CHUGIAK-10c

*Illustration  
Ranchwell*

There is nothing that we can add at this time that has not already been said by others who are able to express these thoughts far better than we can ever aspire to.

In this moment of National mourning, however, we feel the need to record the deep sense of personal loss which we share with all Americans.

Those who have never before experienced the pain of the death of a loved one now know this anguish, for our late President was close to the hearts of every American.

Along with a sorrowing Nation we extend our deep sympathy to Mrs. Kennedy and her children, as we each in our own small way share the grief they are suffering.

**LOCAL BOROUGH ELECTION  
INFORMATION**

CHUGIAK: Voting in the two local precincts will begin at 8am with the polls closing at 8pm.

Voters in the Chugiak voting precinct will vote at the Chugiak VFW Hall at mile 21. In the Eagle River voting precinct, the polling place will be at the General Supply Company store at mile 14½.

Chairman of the Chugiak polls will be Mrs. Faville Halverson, with Al Weger and Nellie Jones the judges.

Mrs. Louis Zib is chairman of the Eagle River polls with Mrs. Jack Frankfourth and Alice Owens as judges.

A transportation pool has been arranged for helping voters without cars to get to the polls.

Chairman for transportation in the Chugiak precinct is Jack Brittain, who may be called at 674-5266 for a ride. In the Eagle River Precinct the transportation chairman is A. Stratton who may be reached by calling 694-2525.

Baby-sitting has also been made available for mothers of small children.

This will be provided in private homes, or the sitter will come to the home of the voter in cases where a child is ill or cannot be taken from the home.

LETTERS TO THE EDITOR

Dear Editor:

In a recent issue of the Anchorage Times, a report was given of the November 19th meeting of the Borough Transition Advisory Committee. No one will argue that this committee has quite a job on their hands. It will be difficult, in fact well nigh impossible to please everyone.

There is certainly nothing fair, however, in even talking about making a Junior High out of the Chugiak High School. When Operation Chugiak High School was formed, a group of interested citizens worked hard and long to solve the problem of transporting our High School Students to Anchorage and making it possible for them

(cont page 15 col 1)

AGAIN WE VOTE

Next Tuesday, once again the residents of this area will go to the polls to vote upon the borough issue.

This time we will not be given the choice of whether or not we want a borough, but what kind of a borough we want, who we wish to represent us on that borough, and what type of office we wish to have head that borough.

(next col)

In addition to deciding which of the two local candidates we feel would best represent our own needs, we must consider which of the candidates in other sections would be the most sympathetic to our wishes, for we can vote for them also.

In electing members to the school board, residents of this area are up against a strange situation.

School board members do not run from individual sections, but must compete at large for votes.

(cont page 7 col 1)

BOROUGH SCHOOL NEEDS DISCUSSED

CHUGIAK: School needs in the Greater Chugiak Area were discussed at a meeting of the Borough Transition Advisory Committee for schools Tuesday evening November 19, 1963.

According to Dale Pierson, member of the Chugiak Advisor School Board, who represents the local area on the transition commit-

(schools)

tion, local needs by necessity will be one of the first problems to be resolved by newly elected Borough School Board, which comes into being 1 January 1964.

Some of the problems to be faced are; lack of monies for needed class-room construction, utilization of Chugiak High School, elimination of quonset huts now in use.

The borough transition advisory committee for schools was established upon

(next col)

(schools)

commendation of William Zahradnicek, State Commissioner of Education. It is composed of members of the 3 school boards affected, Anchorage, independent School District, City of Girdwood, and Chugiak.

The committee, which is co-chairmanned by Dr. Don DeFoe of the Anchorage Independent School District, and Chuck Smith, Superintendent of the Chugiak School District, will make recommendations which will be of an advisory nature, and not binding on the borough school board or assembly.

As a means of determining local sentiment regarding continuation of course of instruction started, Dale Pierson would like to hear from parents of present juniors at East High School as to their desire to have their children attend East High School next year. Pierson can be contacted at 694-2231 or at his Eagle River Loop Road residence.

# COOK OF THE MONTH

COOK FOR NOVEMBER  
NORA EKSTEDT

Fixing goodies for the Holidays? Here is an easy to make candy-like confection.

### GRAHAM MARSHMALLOW SQUARES

30 graham crackers crushed  
4 tbsp coconut  
2-3 cups small marshmallows  
1-2½ cups chopped nuts  
(The more marshmallows, the less nuts)

MIX above ingredients in a bowl

MIX 2 eggs

1 cup sugar

¾ cup melted butter

MIX in a pan

COOK slowly, stirring

LET come to full boil

COOL

ADD 1 tsp vanilla

COMBINE with graham cracker mixture

PRESS into pan

REFRIGERATE

WHEN FIRM, cut and

ROLL in powdered sugar

\*\*\*\*\*

### LADIES CLUB MAKES HOLIDAY PLANS

BIRCHWOOD: The Chugiak Ladies Club, meeting at the Jayhawk Drive home of Dee Steeby laid plans for the three major hol-  
(next col)

(ladies club)

iday events that are traditional for that organization.

The first to take place will be the annual Fancy Food Bazaar, which features Christmas Baked goods and candies along with handmade gifts.

This will be held on Saturday, December 14th at the Valu-City Store in Eagle River. The drawing for the doll family which the club has been selling tickets will be held at that time.

The Christmas party for the pre-school children of Club members will take place at the home of Ruth Hartman on December 16th (Monday). Members will exchange Christmas gifts among their Secret Pals at that time.

The Club Holiday Dinner, which is the only affair of the year to which husbands are invited, will be held on December 28th, Saturday evening at Rabbit Creek Inn.

The next meeting will take place on December 12th at the home of Phyllis Stewart in Eagle River. Final plans for the Holiday Bazaar will be made at that time.  
(next col)

The group welcomed two guests at the meeting, Dorothy Jonroe and Betty Ches-sick.

\*\*\*\*\*

### LOCAL ESTABLISHMENTS TO PRESENT STYLE-ARAMA

EAGLE RIVER: What has been termed the "First Annual Style-Arama will be presented by Bessie's Beauty Shop, The Eagle River Bowl, and Miss Alaskan Shop.

A style show featuring sportswear of local design and manufacture, hair fashions and followed by a bowlarama will be open to the public at no charge.

The style show will begin at 7:30pm on December 7th, a Saturday; followed by the Bowlarama at 9:30.

The style show will be held at the bowl with members of Omicron Chapter Beta Sigma Phi Sorority acting as models.

A large variety of door prizes are being offered.

Borough School Board

I WILL SUPPORT --

- Highest Standards of Education
- Efficient, Waste-Proof Administration

"Human history becomes more and more a race between education and catastrophe." -- Herber G. Wells

"I feel that it is essential that our area have a representative on the Borough School Board to make certain that OUR schools receive the same consideration as those within the City of Anchorage."

**MAN TAKE POT-SHOT  
AT PEEPING TOM**

**OLD CHUGIAK:** A local resident who has been plagued over the past few weeks by a man who had been prowling around his home and peep in bedroom windows finally became enraged and took a pot-shot at the man with a 45 revolver.

Walter Brown of mile 20½, who lives with his parents, called the State Police and reported shooting at the man as he peered through the window. He believed that he might hav hit him as the man appeared to fall backward.

Police investigation showed no blood or any marks to indicate that the man had been hit, and were of the opinion that he had only been frightened.

This last incident, which took place on the 24th, was at least the fourth time within a month that this man has either entered the Brown home or been seen look in windows.

On all other occasions the police was summoned, but the prowler always managed to be gone by the time the trooper arrived.

On the night previous to the above incident, the man escaped into the bushes just as the police car turned into the yard.

The Browns have seen the man, and may be able to identify him.

\*\*\*\*\*

**HUSKIES AND RAMS TO  
MEET IN OPENER**

**EAGLE RIVER:** The first game of the season will take place tonight at the Eagle River Gym as the Chugiak Huskies and the Eagle River Rams meet.

This is also the first game of the series of three which will determine which team represents this community in the game against Kenai.

The game will begin at 4pm and admission is 25¢.

**SHEAR DENIES BEING  
TOOL OF CITY  
COUNCIL**

**RABBIT CREEK:** William Shear, candidate to the borough Assembly from Section 6, denied George Allen's implication that he (Shear) would be a tool of the Anchorage City Council if elected to the borough Assembly.

According to Allen, Shear was being endorsed by Wendell Kay and others from Anchorage because they felt he would support the interests of the city of Anchorage rather than the rural area which he would be representing.

"I am a resident of a rural area, and intend to represent the people of that area if elected", Shear said.

He added that neither Kay, nor anyone else had ever indicated to him that they expected him to favor urban interests in return for their support.

In reply to Allen's reference to his being a member of the Republican Party, Shear said; "This is a non-partisan election, and as far as the borough is concerned I have no partisan political affiliation."

Shear went on to say that the problems of all residents of rural areas would be the same, whether they lived in Rabbit Creek or Chugiak, and that he intended to represent the interests of all rural people if elected to the Borough Assembly.

Shear is a Professor of Political Science at the Alaska Methodist University.

OPERATION CHUGIAK HIGH SCHOOL

(OCHS A Committee of Chugiak Organizations)

-PURPOSE-

"The purpose of this study is to prove that the current and forecasted student population warrants the immediate approval and construction of at least a 16 classroom Junior-Senior High School with allied facilities in the Chugiak Area."

The purpose of "Operation Chugiak High School" as noted in a preliminary report to the Alaska Commissioner of Education dated 15 July 1961 and Endorsed by 26 Chugiak Organizations, has not changed. The need is still with us. (next col)

(OCHS)

Many people spent many hours helping bring a High School into this area. Their efforts will not be wasted. It is recognized that with the advent of the Borough, some transitional problems will be neountered. However, the purpose of OCHS as established in 1961 will not he lost sight of.

Although OCHS has recently been dormant, should it appear that further efforts are required to insure a High School for this area, the organization can be readily reactivated.

DDALE PIERSON Chairman, OCHS

SCHOOL GETS MORE SURPLUS EQUIPMENT

CHUGIAK: Bill Benyish, Principal of the Chugiak School reported that the school has been able to purchase some much needed surplus equipment.

A set of three large "tray ovens" have been bought for the lunch room kitchen. This will be used for baking all of (next col)

(SCHOOL)

the bread and rolls which are served in the hot lunch program. In the past Mrs. Tofson, manager of the lunch room has been doing all of this baking in three small domestic kitchen ranges. The cost of the three ovens to the school was only \$42.

An A.B. Dick Spirit Duplicator has been purchased for only \$20. This machine Benyish said, is brand new.

\*\*\*\*\*

WOMAN UNINJURED AFTER HITTING MOOSE

FT. RICHARDSON: Mrs. Margaret McCubbins of Birchwood escaped injury last Saturday after striking a moose with her car on the Ft. Richardson By-Pass.

Damage to Mrs. McCubbins 1962 Mercedes was estimated at \$600. The Moose was killed.

\*\*\*\*\*

Does a FORMER MAILMAN Forget his service to YOU?

- GEORGE BYER has no business interests to sell...no empires to build and is not running on any chairman, assenblyman or school board combination or slate.
- GEORGE BYER does not represent any selfish or special groups, and he is not obligated, affiliated or committed only in his word to you.
- GEORGE BYER'S long record of public service is proof that his interests and concern is for all the people.
- GEORGE BYER watched over the taxpayers money as mayor of Anchorage. The City Council for the 1960 budget voted eight to one to raise the mill levy from 11 to 12. GEORGE BYER CAST THE ONLY NO VOTE. "Hold the line," he said. The mill rate was reduced to 10 mills during his term of office.

VO TE FOR THE MAN OF PROVEN ABILITY

Vote Dec. 3rd For GEORGE BYER!

Borough Chairman District 8

(Editorial cont page 2 col 2)

Only one man from the Greater Chugiak Area, (Ralph Mills) has filed for the Borough School Board.

Hence comes the strange situation. Although by voting for Mills, as most everyone in this area, surely will, still for every vote we cast for him we will be casting six votes against him if we exercise our prerogative of voting for seven members to the school board.

Every vote cast for a school board candidate other than Mills in fact cancels out the one vote cast in his favor.

Therefore, residents of this area, who feel it is important that we attempt to elect one of our own to the school board must insure their vote for him by casting only that vote and by not choosing to vote for any six of the other candidates.

\*\*\*\*\*

**CHUGIAK MOVIE TO BENEFIT WARM-UP HUT**

CHUGIAK: An excellent movie will be shown at the Chugiak School this coming Friday, (next col)

(MOVIE)

with proceeds to help purchase a stove for the warm-up hut at the school skating rink.

The movie is Captains Courageous, the story of a spoiled rich boy, who is befriended by a group of fishermen; an exciting sea adventure starring Lionel Barrymore, Spencer Tracy and Mickey Rooney.

The movie will begin at 7:30pm and will last until 9:30pm. Admission is 25c for students and 75c for adults.

This movie was to have been shown last Friday but was cancelled due to the national tragedy.

\*\*\*\*\*

**CHUGIAK SCHOOL SKATING RINK TO BE READIED**

CHUGIAK: The ice skating rink at the Chugiak School should be readied this week end, according to principal Bill Benyish.

Jerry Rebiske of Eagle River will be flooding the rink this weekend, and the pre-fabricated warm-up hut should be erected at that time also.

Benyish said that students would be able to use the rink during their lunch hour and after school and on week-ends.

#### "IT'S A FISH"

Have you ever wondered what little people think about art? Do they like it or do they not?

Well to tell the truth, they have vivid imaginations. Red, purple, blue and pink are their favorite colors.

One enterprising lad in 3rd grade announced, "I goofed up on the designs." Another one said that it "took too long to color". However, one little adventurer liked it, because "sometimes it even makes something!"

Modern art, however "whatchamacallitdoddlelike" has its value for little people. In it they concoct swirl, whirl, and probably even make something.

It strengthens their imagination, the very thing which adults lose.

It widens their outlook on things and makes life an interesting place which unhappily it so often isn't.

What would we ever do without those little people, their imagination and modern art?

\*\*\*\*\*

GIVE THE COURIER  
FOR XMAS

## THE BOROUGH By Jerry McCutcheon

The Courier requested that in the two previous articles I attempt to give both sides of the problem.

This will be the last article before election and therefore I feel I should state my position since I am a candidate for Borough Chairman.

I am for the 2nd class Borough and the the Borough Chairman plan without reservations, and this is why.

January 1st we will have the mandatory Borough Act.

This Borough may live but a short 8 months. The probability that the mandatory Borough will be repealed by the referendum is 50/50.

Should the Borough continue to live, it will be fought with transitional and functional problems. A prudent person being cognizant of these facts must come to the conclusion we will have to proceed slowly on an economically sound and realistic basis and not upon the "grand plan" that some of the other Borough candidates have proposed.

"Stage one"...until the Borough referendum is settled, the Borough Assembly should pass a resolution allowing the Anchorage Independent School District, the Spenard Public Utility District, and the City of Anchorage to carry on their functions without interruption. "Stage Two", should be one of transition, rather than function.

1. Planning and Zoning
  2. Taxation and Collection of which all three agencies will be involved.
- The personnel of these three agencies must be integrated.

**STAFF:**

EDITOR: Jann Collier

REPORTERS: Ron Attwood, Frank Mielke, Don Swanson, Mike Milliman, Peggy Kerr, Sharon Travis, Sandy Gunvalson

**CLASSROOM REPORTS**

**GRADE 1A:** We can write a story and here it is: Freddie Frog  
 Once upon a time there was a little frog who lived in a pond. His name was Freddie Frog. One day Freddie went hopping into the woods to find a friend. All at once he heard a noise. From behind the bushes, Freddie thought "there may be a friend for me over there." He went hopping into the bushes and peeked around the bushes, and he saw a black bear! Freddie said "Wow, this is not a friend for me" and he hopped away from the bushes. Freddie went on down the pathway looking for another friend, when he heard something behind a tree. Freddie hopped over to the trail and looked around it. And there Freddie saw right before his eyes a big old moose. Freddie said, "Whoops! He might squash me." So Freddie hopped back to his pond. When he got there, he was surprised to see another frog. Freddie said "I'll ask him to be my friend. So Freddie did, and now Freddie has a friend to play with, and he lived happily ever after."

**GRADE 2A:** 2A is studying the clock. We have learned to tell the time at the 1/4 hour and at the 1/2 hour. We are also studying about the library and librarian in our room. We are planning a Thanksgiving party next Wednesday.

**GRADE 3B: A Poem by Wally Lassahn**  
**THANKSGIVING**

There was a man who went out hunting on Thanksgiving night  
 He spotted a turkey in his sight  
 He shot without looking right  
 His wife came out of the barn,  
 With a chicken in her arm.  
 She said "did you get him?"  
 "No I didn't shoot right,"  
 "Oh my," she said,  
 With a wag of her head,  
 "We eat chicken tonight!"

**GRADE 4A:** Some of us just finished our special studies chapter two test. Some think it's hard to do, and others think it's easy.

We are learning about rivers and lakes that are on maps. We are learning about the whole world. We are going on in our Social Studies book. We are going into the next chapter.

**(Moose Call)**

We are making book reports and our reading charts. The one with the most points at the end of the year receives a book.  
 We are studying long division in arithmetic. Last night we did page 326. We did short division on that page.  
 We are taking notes in Alaskan History. They are about; glaciers, lakes, rivers, and chief mountain peaks.  
 We are on a popst system in grading the paper. Mrs. Hildeman said it will pull down our grades.  
 We are talking about what we are Thankful for on Thanksgiving.  
 We have two baby bottles in our room. They were brought by Susan Lowe and Mrs. Hildeman. The bottles are for those who suck their finers. They are also for those who act like babies and for those who do not mind.  
 Two committees are changing. Now Susan Lowe, and Sharon Gidcumb, Kaye Stephens, Maxie Belringer, and Linda Scott are now on the Library and Reading table committee.

\*\*\*\*\*

**GRADE 4B:** An imaginary letter from a Plymouth colonist to a friend in England.

Plymouth Rock  
 January 16, 1621

Dear John,  
 When we were building our house a friendly Indian came up to us and said, "How" He told us that his name was Squanto. He told us how he learned to speak English. He said that a big ship came in the bay. So he and his brave went to the ship and the sailors caught them. So he lived with the rich merchant for several years. Then the rich merchant sent him back to his own land. Squanto lived with the pilgrims until he died.

Love  
 Bill

(written by Edward Smith)

**GRADE 5A:** Jack Absetz brought some books and charts about space. For a couple of days not Jack Absetz and Brian Reid have been giving reports on the charts. Mr. Pembroke said that every Monday we will have a report on space. We think it is very interesting.

\*\*\*\*\*

**GRADE 5B:** This past week, being parents reception week, we of Mr. Osbornes 5B class wish to express our appreciation to those who visited our room.  
 We are currently practicing on multiplication tables for those who may be deficient in this essential area. Also we are devoting extra time to spelling and pronouncing words.

\*\*\*\*\*

**GRADE 6A:** This week our class has been practicing our play. We are going to put it on real soon. We had a spelling contest on November 21st. It was between the Yankees and the Thunderbirds. The Yankees have won the contest 4 times this year. David Cornell was the last to be put out of the contest.

**GRADE 7A:** Our class had to write essays and the next day we had debates on: Resolved: that killing animals is good; and Resolved: Education is good.

\*\*\*\*\*

**(Moose Call)**

**THE CHRISTMAS CONCERT**

The Christmas concert will be directed by Mrs. Brooks. The Seventh and eighth grade chorus will sing and the band will play. There will also be solos and special groups.  
 The concert will be held December 18, Wednesday evening, and there will be no admission.

\*\*\*\*\*

**CHEERLEADING**

The cheerleaders will get their new uniforms next week; they will consist of white blouses and green pleated skirts. There will be a pep assembly at 3 o'clock before the game.

(borough cont pg 8 col 2)

**3. Education.** We have teachers and personnel not only of the Anchorage Independent School District but also the Greater Chugiak Area. These people

have not only a difference in pay scales, but also fringe benefit programs.

A free and clear title must be obtained from the State of Alaska for the Greater Chugiak Area Schools, so that the bond debt of the State of Alaska for construction of these schools is not passed on to this Borough.

You, the voters, should demand a well organized and functionally efficient Borough from the Borough Assembly and its Chairman before granting them any additional powers.

Should you deem it advisable to grant the Borough Assembly and Chairman additional powers, or all powers of a first class Borough, they may be granted by an election in less than 60 days.

Remember, when you go to the polls our Borough government will begin its life January first 30 million dollars in debt...and this is no time for "grand planners."

Think it over well. Consider the full impact upon your area...upon you. Then vote.

## ALTAR SOCIETY COLLECTING TOYS FOR MISSION

EAGLE RIVER: The Ladies Altar Society of St. Andrews Catholic Church are collecting toys to be sent to St. Michaels mission which is north of the Yukon.

Mrs. Joseph Shooshanian, who is in charge of the project, has purchased and dressed a number of dolls, but is still very short of toys suitable for boys.

Anyone wishing to contribute any boy's toys may leave them either at the Far North Service or at Harry's Auto Parts in Eagle River.

\*\*\*\*\*

## THERAPIST TO BE AT EAGLE RIVER ONLY

EAGLE RIVER: Miss Peggy Hamilton, speech and hearing therapist for the Alaska Crippled Children Association will conduct a clinic in the Eagle River Area only this month.

She will be at the Eagle River Baptist Church on Friday, November 29th, from 9am until 6pm.

Appointments may be made by calling Mrs. D. Spain at 674-5414.

FOR BOROUGH ASSEMBLYMAN

SECTION 5

17 year resident of proposed borough--7 years with Norene Realty--Engineer 10 years--owned & operated Spring Creek Lodge 14 years--active in various Civic and Government organizations as President or Director. Dedicated to serve in the best public interest.

YOUR VOTE WILL BE APPRECIATED

(Pd. Pol. Adv.)

(letter to editor  
cont page 2 col 3)  
to participate in all school activities.

This year four busses make this fifty mile round trip each day at considerable expense to the taxpayers of all Alaska. The people of Alaska agreed the problem existed and thereby passed the Bond issue for the construction of the CHUGIAK HIGH SCHOOL. Now before the school is even completed the BTAC talks of continuing sending the High School students into Anchorage, making a mockery of the whole OCHS program. It must be remembered that a high school in this area will relieve the student load at East High, which was built to accommodate 1600 students and now houses about 1650.

The Chugiak Grade School now houses approximately 500 students Grades 1 through 8. Another Grade School in Birchwood will eliminate at least 200 of these students. In time a Junior high could be erected, perhaps in the Eagle River Area, thereby handling the student problem without sacrificing the High School we have been promised by the voters of

In talking to members of the BTAC, I understand the possibility of giving up our High School originated out here.

It is inconceivable that there is anyone in this area who would decide we should give up our Chugiak High School.

Certainly there are students who will not be

pleased at transferring, but since when do we let the children decide how to spend the taxpayers money?

We all start at an early age to teach our children to be unselfish, but it is obvious some parents are considering their own personal desires and not the good of all the students of high school age.

There has been talk out here of "all they would miss", certainly our school will not start out with all of the extras afforded the huge school in Anchorage, but it will offer the basic and necessary curriculum that is required.

We must start sometime and than we can grow.

The thought of giving up our High School for the sake of a few is appalling. I ask the dissenters to think long and carefully what they are doing.

Sincerely,

Dorothy S. Jonrowe  
Box 1  
Chugiak, Alaska

\*\*\*\*\*

Dear Editor,  
I see no reason that the present proposed high school should be changed to a junior high school.

(next col)

(letter)

Those who propose such an idea, are both unfamiliar with the equipment and facilities that will be provided by the new Chugiak High School and the rapid development which is taking place for schools in the Greater Chugiak Area.

On the contrary, planning must be done for an additional future school in the Birchwood Area.

Sincerely,

Jerry McCutcheon  
Candidate  
Borough Chairman

**MILLS OUTLINES SOLUTIONS TO HIGH SCHOOL QUESTION**

**CHUGIAK:** Ralph Mills, candidate to the borough school board from the Greater Chugiak Area made the following statement in reply to questions concerning rumored plans to convert Chugiak High School, now under construction to a junior high school.

"During the past two weeks, there have been a number of rumors circulating in the Chugiak area concerning the future of the new Chugiak High School in the Borough school system.

I am sure that these rumors are the result of misinterpretation of statements in the press and irresponsible statements by a few people who do not possess all of the facts.

I wish to state some of the facts concerning our new high school and my views concerning its effective use in the new borough school system.

The Chugiak High School is scheduled to be completed in time for the opening of the school term in September, 1964. It will have classroom space for 300 students and initially the enrollment is expected to be slightly less than this number.

Because of this relatively small enrollment, the curricu-

(next col)

(Mills)

ulum of our new school cannot possibly be as broad as the curriculum presently available in the two Anchorage High Schools.

This fact is of great concern to our young people who now attend Anchorage High Schools and their parents.

Some of these students would not be able to complete their planned courses of study at the new Chugiak High School because of the necessarily narrower curriculum and they and their parents are understandably concerned about this problem.

**THIS DOES NOT MEAN THAT THE CHUGIAK HIGH SCHOOL IS NOT NEEDED AND SHOULD NOT BE USED FOR THE PURPOSE FOR WHICH IT WAS CONSTRUCTED.**

As the enrollment of the Chugiak High School increases, the number of courses offered will also increase. Further, our younger students who are now in grade school and junior high school have the opportunity to plan their studies around subjects offered at the new high school and, of course, many of our high school students who have not taken specialized courses, would not be harmed by attending the smaller school.

(next col)

(Mills)

However, we must find some solution for the students who would be adversely affected by attending our new high school.

There are several possible solutions to this problem and I believe that two of them are worthy of serious consideration. First, the students who would be harmed by attending the new school could be permitted to continue to attend East Anchorage High School. (cont page 18 col 1)

Chugiak High School. These students could be selected by the counselors at East based on an analysis of their course of study. School transportation would need to be provided.

The second possible solution which has been suggested is that the Chugiak High School be opened initially with grades 7,8,9 and possibly 10, and with one grade to be added each year until the complete senior high school is established.

These are several advantages of this plan. Our high school students would be permitted to complete their studies around the courses offered at the new high school, and would be able to graduate from the Chugiak High School.

By temporarily establishing the 7<sup>th</sup> and 8<sup>th</sup> grades in the new school, we would reduce the overcrowding that now exists in the Chugiak grade school and will probably exist in the Eagle River Grade school next year.

A new grade school is badly needed in the Birchwood area and it will be constructed as soon as possible. However, it is very doubtful that this school can be completed by the start of the 1964 school term.

Let me emphasize the fact that I do not nec-

(next col)

essarily support either of these plans. Before an intelligent decision can be reached, a great deal of serious study of the entire problem must be done by the school board and by the administration officials of our school system.

If I am elected as your representative on the Borough School Board, I can assure you that I will work for a solution of this problem which will provide the best possible education for our children.

I will insist that any plan considered by the school board on this matter be submitted to the parents of school children in the Greater Chugiak area so that their feelings and comments can be appropriately considered before a final decision is reached.

My decisions will be based solely on what is best for our community and our children and I will refuse to be influenced by any special interest group in Anchorage or anywhere else."

NONE INJURED IN COLLISION AT LAUNDRY

EAGLE RIVER: There were no injuries resulting from a two car collision in front of the Eagle

(next col)

River Laundry Center last week.

Miss Trudy Souder, a teacher at the Chugiak School had just made a left turn into the parking lot in front of the Laundry and into the path of a 1951 Willys Pick-up driven by Ethel McAllister of Eagle River.

Damage to Miss Souder's 1963 Rambler Station Wagon was estimated at \$300, estimated damage to the pick-up was \$25.

Miss Souder was cited for improper left turn.

BOROUGH ASSEMBLY CANDIDATE  
SECTION ONE

Before attempting to assume the obligation of formulating Borough government under which the city and rural interests are involved I hope the Assembly will have the patience to first study and appraise the particular and varied problems of the rural areas.

Powerful groups will exert strong pressure to force upon us much more government than is justified or warranted at the outset.

Assemblymen from the rural areas must be able and willing to present full and reasonable justification for their resistance to premature Assembly action.

In seventeen years our Greater Chugiak community has grown from a dozen persons to approximately 7000. The assessed valuation has increased from a few hundred thousand dollars to several million dollars.

Your elected assemblyman must be able to convince the Assembly that it will be to the advantage of the Borough to do nothing that will discourage healthful growth of the rural areas.

IF ELECTED AS YOUR REPRESENTATIVE TO THE ASSEMBLY, I WILL EXERT ALL MY POWER TO PROTECT OUR GREAT GROWTH POTENTIAL AND OUR SUBURBAN WAY OF LIFE.

# Tell it to Martha

BY: MARTHA COUNCIL

Dear Readers,  
For this week only we will not print any letters.

Sincerely,  
Martha Council

(INSURANCE CONT PG 4 col 3)  
non-admitted companies has appeared, the Division of Insurance wants to stress that insurance of any kind should be purchased only from those companies who are licensed by the State.

In the event of a contested claim with an unlicensed company, suit would have to be filed in the courts of the state where the company is domiciled and not in the courts of this state.

Should Alaskans have any doubts as to a Company's status, or that of an individual representing himself as an agent, they should contact the division of Insurance, Department of Commerce, Alaska Office Building, Juneau, prior to the purchase of a policy.

ment of Commerce, Alaska Office Building, Juneau, prior to the purchase of a policy.

### ALASKA SITE FOR PEACE CORPS TRAINING

WASHINGTON: In a communication sent this week to Director Shriver of the Peace Corps, Senator Bob Bartlett of Alaska urged Alaska as a Peace Training site.

Noting that he has long been a strong supporter of the move to establish a domestic peace corps in

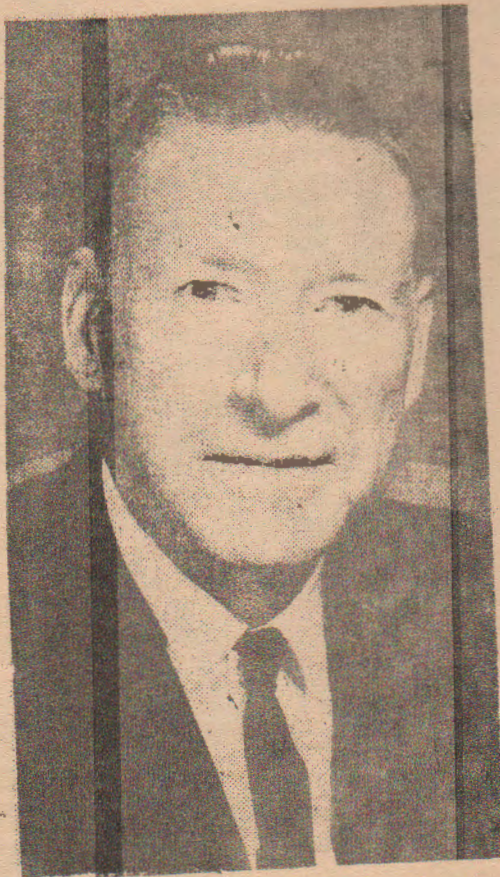

the belief the program would be especially beneficial to Alaska's Eskimo and Indian villages, the Senator expressed the hope that pending the establishment of such a program it will be possible to have trainees under the current program work and train in these villages.

The Senator wrote, "we have in Alaska two institutions of higher learning, the University of Alaska adjacent to Fairbanks and the Alaska Methodist University at Anchorage, which would be admirable suited, in my opinion, to assume Peace Corps training duties."

He likewise called attention to the fact these communities are easily accessible to all points within Alaska as well as the lower 48 states.

"Alaska appeals to the young. The Peace Corps appeals to the young. I believe we would find enthusiastic support for such an undertaking," the Senator commented.
