ORAL VACCINE
QUIZ

Following are some of the questions that you may have been asking about the new oral polio vaccine and their answers.

Q. What is the advantage of the oral vaccine over other types?

A. It is easier to administer, being taken by mouth. It provides indefinite immunity, unlike the Salk vaccine which must be renewed.

Q: How does it work?

A. It is swallowed, and builds up antibodies in the digestive tract.

Q: How long will it last?

A. It is a long term vaccine, similar to the smallpox vaccine. (It is believed by some to offer permanent immunity.)

(quiz)

Q: How long after taking vaccine does it become effective?

A: Two to three weeks.

Q: Can a person get polio as a result of taking the vaccine?

A: NO

Q: Who is eligible?

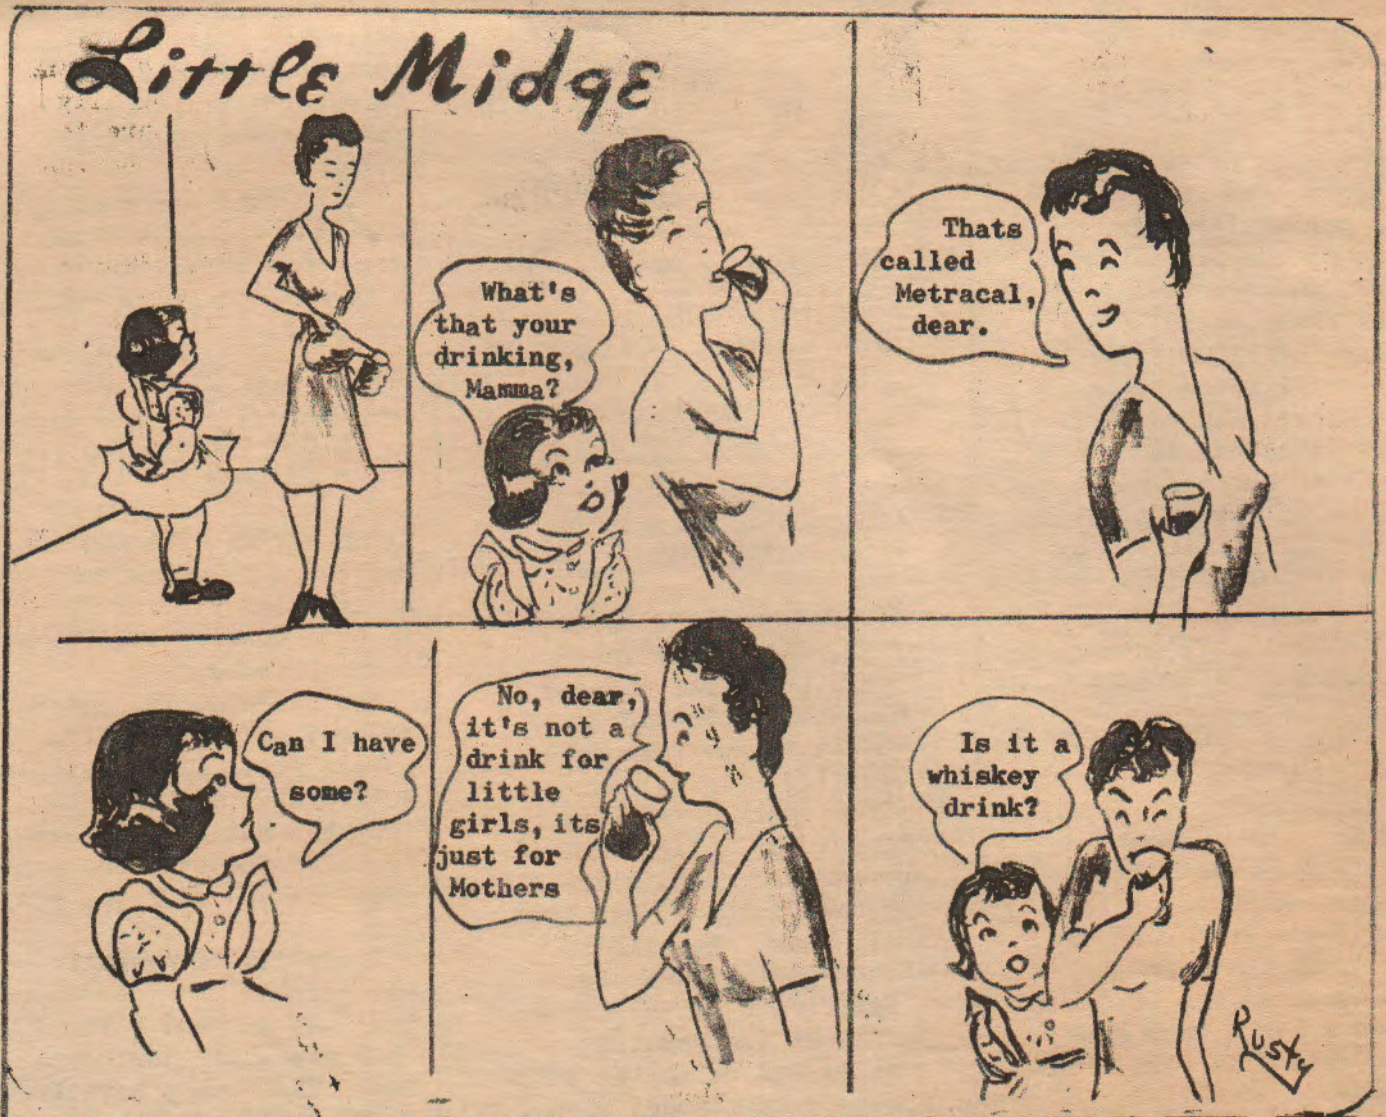

A: Everyone including infants.

Q: What about those who have already received polio shots.

A: They should take the oral series anyway.

Q: Suppose all but one member of a family should take the series, could he become immune?

A: Perhaps partial immunity, but everyone should get the vaccine.

TIPS FOR MILADY

All is not lost when you discover that you have added too much salt to soup or sauce.

Simply add a few thin slices of raw potato and cook five to ten minutes.

Discard potato slices before serving.

Here is a welcome suggestion for those of us who must venture forth on icy roads.

Keep a sack of the compound which is sold in store for use in your pet cats sand box* in your car with you at all times.

This provides excellent traction when thrown under the wheels of your car.

Tell it to Martha

By Martha Council

Dear Martha,

I almost hate to ask you this question, it sounds so silly, but this is something that has been bothering me for ages.

In my job I sometimes have to call customers at their homes.

Now Martha what I want to know is what to say if the man's wife answers the phone. I feel that if I just say "may I speak to your husband!" she will wonder who the strange woman is that is asking to speak to her husband.

Should I tell her who I am and what I want to talk to him about first?

I always feel peculiar about this.

Working gal.

Dear Working Gal,

It should not be necessary to identify yourself to the man's wife unless you already happen to be acquainted with her, in which case you would probably want to.

However, I suggest that instead of asking "May I speak to your husband", you say, "May I speak to Mr. (So and So.)".

Then if he is not at home, you can leave your name and the phone where you can be reached, and if you like, explain the nature of your business.

Sincerely,
Martha Council

SURVEY WORK ON HIGH SCHOOL SITE PROGRESSES

BIRCHWOOD: Although no official word had been received on the progress of the site survey for Chugiak High School; it has been reported that survey crews have been observed working on the site.

The land being surveyed lies on the Birchwood Loop Road approximately one mile from the mile 17 junction with the Glenn Highway.

HIGH SCHOOL BUS SLIDES OFF ROAD

BIRCHWOOD: The High School bus slid off the road on the Birchwood run last Monday morning.

The extremely icy condition of the road was blamed. There were no injuries to students or the driver, and no damage to the bus.

Although the local grade schools were closed because of road conditions, high school buses made their regular runs with only that minor mishap.

He explained that everyone should have the vaccine, whether they have been inoculated with the Salk vaccine or not.

Dates for the series are January 27th, March 10th and April 21st, at both schools.

Then followed the wild chase toward Anchorage at high speed.

The State trooper stated that he had just radioed ahead for a road block at the Glenn Highway at Muldoon Road when the car left the road at mile 9, plowed thirty yards through the snow bank, came back on to the highway, only to go off the road on the opposite side, where it came to rest in the snow.

Both youths jumped out of the car and ran off into the woods. One of the boys was immediately apprehended by the State Trooper, and the other was recognized four hours later when he attempted to use a phone at the Ft. Richardson Military Police Headquarters.

The incident took place last Friday at 9:34pm. The boys admitted to having taken the car from the lot at McBride motors in Anchorage. They said they had taken the car on Wednesday, but had hidden it until the Friday joy-ride.

It was also learned that a third companion of the two boys, a 17 year old Eagle River youth had been picked up earlier that

evening in Anchorage for having taken a Chevrolet ElCamino. That vehicle had been recognized at Yeagers Service by the owner who summoned City Police and the boy was taken into custody.

MOTHERS MARCH ON ICY ROADS

CHUGIAK: Despite the most hazardous road conditions of the year, many of the Marching Mothers were out last weekend collecting for the March of Dimes.

Mrs. Bob Thomas, co-chairman for the March of Dimes (next col.)

(mothers March. in the greater Chugiak Area stated that all the returns were not available, but she felt that the drive had been very successful, despite the adverse conditions.

She stated that several of the marching mothers had expressed a preference to wait until roads improved before attempting to collect in their area.

(school addition cont page 1 col 3)

School will begin at 9am and last until 3:30pm, with the exception of the first three grades, which get out at 2:30pm.

The first school bus will leave the end of the Homestead Road at 8:10am and the second bus will leave the south end of the Birchwood Loop at 8:40am.

In the evening the first bus will leave the school at 3:35pm and deliver students up to the Birchwood Loop. The second bus will leave the school at 3:50pm and deliver students up to the end of the Homestead Road.

Smith also announced that the hot lunch program will begin on Monday.

(new years baby cont page 1 col 3)

Mrs. Clark is the former Shirley Pottle, daughter of Mr. and Mrs. Holman Pottle of Eagle. She is a graduate of the Chugiak School and has lived in the community since 1951.

Mr. Clark is a salesman and works of Alaska Sales and Service in Anchorage.

By way of a coincidence, the Clarks live almost directly across the street from the parents of last years New Years baby, Captain and Mrs. Gerald Williams.

Pictures of the new baby and her parents along with a list of the prizes will be published next week.
