FRANK AUSTIN CHS PTA PRESIDENT

BIRCHWOOD: Frank Austin was elected President of the Chugliak High School PTA at the March meeting held last Monday night.

Other officers chosen, were Vice President, Dick Kerbow, Secretary Roberts, and Council Delegate, outgoing President Vernon Moore.

A report on the results of fund raising activities at the Stew and Fun day were given with a gross of \$218 taken in. This was broken down to \$131.70 from the dessert booth, \$80.10 from the sale of balloons, and \$6.55 from donations. Expenses came to \$46.45, which left a net profit of \$171.90.

The proceeds were sufficient to meet the goal of \$250 for the PTA Scholarship, and also to leave the PTA with an operating fund.

POSTAL FEES TO INCREASE

CHUGLIAK: Increases in money orders, insurance, registry, certified mail and C.O.D. rates will become effective March 26th, 1966 according to local Postmasters Paul Swanson and Lucille Fly.

The cost of operating these five special services now exceeds revenues by \$60 million annually. The fee increases will narrow the cost-revenue gap by \$36 million annually. The fee increases will narrow the cost revenue gap by \$36 million, based on business handled in Fiscal Year 1965.

Fees for money orders, registry and COD were changed in 1961; insurance and certified mail in 1957.

The fee changes, announced in the January 11th Federal Register and confirmed in the register on Feb-

EAGLE RIVER: Mrs Irene Benson owner and operator of Benson's Department Store in Palmer, has leased 2400 square feet in the Eagle River Shopping Center. This is located next to the Eagle River Branch of the First National Bank of Anchorage.

Mrs. Benson plans to open a new Department Store in that location, according to Glenn Briggs, spokesman for the Eagle River Shopping Center Corporation.

Opening date has been set tentatively for April 15th, pending the arrival of store fixtures from the South 48.

MEDICARE BLANKS AT POST OFFICE

EAGLE RIVER: Postmaster Lucille Fly, of the Eagle River Post Office, announced today that applications blanks for supplemental Medicare benefits are available at the counter of the Eagle River Post Office.

The application blanks are being made available as the Social Security Administration seeks to contact 3.1 million senior citizens before a March 31 deadline imposed by the Medicare law.

President Johnson has proclaimed March as "National Medicare Enrollment Month." He urged all federal agencies and all citizens to cooperate in enrolling senior citizens in the program.

Initially some two and one-half million application blanks were distributed to nearly 34,000 main post offices throughout the 50 states. Additional forms are available as needed.

Through direct mailings and other means, the Social Security Administration has had contact with 16 of the 19.1 million citizens who will be 65 or over on July 1. Of the 16 million who replied, less than one million said they did not want to sign up for the supplemental program.

The supplemental program costs \$3 a month, and provides doctor bill and other benefits. Everyone 65 and over is eligible for the basic hospital benefits under Medicare.

A copy of the application blank is displayed in the lobby bulletin board of the Eagle River Post Office.

Senior citizens who reached 65 before 1966 face a two year delay if they do not sign up by March 31. The application forms are preaddressed to the Social Security Administration in Baltimore, Maryland.

ANCHORAGE—For Alaska taxpayers, 1965 tax returns should be mailed to 540 Fifth Avenue, Anchorage, Alaska.

Thousands of taxpayers call Internal Revenue Service every week, asking for the correct mailing address, District Director of Internal Revenue, Lewis J. Conrad said today. Other thousands mail their returns to the wrong office.

When this happens, Mr. Conrad said, returns must be sorted and forwarded to the correct offices. This delays the processing of the returns and refund checks.

BY U. S. REPRESENTATIVE

WASHINGTON—The Appropriations Committee held the center of the stage in the House of Representatives this past week as it conducted hearings on the appropriations requests of the various federal departments and agencies. I made several appearances before the subcommittee on Interior Department Appropriations to ask for full funding of the Commercial Fisheries Research and Development Act of 1964, under which Alaska is eligible to receive \$400,000 annually. Under the present budget the state would receive only \$208,000. I also asked the subcommittee to approve funds for authorized studies of anadromous fish. Funds for this program were authorized by Congress last year, but were not included in the Interior Department's budget.

In an earlier column, I reported I had protested to the House Committee on Appropriations the proposed cuts in the School Lunch and Special Milk Programs. This week the Chairman of the House Appropriations Subcommittee for Agriculture, Representative Jamie Whitten, advised me that he strongly supports both programs and will make every effort to see that adequate funds are provided.

Of interest to Alaskans is H.R. 4665, which recently cleared the House, and which would eliminate limits on income tax deductions for mineral exploration expenditures. The Senate is expected to act upon the measure later this session.

The most fascinating item to cross my desk this week was a report that the First Lady's beautification program—which includes the elimination of auto graveyards—is expected to make scrap metal more valuable. The government, in collaboration with

SCHOLARSHIP OPEN TO LOCAL STUDENTS

CHUGIAK: A \$250 college scholarship is open to local students as well as students in other areas in Alaska.

This is the Mildren Herriman Scholarship offered by the Alaska Federation of Women's Clubs, through their local affiliate, the Chugiak Ladies Club.

This scholarship is offered not only to graduating high school seniors, but to students currently enrolled in colleges who need additional financial assistance to continue.

Application blanks have been distributed to seniors at Chugiak High School, and also sent to those students who live in the Greater Chugiak Area. The Ladies Club is aware that some of the latter may have been missed, and ask to call Ladies Club President, Mrs. Harry Mackey at 688-5660 if their son or daughter might be interested in applying. The Ladies Club will review all applications and select a local candidate, whose application will be forwarded for final judging. Last year the scholarship was won by a student submitted by the Chugiak Ladies Club, Jerry Rankin of Eagle River.

JUNIOR CLASS TO PRESENT COMEDY

BIRCHWOOD: "Time Out for Ginger", the Junior Class play, will be presented at Chugiak High School on Friday and Saturday, March 25th and 26th at 8:15pm in the school's multipurpose room.

Appearing in the title role, will be Marcia Rodgers; the major roles of Agnes and Howard Carol will be performed by Leslie Mauldin and Robyn Aubrey. Supporting cast includes Josa Chyon; Linda Sullivan, Rick Doggett, Ron Howes, John Vancouver, Bill Groves and Teresa Pyles.

Stage Manager Joe Roseman, and student directors Mac Hunter and

Sandi Fetrow promise a prompt curtain and smooth production. Set builders and designers Steve Spratt, Bob Steele and Jim Edgar forecast a complete set for the play.

The play concerns the turmoil caused by Howard Carol (Robyn Aubrey) who urges high school students to "do what they want to do." His own family takes his words too literally --oldest daughter Joan wants to quit gym; middle daughter Jeannie wants to become an actress; youngest daughter Ginger wants to be a football player. With the addition of a couple of boy friends, an irate principal, a bumptious boss, and a lovely, level-headed wife, the play bubbles up to a simmering climax.

LADIES CLUB TO MEET THURS.

EAGLE RIVER: There will be a meeting of the Chugiak Ladies Club tomorrow, Thursday, March 24th at the home of Phyllis Stewart in Eagle River.

Plans will be discussed to attend the Alaska Federation of Women's Clubs to be held in Homer early in May. All members are urged to attend.

OBEDIENCE CLUB TO MEET

LETTERS TO THE EDITOR

OPEN LETTER:

By all indications the Chugiak High School Stew and Fun Day was a success.

The success of this type of event depends almost entirely on the cooperation and enthusiasm of the community, the teachers and students.

This year the event ran quite smoothly and from the comments received, everyone was well fed and quite pleased with the day of activities.

I would like to thank all who have participated in the Stew and Fun Day Activities, and I hope that all of you will be here again next year.

Tell it to Martha!

By: MARTHA COUNCIL

switch your loyalty from your parents party to your husbands.

However, if you have serious convictions about what is right for you, then vote the way you believe but avoid political discussions and the curtains of the voting

keep your feelings hidden behind the curtains of the voting both, for the sake of family harmony.

Sincerely,

Martha Council

Dear Martha,

Every election year this same old argument begins. My husband and I belong to different political parties. We both knew this when we were married, and although we had some lively discussions, it never seemed important enough to him to make any difference.

After we were married however, he seemed to think that I ought to vote the same way he does, and gets downright nasty about it.

Martha, I was raised to vote the way I do, and I don't see why he should expect me to change. He says that a wife owes it to her husband to support his beliefs, and that I destroy his vote by voting against his candidates. I feel that I have a right to an opinion of my own. We were raised in different churches and he doesn't seem to care about that, why can't he be as liberal minded about my political loyalty?

Elephant's Bride

Dear Bride,

I have never been able to understand why some people feel that political affiliations must be inherited like blue eyes. If your political ties are spurred by nothing stronger than the fact that you were raised that way, rather than by any serious feeling that this is the right form of government to support, then I think you should

WHEN WILL I GET MY TAX REFUND?

ANCHORAGE—"When will I get my refund?" is one of the questions most frequently asked by Alaska taxpayers, said District Director of Internal Revenue, Lewis J. Conrad.

He added that thousands of refund checks are returned to Internal Revenue every year because the postman cannot deliver them.

Illegible names or addresses on returns cause many refund checks to be returned as undeliverable. Avoid this by printing or typing your name and address carefully at the top of the return, including your Social Security number, Mr. Conrad said.

If you move after you file your return, leave your forwarding address with the Post Office. It is also a good idea to send your new address to the Internal Revenue Service.
