CHUGIAK - 10c

NEW VOTING PRECINCT IS FORMED HERE

CHUGIAK: Voters in the Greater Chugiak Area will be voting in three separate precincts next month.

This announcement was made by George Smith, Chairman for the joint Democratic Caucus for the area.

According to Smith, the former Chugiak precinct will be divided at Peters Creek, with all those who live between the creek and the former Eagle River-Chugiak precinct boundary voting in the new precinct, which will be known as the Birchwood precinct.

The Chugiak precinct will now include all that area north of Peters Creek as far as the Knik River.

This includes the former Eklutna precinct which has been eliminated as a separate precinct according to Smith.

Polling place at the Eagle River precinct will be the Eagle River School, in the new Birchwood precinct, voters will cast their ballots at the Chugiak School.

Due to the lack of any public buildings in the area now known as the Chugiak precinct, a polling place there has not yet been designated.

Smith said that he is attempting to locate an acceptable place and will announce this as soon as it has been confirmed.

Smith said that the reason he was given for the change was an anticipated vote of over 500 in the area formerly known as the Chugiak precinct.

BRIGGS SEES TAX CHOICE ON FALL BALLOT

CHUGIAK: Glenn Briggs, Borough Assemblyman from section one said that he is confident that the choice between an personal property tax and a sales tax at an election to be held sometime this fall.

Briggs said that the borough assembly is in accord on the subject,

What does the average Democrat think? Is he becoming complacent in his party unity, looking back to past accomplishments of his party instead of vigorously pushing forward. No he feels that more effort than ever should be exerted, as a peril almost as great as the division in the Republican ranks can be caused by complacency.

The citizenry can expect a vigorous, aggressive, issue taking campaign by all candidates and after election can look forward to a government by and for the good of the people.

ROBBED**

PETERS CREEK: The Peters Creek Shopping Center at mild 23 was once again the victim of a robbery.

The store, which was location of a daring hold-up and kidnapping last winter was this time entered during the hours when the store was closed, and approximately \$200 was missing.

The thief had apparently gained entry through a small window in the washroom at the back of the store.

The window had apparently been left open and a ladder was conveniently on hand to enable the burglar to scale the sixteen foot high wall and make entry.

The theft had apparently taken place sometime after the store had closed on Thursday, July 9th.

The missing money was in bills of \$20, \$10 and \$5 denominations. A considerable sum in change and single bills had been overlooked.

The theft was discovered by Mrs. Lorraine Johnson, proprietor of the store, when she opened for business Friday morning.

State police are investigating.

ANGELS SURE FOR PENNANT

By Lee Jordan

CHUGIAK: The Angels of Eagle River copped the Knik Little League pennant after coming out victorious in two close once during the past week, increasing their lead over the second place Yankees to three games. Only two games remain in the regular season which ends this Friday night.

The two key Angel games were played Friday and Monday evenings.

The first, against the Eagles was a hard fought pitchers' duel, which went into extra innings before the Angels managed to bring in the winning run.

Angel pitcher Bobby Smith struck out 5 batters, before being relieved after three innings because of the 6 inning limit per week; Fred Olson took over the hurling chore and struck out 8 Eagles; leaving the score tied 3-3 at the end of the regulation six inning game. Winning Pitcher Steve Spellman fanned the next three batters in the top of the seventh and his teammate Olson scored the winning run in the bottom half, to end the ball game.

The score was set up when Olson got a base on balls, followed by Richard Bowerman who also walked; Olson stole 3rd on a passed ball and Neil Bullock placed a single between first and second to drive Olson home. Mark Headlough (next col)

pitched his full six innings for the Eagles, striking out 14 batters, being followed by Eagle hurler Harold Belk who was charged with the loss

On Monday night the Angels battled through 5½ innings to edge the Yankees 9-7. after being forced to come from behind in both the first and 4th innings. The final two Angel runs were brought in by Neil Bullock, who singled in Steel and brother Steve Bullock who sacrificed to bring in Spellman.

(next col)

Angels Olson and Neil Bullock shared pitching honors with Bullock, credited with the win. Yankee pitcher Richard Martin (cont page 8 col 1)

Tell it to Martha

BY: MARTHA COUNCIL

Dear Martha,

Is this being too fussy? The other day I was shopping with my friend.

She picked up a couple of boxes of ice-cream that was on special. I mentioned to her that the brand was not what I would consider top grade. She just laughed and said it was for her daughters birthday party and "good enough". She said "you know, kids will eat anything".

Now my daughter was invited to that birthday party, and I felt it was a direct insult to tell me that something second was good enough for my daughter.

She just laughed at me, and said I was being too fussy. Do you think I am?

Not Fussy

Dear Not Fussy,

I sure do! Just be grateful that your friend has a sense of humor and didn't take offense at your foolishness.

I agree, kids will eat anything, especially when it comes to goodies

Birthday parties can add up to quite a bit of money, and a mother is very wise to save where ever she can.

Besides, I am sure

(next col)

(Martha)

the ice cream she bought was perfectly good, even if it was not the brand you prefer.

Sincerely,
Martha Council

There were 327 more babies born in Alaska in 1963 than in 1962 which brought the total births for the year to an all-time high of 7597. This was an increase of 612 over the 1962 births of 6985, according to records of the Bureau of Vital Statistics.

HOSPITAL TRUANTS INVOLVED IN WRECK

BIRCHWOOD: A man and woman, both absent without leave from the ANS Hospital were involved in an accident on the Birchwood road late Monday afternoon.

The driver of the car, Robert Peterson whose only known address was the Hospital, attempted to make the turn at the Callahan residents at too fast a rate of speed and lost control. The 1953 Chevrolet sedan rolled over and was damaged to the extent of \$400. Peterson suffered from scalp lacerations. His passenger, Mary L. Bergamaschi was apparently uninjured.

The pair, who had been drinking, were returned to the ANS Hospital in the Chugiak Ambulance.

ARMY JEEP INVOLVED IN WRECK

OLD CHUGIAK: An army jeep on an authorized trip skidded out of control after trying to avoid crashing into the rear of a slow moving vehicle.

The driver, PFC John Schuessel of Ft. Richardson, said that the car ahead appeared to suddenly slow down, and in his attempt to miss hitting it, he hit the ditch, drove up the bank and tipped over, crushing a mailbox in the process.

The jeep was undamaged.

A NEW LOOK FOR THE COURIER

CHUGIAK: Readers of the Knik Arm Courier are advised to be on the lookout for a new appearance to the local paper next week.

(next col)

We have been informed that our new automatic copy-setting equipment has arrived and will be installed by the end of this week.

If all goes well, the next issue of the Courier will more closely resemble a "big newspaper", marking another milestone in our efforts to bring the best possible service to the readers of the Greater Chugiak Area.

NOTICE

Because of the time involved in billing for classified ads, and the difficulty in collecting for them, the Courier is forced to adopt the following policy.

In the future, classified ads will be accepted on a paid in advance basis, (with the exception of those who have established accounts with the Courier.)

To facilitate in the computing the cost of each classified ad, the following table will be published weekly, for the benefit of those who find it more convenient to place their ads by mail.

Rates for each insertion are: 50c for the first three lines, 25c for each line thereafter. Payment by check, cash or money order may be mailed to Box 1186, Chugiak, or brought to the Courier office on Mt. Eklutna Drive in Peters Creek not later than 6pm on Monday.

Use the following table for ease in computing classified cost. Allow one block for each letter, punctuation or space between letters.
