## MAN DIES FOLLOWING ACCIDENT

### LOCAL GIRL ENLISTS IN WAC

PETERS CREEK: Margaret Lynn Halverson, of Mt. Eklutna Drive in Peters Creek has enlisted in the WAC, and left on Monday for her basic training at Ft. McClellan and Alabama.

Margy, as she is known to her friends, was born in Minneapolis Minnesota and came to live in Chugiak in 1954.

She is a graduate of the Chugiak grade school and graduated from East Anchorage High School in the class of 1963.

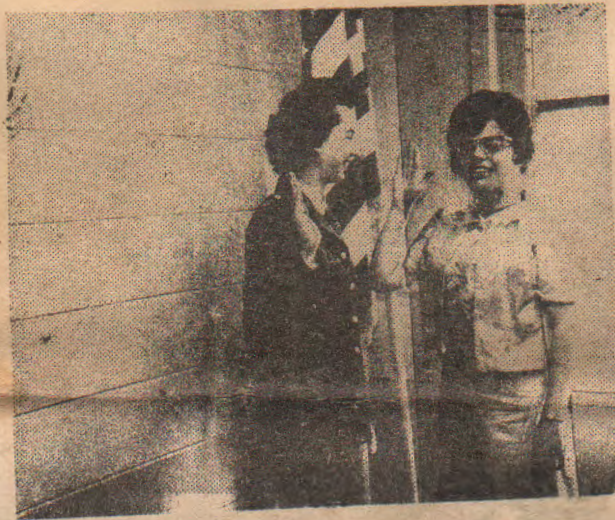

Her parents are Mr. and Mrs. Faville Halverson of Mt. Eklutna Drive.

Following her basic training, Margy will go to San Antonio Texas where she will train for a Dental Technician.

Qualifications for enlisting in the WAC are very strict, according to Recruiting Sgt. Prunier of Ft. Richardson.

Although a number of girls apply, M/Sgt Prunier stated, only four from the Anchorage area have been accepted in the two years that he has been stationed here.

### DRIVER MISSING AT SCENE OF WRECK

EKLUTNA: When State Troopers answered a call concerning a wreck at mile 36 near the Eklutna Power plant, they found the wrecked car but not the driver.

The vehicle, a 1963 Volkswagon, belonging to the Federal Automotive Service, a car rental agency in Anchorage, was a total wreck.

According to records, the car had been rented by a Mac Knight earlier that day.

One witness reported that the driver had not appeared to be seriously injured and had seen

### MAN DIES IN HIGHWAY WRECK

OLD CHUGIAK: One death and two minor injuries were the result of a freak accident that occurred at noon on Sunday June 9th at mile 17½.

A 1955 Chrysler, driven by Raymond C. Wymer of Anchorage went out of control when the right rear wheel came off the car.

The vehicle, which was headed south left the road, rolled completely over and landed on its wheels on the left hand side of the road.

Wymer and his two passengers were taken to Providence Hospital in the Chugiak Volunteer Fire Company's Ambulance.

His wife, Amell, and an unidentified teen-aged passenger were treated for bruises and released.

Exact cause of Wymer's death was undetermined pending autopsy, but was believed to have resulted from head injuries or possibly a broken neck.

LOOKING FORWARD TO  
SOMETHING NEW

Ever since the first issue of the Courier (a crude mimeographed sheet) appeared on the stands, it has always been our aim to try to put out an improved newspaper.

The improvements have come slowly over the years as we have been able to add more and better equipment to (next col)

our shop.

Once again we are looking forward to something new, with the hope of putting out a more professional looking paper.

We have ordered a new, and larger printer which will enable us to put out a folded newspaper and get away forever from the stapled, hullet-in type that we have had to use.

We are hoping that the next issue of the Courier (next col.)

(something new)

will be printed on this new machine.

Therefore, we apologize in advance if the paper should be late or even (for the first time since we began publication) miss our deadline.

New things of anykind take time getting used to, and so it will be with the Courier.

However, we are confident that in the long run, we will be able to put out the paper faster, more efficiently and a better product over all.

## TIPS FOR MILADY

If you have a large slotted kitchen spoon, why not try using it the next time you have to separate eggs.

Simply break your eggs and drop them into the bowl of the spoon.

The whites will slide right through the slots, leaving the yolk behind whole and unbroken. Jiggle the spoon slightly to help shake every last bit of the white through.

**PETERS CREEK:** Twelve dynamite caps which were reported missing in the area of Mt. Eklutna Drive at mile 23 have not yet been recovered.

These will remain dangerous indefinitely and will not deteriorate when exposed to the weather.

They are said to resemble empty cartridge cases.

Later that day, several small boys playing with firecrackers succeeded in setting the grass on fire behind the Peters Creek Shopping Center at mile 23.

The Eagle River Company responded and with the help of local residents succeeded in putting that fire out.

# Tell it to Martha

By Martha Council

(tell it to Martha)

Dear Martha,

I need someone to advise me on how to handle a certain situation.

My hobby is upholstery, and even if I say so myself, I am pretty good at making old beat-up furniture look brand new, or at making slip-covers.

I decided recently to earn a little extra money, and I am going into the upholstery business professionally in my home.

My problem concerns a close friend. In the past, before I decided to open my shop, I helped her to do over several pieces.

The other day she mentioned that she had picked up this chair at the Thrift Shop, and wants me to help her re-upholster it.

Now, Martha, she didn't mention anything about paying me, and I am afraid she will expect me to help her out of the goodness of my heart just like I used to.

I didn't mind doing it free before, but now that I am working at I don't feel that I can work free for one of my friends, when I have already taken money from some others.

How can I handle this?  
Lulu

Dear Lulu,

It may be that you have misjudged your friend, and that she is planning to hire you to do the work.

However, in view of the fact that she has had you do her work in the past without pay may constitute a precedent in her mind.

(next col.)

First make sure that she knows that you have begun to do the work professionally; then tell her that since you have started to upholster professionally, you do not find time to "help" your friends. This will give her the opportunity to tell you that she plans to pay for the work, or to gracefully pick up her chair and go home.

Sincerely,  
Martha Council

is in a wheel chair, or has some other physical handicap.

It is for these children that ACCA has a fun filled week at Kings Lake Camp.

King's Lake Camp is located near Wasilla, and offers well equipped facilities to make camp life in this beautiful area an experience long remembered.

The daily activities are a near the normal course of camp life as possible, and include swimming, boating, fishing, nature study, arts and crafts, cook-outs, group singing, camp fires, special evening programs and many other experiences which give the handicapped child the opportunity to enrich his life through the normal experience of group living.

This year camp is the week of August 4 through August 11. Of course there are some children who would not be able to attend without financial help of the community organizations and individuals.

It costs \$30.00 to send one child to camp, but any amount will help and will certainly be appreciated.

Anyone wishing to make a donation or any organization that would like to sponsor

educational features so skillfully laced with entertainment, that scarcely a child will realize he's being exposed to the arts.

And the whole round of movies, puppet shows, ballet, concerts and are exhibits costs only about one dollar a child.

The program, arranged by a children's committee, which calls itself "Treasurers of Sight and Sound", or TOSS for short, includes a children's day on June 22nd, and four other features scattered throughout the festival.

The one dollar tickets went on sale May 31st.

This young person can amuse himself for hours by making life unbearable for his party-line neighbors.

His bag of tricks includes such items as clicking the receiver, dialing the phone while someone is using it, making insulting noises or remarks, or even holding the receiver in front of a blaring radio.

Sometime he does this because he want to use the phone himself, but a good deal of the time he just does it for "kicks."

**LIONS CLUB REPORT**  
By Glenn Briggs

**EAGLE RIVER:** Committee chairmen reported to the board of Directors of the local club at the special board meeting held prior to the regular membership meeting Thursday, June 6<sup>th</sup> on the projects of their committees.

Lion Tom Slanker heading up Little League again registered disgust at the lack of responsibility of members who volunteer for an activity and then fail to participate. With the help of three or four members, the Eagle River diamond was made useable for the first official Little League game of the season June 3<sup>rd</sup>. Four volunteered for a work party Sunday to complete the backstop and wings.

Lion Treasurer John Vanover reported a bank balance of \$369.45.

At the regular membership meeting which followed, Lion President Virgil Flint with Lions Carroll Dodd, Hunk Petronovich and Neal Hall gave a report on the 18<sup>th</sup> Annual District Convention held at Nome May 29, 30 and 31<sup>st</sup>.

Voting delegates from 27 clubs of the District including four from western Canada signed the Nome register. Lions Flint, Dodd, Hall Leavitt, Stewart, Oliver, Jensen, Wallace, Pemberton, Petronovich and Marie attended from here.

To guide the 49<sup>th</sup> District of International Lions through the 1963-64 year, Ross Wood of Anchorage was elected District Governor, Bill Brown Juneau, Senior Deputy Governor, Stan Davis, of Fairbanks, Deputy Governor and Bill Sookooy of Anchorage, Junior Deputy Governor.

Work sessions for each of the three days were from 9am to 6pm. The evenings were taken up with relaxation and social activities. Club

(Lions)

presidents and secretaries were honored at a banquet given the evening of the opening day of the convention. District awards were made at a banquet Friday evening with the final banquet and Grand Ball Saturday night officially bringing the convention to a close.

Mt. View was selected by ballot as guest city for the 1964 District Convention.

District Governor elect Ross Wood and Junior Deputy elect Bill Stookooy, guests at the weekly meeting spoke on the administration changes for the local area. Former Zone 1 of the 49<sup>th</sup> District was divided into Zones #1 and #2 for more effective administration.

The Spenard, Anchorage and Mt. McKinley Clubs make up Zone #1 and Mt. View, Eagle River and Palmer Clubs Zone #2 with Merrill Chitty as its zone chairman.

For lack of publicity,  
(next col.)

primarily, the concert given by the Midnight Sun Bagpipers from Whitehorse, Y.T. May 28<sup>th</sup> at West High gym did not draw attendance sufficient to cover costs, resulting in a deficit to be made up by the individual clubs of the Anchorage area.

The installation Banquet for new officers of both the local Lions and Lioness will be held June 29<sup>th</sup> at Leo's Supper Club.

More detailed information will appear in next weeks issue.

The morality of many members (number unknown) of the local club and Lioness affiliate became public knowledge during the membership meeting when shot gun charges of one unfaithful Lioness, aiming to involve several Lion members finally put her finger on the chagrined Tail Twister.

A one-hour special board meeting has been called by President Flint for Thursday, June 13<sup>th</sup> from 6-7pm.
