### NONE HURT IN TWO CAR SMASH

**EAGLE RIVER:** There were no injuries in a two car collision which took place at the intersection of the Glenn Highway and Eagle River Road last Wednesday.

Sharon Ann Peterson, of Meadowcreek Apartments, driving a 1965 MG sedan was turning out of the Eagle River Road onto the Glenn Highway, when her car collided with a 1963 Mercedes Benz, driven by Dale Briggs of Eagle River. Briggs was turning off the Glenn Highway onto the Eagle River Road at the time. Both vehicles were damaged on the left front fenders to the extent of an estimated \$200. No citations were given.

### UNKNOWN DRIVERS CAUSE WRECK

**EKLUTNA:** An Anchorage driver completely wrecked his car at mile 28 last Saturday, trying to avoid running into two other cars parked on the highway.

The driver, Lewis J. Hallman told the State Police that the other cars were parked opposite each other on opposite lanes of the highway, apparently the drivers conversing, and completely blocking the road. Hallman ran his car into the ditch to avoid hitting them. He rolled over completely, the car then coming to a rest on its side against a telephone pole.

The two other cars then promptly drove off without attempting to assist Hallman.

Hallman and two of his passengers were uninjured. A third passenger, John Schommer of Ft. Richardson suffered a cut chin. The 1962 Chrysler sedan was a total loss.

\*\*\*\*\*

### MILE 24 CRASH

**PETERS CREEK:** Two Spenard drivers met at mile 24 last Sunday in a collision which inflicted an estimated \$200 to each vehicle.

Gordon H. Collies was proceeding South in a 1965 Buick station wagon when he observed a car stopped in the lane of traffic with a flat tire. He as attempting to slow his car when it began to fishtail and he lost control of the vehicle. He skidded into a 1964 Chevrolet, driven to Judy Ann Gorton which was proceeding north at the time. The damage was to the left front fender of the Gorton car and the right front fender of Collies vehicle. There were no injuries and no citations.

The Chugiak Mustangs, with a victory in mind met the Western Alaska Champs on their home court. But not discouraged, the Mustangs quickly opened a lead, but missed two shots in a row, and let the Thunderbirds of East by them, and never again were ahead. The first quarter ended 18-7.

The Mustangs kept pace with the T-birds in the second quarter, but still did nothing to catch up with them. The third quarter was disastrous for the Mustangs as East outscored them 16-5, which was 11 additional points to their lead.

In the final quarter, the Mustangs still fighting, managed to score 16 points. The fact that Chugiak only hit 24% from the floor to East's 42.5% indicates that the Mustangs still have a lot of practicing to do before they can beat any team from a large school.

Score by quarters:

CHUGIAK	7	16	5	16
EAST	18	17	16	22

CHUGIAK	5	23	28	44
---------	---	----	----	----

The Chugiak Mustangs did a very good job of holding down the West Anchorage Eagles. The first quarter score was 20-14, the Mustangs only six points behind. The Eagles increased their lead by eight points, but the Mustangs were still there, fighting, and in contention for the lead. The halftime tally was 28-37 for the Eagles.

The third quarter was the best for the Mustangs, as West only outscored them by three points, even though Coach Sanders substituted freely. But with the last quarter, it was clear that victory was out of touch for the Mustangs as the Eagles outscored them 10-18 for a 50-76 victory, the Mustangs second loss on the conference season, and West's second win for the conference.

Score by quarters:

CHUGIAK	14	9	12	10
WEST	20	17	19	18

CHUGIAK	14	28	40	50
WEST	20	37	53	76

Next Weekend, the Mustangs will play two games away with the Eilson Ravens and the Fairbanks Malemutes.

Last year the Mustangs came within 5 points of beating the Ravens, and with the added height, this should be a victory against the Mustangs.

Last year the Malemutes set a record against the Mustangs (which was later broken), but this year there will be no records for a team against the Mustangs, as the Kenal Cardinals upset the Malemutes last weekend.

**NEWS AND ACTIVITIES  
OF THE  
CHUGIAK SCHOOL**

**GRADE 1 (Mrs. Emmons)** We are happy to be back in school after a nice vacation. We are rested, and are ready to work hard.

We are learning to do longer equations in Math. We think they are fun.

In Science, we are working on miniature plant and animal scenes.

We like to sing songs and to play in the rhythm band.

**2nd Grade:** Why shouldn't you walk in the jungle between 4 and 5? Because elephants jump out of trees. Why are pygmies so small? Because they walk in the jungle between 4 and 5.

**REPORTER:** Chris Olson

**3rd GRADE (Mrs. Coleman)** Mrs. Coleman's reading class is listening for accented syllables in words with two or more syllables. They have learned that some two syllable words have accents on the last syllable as in "surprises" and "become."

The class has learned to write his own address correctly. For some homework in English, the class looked at the addresses on envelopes that came in the mail.

**GRADE 4 (Mrs. McGrew):** (Excerpts from Vacation News) Victor Nelson: On the day before Christmas our family was very excited. The next day all of the kids woke up about 2:30 o'clock in the morning and opened the presents.

Lori Philo: We went to a friend's house for dinner December 26th. We received a present each. I received a set of perfume and powder. I went upstairs and their children got into the powder. I caught them just in time! They got powder all over. We cleaned it up and then had dinner.

Cindy Cromwell: For Christmas my mother and father gave me a doll. It is 3 feet tall. My sister is 3 feet 2 inches tall, so I get to use her clothes on my doll.

Jacqueline Weers: A friend brought over some skis and I have been skiing. It is a fun sport. I always have a time making it up the hill. You have to walk sideways, and it is pretty hard.

### DO DREAMS COME TRUE ?

Yes, Dreams can come true, but  
sometimes we have to help them  
along.

The National Foundation helps with  
this through the March of Dimes.

After many years of work and  
dedication, the dreadedcrippler,  
polio, was conquered. Our children  
are now safe from this disease.

Every Mother's dream is that  
her baby will be healthy and normal.

March of Dimes will help this  
dream come true. Will you help  
the March of Dimes.

When you see the collection can-  
nisters in the places of business  
don't ignore them, please give and  
give generously. Let's make those  
DREAMS COME TRUE !!!

Thank You,  
Mrs. Wayne Mackey,  
Director, March of  
Dimes for the Greater  
Chugiak Area
