STATE HEROISM MEDAL

(SEE PAGE 6 FOR STORY)

JUNEAU: The Alaska State Legislature will not act on House Bill 409 (Metro merger) this year, according to a resolution introduced by the Local Government Committee.

The resolution was made following a hearing with the committee and delegates of Rural 30, a group composed of the rural voting precincts in the Greater Anchorage Area Borough.

The resolution stated: "Whereas this important and controversial legislation requires considerable analysis and public hearings not possible during the balance of the present legislative session; the Legislative Council is directed to make an analysis and report on House Bill 409 based upon testimony received at public hearings in the areas likely to be affected and report its findings and recommendations to the Fifth Legislature in January 1967."

### MAN KILLED WHEN CAR HITS GRADER

EAGLE RIVER: Drinking and excessive speed were the cause of the death of a Palmer man when his 1969 Buick crashed into the rear of a road grader early last Friday morning.

Rex Ojal Hardage of Palmer was returning from Anchorage at 5:50am when he overtook a road grader at mile 13 1/2 on the Eagle River Hill. He struck the rear of the grader, totally demolishing his car and inflicting an estimated \$2,000 damage to the road equipment. The grader was the property of the U.S. Army, and was enroute to the Artillery Road in Eagle River where the Army maintains an installation. The driver of the grader, Dwight Allen Johnson of the 562 Engineers, Ft. Richardson and his passenger, Lawrence W. Blake also of Ft. Richardson were uninjured.

Hardage was taken to the 5040th Air Force Hospital by the Eagle River Volunteer Fire Company Ambulance, where he died of multiple head injuries.

LETTERS TO  
THE EDITOR

Dear Parents:

Now that the second annual Chugiak High School Stew and Fun Day is history, I wish to take this opportunity to thank you all for your active support of the PTA Dessert Booth.

Without your donations, it could not have been the successful venture that it was.

I urge you all who are not presently members of the PTA to join now and actively support our program on year round basis.

Thank you again.

Sincerely,

L. Vernon Moore Pres.

## The Sourdough Gardener

UNIVERSITY of ALASKA  
Cooperative Extension Service  
Division of Statewide Services

Ripe tomatoes and cucumbers in early summer in Alaska are about as rare as pink tennis shoes on elephants which we're rearing about lately.

You can have them, though, with not much more than a glassed in porch or big window, along with some soil and a few five-gallon pails.

In a nut shell, here's how it works. Fill the five-gallon pails with good garden soil after putting in about three inches of small rocks at the bottom. Plant your tomato seeds in some and cucumbers in the others.

(cont page 9 col 3)

When the seedlings are up and well established, thin out to six or eight good plants well scattered over the surface of the container. Let these grow for three weeks or so and you'll see two or three that are bigger and stronger than the rest. Clip off; don't pull, all but three of the best cucumber plants. Leave only one tomato plant in each container. The advantage is, no setbacks from transplanting.

Now listen to the real space saver. Put a strong hook at the top of the window and hang up the pails that have cucumbers in them. Put the tomato pails directly below them on the floor.

The first time I saw a real old Sourdough with a window full of cucumbers hanging from the top pails and tomatoes trained up on strings, until both tomatoes and cucumbers looked like a salad, it was hard to believe.

Those top pails are pretty heavy to hang, he told me, but the early tomatoes and cukes are worth it.

### BIRCHWOOD BEAVERS CHOOSE OFFICERS

**BIRCHWOOD:** Ten boys and girls met at the home of Mrs. J. Roberts Wednesday, March 9th, to organize a new 4H Club.

Mrs. Roberts will be the leader of the club, and the name chosen was Birchwood Beavers.

The members will be Sandy and Sharel Roberts, Ruth and Rickey Dixon, Joie Roberts, Carol Con, Caleen Pennington, and Nanitte, Steavon, and Greag Lathrop.

The officers chosen are Ruth Dixon as president, Carol Con, Vice President, Sharel Roberts Treasurer, Caleen Pennington, Reporter. Songs and Games will be handled by Nanette Lathrop.

Meetings will be held once each month on Wednesday. Projects are Forestry, Cooking and Dog Training.

Mrs. Daniel Brion was there help organize the new club. She gave out the books and explained how to conduct our meetings. It was decided to pay 10¢ dues each meeting. (REPORTER, Caleen Pennington)

### LADIES CLUB TO UP SCHOLARSHIP

**BIRCHWOOD:** The Chugiak Ladies Club, meeting at the home of Dee Steeby in Birchwood, voted to increase their college scholarship to \$300.

The club offers this scholarship each year to a graduate of Chugiak High School. The original scholarship was for \$200, but over the years has been increased to \$250 and now to \$300.

The Ladies Club pioneered the offering of a college scholarship exclusively to a high school graduate from the Greater Chugiak Area. This began when local students were still attending West Anchorage High School. During the years other groups have followed suit, and now there

are a total six scholarships which are offered by local organizations to Chugiak Graduates.

A scholarship committee was appointed, and they will review the applications and make their recommendations to the membership. The scholarship committee consists of Mrs. John Steeby, Mrs. Faville Halverson and Mrs. Harry Mackey.

The next meeting of the Club will be held on Thursday, March 24th, at the home of Phyllis Stewart in Eagle River.

### DIRECTORY MAY BE ORDERED BY MAIL

**CHUGIAK:** The Community Directory may now be ordered by mail, according to a spokesman for the Chugiak Ladies Club.

In order to accommodate the many people who have indicated that they wish to purchase a copy, but have been unable to personally contact any of the members of the club, a mail order blank has been published.

A copy of this blank appears at the bottom of this page in the Knk Arm Courier for the benefit of the

local residents who wish to order copies. Order blanks have also been sent to individuals and organizations outside of the local area who might be interested in the information contained in the Directory. The book contains names, addresses, phone numbers and family information on local residents, classified pages on commercial establishments, and listings of all local clubs, organizations, churches, public service facilities and lists of points of interests, along with a history of the area.

All families listed are cross-referenced to a locator map of the area.

The Directory sells for \$2.50 a copy. A small handling charge of 15¢ is added for copies ordered by mail.

**LOCAL SCIENCE FAIR  
WINNERS ANNOUNCED**

**BIRCHWOOD:** Winners of the 2nd Annual Chugiak High School Science Fair were announced today.

The judging was on two levels, Junior and Senior high, and in two main divisions, Biological and Physical Sciences. The two groups were subdivided into secondary categories, the Biological into Biology, Zoology and Health and Medicine. The Physical Science into Physics, Math, Chemistry and Earth and Space Sciences. Entries were accepted by individual students or by groups.

The entries were judged against a standard, rather than against each other entry, so that a student might be the only one entering in a division, but still not be awarded first place if his or her entry did not measure up to the standard.

Winners were in the Junior High Division: a group entry by two eighth Philomena Auble in Medicine and Health an entry on the Human Heart. They were awarded 1st place in the sub-group and 1st place overall.

Another group entry, by two brothers, Rory (8th grade) and Garth (9th) Olson. Their entry was in the field of Physics and was a Solar Distiller. They were awarded a second place.

In the Zoology division, Randy Phillips a ninth grader was awarded an Honorable mention in that subclass with an entry concerning the hatching of baby chicks. An 8th

Grader, Steve Czerski was awarded a 3rd place in the sub-class of physics and a 3rd place overall with an entry on UltraSconics. An Honorable Mention in the sub-class of and also in the over-all classification was given to Randy Schetzle, a 7th grader for an entry in the Earth and Space sciences.

An eighth grader, Linda Dechant class of Chemistry and 2nd place in overall with her entry titled "The Perfect Food."

In the Senior High division, there were two winners, Harold Schetzle, a senior was awarded a Honorable Mention in the sub class of physics and Honorable Mention overall with an entry on the Recovery and refining of gold. Kaye Ekstedt a Junior was awarded a first place in the sub-class of Medicine and Health and a first place overall with an entry that deals in Drug dangers.

Students qualifying in the over-all classes will be invited to compete in the Regional Science Fair to be held at AMU on March 26th and 27th.

**JUNIOR CLASS TO  
PRESENT COMEDY**

**BIRCHWOOD:** "Time Out for Ginger", the Junior Class play, will be presented at Chugiak High School on Friday and Saturday, March 25th and 26th at 8:15pm in the school's multipurpose room.

Appearing in the title role, will be Marcia Rodgers; the major roles of Agnes and Howard Carol will be performed by Leslie Mauldin and Robyn Aubrey. Supporting cast includes Josa Chron; Linda Sullivan, Rick Doggett, Ron Howes, John Vancouver, Bill Groves and Teresa Pyles.

Stage Manager Joe Roseman, and student directors Mac Hunter and Sandi Fetrow promise a prompt curtain and smooth production. Set builders and designers Steve Spratt, Bob Steele and Jim Edgar forecast a complete set for the play.

The play concerns the turmoil caused by Howard Carol (Robyn Aubrey) who urges high school students to "do what they want to do." His own family takes his words too literally --oldest daughter Joan wants to quit gym; middle daughter Jeannie wants to become an actress; youngest daughter Ginger wants to be a football player. With the addition of a couple of boy friends, an irate principal, a bumptious boss, and a lovely, level-headed wife, the play bubbles up to a simmering climax.

## NEWS AND ACTIVITIES OF THE CHUGIAK SCHOOL

**GRADE 2** (Mrs. Baumgardner) We have begun studying a unit about Alaska. We are learning about the customs of the Eskimos and about Animal life in Alaska. We saw a movie about "Brown Bears Go Fishing."

Mrs. Gladys Traversie visited our classroom and showed us many things the Eskimos use to live.

We saw the "ulo" womans knife, seal oil, dried fish, berry bucket, Eskimo ice-cream and crafts which included mukluks and dolls.

Mrs. Goodal visited our school and demonstrated painting. She made a landscape of the mountains and a cabin.

**GRADE 5** (Mrs. Reese): Our fifth grade class in room 8 is working on Science projects about our Solar System. Everyone in the class must draw the planet they find most interesting. In Health we are studying about the heart, how it works and what it looks like. According to the book it looks like an oversized pear. It has four rooms, a right side and a left side. Everyone in the room has to draw it. In math we do every Tuesday and Thursday modern math and other days of the week we do regular math from our textbooks.

We are going to have a spelling bee on all the words in chapter (18) boys against girls. We have been seeing many movies about spring about weather, and rivers. In social studies we had to learn the preamble of the constitution for our test. It was easy for most of us  
**REPORTER: Eddy Burg**

**GRADE 6** (Mr. Kerr) Our room is planning to put on a talent show next Wednesday. Some other rooms will be invited to attend.

We are studying ratios in arithmetic. We enjoyed the Art magazine that have been sent to us by the Art Consultant.

## MEDAL DESIGN WINNER ANNOUNCED

**JUNEAU:** Governor William A. Egan announced today that the winning design for the State Medal for Heroism created last year by the Legislature was submitted by Kathy Shapley, it of Craig.

The Legislature called upon the Governor to arrange for design of the medal through a statewide design competition participated in by the school children of Alaska. The Department of Education conducted the competition. Memoranda containing details of the competition were sent to the administrators of all schools in Alaska. A total of 429 designs were submitted for consideration.

The Design Selection Committee was composed of Brigadier General William S. Elmore, the State's adjutant general; Mr. Joseph Briones, American Legion service officer for Alaska; Mr. Thomas A. Morgan, Juneau businessman; and Captain George R. Boyde Jr. Chief of Staff for the U.S. Coast Guard in Juneau. Governor Egan wrote Miss Shapley, "It gives me great pleasure to inform you that your design for a State Medal for Heroism is the final choice of the Design Selection Committee. It is truly an outstanding design. Your use of outstretched hands to depict one human being coming to the aid of another is very moving. I know the medal that will be designed from your drawings will be one in which all Alaskans will take pride."

The committee recommended that the medal be executed in gold and suspended from a blue ribbon serving as a field for the Big Dipper and North Star. The committee further recommended that the names of the persons to be cited for heroism be inscribed on the back of the medals together with mention of the heroic deeds performed and the dates.

# Tell it to Martha!

By: MARTHA COUNCIL

Dear Martha,

Right off I want to tell you that I have been baby sitting for five years and have been very reliable. No one has ever had a word of complaint against me until the other night, and now I am in trouble because of something that wasn't my fault.

I was watching these kids (I have taken care of them since they were in diapers) when the phone rang. It was for me, a girl I know who works at the base. She had a date and he had a friend, both were in the army. My friend wanted to know if I could go out with this fellow and her date on a double. I said, no that I was sitting. Then she said they would just drop by so that I could meet him. I said that I didn't think that they had better, but they showed up anyway.

I didn't know what to do, but I guess I asked them in. They stayed about an hour and we only played a few records and danced a little. Then they left.

This one guy paid the kids each a half dollar not to tell their folks they had been there, but the little finks told anyway. They even lied and said I was drinking beer. The guys

brought over a six pack, but I never touched a drop, but nobody believes me.

The kids mother is so mad that she isn't satisfied not to ever have me sit again, but she says she is going to tell the other ladies I sit for about this, so that they won't hire me either. I think this is very unfair, and I wish you could tell me how to square this.

Not Guilty

Dear Not Guilty,

Sorry to disappoint you, but in my book you are a guilty as sin, guilty of exercising poor judgement and guilty of immature, irresponsible behavior. These are things that no mother can tolerate in the person she trusts with her children.

I'm afraid the whole mess is completely your own fault, no matter how strongly you may argue to convince yourself that it isn't. You had no business letting those people into a home where you had been hired as a baby sitter. Permitting them to drink beer in the presence of the

children was even more unforgivable, no matter whether or not you yourself "touched a drop". The crowning touch was allowing them to attempt to bribe the children to lie to their parents!

No, I'm afraid I am with the children's mother. You are not to be trusted to baby-sit, and I think she has no choice but to tell anyone who might want to hire you about the incident. Too Bad!

Sincerely,

Martha Council

The Anchorage social security office will be open to the public Monday evenings to 7:30 p.m. and Saturdays 8:30 a.m. to 4:30 p.m. during the month of March. This is to give working people who should enroll for Medicare the opportunity to do so without taking time from their jobs.

The social security office is in Room 504 of the Cordova Building, at 6th and Cordova Streets. The phone number is 277-7507.

If you will be age 65 or older by July 1966 you must enroll by the March 31 deadline in order to have protection against medical expenses when Medicare becomes effective on July 1, 1966. Failure to enroll before that date could mean loss of valuable rights.

### PERC WOMEN HEAR TALK BY IRENE RYAN

**OLD CHUGIAK:** The regular monthly meeting of the PERC Democratic Women's Club, was held at Spring Creek Lodge on March 9th.

Guest Speaker was Irene Ryan, a former member of the State House of Representatives.

The theme of Mrs. Ryan's speech was "Why I am a Democrat". She also gave a brief history of both major political parties in this country.

Mrs. Ryan announced that she will seek a seat in the State House of Representatives at the next election.

The next meeting of PERC will be on April 13th, at 12:30pm at Spring Creek Lodge at mile 20. This will be a "Mad Hatter" Luncheon, with prizes for hats with the best theme and originality. Members are requested to bring a guest. All women living in the Greater Chugiak Area are invited to attend regardless of political affiliation.

### LOOPERS TO ATTEND SPECIAL MEETING

**BIRCHWOOD:** The Birchwood Looper Homemakers will attend a special meeting on March 24th, at the Emmanuel Baptist Church on the Seward Highway.

This will be an "International Meeting", and the group will join with Anchorage Area Homemakers Clubs in viewing films of the International Meeting of Homemakers of the World held in Dublin Ireland. The films will be shown by Connie Towers who attended the meeting.

Any interested ladies are invited to attend. Anyone needing transportation may call Dora Monroe at 688-5012.

### SCHOLARSHIP OPEN TO LOCAL STUDENTS

**CHUGIAK:** A \$200 college scholarship is open to local students as well as students in other areas in Alaska.

This is the Mildren Herriman Scholarship offered by the Alaska Federation of Women's Clubs, through their local affiliate, the Chugiak Ladies Club.

This scholarship is offered not only to graduating high school seniors, but to students currently enrolled in colleges who need additional financial assistance to continue.

Application blanks have been distributed to seniors at Chugiak High School, and also sent to those students who live in the Greater Chugiak Area. The Ladies Club is aware that some of the latter may have been missed, and ask to call Ladies Club President, Mrs. Harry Mackey at 688-5660 if their son or daughter might be interested in applying. The Ladies Club will review all applications and select a local candidate, whose application will be forwarded for final judging. Last year the scholarship was won by a student submitted by the Chugiak Ladies Club, Jerry Rankin of Eagle River.

### CHUGIAK LIONS ELECT OFFICERS

**OLD CHUGIAK:** A second area Lions Club has been formed, under the sponsorship of the Eagle River Lions Club.

A group of twenty men met last Sunday evening at Spring Lodge to form a Lions Club for the Birchwood, Old Chugiak and Peters Creek Area.

Under the direction of Special Representative Roger Williams, the primary organization procedures were accomplished and the name "Chugiak Lions Club" was formally adopted.

Spring Creek Lodge was selected meeting place. April 9th was set as Charter Night, at a location to be announced.

The following men were elected as officers: Danny Jenssen, President; Barney Sabo, 1st vice-president; Ray Beam 2nd Vice President; Scott Thompson, 3rd Vice President; Bob Fleming Secretary; Roger Jonrowe, Treasurer; Hunk Petronavich, Tall Twister and Frank Mullins, Lion Tamer. Members of the Board of Directors are: Robert Kallenbert and John Boyles for two year terms and Dick Kerbow and William Knight 1 year terms.

Charter memberships are being accepted until Charter Night.

(Gardner cont page 2 col 2)

His set-up was on a glassed in porch with no heat except from the front door. The tomatoes were eight inches high by the first week in March and the cucumbers were already starting to hang over the rim of the top pail.

Of course, you have to keep a sharp eye out for lack of food and water. Big, fast growing plants use a huge amount of fertilizer and water, and with only a pail full of soil to get it from, you can see they would be in poor shape fast if not tended to.

If you haven't already done so, you should pick up a publication or two from the Cooperative Extension Service. They are "Greenhouses in Alaska", Extension publication number 30, and "Fertilizers for the Home Gardener", publication number 10.

If you need more information on growing tomatoes and cucumbers, your local Extension agent or the Sourdough Gardener will be glad to help.
