs. Schultz pulled the burning clothes from the boy and then rushed him to the office of Dr. Marshall Simpson where he was treated for third degree burns on his hand and stomach.

Hospitalization was not required.

BIRCHWOOD DOG TAKES BLUE RIBBON

Durand Von Birchenwold, a German Shepherd belonging to Mrs. Richard (Christa) Berg of Berg's Birchwood Kennels, won a blue ribbon for the Best of Open Class, at the Dog Show in Anchorage last Sunday.

NEW HIGHWAY MAP
OUT

JUNEAU: An up-to-date illustrated official map of Alaska -- showing the 49th State's intra-state highway network on one side, and the route of the Alaska Highway through Canada on the other -- is available now from the Alaska Division of Highways, Juneau at no charge.

The map, which is the first official roadmap produced by the State of Alaska, was printed by Rand McNally.

In addition to showing roads, and highways the map also designates airports and roadside parks.

Included too are illustrations of Alaska wildlife, scenery and attractions plus pictures of the official state flag, seal, bird and flower.

uids, and wearing rubber gloves, gathered at the Chugiak Carnival Hall last week to take a three day course in refinishing of furniture.

Under the instruction of Myrtle Bang, Home Demonstration Agent for the Extension Office, the ladies tackled projects ranging from a child's rocker to an elaborate mahogany dining room table.

The instruction included the removing of old finish, repairing the structure of the piece, staining and finishing.

DENALI HIGHWAY OPENS
FRIDAY

JUNEAU: An estimated date of May 19th has been announced for the opening of the Denali Highway, through Mt. McKinley National Park.

T.D. Sherard, director of the Alaska Division of Highways, said that he had been appraised of the estimated opening date by Woody Johansen, District Highway Engineer for the Fairbanks district. The director noted, however, that achieving the May 19th opening is completely dependent on the weather.

Sherard also said that the state's highway crews are working at peak ability now to open all of Alaska's highways and keep them open.

In Richard Stickel's Valdez district, Sherard said, a snow slide closed Mile 39 of the Richardson Highway at 4pm Saturday, but highway crews had reopened the road by 3 a.m. Sunday.

COMMUNITY BAROMETER

We have often noted how the enrollment of the Chugiak School is a fairly accurate barometer of the population of our community.

For example, this year, while the enrollment at the school was pretty much the same at the end of the year as it was at the beginning, there were a total of 100 new students who entered the school during the year. This would indicate that an equal number had left, pointing to quite a turnover in population.

Another interesting learned from the school census, is the fact that the largest percentage of the residents of Chugiak own their own homes, as opposed to the minority who are renters.

In the ten years that the Chugiak School has been in operation the enrollment from the original 67 to the present of 543 shows quite plainly how Chugiak has grown and just what the proportion of population increase has been.

All this is very fascinating, and proves once again that the best way to get to know anything about anyone is through their children.

LOST SET OF KEYS
FOUND

A key ring with several keys attached was found on Jayhawk Drive in Birchwood last week.

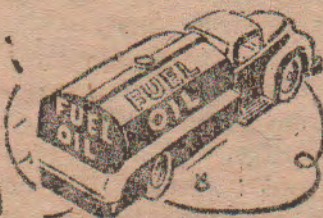

Among these keys are two car keys for a Volkswagen and a Ford, along with several assorted keys of different description.

Those keys have been taken to the Chugiak post-office, and the owner may claim them by identifying them to Postmaster Paul Swanson.

PETERS CREEK CLUB TO DISCUSS FARM LEAGUES

The Peters Creek Community Club will meet at the mile 21 1/2 Clubhouse on Tuesday, May 23rd at 7:30pm.

Nominations for officers will be held and a discussion of sponsoring a "Farm League" team will take place.

There are also some important items of community business to be taken up.

All club members are urged to attend.

CAUTION OF LAWS ON HIRING CHILDREN

JUNEAU: Labor Commissioner Gil Johnson today reminded teenagers and employers that Alaska has rigid laws governing the types, hours, and conditions of employment of youth.

Johnson pointed out that the Alaska child labor laws and regulations had been in effect since 1949. "Recently, we have learned that in some areas these laws were being violated and administrative action was necessary," he said.

Commissioner Johnson called on employers to register their job needs for teenagers with the local offices of the Alaska State Employment Service located in major cities.

At the same time, he called (next col.)

"...We would like to thank the Chugiak Volunteer Fire Co. for their response to our call last week.

As I am alone a great deal, I have always felt the reassurance of having an organization on which I could call for immediate help in case of accident or injury within my family.

The fire truck was at our home approximately five minutes after the call was placed.

For this efficiency and for the dedication of several men, who have served the community for years, against an atmosphere of hostility and lack of cooperation, we are most grateful.

THE Cook of the Month

-COOK FOR MAY-

1. BILLIE MOORE

The meat loaf recipe which Billie shares with us this week is one which was sent to her by her mother. Her family always begs Billie to bake an extra one of these to be served sliced cold for sandwiches.

HOT OR COLD MEAT LOAF

- 1X ground beef (better with moose)
 - 2/3 cup powdered milk
 - 1/2 cup water
 - 2 slices bread
 - 1 egg
 - 1 tsp dry green pepper flakes
 - 2 tsp parsley flakes
 - 2 tbs onion flakes
 - 2 tsp celery salt
 - Pinch pepper
 - 1/2 tsp salt
 - pinch garlic powder
 - 1 tbs ketchup
 - 1 tsp prepared mustard
- CRUMBLE bread in bowl
 ADD dry milk and all seasoning
 STIR together
 ADD water & beaten egg
 WORK ingredients to thin paste with fork
 ADD meat
 PACK solidly in well oiled bowl or tin.
 SET ABIDE for 15-20 minutes to season (this is an important step)
 BAKE uncovered @ 375° for 25 minutes or until done
 SERVE hot, but is especially delicious cold.
 MAKE several of these at one time and store in freezer for summer snacks and picnics.

BCC TO ELECT OFFICERS

BIRCHWOOD: A meeting to re-activate the Birchwood Community Club will be held on Sunday, May 21st, at the Club-house beginning at 2 pm.

This will be a cold dish pot-luck and each family is to bring ~~weine~~ to roast.

Election of officers and the sponsorship of "Farm League Teams" is the business to be taken up. Also, the club will discuss the formation of a Ladies Auxiliary.

All residents of the area bounded by the Inlet and the Highway from Peters Creek to Fire Lake are eligible to attend.

LADIES CLUB MAKES SUMMER PLANS

EAGLE RIVER: The Chugiak Ladies Club (formerly Friendly Neighbors) met at the home of Bonnie Flint at Eagle River last Wednesday.

The summer social season and plans for appropriate outings was the main subject of discussion.

The group will meet again on Wednesday, May 24th at the home of Leanore Landreth at mile 21 1/2, at 7:30pm.

WELL KNOWN RESIDENTS KILLED IN AUTO ACCIDENT

SWANEE SLOPES: Two familiar figures to residents of Chugiak will no longer be seen strolling along the highway in front of the Chugiak School.

The two ganders belonging to Postmaster Paul Swanson were struck by a passing car last week killing both of them.

Paul claimed that he kept the geese because motorists (next col.)

(geese)

would slow down for a goose, when they would not for a child. However, after several years of working out, this theory was disproved and now these two noble fowls are with us no longer.

However, Paul reported that the widow of one of the birds is setting a nest of eggs, so the loss is only a temporary one.

PLAYERS ADOPT CONSTITUTION

The Chugiak Players, at their last meeting voted to adopt a constitution which they had worked out. The group has still to formulate their by-laws, and this will be done at their next meeting.

At this meeting in accordance with the new constitution, officers will be elected who will take office in September.

Anyone who has taken part in any way in either of the Chugiak Players two productions, (City Slicker & High Hopes) is eligible to join the Players and to vote in this election.

Following the meeting a tape recording that was made of the entire production of High Hopes will be played.

Refreshments will also be served.

The meeting will take place at the home of Rusty Bellringer on Mt. Eklutna Drive at mile 23.

METHODIST CHURCH DEDICATES NEW ORGAN

The Methodist Church dedicated its new Wurlitzer organ in memory of Donna McGladrey, during the nine o'clock worship service last Sunday.

Donna was the music teacher at the Chugiak school until her death in an airplane crash on December 31, 1959.

Since that time, her parents, the Rev. and Mrs. L.D. McGladrey of Evanston Ill, have sent donations from friends and relatives to start an organ fund for the Chugiak Methodist Church.

This fund had grown to \$345, which amount was used to make a down payment on the organ.

The members of this congregation have pledged payments enough to cover the balance.

The organ was purchased from Mr. and Mrs. Charles Van Dervoort, who generously reduced the equity by \$100 for the church.

Each member of the church is grateful to all who are making this beautiful instrument and its lovely music available each week. Come and enjoy it with us.

Allen stated that the division if it should go through would weaken the voice of Chugiak in the State Government, and be of no benefit to the community; said Allen, "A big bullfrog can make a lot more noise than three little chirps."

Sec. Wade, or a representative of his office has been invited to attend the meeting.

Allen also mentioned that this public gathering will also be utilized to bring up two other matters of community interest. One, the use of red lights atop the vehicles of the Chugiak Vol. Firemen. For this, Lt. Mayfield of the State Police has been invited. The second matter is the plight of the Eagle River Homesteaders, who happen to be within the limits of the power reserve.
