CHUGIAK* 10¢

SCHOOL ADDITION BIDS TO BE OPENED

SEARCH FOR MISSING YOUTHS

PETERS CREEK: State
Police are still seektwo Canadian youths
who had strayed from
the party of prospectors of which they were
members last week.

A Mr. Malper, who is the leader of the group reported that the boys, two brother aged 18 and 19 had disappeared from the camp and guns and several other btems were also missing.

The party had been camped at the Peters Creek
Camp Ground at the time
of their disappearance.

A state trooper had seen a pair answering to their discription in that area, but they had run away into a wooded ared before they could be questioned.

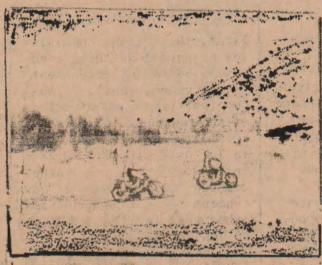

State troopers have searched the area on horseback, and although they had found evidence of where the youth's had camped, no sign of the missing boys was found.

An ariel search was prevented by poor weather.

Walper could think of no motive for the diaappearance of the brothers.

Although the boys were believed to have guns in their possession, they are not regarded as dangerous.

Anyone with information concerning the missing boys is requested to contact the Alaska State Police.

CYCLISTS BATTLE FOR FIRST PLACE
AS RACE ENTERS THE FINAL LAP

MOTORCYCLE RACES THRILL MANY

OLD CHUGIAK: Spectators filled the newly constructed grandstand at the Chugiak Carnival grounds to witness the first motorcycle races to be held at the new track.

Sponsored by the Last Frontier Liotorcycle Clhb of this community, the races climaxed a three day event which included, a 100 mile tour to Portage, stunts and field events and numerous dances.

The fastest cycle in the time trials was ridden by Jesse Harker, whose time was 34.2. Harker also came in first in the 250 cc. heat race, with Darryl Autrey 2nd.

In the 500cc class, Duane Parks was first with Ken Edmiston 2nd.

Winner in the 650 cc class was Phil Gottard.

Ken Edmiston of Palmer was lst in the 500cc, with Paul Abbot and Curt Hendrickson both of Anchorage 2nd and 3rd respectively

Ken Edmsiton was again first in the 650 cc class, with Don Zalm of Fairbanks 2nd and Don Hamblin of Spenard 3rd.

Winner of the consolation race was Elmer Millison. (cont apage 8 col 2) JUNEAU: Bids will be opened in his office for the construction of an eight-classroom addition to the Eagle River school, Richard A. Downing Commissioner of the Alaska Department of Public Forks stated.

Downing gave the 28th of June as the date for the bad opening.

Specifications call for the construction of a one-story concrete block and frame addition to the existing school.

The addition is to include eight classrooms, library, lavatory, janitor room, store rooms, dressing rooms, shower rooms and site improvements.

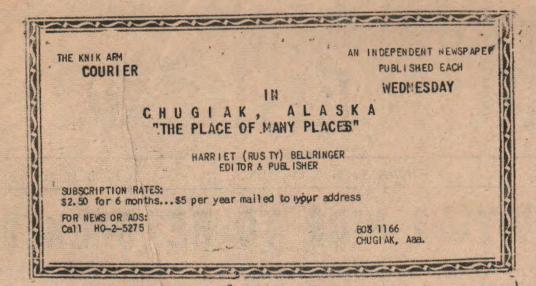

Leonard Lowell, Director of DPW's Division of Buildings said contractors also will be able to quote prices on two alternate bids.

One is for the basic addition except with six classroom instead of eight; the other is for the basic bid, but without the shower and dressing rooms.

SOLDIER PICKED UP FOR PANHANDLING

PETERS CREEK: A Ft. Richardson soldier was picked up by State Police last week following several complaints that he had been going from house to house asking for meals or coffee.

The man, who gage his (cont page 6 col 3)

MY BOROUGH By Jesse E Wooten

The formation of a petition to incorporate the ares from a Knik River Bridge to Portage is being drawn up at this time. Very soon things will be happening which will affect you the rest of your life in this community.

Most of us probably have given little thought to how this will affect us. There will be at least two immediate effects on this area if we are incorporated into a borough of the size proposed. (next col.)

Mirst, these local communities of ours lose their identities as far as government is concerned. Next, we become political subdivisions of the borough. This is evident if one gives some study to Tax assessing and collecting and planning and zoning.

These two processes of government respect no boundries other than legally established boundaries. Community boundaries lose their significance and give way to centralized government authority.

(next col.)

(,y borough)

With your signatures on the proposed petition you will be asking for these things to come about.

The borough steering Committee which holds regular meetings in Anchorage, will be responsible for obtaining signatures to incorporate the entire area into a borough.

With the present signature requirement it may not be necessary for them to approach anyone in this area to qualify the petition.

The Local Affairs Agency, an agency of State government, is supposed to investigate each petition for incorporation to make sure that the proposed borough conforms to the requirements set forth in the Borough act.

If the Local Affairs Agancy is satisfied with its investigation it turns its findings over to the Local Boundary Commission, another agency of state government. The Local Boundary Commission is responsible for making the state's determination on the petition. The Local Boundary (cont page 4 col 2)

THE COOK OF THE MONTH

Our interview of our June cook was most difficult. Instead of telling us about herself all she would talk about was her husband, of whom she was justifiably proud.

Dorothy LaCau pointed to a display of trophies which husband Larry had won and told of other honors that had been award to him as a member of the Army rifle team, among which is the highly coveted Distinguished Marskmanship Badge, an honor which any shooter will immediately recognize as a rare one.

Larry is at present down in Ft. Benning Georgia, where he will spend the summer coaching the Army Rifle Team for the Ca p Perry matches.

Dorothy admitted that she and the four childred did get lonesome with him gone, but were locking forward to his retirement in two years, when he planned to open his own gunsmith shop at their mile 23 home.

The LaCaus purchased their present log dwelling in Peters Creek last fall, and plan to make Chugiak their permanent home.

The most recent addition, their little Alaskan born daughter Michelle, now seven months old curtailed Dorothy's plans to work at her profession of nursing, she is a graduate nurse. Little Michelle has also kept her pretty much to home community, so Dorothy has nad little time to meet many of (next col)

COOK FOR JUNE DOROTHY LACAU

her neighbors, or to join any local organizations.

However, with summer here she has an opportunity to endulge in her favorite hobby, which is gardening. Also, as befits our cook of the month she is an excellent cook, and loves to find new recipies for preparing Alaskan game.

As one would expect of a family of a rifle shooter, the LaCaus all love the outdoors, and spend as much time as they can camping out. Even with Larry gone Dorothy and the four children, Jim 16, Tony 13 Jean 7 and little Michelle are parting many summer outings.

Dorothy is expecting her parents to visit her in July and is looking forward to showing them around Alaska. (next col.)

For her first recipe Dorothy has given us official dish of her home, which is Boston Wass....naturally

> BOSTON BAKED BEANS (6-8 servings)

1 1b pkW dried beans (small navy, California pea, Great Northern or Kidney)

11 lb fat salt pork

1 tsp salt

1 small onion

1 tsp mustard, or ketchup or chili sauce

1 cup brown sugar

14 cup molasses Hot water

INSPECT beans
WASH and place in saucepan
COVER well with later
SOAK overnight
COUK slowly until skins
wrinkle on exposure to
air (about 45 minutes)
DRAIN

PLACE salt pork (which has been cut deep to but not through the rind) rind side up in bean pot with whole peeled onion.

ADD half beans and half seasonings.

ADD remainder of beans and rest of seasonings POUR on enough hot water to cover

COVER the dish.

BAKE 8-10 hours in slow
oven (225°-250°)

ADD more water as necessary.

* Dorothy uses an old fashioned earthenware bean pot which somehow seems to impart the true auth-Boston Baked Bean flavor.

EAGLE RIVER COUPLE TO TEACH AT AMU

EAGLE RIVER: Mr. and Mrs.
Arthur Braendel of Eagle River will join the staff of the Alaska Methodist University next fall to teach instrument at the school of music.

Mr. Breandel, who will teach the cello is a mamber of the Anchorage Symphony Orchestra for the past 16 years, and is currently its president. He also plays with the AMU Chamber Orchestra, and instrumental ensemble and with the Harp Ensemble. He is employed as a mechanical engineer with the FAA, but will be available for instruction at AMU whenever there is a need.

Mrs. Breandel (Eleanor) is on the board of the Anchorage Symphany, and also plays in the same groups as does her husband.

Thile majoring in music at Cornell University in New York State, she played in the symphony orchestra, in the string quartette and in the Sinfonietta. She has been giving private lessons in the violin, the violation and plano. She will teach violin and the violate the hlaska Methodist University.

The Breandels are one of for first families of Chugiak, having homesteaded in the Eagle River Valley in 1947.

DAIRY MONTH PROCLAIMED

JUNEAU: Governor Widdiam A. Egan has proclaimed the month of June 1962 to be Dairy Month in Alaska.

He stated that dairy foods from natural resources in Alaska constitutes a rapidly growing and promising industry and feels that emphasis should be placed on the importance of this expanding industry in the State of Alaska.

SUPPORT YOUR LITTLE LEAGUE
AND PONY LEAGUE

Commission may accept the petition, amend and accept the petition, or reject the petition.

The de

The dedision of the Local Boundary Commission may be appealed to the Superior Court by any person, the Local Boundary Commission must hold at least one public hearing on the petition in the area proposed for incorporation.

When the Commission accepts a petition for incorporation of an orgainzed borough, it notifies the general public and the Secretary of State. The Local Affairs Agency and the Local Boundary Commission are state agencies and are not units of local government.

Next time we will see just what questions you will be deciding when and if the secretary of state calls for an incorporation election.

OCHS CHAIRMAN AND SCHOOL BOARD MEMBER MEET WITH ARCHITECTS

ANCHORAGE: On Monday, June 4th, 1962, a meeting was held at the office of Edwin Crtttenden, Architects and Associates in Anchorage to discuss the preliminary planning of Chugiak High School.

\$75,000 was authorized by the 1962 Legislature for

this purpose.

Those attending the meeting were George Filler, Chief Architect, Division of Buildings, Public Works Division, Edwin Crittenden, Architect, Mr. Wallenstein, Architect Staff Member, Mr. Maruice Carmody, State Education Field Office Representative, Dale Pierson, OCHS Chairman and Ed Willis, Chugiak Advisory School Board member.

Mr. Filler stated hbat an early start was advisable in planning to allow Mr. Crittenden and his staff ample time to combine the latest Educational layout techniques with his own vast Alaskan School construction experience to insute the State and Chugiak one of the finest buildings of its type for the \$1,200,000 that will be authorized on passage of the school bond issue this November 6.

The school will be a four year senior high school, built to accomodate 250 students with emphasis on a design that can be expanded to house more students as the

area grows.
It was brought out by both r. Filler and Mr. Crittendon that two important steps must be taken before proceeding further with the planning. 1. a site must be selected. 2. The Department of Education must determine the Educational Specifications; that is kinds of educational activities that are to be carried on in each separate room, method of instruction, space requirements and floor plan arrangements etc.

To date no site has been selected, but both Dale Pierson and Ed Willis indicated that within 30 days they thought the community could express its wishes and a recommendation be made on a first, second and third choice basis with the final (building site being deter-next col.)

(meet with architect)

mined by the Department of Education itself from one of the three recommended.

Dale Pierson stated that OCHS will make an exhaustive study of this problem and come up with its recommendation.

Willis said that he expect ed that when Rev. Hull, the Advisory School Board Chairman returned from his trip in several days and has had an opportunity to review the situation, a special public meeting will be called later in the month to review all the findings to date and hear from the floor recommendations from every interested citizen in the Chugiak area and try to finalize with some degree of unanimity before the Advisory School Board makes its site recommendation to the Dept. of Education.

Willis gave as following some of the factors that must be considered in the selection of a site. 1. Student population 2. Future population trends 3. Size (recommended 20 acres) 4. Cost 5. Accessibility and cost of access road. 6. Adequate water supply. 7. Transportation problems 8. Terraine 9. Safety Haxards.

Willis added that "It behooves all of us to give this problem a great deal of thought and consideration, knowing that due to the many factors involved, our own personal choice may not be one of the sites ultimately chosen. This is a situation where compromises will have to be made."

"I am gratified for the progress to date, and the great amount of good will that has (cont page 6 col 3)

LUNE ALMANAC

June is the sixth month of the year, Some authorities believe the Romans named the month of June for Juno, the great queen of the gods who was the patron goddess of marraige.

Flag day is celebrated in the United States of June 14th.

SYMBOLS: The flower for June is the rose, the birth stone is the peark.

FAMOUS BIRTHDAYS: Peter Rubens......1577 Helen Keller.........1880 Ann Morrow Lindberg 1907 Edvard Grieg......1843 Beau Brummell..........1778 Igor Strawinsky......1882

NOTABLE EVENTS:

Bettle of Little Big Horn Magna Carts signed....1215 Battle of Bunker hill..1775 American Flag adopted..1777 Tenn. admitted to Union

QUOTATIONS FOR JUNE:

I knew that yourwere nearing June,, I knew that you were nearing,

I saw it in the bursting buds Of roses in the clearing. The roses in the clearing, June were blusing pink and red For they had heard upon the hills the egho of your tread

LIQUORS "

Dear Hartha,

You don't know it, but you caused me a lot of trouble.

A while back I was having a personal beef with
my husband. Just to blow
off steam I confided our
troubles to a friend. She
said jokingly (I thought)
"why don't you write Martha".

Well, I just laughed, but not long after that there was a letter in your column that I could have written myself (only I didn't).

My husband blew his top and accused me of writing our private affairs to a newspaper. I told him I didn't and that my friend must have thought that it would be a joke to write that letter because I had told her our troubles.

Then he really got mad at me for telling our private affairs to her.

My friend denies that she wrote that letter, she said it must be a coincidence, but I don't believe her. Isn't there some way that you could be sure that the letters are authentic before you print them?

In hot water

Dear In hot water,

I'm terribly sorry for the trouble that you've been caused.

Since I am not sure of which letter you are referring to, it is hard to know how serious your problem is.

If your friend did take it upon herself to write a letter based on your con-

Jell it to / Martha!

fidence, she acted in the worst of faith.

However, since she denies it, you will have to accept the fact that it could be a coincidence. However, I suggest that in the fluture you find some other way to blow off steam.

As to confirming the authenticity of letters which we receive, since they are all anonymous, I can think of no way that we can do this.

We do, reject any letters that deal in subjects that are of a personal nature or those which are obviously hoaxs.

Sorry that you have suffered any embarrassment.

> Sincerely, Martha Council

Dear Martha,

Can you answer a letter without printing it in the paper?

C.P.A.

Dear C.P.A.

I can if you don't mind sending me your name and address.

Sincerely, Martha Council

Address all letters to Martha to:

(Panhandler, cont page 1 col 3)

name as Tom Miller would claim that he was a civilian recently discharged from the army, and that he had come to Alaska and had been unable to find work.

Miller, frequented homes located off the highway, and had apparently been active in most of the community.

He was apprehended when he stopped at a home on lit. Eklutna Drive where a mother was alone with several small children.

She became alarmed, and sent an older child over th the home of a neighbor, where she knew the husband was at home.

It happened that Miller had visited that home earlier in the month, and recognizing the man from the child's description, they notivied the State Police.

Miller was picked up by the Police who learned that he was actually in the army at this time.

Questioning by the state police and the military authorities indicated that Miller had a record of 15 previous arrests for panhandling.

He was turned over to the military with the recommendation that he be given psychiatric treatment.

CHUGIAK YANKEES WIN TWO

By. Elsie Boroughs

The Yankees of Chugiak were off to a flying start of the Little League Sesson by winning their first two games.

Thursday night the Yankees met the Mt. View Braves at Abbot Loop Field and won 17-8 in 8 innings.

The Braves were leading 6 to 2 at the end of 4 innings. Steve Willis started the 5th inning off with a line drive to right field, then everyone caught fire and 5 runs crossed the plate.

The Braves evened the score up in the 6th and the game went into extra innings.

The end of the 7th saw the game tied up again as each side scored one more run.

The 8th inning started with a 3 base hit with the bases loaded, to drive in 3 runs. Before the inning was over the Yankees scored 6 more runs to win 17 to 8.

Relief pitcher Bobby Smith then struck out the first 2 batters and a beautiful play from Ron Pappas to Ted Baker at first ended a most exciting first game.

On June 4th, the Yankees met the Red Sox at Chugiak and won their second game of the season 13 to 12.

The Red Sox got off to an early lead by scoring 2 runs in the 1st and 7 runs in (mext tol)

(Yankees)

second.

At the end of 5 i innings the score was 12 to 9 favor the Red Sox.

In the top half of the 6th, the Red Sox had a man on first by virtue of a walk. Pitcher

Ted Baker struck out the next 2 batters and catcher Ken Roderick threw the man out at second as he tried to steal.

The Yankees turn at bat saw the first 3 batters walked and Steve Willis hit an infield fly and one run scored.

Ken Roderick then hit a sharp single to right field dirving in 2 runs and then proceeded to steal home with the winning run.

If the rest of the games are as esciting as these two, I doubt if your reporter will last the season. Don't count these Yankees out until the last ball is thrown, because they just don't know when or how to quit.

The next game is Thursday, June 7th at, Chugiak Field between Chugiak and the Yankees. Should be a real good game, so come out and watch our boys in action. It's fun!

LINE UP FOR YANKEES

The line up for the Chugiak Yankees is as follows:

R. Martin, D. Boroughs; S eve Willis, Ken Roderick, Ted Baker, D. Mayfield, Ron Pappas, G. Kenyon, Steve Whaley Bobby Smith, B. Thomas and M. Gavin.

> CHUGIAK SCALPS INDIANS AND BRAVES

> > By Liz Harriman

Chugiak defeated the Mt. View Indians to the tune of 28-11 in a one sided contest, last Thursday, May 31st.

Heavy hitters were Tommy Reynolds with 5 hits and 3 runs, Mark Headlough, 4 hits 5 runs, Don Tanner, 4 hits 3 runs and Rickey Stephens, 4 hits and 3 runs.

Rickey Stephens pitched a (next col.)

(Chugiak Little League)

beautiful 3 innings allowing 1 hit out or ten men at bat.

Seven of the ten struck out and two flew out.

Because of Little League Rules, which limit a pitcher to six innings a week, relief pitchers were used for the remainder of the game.

Filling the pitchers mound for the last three innings were Tommy Reynolds, Don Tanner and Mark Headlough.

On June 4th, Chugiak wrapped up another win by beating the Mt. View Braves 22-8.

The Braves were ahead in the 1st and 3rd innings and all tied up in both the 2nd and 4th, which made for an exciting contest.

In the 5th and 6th innings, Chugiak blasted ahead with 15 runs to the Braves one.

Kelly, losing pitcher, got a hand of applause from both sides when he caught a terrific line drive off the bat of Rickey Stephens.

The Chugiak team wrapped up their first double play of the season when Darryl Tanner in centerfield caught a fly and threw it into first base to put the runner out who had gone on to second.

Sluggers for the game were, Don Tanner with 4 hits and 1 run, Tommy Reynolds, with 3 hits and 4 runs, Jimmy Van Zant with 3 hits and 4 runs.

The next two games are to be played at the Chugiak ball diamond; June 7th against the Yankees of Chugiak and June 11th against the Dodgers.

Come out and root for your team. You're in for a treat if you've never watched these boys play.

> PONY LEAGUE TEAM DROPS FIRST GAME

PETERS CREEK: The Chugiak Pony League team lost their first game of the season last night, being defeated by the Retail Merchants of Anchorage 15 to 2.

Manager Bud Fillmore credited the loss to fielding errors, but defended the pitchers.

Lester Stephens pitched the first 4 innings, allowing only 2 hits, from which the Merchants were able to gain 11 runs.

(Pony League, cont page 7 col 3)

Jim Boroughs, who pitched the remainder of the game, giving up 4 runs, two of which were homers.

The two runs made by the Chugiak team were scored by Dean Fillmore.

Larry Sossaman was the leading hitter with two hits driving in both of the runs.

The two pitchers, Lester S^Tephens and Jim Boroughs each got one hit.

Manager Fillmore, feels that the boys need more practice, and is confident that before the season is out they will be giving a good account of themselves.

Line up for the Chugiak
Team is Lester Stephens, Jim
Boroughs, Dean Fillmore, Larry Sossaman, Butch Phillips,
Rickey Travis, Gary Hoag,
Franko Belk, Doug Tanner,
Glenn Johnson and Steve Hull.

The Chugiak team will play 12 games on the home field.

The remaining games will be played on the Sand Lake Ball Park in Anchorage.

PACK MEETING POSTPONED

EAGLE RIVER: The monthly meeting of cub scout pack #6, which was to have been a picnic at the Eagle River Campground was postponed last Saturday because of rain.

The meeting has been rescheduled for the coming Saturday.

Signs will lead the way to the section of the Eagle River Campground where the picnic will be held.

Contests for the parents, as well as for the cubs have been scheduled.

SCOUTS ATTEND CAMPOREE

SEWARD: The Scout Spring Camporee was held at Seward over the weekend.

The boys left Anchorage by train on Friday morning. Nine boys from troop 6 at-

Mike Wilkerson, Mike Reid,

(camporee)

Henry Morris, Terry Shine, Bradley Edwards were those attending.

The boys were accompanied by Mr. Tom Towne.

They arrived back in Anchorage at 6:45 on Sunday evening.

FARM TEAMS TO BE FORMED

CHUGIAK: Any boys between the ages 8 and 12, who are interested in playing minor league baseball are requested to be at the Chugtak ball park at mile 21 Wednesday (tonight) at 7pm.

It is from these farm teams that next years little league players will be drawn, and also any replacements that may be needed this year.

For further information, call Chuck Harriman at HO-2-5206.

(Motorcycle races)

There was only one accident to mar the activities, when Steve Anderson of Spenar ard spilled on the second turn in the 650 cc race and suffered a broken (next col.)

(motorcycle races)

Collarbone.

The Harley Davidson "Skat", which was drawn for midway in the races was won by R. Schaeffer of 405 Price St in Mt. View.

The club plans to hold races at the mile 21 track every other weekend throughout the summer.

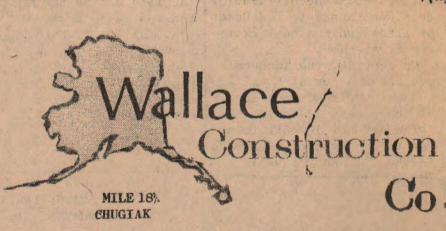

CHILD BURNED BY COFFEE

OLD CHUGIAK: Nine month old Melody Dawn Straight, daughter of Mr. and Mrs. Jesse Straight of mile 19 was seriously burned last week when she tipped a cup of coffee on to herself.

Melody is suffering from second degree burns of the neck area and is in Providence Hospital.

OCHS EXECUTIVE COMMITTE TO CHOOSE SITE

EAGLE RIVER: Herman Jones, of Eagle River was chosen as chairman of the committee to make suitable site selection for recommendation as the location of Chugiak High School. (cont page 10 col 2)

Sarah had been followed closely and was struck in the eye by the branch.

Her parents, Mr. and Mrs. Jack Phillops, rushed her to Dr. Marshall Simpson of Eagle River who administered emergency treatment and then recommended that the child be taken to an eye specialist in Anchorage.

Sarah is presently in the care of the specialist and is staying at the home of her grandmother Mrs. Louis Jones in Anchorage.

At present it is not possible to determine whether or not any permanent damage to the eye has taken place.

CANDIDATE VISITS IN CHUGTAK

CHUGIAK: John Simmons, Democratic candidate to the State House of Representatives visited in the community on Memorial Day.

Simmons talked with various business people in Chugiak and discussed many of the local problems.

JARS YIELD FUNDS FOR GINGER

CHUGIAK: Collection jars, which had been placed by the Chugiak Ladies Club to collect funds for the Ginger backey benefit, yielded \$75.78.

A check for this ammount was forwared the the child's parents who are at Ginger's side at the Sewdish Hospital in Seattle where she was transported for brain surgery following a recent accident.

Ginger is still in critical condition, although a recent report from her mother indicated that some favorable progress has been noted.

KATHY POTTLE TO BE WED

EAGLE RIVER: Mr. and Mrs. Holman Pottle, of Eagle River have announced the engagement of their daughter Kathy to Airman Hilton Townsend of Elmendorf Airforce Base.

Airman Townsend is the son of Mr. and Mrs. Neal Townsend of Perry Maine.

Kathy is a graduate of the Chugiak School and of East Anchorage High School and last fall was a candidate for the title of Miss Matanuska Valley at the Alaska State Fair.

The couple plan a July wedding. * * * * *

PETERS GIRL WINS MUSICAL SCHOLARSHIP

PETERS CREEK: Sixteen year old Kathleen Robinson, daughter of Mr. and Mrs. Bruce Robinson of mile 23 has been awarded a full misical scholarship by the Anchorage Kiwamis Club.

Anchorage High School, will be entitled to a course in voice lessons from Mr. James Mainer at Mest Anchorage High School, the lessons to begin later this month.

In addition to the voice lessons, Kathy received a gift of a full subscription to every performance of the Anchorage festival of Music.

The Northern Commercial Co. in Anchorage is planning a window display which will feature picture of all of the scholarship winners.

Following the operation it was discovered that the spinal fluid has not circulating properly, and that pressure was building up in the child's head. The doctors had been forced to resort to tapping to reduce the pressure. However according to the latest report no taps had been neccessary for several days, and the doctors were once more hopeful.

The collection jars have been left in all of the locations for further donations.

(Ladies Club, cont page 4 col 2)

alumni as well as active members are invited to this affair.

Alumni that wish to attend are requested to make their reservations with club secretary Phyllis Stewart at IIO-2-5312.

The next meeting of the club will be held at the home of Dee Steeby in Birchwood on June 13th at 7:30pm

WELL DABY CLININ. . June 13th

The Rural Electrics came into existence through cooperation — people joining hands, working together, and sharing obligations with each other, and their government, to fill an un-met need . . electricity for rural areas. The Rural Electrification program is one of our nation's best investments in progress.

The benefits of an ample supply of low-cost electricity in the areas served by Rur il Electrics are readily apparent . . . and for lots of Members, electricity is still relatively new. Many, many new electric appliances are yet to be sold in the expanding market which the Rural Electricication program created. These purchases benefit directly the people who live in our cities and town:

Cooperation is part and parcel of the philosophy of the Rural Electrics... they are vitally interested in helping to promote the development of rural areas — to raise the economic level of our communities — for the good of the state ar d the nation!
