## BRIGGS OPPOSES LOCAL PERSONAL PROPERTY TAX

WRECKAGE OF PICKUP TRUCK IN WHICH ORIE IVIE  
ESCAPED WITH MINOR INJURIES AFTER CRASHING  
INTO GUARD RAIL OF EAGLE RIVER BRIDGE.

### HIGHWAY DEPT. PICKS "A" ROUTE

JUNEAU: Approval of the "A Route" realignment of the Glenn Highway between Eagle River and Peters Creek was announced today by Floyd Grant acting District Highway Engineer for the Anchorage District of the Department of Highways.

Grant said that the final approval of the "A" Route was given last week by the Highway Commissioner and by the Bureau of Public Roads.

The "A" route leaves the present Glenn Highway just north of the Eagle River

### CAR DEMOLISHED BRIDGE DAMAGED...DRIVER MINOR INJURIES

EAGLE RIVER Orvie Ivie, of Mt. View escaped with comparatively minor injuries from a wreck which completely demolished his pick-up truck and ripped away a large section of guard-rail of the Eagle River Bridge.

Ivie was proceeding north when he lost control of his truck when attempting to pass another car.

He careened across the road and struck the guard rail at the approach to the bridge. His truck dangled over the edge of

CHUGIAK: Glenn Briggs, Borough Assemblyman for Section one has gone on record as opposing any attempt to assess a personal property tax for the residents of this area during the six month tax period beginning July 1st through September 30<sup>th</sup>.

Briggs explained that according to Borough Law, the residents in all areas of the borough must be taxed on an equal basis.

Since the residents of the city of Anchorage and the Anchorage Independent School District are paying an personal property tax, so must the residents of areas outside the city and Independent School District pay an equal amount of tax until such time that the personal property tax is repealed by referendum.

Although Briggs recognizes the fact that the residents of this area are compelled by borough law to assume their fair share of the tax burden, he is against the establishment of a precedent of assessing a personal property tax during the six month period.

It is his opinion, along with most of the other members of the Assembly that the voters will abolish the personal property tax boroughwide in the October referendum. He therefore is seeking some solution whereby the local residents can avoid paying the personal property tax and still

Pesticides should always be stored in their original containers. This habit leaves no doubt about the reliability of the label, and minimizes the chances of error in associating a certain container with a chemical.

Food and pesticides should never be stored together. A container of pesticide can easily be mistaken for a can of food. Foods may absorb fumes or spilled quantities of pesticide.

Chemicals are safe to use provided they are used properly. The best way to be safe is to follow instructions, take no chances, pay attention to cleanliness, storage and the possibility of accident.

USE PESTICIDES SAFELY

PALMER: Spring and summer is the time of year when home owners and gradners use a variety of chemicals for the control of weeds and insects. "People who use chemicals are cautioned to use them properly" according to Leland Cade, District Extension Agent.

The first step in using any chemical is to read the label, and then follow directions. The label should be read each time the chem-

# Cook of the Month

Can a mother work fourteen hours a day, seven days a week, and still find time to raise a family of nine children?

Pegge Christensen our cook for June fits the above description and has time left over for her many hobbies too.

Pegge and her husband Jim came to this community last winter when they opened the Pegge Lee Bakery in the Eagle River Shopping Center.

Pegge and Jim met in Cordova when she went to work in the Modal Cafe and Bakery which he operated there. She married her boss and together they have traveled Alaska from Nome to Ketchikan.

They returned to Cordova where they opened the first Pegge Lee Bakery, named for their daughter Pegge Lee. That shop was destroyed in the fire last year.

The Christensens own a home in the Muldoon area, but hope to sell and move closer to their place of business.

The nine Christensen children are John 22, who is married, he recently transferred from San Mateo College in California to Alaska Methodist University where he will complete his education; Robert, aged 20 Barbara aged eighteen also married and living in Anacortes Washington (the mother of their only grandchild); Pegge Lee, 14; William 12; Angela 9;

Charles 8; Maryann 7; and Kelly 4. Three of the children, Angela, Charles and Maryann are adopted.

Before opening the bakery Pegge was active in home-makers clubs. She counts among her many hobby's painting, enameling of jewelry, ceramic work, knitting, crocheting and other fancy needlework.

She is an accomplished seamstress and makes all the clothes for her daughters.

(next col)

With her experience in restaurant and bakery work we found that Pegge has a wealth of recipes to share with us, and we are happy to have her as our cook of the month.

\*\*\*\*\*

For those who have never been brave enough to try a Cheese Souffle, Pegge offers this one which she guarantees will not fall.

### CHEESE SOUFFLE (Never fails!)

- 3 tbs butter
- 3 tbs flour
- 1 cup milk

COMBINE above ingredients  
COOK over hot water

ALLOW to cool

- ADD 3 beaten egg yolks
- 1 cup cooked rice
- 1 cup grated cheddar cheese
- 1 tsp salt
- dash pepper

FOLD in 3 beaten egg whites  
POUR into greased casserole

**LITTLE LEAGUE SEASON TO BEGIN**

**CHUGIAK:** The opening of the season for the Knik Little League will be on Monday, June 8th.

The Yankees will play the Angels at the Carnival Ground diamond, with the two new teams (as yet un-named) playing at the Eagle River field.

The Angels sponsored by Far North Fuel is managed by Bob Mesick, the Yankees, sponsored by Peters Creek Fuel is being managed by Lee Jordan.

The team sponsored by the Eagle River Shopping Center is managed by Roy Weger, and Tom Take is managing the team which is jointly sponsored by General Supply and Valu City.

The teams are divided geographically along the lines which separate the two local schools, with boys attending the Chugiak school playing for the Yankees and the Shopping Center team and those attendint the Eagle River School playing for the

Angels and the Valu City General Supply Team.

All four teams are still in need of more players, and any boys between the ages nine and twelve who are interested in playing baseball are asked to show up at any of the practice sessions.

All four teams will be practicing every evening this week at the two regular diamonds as well as at the pony league diamond in Peters Creek, and at a second field in Eagle River. Any boy interested in playing is invited to try out and need never have played baseball before.

The teams will play every Monday, Wednesday and Friday for the remainder of the season.

In addition to the four main teams two farm league teams are being organized.

## LOCAL CANDIDATE TO CONDUCT OPEN MEETING

EAGLE RIVER: James Ekstedt of Eagle River, candidate to the State House of Representatives has invited any interested persons to an open meeting to be held at his home on Thursday, June 4th at 7:30pm.

Ekstedt wishes to discuss local problems in relationship to the state picture, and will welcome any suggestions as to a platform that will benefit the voters of this area.

Ekstedt lives on the Eagle River Road approximately one quarter mile from the Glenn Highway.

## BEAR HUNTERS RESCUE LAMB

GOAT CREEK: A group of local bear hunters rescued a Dall lamb which had been abandoned by its mother last Sunday.

Jim Ekstedt, accompanied by Steve Swanson and Mike Reid was bear hunting in the mountains above Goat Creek, when they came upon the lamb.

The mother ran off on the (next col)

approach of the hunters, leaving the lamb behind.

The men did not dare leave the lamb as immediately that the ewe had departed an eagle and a flock of magpies tried to attack it.

They brought the small animal back with them and notified the department of Fish and Game.

The lamb is presently being boarded on the Arthur Breandel homestead where it is being fed on goats milk.

As soon as the little ewe is old enough the Department of Fish and Game plan to take it to Kodiak Island where they are attempting to start a flock of Dall Sheep.

The United States government didn't start mining silver dollars until 1794, just a few years before George Washington's death.

# Tell it to Martha

BY: MARTHA COUNCIL

Dear Martha,

Now that vacation is here, I wish you would help parents set up some rules about children visiting.

It seems that the kids are at everyone's home but their own.

We find them playing in our yard when we get up in the morning, or if we go to town they think nothing of coming over to play in the yard while we are away.

When we are at home it seems that they are here all day. They don't even go home for lunch, if I don't feed them I know they will have no lunch at all.

Martha, we have gone to a lot of trouble and expense to see that our children have an attractive play yard, and we want them to have their friends over, but I don't feel like running a public playground. Some of the kids who come over are three and four years older than ours, and have no interest in playing with ours, they just want to use their swings and slide. What can we do?

Too many kids

(next col)

Dear Too many etc.

I suspect that you have been too tender-hearted to say much to these children. I am afraid that you will not only have to speak firmly to the youngsters, but to their parents also.

Let them know that under no circumstances is anyone to play in yard when you are not at home.

Also, insist that they go home when you are having your lunch.

The older children should be told firmly that you do not want them visiting, to find playmates their own age.

(next col)

(Martha)

You may hurt a few feelings, but that is the only way you will be able to control this situation

Sincerely,

Martha Council

Bridge and runs parallel to the Highway through the Birchwood area, rejoining the Glenn Highway at Peters Creek.

According to Grant the Route will be the same as shown on the maps at the public hearing held last fall, with the exception of a change to avoid the Chugiak High School now under construction.

Grant said that survey crews are expected to begin work on road design and other investigation within a few weeks. Acquisition of right of ways should be under way by this winter.

Grant said that advertisement for bids would not be until the next construction season, if that soon.

Of greater priority than the Chugiak re-alignment is the construction of the section of road which will connect the Echo Lake Road the the Matanuska-Erik complex now under construction.

Grant also mentioned a reconnaissance for a road which would connect the Peters Creek area with the new complex. This is in the initial stages of aerial surveys.

**BOROUGH ASSEMBLY REPORT**

**ANCHORAGE:** In executive session Monday night, prior to the regular meeting, the Greater Anchorage Area Borough Assembly by a vote of 6 to 3, selected Dave Ring over the only other candidate seeking the Assemblyman seat of Section 4 vacated by John Gill in April.

The assembly also performed the ritual of seating George Byer selected by the City Council to replace Frank Feeman who recently resigned.

Proposed resolutions on taxation and election were heard by the Assembly.

These resolutions, along with the 1964 - '65 school budget will be studied at a work session to be held June 15th, preparatory to final action on June 29th.

In a boroughwide referendum in October, voters will have an opportunity to determine what, if any additional powers are to be assumed by the borough, and what form of taxation in addition to real property tax will be adopted.

Requests have been made to the assembly that the services of Health, Lib-

rary, Police protection, Dog control and Fire protection be assumed by the borough.

Rough estimates of the cost of such services are; Health, \$311,000; Library \$150,000, Police \$300,000, Dog control, \$25,000.

No figures as yet for fire protection.

Cost of these services will be reviewed and revised and cost in mill of taxation will be determined before voters go to the polls.

# NOTICE

Because of the time involved in billing for classified ads, and the difficulty in collecting for them, the Courier is forced to adopt the following policy.

In the future, classified ads will be accepted on a paid in advance basis, (with the exception of those who have established accounts with the Courier.)

To facilitate in the computing the cost of each classified ad, the following table will be published weekly, for the benefit of those who find it more convenient to place their ads by mail.

Rates for each insertion are: 50¢ for the first three lines, 25¢ for each line thereafter. Payment by check, cash or money order may be mailed to Box 1166, Chugiak, or brought to the Courier office on Mt. Eklatna Drive in Peters Creek not later than 6pm on Monday.

Use the following table for ease in computing classified cost. Allow one block for each letter, punctuation or space between letters.
