

## BRIGGS EXPLAINS MERGER STAND

**CHUGIAK:** Glenn Briggs Borough Assemblyman from Section one, today offered his explanation of the stand which he says the Borough Assembly must take on the much discussed City-Borough merger.

"In keeping with the intent of the framers of the Borough Act to eliminate duplication of Government, the Board of Directors of the Spenard Utility District was dissolved and the administrative functions of that Board were assumed by the Borough Assembly. As a Service Area of the Borough, the residents of that area are now being provided the same services at no additional cost to the residents outside that area."

"The framers of the Borough Act apparently did not anticipate that a first class city might desire to become a Service Area of a borough. At least no provision was made in the Act for such a transfer of power."

"The administration of the City of Anchorage expressed a desire to dissolve as a city and become a Service Area of the Borough. The City council asked the Borough Assembly to join in requesting legislation which would permit such a change of status."

"The Assembly by a vote of 7-1 agreed to support the request of the Council if and providing any legislation proposed would not reduce the protection now guaranteed by our second class borough status."

"As an intergral part of the Borough, the City was clearly within its rights in requesting support of the Assembly for permissive legislation to accomplish its desire. The Borough Assembly representing the whole of the Borough would have been derelict in its responsibility had it denied the request of the City."

"It is now the task of our State legislators to frame legislation which will be acceptable to the City and win approval of the voters of the rural areas."

"Once the proposed legislation is made available for public review many questions will arise in the minds of the people both within the City and outside the City on the timing, scope, and feasibility of the city becoming a Service Area of the Borough. All questions must be satisfactorily answered before any final proposed legislation is placed before the voters at the polls for acceptance or rejection."

Members of the Borough and City administrations have volunteered to appear upon request before any citizen group organized for the purpose of open and free discussion of

### RURAL 30 DELEGATES MEET

**BIRCHWOOD:** Delegates of Rural 30, in executive meeting on Monday night, expressed concern over the haste with which Borough-City legislation is being pursued.

The delegates, meeting at the home of Lee Jodran in Birchwood discussed the plan which has scheduled to send officials of the City Council and Assembly to Juneau on Friday for hearings on HB 409.

In speeding up Rural 30 organization, a meeting is scheduled for Friday, February 18 at 8:00pm in the multi-purpose room of Sand Lake School on Jewel Lake Road. Residents of Borough Section 5 will be assisted by the Rural 30 membership committee at this meeting.

Ed Willis, temporary chairman of the citizen's group, stated that the meeting will not be used as a forum for debating the pros and cons of the merger issue.

### LOCAL GIRL SEEKS RONDY CROWN

**EAGLE RIVER:** A local girl is one of the candidates for the title of "Miss Anchorage" in the annual Fur Rendevous Queen contest.

The girl is Miss Yolanda Ilene Cathers, known to her friends as "Lonnle". Lonnle is 18 years old and a senior at Chugiak High School, where she is a cheerleader.

She is being sponsored by the Warren Paint Company of Anchorage.

She is the daughter of Mr. and Mrs. William Cathers of Eagle River Road. She has lived in the area for six years and is a graduate of the Eagle River Elementary School.

Lonne is a talented dancer, and will give a demonstration of modern jazz dancing as her talent in that portion of the competition.

### HERE AND THERE By: R. Fleming

My dreams have been shattered, my faith shaken; no longer do I have a heroic figure. Was the caveman really what we thought of him? My conception of the caveman is probably the popular one -- a burly figure with craggy features, prodding along with a cudgel in one hand and in the other a hank of hair attached to a dragged cavewoman. Now, it is being maintained that there is absolutely no evidence to support what we thought the caveman was. According to this heretical source, the caveman probably differed very little in basic attitudes that today are held toward women and children; that his aesthetic sense was somewhat highly developed; that is unless we are wont to believe that the horse drew the figure on the cave wall instead of the man. Fact is, there does not appear to be an overwhelming amount of evidence that the caveman regularly inhabited

It will be difficult to reorient traditional feelings to the new material stuff to which we have been used. Maybe we can keep on believing just as we believe in Santa Claus.

It would appear that an idea of another capital location may again come alive. I do not pretend to be knowledgeable concerning political geography, but it seems that the issue could definitely be resolved by trading to Canada that portion of Alaska lying southeasterly beyond Cape Fairweather for a comparable chunk of Canada along our eastern border north of the Yukon Bay area. If Juneau then retained capital aspirations, the problem could be presented to the residents of British Columbia.

Now, children,  
Who can tell me what  
day this  
is?

I can, Mrs. Brown,  
It's Lincoln's  
birthday.

Good, Midge.  
Now can you  
tell me why  
he was  
important

He was a  
President of  
the United  
States.

But we had  
other Presidents,  
What made him

## NEWS AND ACTIVITIES OF THE CHUGIAK SCHOOL

**GRADE 1** (Mrs. Baumgardner) The first graders in room 5 have enjoyed playing with the train loaned to us by Mr. Powell. We have sung train songs, read train stories and made train pictures.

We have enjoyed learning about Lincoln and making Valentines for This is dental health week. We have a chart with our names on it. A star is given to the ones that remember to brush their teeth before school

**GRADE 2** (Mrs. Horn) Our class is excitedly preparing to take a field trip to town with the other second grades. Instead of a Valentine's Day party, on Monday morning we will leave school on a bus and visit Gilman's Bakery and Matanuska Maid Dairy. After we have eaten our lunches, we will go to the ice rink and have an hour of fun and skating.

**GRADE 5** (Mrs. Reese) Our fifth grade class is very busy room. We have been learning many things, such as modern math and art. The pictures are very good. In Health we have been studying about the kinds of food we should eat.

Our class is going on a field trip to the Sunrise Bakery on February 11th. We are also going to be on Today's Classroom KTV Channel 11. We will dramatize some events in Abraham Lincoln's life.

**GRADE 6** (Mr. Kerr) In Science we are studying a chapter on Space and Space travel. We have thirty one projects to make posters or demonstrations about each person will pick one that he or she likes.

In Social Studies we are learning the map of Europe by using the Opaque projector and the map is a special map. It does not have any names or places on it.

Today we had a Spelling Bee with Miss Burke's room and Mr. Kerr's room won.

### ICY ROADS CAUSE WRECK

**EKLUTNA:** Icy roads were the cause of a two car accident one mile north of the "Y" on the Glenn Highway alternate last week.

Mrs. Anna Regina Witt, of Anchorage lost control of her 1959 Chevrolet pickup truck and skidded into the opposite lane colliding with a 1964 Chrysler sedan driven by John A. Berneth also of Anchorage.

Neither driver was injured by the crash. Mrs. Witt was cited for driving too fast for conditions.

## CHUGIAK WINTER SPORTS CARNIVAL

**CHUGIAK:** According to Ray Beam, chairman of the ski and special features committees, a number of events have already been arranged for the Winter Sports Carnival to be held March 5th.

Among the events, for which classes will be scheduled for different age groups, are cross country skiing, small slalom and sled races.

In the making is a sliding event in which the participant must use an improvised type of "sled", such as a cardboard box, a sheet of plastic, or anything except wood or metal.

Among exhibitions planned are ski jumping and demonstrations of different skiing maneuvers such as the snowplow turn, stem turn and other movements.

The carnival, sponsored by the PTA of the Chugiak Elementary School, will be held on the school ground. Activities begin at 11am and will continue to approximately 3pm. Food and hot drink will be available. There will be no entry fee nor admission charge.

## DINNER HONORS — NEW PRINCIPAL

**OLD CHUGIAK:** A small dinner party honoring Mr. and Mrs. Emerson Sortore was held on February 11th at the home of Mr. and Mrs. Bob Fleming at Swaneel Slopes.

The dinner was hosted by the teachers and staff of the Chugiak Elementary School.

Mr. Sortore is the new principal at that school.

## EVANGELIST PROGRAM AT METHODIST CHURCH

**OLD CHUGIAK:** On Wednesday, twenty three Methodist ministers and laymen from all over the United States arrived in Alaska to begin the 1966 Alaska Evangelistic and Spiritual Renewal campaign. The visitors, who are traveling at their own expense, will be sent to work in various communities throughout Alaska.

Rev. Roy Baugh of Metropolis, Illinois and Rev. Leon Hartman of Hammond, Indiana, are staying in the Chugiak area. They are conducting instruction periods, home visitations, and special congregational programs in the Chugiak Methodist Church. Last Sunday, they participated in the worship service, and attended the twelfth anniversary dinner of the Chugiak Methodist Church. Special "Fireside Discussions" are being held in the homes of various members of the church.

W. Leon Hartman came originally from Illinois. His college work was at Ashbury and he is from Ashbury Theological Seminary in Wilmore, Kentucky. He has served in the U.S. Marine Corps prior to his graduate work. He has served churches in the following communities of Indiana: Harrodsburg, Indianapolis, New Albany, and now at Hyde Park Methodist Church in Hammond.

Roy L. Baugh attended McKendree College in Lebanon Ill. His seminary work was at Candler School of Theology in Atlanta Ga. His first appointment was in East Alton, Ill., where he served for eight years. This church, St. Paul Methodist was started in 1954, and he may feel right at home during the local observance.

This program is sponsored by the Methodist Church in Alaska every other year. The visits of these ministers and laymen give a new outlook of spiritual life, as well as a feeling of continuity of the Methodist church throughout the United States. Anyone interested in meeting Rev. Baugh and Rev. Hartman should contact Rev. John J. Shaffer at 694-2318 or 688-5227.

CLASSROOM REPORTS

GRADE 1 (Mrs. Ruberg) Boys and girls in Mrs. Ruberg's room have been having talks about dogs.

We know that dogs can be fun if we don't treat them like toys, don't try to break up a dog fights even if your own ped is involved, don't tease or disturb them when they are eating.

We want to live safely with pets. We don't run up to strange animals on the street especially not when they are sick or injured.

GRADE 6 (Mrs. Kerbow) Two girls left they were Glory Flannigan and Bitsy Hall. Bitsy went to Government Hill, Glory went to Mt. View.

We have started a new unit in Social Studies, it is about the British Isles and it is very interesting.

We are planning our Valentines party we hope to have lots of fun.

In gym we are going skating after we finish writing this

REPORTERS: Kathy Fish and Peggy Harrison

GRADE 6; (Mrs. Winingham) We're going to have our Valentine party this Friday and everyone is busy preparing for it.

We made collages in are and there were some really weird pictures. In Social Studies we're studying ab-

out the British Isles. We have a display with many interesting English things in it.

For English we wrote friendly letters and it was a nice change from our regular work.

In health we've been learning about foods and food value. We made some very nice charts about these things.

We'd like to wish all of you a happy Valentine's Day from room 13.

**MUSTANG WRESTLERS  
LOSE BY FORFEIT**

The Mustang wrestling team put on a fine showing last Friday, when they wrestled against the Palmer Moose.

Although they lost 28-23, it was because Chugiak had to forfeit the 127 pound division which gave Palmer and additional 5 points, so if Chugiak had not forfeited that division, the score would have been 23-23.

Chugiak winners were: 103-Garth Olsen by a pin; 133-Mark Whaley by a pin; 136-John Adams by a decision; 180-Rick Travis by a pin; Heavyweight, Arnie Hartman by a pin.

The wrestling Mustangs do not have another match until March 4, when they wrestle Palmer again at Chugiak. This time Chugiak should win.

**MUSTANGS LOSE  
ONE TO RAVENS**

The Mustangs played a very good first half or at least a good first quarter against the Eileson Ravens.

Mustangs started with a lead, and the first quarter score was 16-15 for the Mustangs. But their defense fell and they let the Ravens slip by to a 30-35 halftime lead. In the third quarter, Mustangs nearly kept pace with the Eileson Ravens, with the Ravens only getting 3 more points

ahead, leaving the score at 42-50 for the Ravens. But the Mustangs could not hold out for another period as the Ravens outscored them by nine points for a 55-77 win.

**MUSTANGS vs. MALEMUTES**

The Mustangs lost their eleventh conference game last Saturday to the co-leader in the railbelt series. But the Mustangs did play one good quarter, their third one in which they scored 20 points. But the Malemutes substituted freely throughout the game and extended their lead at will. The Mustangs finally seem to be working their tall man, freshman Jim Kohring, who was high point with 12 points.

WEDNESDAY, FEBRUARY 16, 1966

(Rural 30 cont page 1 col 1)

"The time is past", Willis said, "for debate. This should have been provided for weeks ago in public hearings held by Borough and City officials."

"Our aim" he continued, "is to preserve the right of the voters to have a voice in the formation or change of their local government at this level."

Opposition to what has been termed "steamroller tactics" has been spreading throughout the borough during the past week.

the proposed legislation.

"Until the legislation is in our hands, I can only suggest that the newspaper headlines be ignored, they are not intended to enlighten, Briggs concluded.

LETTERS TO  
THE EDITOR

### OPEN LETTER:

We are all familiar with the drive "Books for Appalachia" that was promoted last year.

We, here in Alaska, have an opportunity to lend a helping hand right in our own state. Each PTA in the state is cooperating to provide books for our neighbors in the small outlying villages of Alaska.

Won't you go through your books today and collect those your family no longer uses? The need is great, ranging from pre-school nursery tape books to adult reading materials. Paper books included. These may be left at any of the three schools in our area.

Books are friends, let's help everyone become better acquainted with books.

Mrs. Robert Thomas  
Chugiak High School PTA

## LOCAL FISH & GAME ADVISORY COMMITTEE SEEKS PROPOSALS

ANCHORAGE: The Anchorage Area Fish and Game Board Advisory Committee will hold its annual meeting to accept public proposals for changes in the 1966-67 Game and Guiding Regulations on Thursday night, February 17, at 7:30pm in room 203 of the Anchorage Community Center at 6th and G St.

This meeting, according to Committee Chairman Aubrey Long, provides the general public the opportunity to express both verbally and in writing, recommendations to the Board of Fish and Game for changes in the coming season's Game and Guiding Regulations. This is the opportunity, says Committee Chairman Long, for people who are dissatisfied with present Game and Guiding Regulations to make recommendations for changes. All written proposals will be forwarded to the Board of Fish and Game.

Proposals must be written for presentation to the Committee. Open discussion will be permitted on the various proposals which are presented in writing. Committee Chairman Long advises that unless proposals are accompanied by written reasons, or justification the Board of Fish and Game will not consider them when it meets to set regulations for the coming season. Proposals for changes in Sport Fishing or Commercial Fishing will not be accepted at this meeting unless it is regarded as an emergency.

In view of the recent surge activity in the Commercial fur market, it is anticipated that fur trapping may be of more than casual interest at coming meetings.

Staff members of the Alaska Department of Fish and Game will be present to answer questions and furnish statistics and other information.

## NO PLANS TO IMPROVE BIRCHWOOD ROAD SEEN

CHUGIAK: There appears little likelihood that the hazard to travelers of the hill on the Birchwood Loop Road between the Glenn Highway and the high school can be reduced before the construction season of 1968, according to Borough Assemblyman Glenn Briggs.

Briggs said "It has been urged that the hill be cut down and widened during the construction season of 1966 as an advance program to

the major rebuilding and alignment of the Loop Road in 1968. However test drilling of the hill by the geology division of the Highway Department shows it to be permanent bedrock."

Briggs explained that the cost of any work done on the road prior to the letting of Federal Aid Secondary contract in 1967 would have to be done from 100% State maintenance funds which District Highway engineer Costy Steen says are not available for such a costly project.

Present engineering plans of the new Glenn Highway paralleling the present Glenn Highway to the west retains the east end of the upper Birchwood Loop road as a connector between the two highway. Plans call for cutting down of the bedrock road bed by seventeen feet and widening to 33 feet, including the four-foot graveled shoulders on each side.

According to the pre-construction section of the Highway Division the schedule for the new Birchwood Loop road provides for obtaining easements for the right of way this spring engineering of the proposed new road during the 1966 and 1967 and letting of the contract in the fall of 1967. Advancing of the construction schedule by one year is being advocated.

The Division of Highways is being urged to reduce the steep grade and widen the curve at the base of one hill on the Eagle River Road, which has proven to be most hazardous to drivers particularly during winter. This improvement could be made during the 1968 construction season at a small cost to the State, Briggs concluded.

## FIRE COMPANY CIRCULATES PETITION

EAGLE RIVER: The Eagle River Volunteer Fire Company is presently circulating a petition asking the GAAB Assembly to establish a fire service area in the area presently being served by that organization.

The petition reads as follows: "We, the undersigned property owners, petition the Borough Assembly to establish a fire service area described as follows:

That the place where its principal business is transacted shall be bounded on the north by the south boundary of township 15R, (approximately mile 15 3/4, GPalm-er Highway), on the south by Ft. Richardson Reservation, on the east by the Chugach Mts., and on the west by Ft. Richardson Reservation."

This petition will be presented to the GAAB with a proposed contract for fire service. The Borough is then expected to place the question on the ballot at the next election for the approval of the homeowners in the Eagle River Area.

The Fire Company has arranged to have Mr. Bud Saylor, assistant to the Borough Chairman present at a public meeting which will be held on February 22nd at 7:30pm in the Eagle River Elementary School. Mr. Saylor will attempt to answer any questions concerning a Fire Service Area.

Accompanying Mr. Saylor at this meeting will be Mr. Jerry Overstreet, of the Borough Planning Commission, who will talk to the residents about planning and zoning.
