

## FOUR LANE SUPER ROAD SEEN FOR CHUGIAK

BRUCE CAMPBELL (right) PRE-CONSTRUCTION ENGINEER FOR THE STATE DEPARTMENT OF HIGHWAYS, EXPLAINS PROPOSED HIGHWAY CHANGES TO LOCAL PROPERTY OWNERS. SEATED (left to right) FLOYD GRANT, ACTING DISTRICT HIGHWAY ENGINEER, ANCHORAGE DISTRICT & WARREN WILDE, STATE LOCATION ENGINEER.

EAGLE RIVER: a four lane super-highway with limited access, traversing the length of the Greater Chugiak Area is the ultimate plan of the State Department of Highways.

This was revealed at a public hearing conducted at the Eagle River School last Thursday.

Bruce Campbell, State pre-construction engineer presented the information to the over 200 persons gathered there.

The two proposed routes were layed out on an aerial photo map of the area.

This map was photographed in October of 1963 and showed most of the detail including all homes in the area.

Campbell explained that the newly constructed Federal Aid Highway must be planned to carry the traffic load as projected for the next twenty years, and therefore needs be so constructed as to be adequate in the year of 1983.

### CBA MAY TAKE OVER LOCAL DUMP

PETERS CREEK: The Chugiak Benefit Association may take over the administration of a new sanitary fill for the Greater Chugiak Area.

This business was one of the items discussed at a CBA meeting held last night at the home of CBA Secretary Elsie Oberg in Peters Creek.

As an incorporated organization, the CBA fulfills the requirements as set forth by the Department of Health for this matter.

(cont page 18 col 1)

### LITTLE LEAGUERS TALK SPRING TRAINING

OLD CHUGIAK: Twenty-two parents and seven Little League aged boys met Sunday afternoon at the Chugiak Methodist Church to initiate the formation of a Greater Chugiak Little League.

To provide competition during past years, Little League teams of the area have been members of the Katmai League of Mountain View, which in 1963 had eleven sponsored teams.

Boys reaching the age of nine years on or after May 1 and who do not reach the age of thirteen before August 20, are eligible for Little League.

Recent surveys indicate that there will be fully

LETTERS TO  
THE EDITOR

OPEN LETTER:

Dear Rusty,

Last night was the first of a series of lessons sponsored by the Lions of First Aid.

I am embarrassed for the people of this community, in that only nine people took advantage of being taught this course, important to everyone, not just by a first aid instructor, but our own Dr. Simpson.

This course is free, except for the nominal charge for the book, \$1.00.

I know that there are many young mothers in this area

(PROPERTY OWNERS)

LOCAL PROPERTY OWNERS  
STATE ROAD PREFERENCE

CHUGIAK: Property owners and businessmen who own property located along the section of Glenn Highway that would be effected by either of the two proposed Highway changes met on Monday night at the home of Jesse Nichols in Eagle River. (cont col 1)

After discussing all aspects of the impact that either of the proposed changes would have on the area, those present voted that they would favor the "A Route", only if the State would agree to improve the present Glenn Highway to the extent of re-alignment to eliminate some of the more danger-

# COOK OF THE MONTH

COOK FOR JANUARY  
VELMA HEAGEL

Most recipes for unbaked cookies are pretty much the same, but the one Velma offers us this week is really different.

### QUICK COOKIES

- 1 cup chocolate chips
- 1 cup butterscotch chips
- MELT chips over hot (not boiling water)
- ADD 1 cup cocktain peanuts
- 1 cup Chow mein noodles
- MIX well together
- DROP by tablespoon on waxed paper.

\*\*\*\*\*

### CRAZY COSTUME AUCTION TO BE HELD BY LOOPERS

BIRCHWOOD: A Crazy Costume auction will be the main attraction at the next meeting of the Birchwood Loopers Homemakers Club.

The meeting will take place on February 6th at 7:30pm at the home of Mrs. Ralph Gidscomb.

Each member is to make up a complete outfit of old clothes which will be placed in a paper bag and auction off sight unseen to the members. Each member must then wear the costume for the remainder of the evening.

\*\*\*\*\*

## EAGLE RIVER SWAP & SHOP

WE BUY, SELL & TRADE guns, furniture or what have you?

Mile 14 1/2 Ph 694-2153

### LADIES CLUB TO HEAR GUEST SPEAKERS

EAGLE RIVER: The Chugiak Ladies Club will host two guest speakers from the Alaska Federation of Women's Clubs at their next meeting.

The meeting will take place at the home of Joan Glafke at mile 14 1/2 in Eagle River on Thursday, January 23rd at 7:30pm.

Any club alumni who are interested in attending this meeting are invited.

\*\*\*\*\*

(Highway cont pg 1 col 3

This information was computed by the use of traffic counters over a three year period which showed a 5% per year increase. This leads the department of Highways to expect the traffic load in twenty years to be three times as heavy as it is today.

Present traffic load shows a average of 3000 cars per day traveling the Highway in the Eagle River Area, tapering off to 1800 at Peters Creek.

It has been determined according to Campbell that by 1968, four lanes will be needed to carry the traffic as far as the mile 17 end of the Birchwood Loop, with right of way for four lanes allowed on the remainder of the route.

The two routes shown on the map were designated as Route A and Route D.

Route A would be all new construction leaving the present Glenn Highway at the Eagle River Bridge, by-passing the entire length of the Greater Chugiak Area and rejoining the Glenn Highway just north of Peters Creek. (next col)

(Highway)

Route D would follow the present Glenn Highway with several exceptions where curves would be straightened out.

Both routes would be of the limited access variety with collector roads leading to the designated access points.

Campbell gave the estimated costs of both routes with the following breakdown.

ROUTE A: Initial cost....  
 ....\$1,700,000.  
 Right of Way aquisition...  
 ....\$400,000  
 Utility adjustment \$40,000  
 Preliminary engineering...  
 .....\$70,000  
 TOTAL COST: \$2,210,000

ROUTE D: Initial cost....  
 ....\$2,150,000  
 Right of Way aquisition...  
 ....\$1,650,000  
 Utility adjustment \$200,000  
 Preliminary engineering...  
 .....\$90,000  
 TOTAL COST...\$4,100,000

If the D route is the one to be constructed the four lanes from Eagle River to mile 17 would be constructed immediately. This would require the State to obtain the right-of-way of 300 feet from the center line. Collector roads would be built by the state to permit property holders and business

ALL STARS TO PLAY  
PALMER TEAM

EAGLE RIVER: The Chugiak All-Stars, composed of members from all four of the local Community League Basketball Team will play the Matanuska Valley Bank team from Palmer on Saturday, January 25<sup>th</sup> at 7:30pm at the Eagle River Gym.

Admission to the game will be 25¢ and the public is invited.

Members of the local team are, Pete Kindred, Chuck Smith, Abner Clark, Buzz Brown, Les Stephens, Ed Keister, Shaemus McGrady, Dick Kerbow, Preston Johnson and Harold Seather.

\*\*\*\*\*

(Little League cont page 1 col 2)

enough boys within this age bracket interested in Little League ball to form a fourth team for the 1964 season.

Fathers who have been interested in and actively support the sport have indicated the necessity and desirability of withdrawing from the Katmai League and of forming a Greater Chugiak Area league.

(next col)

(Little League)

Those persons most familiar with the requirements of the National Little League organization informed the group present Sunday of the necessity of getting started immediately with an application for a local league.

In order that initial action can be commenced immediately a minimum Board of Directors was elected; President Del Spellman, Vice-President Lee Jordan; Secretary-Treasurer Ed Willis, Play-Agent Bud Fillmore, Board member, Glenn Briggs.

To field four teams, one and possibly two new team Sponsors are needed. Of more importance yet, is the necessity and desirability of getting the participation by fathers as managers, coaches, umpires, referees and rooters and boosters.

Roy Weger, manager of last year's Lions team, Louis Zib, and Martin Keniston indicated their willingness to serve as managers in 1964.

There is no community effort more worth while and rewarding than Little League baseball, is the feeling of the board.

(next col)

(Little League)

Active boosters Bud Fillmore, Tommy Slanker Max Pyles, Hunk Petronavich, Al Stratton, Bob Mesick, Roy Weger, Bill Stephens can be readily contacted by other fathers willing to offer their help during the 1964 season as managers, referees, umpiers or coaches.

The Little League Board of Directors will meet 7:30 Wednesday at Bud Fillmores home on Month Drive in Eagle River.

\*\*\*\*\*

MARCH HOMESTEAD AUCTION  
PLANNED

JUNEAU: Plans are being made for an auction of homestead lands in the Willow-Talkeetna area.

About 50 tracts, ranging from 40 acres to 320 acres will be offered for sale in March.

The exact date has not been set.

Two or three larger tracts and a few parcels for 55-year lease may be added to the sale.

Interested persons should write for the brochure, which will be mailed as soon as the date for the sale has been set.

**LION MEMBERS ATTEND  
JUNEAU MEETING**

JUNEAU: Four members of the local Lions Club, three of them accompanied by their wives, attended the Mid-Winter 49th District Lions International Conference held in Juneau last weekend.

Attending were Mr. and Mrs. Virgil Flint, Mr. and Mrs. Charles Louderback, Mr. and Mrs. A.J. Liberty and Carrol Dodd.

Twenty seven other Lions, members of other Anchorage Area Club accompanied them in the charter plane, which left Anchorage on Friday morning and returned on Sunday afternoon.

The conference was held at the Baronoff Hotel and included two afternoon business sessions and a banquet. Guest speaker at the Banquet was International Director George Wong of Vancouver B.C. who spoke on Lionism.

The ladies who accompanied their Lion husbands on the trip were entertained by members of the Juneau Lioness club during their stay.

\*\*\*\*\*

**GEAR LORDS TO HOLD  
MARCH OF DIMES DANCE**

OLD CHUGIAK: The Gear Lords, local car club will hold a dance on Saturday, January 25th, proceeds to benefit the March of Dimes.

The dance will take place at the Chugiak VFW Hall at mile 21 beginning at 8pm.

Admission will be 75¢ stag, and \$1.00 "drag."

The public is invited and urged to attend.

**BUS SIX STUDENTS TO  
BE LATE**

CHUGIAK: Bill Benyish, principle of the Chugiak school, announced that student who ride bus six would be approximately one half hour late in returning home on Friday, January 24th.

Benyish explained that bus six was being utilized to transport students and players to Palmer on Friday, where the Huskies would be playing the Palmer Junior High team.

The game is scheduled for 2pm, and the bus would be one half hour late in returning to make its regular run.

\*\*\*\*\*

**CHUGIAK NEWSLETTER  
PUBLICATION DELAYED**

CHUGIAK: Bill Benyish, principle of the Chugiak School announced that the publication date of the quarterly newsletter has been delayed until Friday, January 31st.

\*\*\*\*\*

**DATES FOR MARCH OF  
DIMES EVENTS SET**

CHUGIAK: Dates for the main March of Dimes events for the Greater Chugiak Area have been set, according to local Chairman Betty Wolford.

The Mothers March will take place on Sunday, February 2nd.

A dinner dance has been scheduled for Saturday, February 8th at the "300 Room" of the Eagle River Bowl.

Further information will be published at a later date.

CLASSROOM REPORTS

GRADE 1C: Our class looks forward to the second half of the year being as enjoyable as the one we have just completed. We are learning to read and find this new experience interesting and rewarding. In arithmetic we are beginning to learn our combinations which are fun, but also much work. Art is one of our many enjoyable periods. Our most recent project has been cutting snowflakes illustrating and making collages of bright scraps of material. Wintertime is also fun for first grades because of the good times they can have out-of-doors. Our class enjoys their free play periods outside, skating and playing in the snow.  
REPORTER: Miss Hathaway

GRADE 3B: Ona Mae Brewington is a new student in our class. She came to us from Eklutna. We now have 21 boys and girls in our class.  
REPORTER: Mrs. Freeman

GRADE 4B: In our class we are studying about the solar system. In our arithmetic we are studying about dollars and cents. In social Studies we are studying about the largest desert in the world.  
REPORTER: Deidre Olson

(next col)

(Mouth of Eagle River)

GRADE 6B: This week Neal Bullock came back to school from his Christmas vacation in Michigan.

In Geography we are drawing pictures and making castles of the Middle Ages.

In Math we are in fractions. We have practice on adding and subtracting. For science we are making bird charts. On our bird chart we put the migration of birds, colors, and other information.

REPORTER: Candy Straight

\*\*\*\*\*

GRADE 8B: The Christmas party for the 8B boys and girls was very nice. The candy, cake and pop set it off for a very nice party.

The vacation was very good. It was a big time of doing nothing, skating, sit-around and reading if you like.

The Eagle River 7th and 8th grade classes are now enjoying the reading of the Teenage Book Club.

\*\*\*\*\*

CHUCK SMITH ELECTED PRESIDENT OF SCHOOL ADMINISTRATORS

ELMENDORF: Chuck Smith, Superintendent of the Chugiak School System was last week elected to the post of President of the Cook Inlet Principle's Association for the year of 1964.

Smith was elected at the monthly meeting which was held last Thursday at Elmendorf AFB.

Membership of the group is made up of school administrators from the southern district.

\*\*\*\*\*

COMMUNITY LEAGUE SCORES

EAGLE RIVER: In the Community Basketball league game played last Wednesday at the Eagle River gym, Clark's Boys outpointed Johnson's Men 6 to 45 in the opener, with Buzz Brown's Boyshipping McGrady's Professors 81 to 65.

High pointers for Clarks were Kendred-21, Wattum-13, Hatney-5, Clark 21 and Tanner-24. Johnson's Men, Charles-19, Cartmill-2, Saither-15, Pullen-6 and Wilkerson-3. Johnson did not play due to an arm injury.

For Brown's it was Stephens-22, Brown-27, Phillips-5, Rem-2, Mielke (JW)-21, Ramer-3, Mielke (JR)-0. For McGrady's it was McGrady-5, Werre-2, Kerbow-16, Petonavich-2 and Travis 10.

The regular Wednesday game will be played on Thursday this week due to the PTA meeting.

NEWS AND ACTIVITIES OF THE CHUGIAK SCHOOL

CLASSROOM REPORTS

GRADE 2A: Our class began a new unit on winter. We are keeping a record of the temperature and hours of sunlight each day. This week we did an experiment. We boiled water and then recorded the temperature. It was 212 degrees fahrenheit. Some of us put our fingers in to see how hot it felt. We also took the temperature of snow and found it to be 32 degrees

GRADE 3B: We are studying about transportation. We have some trucks in our room, which we made. One of them is the "refuse truck, another one says "stake truck" and another one is the "film carrier. The last one is the "light pick-up truck."

GRADE 4A: We are studying outer space in science. We are also learning a lot about our world. We have written letters to a friend in Tennessee or California. We are having a test on Alaska. What we have to do is name animals and what they eat. We have a delinquent list and whoever is on the list over two days will have to suck a baby bottle.

GRADE 5A: For a couple of weeks we have been working with fractions. Some of us think they are hard, but some of us think they are easy. We have had several tests in fractions. In Geography we are studying the North Central States. We are

(next col)

(MOOSE CALL)

also coloring maps. In science we are studying about volcanoes, quartz, magma, granite and lava. We have had about four science tests. In health we are studying about the foods we eat. There are only about 87 more days of school.

GRADE 5B: Mr. Osborne of 5B is teaching us fractions. On Thursday, January 16, Mr. Osborn was absent and Mr. Pembroke of 5A took over our class with his.

GRADE 6A: In science we are studying about atoms and molecules. Wednesday, January 15, we had a test on atoms and molecules. Last Friday we had a test in arithmetic. On Tuesday, January 14, Mr.

Kerr gave us some real hard problems in arithmetic. The hardest one was about fish. Mike Jonrowe was the only one to get it right. Last Friday we played a game in Geography with the words. We didn't get to finish it.

GRADE 6B: In science we are studying about the body. Today we studied about the x-ray machine. On the classroom charts we saw the parts of the body, the heart and other important organs.

GRADE 7A: We are still using our new spelling books. Our English notebooks were due today; they will be graded and a large amount of our English grade will be based on them. We are planning to fix up our bulletin board and have part of it finished. We had two tests in English and Literature.

GRADE 8A: Mr. Kerbow's 8th grade science classes have been studying longitude and latitude. They have been doing problems concerning the

(Next col.)

(MOOSE CALL)

difference of time from one longitude position to another. Mr. Kerbow's 7th grade classes have been studying disaster situations that can occur. These include atomic attack, floods, hurricanes and tornadoes.

GRADE 8B: We were studying income tax, but couldn't find any forms. We are going to have a square dance followed by a talent show.

RAMS FALL TO HUSKIES

EAGLE RIVER: The Chugiak Huskies soundly defeated the Eagle River Rams 24-47 last Friday, January 17th.

This was a decisive game for the two teams, because if the Rams were to go to Kenai, they had to win the last two.

The Chugiak team already having won the first Ram-Husky game, has clinched the trip to Kenai against the Kenai Cardinals on January 31st.

High scorers were Mark Headlough with 14 and Ken Miller with 6 for the Rams. For the Huskies, it was Steve Brooks with 17 and Mike Reid with 15 points.

More U.S. cars - 798,719 - were built in October, 1963, than in any previous month in history.

##### 650cc Open

1st: Jim Zinggeler  
2nd: Roger Knapp  
3rd: Jerry Hatcher

##### 165cc class

Dale Hillmer of Eagle River riding a Scat.

#### BOROUGH SCHOOL BOARD REPRESENTATIVES TO VISIT EKLUTNA

**EKLUTNA:** Frank Reed, President of the School Board of the Greater Anchorage Area Borough will visit parents residing in the housing of the Eklutna Power Plant at mile 38.

Accompanying Mr. Reed will be Dr. Don Dafeo, acting supreintendent of the GAAB schools and Chuck Smith, Superintendent of the Chugiak School System acting in capacity of his roll as Area Coordinator.

The parents will be informed of the school situation in the Greater Chugiak area and the problem of whether the children in that area will transfer to the Chugiak Schools or continue to attend school in Palmer will be discussed.

The Eklutna housing area is within the Greater Anchorage Area Borough. Students from that area have been attending Palmer schools in the past.

#### LOCAL CHORUS TO REORGANIZE

**EAGLE RIVER:** The local Community Chorus has reorganized, and will meet next Monday, January 27th, at 7pm at the Eagle River School.

This group is under the direction of Bunny (West) Beeman, former music teacher of the Chugiak School.

Anyone interested in joining the group is invited to attend.

(CBA cont page 1 col 1)

The board discussed ways by which CBA could carry this bus, and it was decided that CBA could administer this only by contracting with a private party who might be interested in operating and maintaining the dump in return for exclusive salvage rights and the collection of dumping fees.

CBA is advertising for bids for this in an attempt to determine if an arrangement satisfactory to CBA.

Anyone interested in submitting a bid will be asked to contact CBA President Bruce Robinson at 674-5082 or is invited to attend the next CBA meeting, Tuesday, January 28th at the Oberg residence.

The Department of Health has indicated that they would close the present Birchwood dump if someone would be found to operate a sanitary fill at another location. (next col)

(CBA)

(CBA)

The proposed location for the fill would be in Birchwood near the airstrip.

Other CBA business included discussion in making repairs on the Carnival Hall for the purpose of making it suitable for holding community dances, and making improvements in the Carnival Grounds in order that it may be used as a community recreation center. (next col)

ter.

The final decision on whether the CBA will take over the administration of the dump will be voted at the next meeting.

New Board of Director members will be elected at that time.

## (HIGHWAY page 3 col 3)

now located on highway frontage access to the highway at specified points. Campbell said that the construction period would cover approximately 2 years.

Following the presentation by Campbell a question and answer period followed.

Some of the points raised were: "What percentage of the cost would be financed by Federal funds? The answer was 95%.

QUESTION: "The map shows the right of way coming right through the athletic field of the High School on Route A. Could this be changed?"

ANSWER: The line is only approximately and minor changes could and would be made.

QUESTION: "When the estimate of traffic load in twenty years was made was any consideration given to a causeway crossing the Knik Arm?"

ANSWER: No.

QUESTION: "What is the minimum standards acceptable by the Bureau of Public Roads?"

ANSWER: What will be considered adequate for the 20 year period.

QUESTION: Will the state contributed funds come from the General Fund?

ANSWER: Yes.

Several local residents stated their opinions on the impact either route might have on the community. One opinion was that if either route was chosen, local business would suffer (next col)

(highway)

either by being by-passed entirely or by being stranded on a collector road with no access to the main highway.

One local resident pointed out that if the State should purchase the one and a half million right of way for the construction of Route D, it would mean the loss of that much taxable property to the borough.

All persons wishing to ask questions or to comment were invited to come up and give their names. The entire hearing including the public discussion period was recorded on a tape recorder.

Campbell said that the display would be available at the Anchorage office of the Department of Highways for the next month. He added that anyone wishing to present any additional comment on the subject may make a written presentation and this would be considered a part of the hearing.

Accompanying Campbell

Attending the hearing with Campbell were Warren Wilde, State Location engineer, and Floyd Grant Acting District Engineer in Anchorage.

In addition to the local property owners several State legislators and borough assemblymen attended.

(owners cont pg 2 col 2)  
ous curves and the widening of the pavement to a width of twenty-four feet over the entire route. If the State would not agree to the above, then the group went on record as favoring the "D Route" with four lanes extending from Eagle River to the mile 17 end of the Birchwood Loop and right of way for four lanes to be included on the remainder.

A draft of this recommendation is being prepared and will be presented to the Highway Department

**NOTICE**

Because of the time involved in billing for classified ads, and the difficulty in collecting for them, the Courier is forced to adopt the following policy.

In the future, classified ads will be accepted on a paid in advance basis, (with the exception of those who have established accounts with the Courier.)

To facilitate in the computing the cost of each classified ad, the following table will be published weekly, for the benefit of those who find it more convenient to place their ads by mail.

Rates for each insertion are: 50¢ for the first three lines, 25¢ for each line thereafter. Payment by check, cash or money order may be mailed to Box 1166, Chugiak, or brought to the Courier office on Mt. Eklutna Drive in Peters Creek not later than 6pm on Monday.

Use the following table for ease in computing classified cost. Allow one block for each letter, punctuation or space between letters.

1	50¢
2	75¢
3	1.00
4	1.25
5	1.50
6	1.75
