

BOROUGH ASKS .8 MILLS FOR LOCAL DUMP

RANDY PHILLIPS WITH HIS FIRST PLACE SCIENCE FAIR ENTRY ON CHICK EMBRYOLOGY.

LOCAL SCIENCE FAIR WINNERS

BIRCHWOOD: The third annual Science Fair was held Tuesday Wednesday at Chuglak High School with a record twenty two entries. Of these nine entries were in the Junior High seventh grade division; seven in the Junior High eighth and ninth grade division and six in the Senior High tenth through twelfth grade division.

Entries were judged according to their division (Jr. or Sr. High), by class, (physical sciences or biological sciences and also miscellaneous; physical sciences being divided into the subclasses of Physics, Chemistry and Earth and

(Cont. page 6 col 3)

BCC CALLS MEETING TO DISCUSS TAXES

BIRCHWOOD: The Birchwood Community Club is sponsoring a meeting to be held at Chuglak High School, March 29th at 8pm.

This is to be an informal public hearing on the proposed tax increase from 1 to 1 1/2 mills in the Borough School District Budget for the 1967-68 year.

Ed Willis, Borough Assemblyman from Section One, and Dale Pierson, School Board member from this area will be on hand to discuss the subject.

Also to be brought up is the problems concerning the local Sanitary Fill (dump), and proposed solutions.

ANCHORAGE: The GAAB Assembly last Monday, brought up a proposition to operate the Sanitary Fill near Eagle River through the Public Works Department.

This would entail maintaining a caretaker on the premises during the open hours. It was proposed to have the dump open three days a week, Saturday, Sunday and one other day. No fee would be charged except to commercial refuse concerns and the disposal of junk machinery would be prohibited.

The annual estimated cost for Borough operation would be \$10,000 which equal .8 mill within the service area.

It was stated in the proposition that the cost appeared high, but the only way to successfully operate a sanitary landfill is to have a caretaker on duty at all times. At least once per week it would be necessary to cover the dumped material. The covering operation and supervision would be under contract. Bids for more open days would be solicited.

Ed Willis, assemblyman from section one, moved that the proposition be tabled for the following reasons.

He felt the cost appeared to be excessively high, that there appeared to be other pertinent information that was not available, he questioned whether the dump could be operated under health power and he felt there should be public hearings in section one to discuss the problem.

The tabling motion was carried.

LOCAL YOUTH SHOOTS SELF

EAGLE RIVER: A thirteen year old Eagle River boy is dead of a self inflicted gunshot wound which was accidentally fired last Saturday.

The boy is Robert O'Barts, son of Mr. and Mrs. George R. O'Barts of the Schroeder subdivision at mile 15.

According to the State Police, the shooting took place in the bedroom of the O'Barts home at 1:35pm on March 18th. Young Robert and his 12 year old brother Dennis had been playing with a nine shot 22 caliber pistol which they believed to be unloaded. Robert was demonstrating to his younger brother that the gun was not loaded by placing it to his head and pulling the trigger. The "unloaded" gun discharged, wounding Robert in the right side of his head.

The boy was still alive when the State Trooper arrived, but died shortly after being transported to the 5040th Air Force Hospital.

Tippy now is lively and playing just as a well-fed puppy should. The children have made a warm bed of rags in the shack, and are still trying to find homes for their little friends. They know a trip to the pound is a certain death sentence, and have appealed to the Courier to try to find homes for the dogs. Cindy is a well behaved smaller than medium sized dog, who appears to have some Lab in her ancestry. Tippy is a male dog, with a thick curly black coat. Both or either would make a wonderful addition to a dogless household. We hope that someone will read the Courier and offer to give these little exiles a home.

AN APPEAL FOR CINDY AND SON

The custom of dumping unwanted pets in this community is one that has been practiced by people in the neighboring city for many years.

These individuals labor under the misguided notion that resident of a rural area have "lots of room" and will always welcome another cat or dog.

The fate of these poor outcasts is seldom that kind. In a few instances they are adopted by a local family. But most of the time they wander about, scavenging what food they can from trash barrels, and eventually become the victims of highway accidents or other unpleasant deaths.

The latest examples of this cruel practice is a young mother dog and her pup. They were discovered this week by a group of children in the Peters Creek area. The animals had taken shelter in an abandoned shack where they were slowly starving to death. The mother no longer had any milk to feed her pup, and when the children discovered them,

she was attempting to eat the bark from trees. The wooly puppy appeared to be fat as a puppy should be, but it was soon discovered that his fuzzy coat covered a little body that was skin and bones.

The children pooled their pocket money and bought some dog food from the neighborhood store. The mother refused to eat until her pup had been fed. The little animal was scarcely able to move, so weak was it from lack of food.

The children took the pair to their homes, but alas, their respective families already had their quota of dogs. They were told firmly that they had to find other homes for the dogs, or else they would have to be taken to the pound.

The youngsters have been knocking at every door in their neighborhood but have not been successful in finding anyone who would adopt the dogs.

During this time they have been feeding "Cindy" as they named the mother, and "Tippy" her pup.

BREAK IN AT
 LAUNDRY CENTER

EAGLE RIVER: A break-in last weekend at the Eagle River Laundry Center appeared to be the work of professionals, according to the State Police.

Entry was gained by the back door, and apparently took place sometime between 11:00pm on Saturday March 18th and 6:00am on Sunday.

Five of the coin operated machines had been broken into and approximately \$1,000 in coins taken. State Police are investigating.

SCHOOL LUNCH

MONDAY, March 27

SURPRISE MENU

TUESDAY, March 28, 1967
All American Hamburger
Buttered Vegetable
Pink Lemonade
Oatmeal cookie
1/2 pint of milk

WEDNESDAY, March 29, 1967

1/2 pint of milk

FRIDAY, March 31, 1967
Toasted cheese sandwich
Stuffed celery
Chocolate brownie
Rosy applesauce
1/2 pint of milk

** Menu subject to change without notice.

FLAME DAMES TO HOLD AUCTION

OLD CHUGIAK: The Flame Dames will hold a public Auction to help raise money for the Chugiak Volunteer Fire Company.

The Auxiliary will accept either donations of items or will take them on consignment and auction them for a percentage.

Any servicable items will be accepted. The auction will be held on May 20th, at the Chugiak Carnival Hall at mile 21.

Anyone with items to donate or consign is asked to call Joyce Boyles at 688-5157. Items will be picked up if the donor has no means of transporting them.

LOOPERS TO MAKE BIRD CAGES

BIRCHWOOD: The regular project meeting of the Birchwood Loopers Homemakers Club will be held on Thursday, March 23rd at 7:30pm.

The meeting will take place at the home of Mattie Boyles on Birchwood Loop Road.

The project this week will be making bird cages.

The club is planning a bake sale to be held this Saturday, March 25th at Carr's Food Center in Eagle River.

NONE HURT IN HEAD-ON SMASH

EAGLE RIVER: There were no injuries when two residents of the Schroeder sub-division met head-on when driving the icy road to the subdivision last week.

Dorothy Comes, driving a 1964 Rambler Station Wagon and Joseph Todaro driving a 1963 Chevy I were unable to either pass or stop on the road and crashed into each other.

Both vehicles sustained an estimated \$300 to \$400 damage. No citations were given.

LETTERS TO THE EDITOR

Dear Editor:

"THE TIME TO SPEAK AND ACT IS NOW"

The proposed budget for the operation of the Boroughwide services, schools, assessing and collection, planning and zoning, health and dog control for the year 1967-68 will be presented this week to the Borough Assembly for its consideration.

If approved without change by the Assembly these services could cost Borough property owners 15% or 1 1/2 mills more than during the 1966-67 tax year. This proposed budget can be revised if the property owners through their assemblymen make their wishes known. The final budget must be approved by April 15, which allows less than one month for public hearing and discussion at local level.

The Department of Highways is now in the process of developing a budget for its 1967-68 highway program. Only by acting now can the residents of this area hope to prevent the postponement of the paving of the Birchwood Loop and Eagle River secondary roads.

One year ago the long range highway program called for grading and paving of the Eagle River Road in 1967-68. The program now proposes grading and paving of the Eagle River Road in 1969-70 and for right of way acquisition for the Birchwood Loop Road in 1967-68 with no date set for grading and paving. The program of one year ago provided for paving of the Birchwood Loop in 1968.

As of January 1967 the long range highway program calls for the grading and paving of the Eagle River Road to Peters Creek section of the relocated Glenn Highway in 1968 and for the construction of the Peters Creek to Eklutna section in 1970-71.

To avoid another Minnesota Bypass fiasco property owners along the proposed location of the new Glenn Highway, from Eagle River to Eklutna, should begin insisting now on public display of the exact routing, and detailed specifications of the proposed project.

Glenn Briggs

(Science fair cont page 1 col 1)
space science, and Biological Sciences being divided into Zoology, Botany and Medicine and Health.

In addition to being judge on the basis of the place their entry fell in the local affair, the judging was also done on a point system, with entries which were awarded sufficient number of points invited to exhibit it at the regional Science Fair which is to be held at Alaska Methodist University March 29th, 30th and 31st.

In the seventh grade junior high division the following students were awarded ribbons in their subdivision, in addition to being invited to exhibit at AMU. Darrel Beck, a 1st place in the local fair and a 3rd place for AMU with his display on "Light Effects on Plant Growth", Patty Janke, 1st place in both the local and AMU judging with an entry on "Rotifers", Steve Wilson with 2nd in local and AMU with a "Crystal Radio", Tom Banks 3rd in local and AMU with a "Carbon Arc Lamp", and Maxine Bellringer, Honorable Mention in both local and AMU for a "Foxhole Radio".

Seventh grade entries that scored on the local level, but did not receive enough points for the AMU invitation were; Susan Smith with a 1st place for "The Heart", Jane Arndt, 3rd place for "The Moon", Vicki Sanders, 2nd for "A Volcano", and Robert Shepherd, Honorable Mention on "How a Radio Works."

In the Junior High eighth and ninth grade entries, students to score local awards and AMU invitations were; a joint entry by Debra Wentland and Vicki Ekstedt on "Drug", for a 1st for both local and AMU, Mike Jonrowe, 2nd for both local and AMU with "Planaria", Steve Czernski 1st on local and Honorable Mention for AMU with an entry on "Crystals", Rory Olson, a 1st for both local and AMU with an entry on "Photophone", a joint entry by Butch Richner and Bill Dixon on

the "Electromagnetic Pump" for first both at local and AMU level.

Eighth and ninth graders who scored locally but not for AMU were Teresa Miller, with a 3rd place entry on "Insect World", and a joint entry by Darleen Miller and Marva Edgar "Scale Leaves" for a 1st place ribbon.

In the senior high division, students scoring locally and for AMU were Randy Phillips with "Chick Embryology" for a 1st place in both local and AMU, Gem Burke for a 1st place in both with "Tesla Coil" Lamar Cotton for a 1st locally and a 2nd for AMU with "Volcano" and a joint entry by Bob Towne and Lindsay Knight for a 1st in both with "Difference Between Modern Man and Cave Man."

Senior high students scoring on the local level only were Tom Berson, with a 2nd place for "Age of Life on Earth", and Sherrel Dawlen for "The Eye."

Sponsors of the local fair were Mr. Oakley for the Chugiak High School students, and Mrs. Oakley for the seventh grade students from Eagle River Elementary School.

(Youth cont page 1 col 3)

The funeral services took place at the Evergreen Memorial Chapel at 3:00pm Tuesday, March 21st. Services were conducted by Rev. E.C. Chron of the First Baptist Church of Eagle River.

Survivors are, in addition to the boys parents, a mother Dennis age 11, a sister Jennifer, age 9, maternal Grandparents, Mr. and Mrs. Ernest R. Cole of Roswell New Mexico, paternal Grandparents Rev. and Mrs. William H. O'Bart of Newport Arkansas, and uncle Ray Cole of Anchorage, and aunt, Mrs. Kelvin Gilcrease of Eagle River.

Interment will take place at Walnut Ridge, Arkansas.

LETTERS TO THE EDITOR

Dear Editor,

We who represent the Chugiak Neighborhood Community Council wish to thank our many supporters who helped to make our Adult Basic Education class a success.

The class made its debut in this area March 7th, with an enrollment of thirty eight students and a waiting list of thirteen.

I am writing this letter in order to explain the course and give credit where credit is due.

It is impossible to name each person responsible for its successful beginning. The community can take pride in a job well done.

Last year I became familiar with the program after attending part of the course being offered in Anchorage.

This program was established to assist people in furthering their education. Levels from grade one through grade twelve are covered and especially geared to the adult.

People are given the opportunity to study and earn high school diplomas.

In this way they are able to gain better jobs for themselves or go to higher learning.

In this class each student, with the assistance of the teacher, moves ahead at his own pace. He is not in competition with anyone else in the class.

As soon as a student is qualified, he is given prescribed tests. When he passes the tests he can graduate.

This leaves an opening for a person who is on the waiting list.

During the time I attended class in town, and for the next six months, I tried to find a way to start a class in Chugiak but was unsuccessful.

Later on I was contacted by Mrs. Anne Flynn, a Grass Roots worker. Under her guidance we held meetings in my home, the Chugiak Chapel and the Chugiak Elementary school.

Mrs. Flynn scheduled speakers and helped us through this stage of development.

Mr. Sorter, Principal of the elementary school has been most cooperative, helping us in any way possible.

The Basic Education teacher, Mr. Massey, also gave us all the assistance he possibly could.

This class was a community project. Many people assisted with suggestions, co-operation, letters, news items and hours of hard work.

When we were told we couldn't have a class in Chugiak because of the lack of funds, it was suggested that Elva Cornell contact Senator Begich. She did this, wrote letters, and contacted many people about the project.

Mrs. Loretta French explained that we needed to the Anchorage C.P.s. They in turn taped my report which they took to the state senators in Juneau.

We spend days on the phone bombarding people with calls explaining about the class and asking the

people for the support. We feel the residents of the Chugiak area are entitled to the same advantages as those supplied to the people of Anchorage.

We wish to thank everyone who passed this information along to friends and club members. This was our method of contacting prospective students in order to establish a class.

Senator Begich's untiring efforts to raise money for this program, proves his interest in the welfare of the people of this community. He obtained enough money to pay the teachers wages up to June the thirtieth, when our class will end, unless we receive more financial aid.

Mr. Austin, who is President of Chugiak High PTA, assisted with publicity and book collection.

The work books were supplied by Community College. We were given classroom space at the Chugiak High School.

All of the students are to be commended. Many work all day and attend classes three nights a week from six-thirty to ten-thirty. They are people who are intelligent enough to admit they need more schooling and aren't afraid to work for what they want.

This is our Community Council. It was set up to help you help yourself, and to endeavor to do something for the needs of the people in this community.

We are not competing with any local organization, but want to work with them. We need your constructive suggestions and assistance with this, and other projects.

We need more money if we are to continue with these classes. If you want these classes to continue, write to your Senators and tell them that you want it.

Information on graduation, or

Information on graduation, or Adult Basic Education may be obtained by calling Anchorage Community College at 277-5516.

Anyone who wishes to sign up for the waiting list must register at the College also. A five dollar fee is charged when a student enters a class.

Thank you

Pat Sherman
688-6471

FLAME DAMES PLAN BOX SOCIAL HERE

OLD CHUGIAK: The Flame Dames, Auxiliary of the Chugiak Volunteer Fire Company is planning a Box Social to help raise funds for the Fire Company.

The event is open to the public, and will take place at the Chugiak Community Hall, mile 21 on April 1st.

Each lady is to prepare a box supper for two and decorate the box. Bidding will begin at 6:30pm.

Following the supper an evening of cards and or dancing will take place.

UNITED BUILDING SUPPLY HAS GRAND OPENING LAST SATURDAY.

LADIES CLUB MEETS THURSDAY

OLD CHUGIAK: There will be a regular meeting of the Chugiak Ladies Club on Thursday, March 23rd, at 7:30pm.

The meeting will take place at the home of Dorothy Jonrowe on Parmigan Valley Road in Old Chugiak.

Star-spangled jack in the box

PEANUTS

MUSTANG EXPRESS News and Activities of Chugiak High School

Chugiak High School has started practicing for track this spring and has high hopes of scoring many victories this year.

Chugiak High was well represented this year in the Science Fair. Many of the entrants will be displaying their exhibits at AMU.

Chugiak High Seniors and Juniors were invited to attend an open house at AMU Thursday, March 16, between the hours of 8:00am and noon. Those who attended enjoyed it immensely.

This year students of Finnish origin have a chance to win a trip to Helsinki, Finland if they write the winning essay. The deadline for entries is April 1, 1967.

Saturday, March 18, Chugiak scored a 33-18 victory over Eilson. David Dias, John Adams, Ken Liberty, Frank Adams, and Bob Thomas all pinned their men. There was one forfeit and one decision giving Chugiak 33 points over Eilson's 18.

The Junior-Senior Prom will be held Saturday, April 15th, at the Officers Club on Ft. Richardson.

The Seniors are busy preparing their scholarship folders. The deadline for these is March 31st. There are many scholarships available to local high school students.

Thursday, March 23rd, CHS's wrestling team will meet Dimond At Dimond High School and on Saturday, March 25th, the team travels to Seward.

LADIES CLUB OFFERS ANNUAL SCHOLARSHIP

BIRCHWOOD: Chugiak High School seniors have been invited to submit applications for a ladies scholarship in the amount of \$200 to be awarded by the Ladies Club.

Each applicant must submit a folder which must include the following information: personal history, previous education, future plans for education and plans for financing college education. Also included in the folder must be three letters of recommendation. They may be from a teacher, a person with whom the applicant has been closely associated or a person of their own choosing, such as a clergyman, doctor etc.

The applicant must be able to meet the minimum grade requirements of the college of his or her choice.

All folders must be in the office of the Chugiak High School by March 31 for consideration by the scholarship committee.

The applicant will be judged on scholastic achievement and leadership qualities. Financial need of the applicant will be considered only when all other factors appear to be equal in the opinion of the judges.

DIMOND MATCH MOVED UP

BIRCHWOOD: An announcement from Chugiak High School that the wrestling match between Chugiak and Dimond will be held on Thursday, March 23rd, instead of on Friday as originally scheduled.

The date was changed to avoid having the match of Good Friday. The event will take place at 5:30pm at Dimond High School.

The Mustangs won the match last Saturday against Eilson by a score of 33 to 18.

CORRECTION ON FIRE REPORT

PETERS CREEK: In a report of the fire at the Russell Oberg farm last week, the Courier was incorrectly informed that the Muldoon Fire Department also responded to the emergency.

This mistake was made because one of the trucks bore the name "Muldoon Fire Department" painted on it. This truck actually was one which belonged to the Eagle River Volunteer Fire Company, who took over the Muldoon equipment when the latter Fire Company was disbanded following the establishment of a Service District in that area.

NONE HURT WHEN PLANE FLIPS

BIRCHWOOD: Neither the pilot nor the passenger of a Cessna 180 were injured when the plane tipped over on landing at Birchwood Airstrip late Friday afternoon.

The pilot, Robert Johnson, of Anchorage, was a transient, and unfamiliar with the present condition of the strip when he attempted the landing. The plane was equipped with wheels, which sank into the soft snow, causing the plane to flip over.

Johnson estimated that approximately \$500 worth of damage was sustained in the accident.

BAKE SALE FOR SPECIAL ED. CLASSES

ANCHORAGE: A bake sale, which will benefit the Special Education classes in the GAAB School District will be held on Good Friday, March 24, at the S&F Foodland stores in Spenard and at 9th Avenue and C St. in Anchorage.

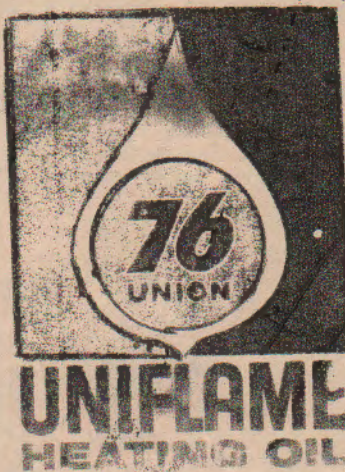

Mrs. Ed Willis is collecting baked goods for this sale in the Greater Chugiak Area. Anyone wishing to contribute is asked to call Mrs. Willis at 694-2213.

The sale is sponsored jointly by The Alaska Crippled Children's Association (ACCA) and the Alaska Retarded Children's Association, (ARCA). Proceeds will be used for the building fund.

For your housewarming, call faithful ol' Burnie for 76 Uniflame KEEP-FULL SERVICE. You'll be tankfull all winter long.

For Automatic Delivery anywhere in the Greater Chugiak Area, call 277-1474.

SCHOLARSHIP OFFERED TO LOCAL STUDENTS

CHUGIAK: Chugiak High School seniors, and graduates of Chugiak High School presently attending college are eligible to apply for the annual Mildred Hermann Scholarship Award.

This award of \$250 is offered by the Alaska Federation of Women's Clubs through its local affiliate, The Chugiak Ladies Club.

Students wishing to apply should prepare a folder which should include the following information: Education, Future plans for education, Plan for financing college education, a recent picture or snapshot, three letters of recommendation, one from a teacher, one from a person with whom the student has been closely associated (such as an employer, scout leader etc.) and one from a person of his choice, preferable someone in a profession as a clergyman or doctor.

Deadline for submitting the folder is March 31, 1967. These folders are to be turned into Mrs. Roger Jonrowe, chairman of the scholarship committee for the Chugiak Ladies Club. The committee will screen the folders, and the club will select their candidate to be judged along with candidates from other Women's Clubs throughout the state for the award.

Copies of the rules and procedure for applying may be obtained from Mrs. Jonrowe at the High School.

Parents of students attending college, who are eligible to apply for the scholarship may call Mrs. Jonrowe at the High School or at her home for additional information.

LETTERS TO THE EDITOR

Dear Rusty:

From reliable sources I have learned that you are entitled to awards you recently won from the Alaska Press Women.

If I were on the Board of Judges, I too, would have voted for you. With best wishes, I am

Sincerely yours,

Bob Bartlett
