

GAAB CALLS FOR SERVICE DIST. TO SUPPORT LOCAL DUMP

NEW HOME OF CHUGIAK POST OFFICE (See pages six and seven for story and more pictures.)

ANCHORAGE: The GAAB Assembly voted last Monday to approve a resolution calling for the establishing of Service Area Number Eleven of The Greater Anchorage Area Borough.

This area is described as follows: "That area which is generally north of the line common to Township 13, North and Township 14 North, S.M., and west of the line common to Range 5 East and Range 6 East, S.M., plus that area within the drainage of Eagle River, including the South Fork Eagle River, not included within the above described boundaries.

It was further resolved that the Borough Assembly finds that the maintenance of sanitary landfill for garbage disposal services and related activities cannot be provided the Eagle River-Chugiak Area by any existing service area or by annexation to a city of incorporation as a city.

Ed Willis, Assemblyman for the Greater Chugiak Area, said that a public hearing to determine what action will be taken on the above resolution will be held within the next few weeks. Willis said he would endeavor to have the meeting scheduled to be held somewhere in the Greater Chugiak Area.

CARNIVAL DAMP BUT SUCCESSFUL

OLD CHUGIAK: Rain and spring like temperature nearly washed out the Chugiak Winter Sports Carnival, which was held last Saturday at the Chugiak Elementary School.

The original schedule of events had to be changed, with the skating races held first instead of last, in order to get finished before the skating rink completely turned into a wading pool.

The turnout was good, however, and the warm temperature made the event very pleasant for spectators.

Winners of the various events are as follows: Sled race (8 and under), 1st place; Bobby Fleming, 2nd, Tim Montgomery, 3rd, Robin Huskins. Snow shoe race, (9-13) 1st: Tim Atwood, 2nd, Oliver Moore, 3rd, James Kerr.

Cross Country Skiing (14 and over) 1st, Jim Kallenberg and Byron Matlock (tied), 2nd, Mike Smith; 3rd Lary Mackzum. Skating speed race (7 and under) 1st, Ron Lathrum, 2nd Larry Mackzum; 3rd, Tom Uher. Variety Sled race (18 and over) 1st, Ted Underwood; 2nd, Emerson Sortore; 3rd, Fanny Underwood. Snow shoe race (8 and under) 1st, Tom Uher, 2nd, Lonnie McGowen; 3rd Bo by Fleming. Regular sled race, (14 and over) 1st, James Kerr, 2nd

HIGH SCHOOL PTA TO CHOOSE OFFICERS

BIRCHWOOD: The regular meeting of the Chugiak High School PTA will take place on Monday, March 13th, at 8:00pm.

Guest speaker will be Mr. Ransom Dick, Assistant Director for the Anchorage Community Action Program. He will give a talk on work that group is doing.

Election of officers for the coming year will also be held at this time.

Hostess club for the meeting will be the girls from Friendship Assembly, Order of Rainbow for girls.

STEW AND FUN DAY IS POSTPONED

BIRCHWOOD: Word was received from Chugiak High School, that the Stew and Fun day, which had been scheduled for this Saturday, March 11th, has been postponed.

No reason was given for the postponement, only that the event will be re-scheduled to take place on April 15th.

BASIC EDUCATIONS CLASSES START

BIRCHWOOD: Basic education classes were begun last night at Chugiak High School.

These classes are being conducted by the Anchorage Community College under the sponsorship of the Anchorage Community Action Committee.

These classes are designed to prepare individuals to receive a high school diploma.

Classes will be held every Tuesday, Thursday and Friday evening from 6:30pm until 10:00pm.

There is room for only a limited number of students in this class, and late registration will be accepted until the class is filled. Those registering too late to get in under the quota will be placed on a waiting list for future classes.

STUDENTS MAY HAVE TAX REFUND COMING

Alaska students who work part-time or summers may have a refund coming on their 1966 Federal income tax returns, Lewis J. Conrad, district director of Internal Revenue, said recently.

Students are required to file a tax return if they earned \$600 or more. If they earned less than \$600 and taxes were withheld from wages by their employers, they should file a return in order to obtain a refund of the tax withheld from their wages.

Unmarried students who earn less than \$900 will not owe any Federal income tax. They are entitled to claim the usual \$600 personal exemption, plus a \$300 minimum standard deduction.

Students are entitled to claim their own personal exemption when filing a tax return, Mr. Conrad said. Parents who furnish more than one-half the cost of support for their child who is a full-time student may also claim an exemption on their tax return, unless the child is married and is filing a joint return with his or her spouse.

Little Midge

Tell it to Martha

BY: MARTHA COUNCIL

Dear Martha,

What do you make of this? I have been dating a girl who works at the same office that I do.

I have come to be very fond of her and have thought seriously of becoming engaged.

Last week, I invited her to my home for dinner to meet my parents.

My folks are really wonderful people, Martha, and they treated her like a queen.

When I was taking her home I asked her what she thought of them. Her answer went something like this. "Naturally they were very pleasant, they were trying to make a good impression on me. I always make it a practice never to form an opinion of anyone until I have known them for a while."

I don't know what I expected her to say, but you can be sure it wasn't something like that. Now I have been trying to figure out how I feel about her. I keep telling myself that I really shouldn't be angry, she gave me an honest answer, and what she said makes sense, but I still can't feel as warmly to her as I did before. What is bugging me?

Stopped cold

Dear Stopped etc.,

Your feelings are a natural reaction such brutal honesty as your girl friend exercised. Most of us are unprepared to hear the stark naked truth.

While your friends reservation of an opinion of people until she gets to know them better is the only sensible approach, to throw it in your teeth in that manner shows a lack of delicacy which might be one of qualities most prominent in her personality. It is obvious that you don't appreciate or enjoy such a trait. If so, then I doubt if you would be very happy with such a frank woman for your wife.

Take a page from her book..... re-evaluate your opinion of her now that you have come to know her better, and give your engagement second thoughts.

Sincerely,

Martha Council

RECREATIONAL NEEDS DISCUSSED FOR AREA

BIRCHWOOD: A representative group of local residents, including spokesmen for a number of local clubs and organizations attended a public meeting last week at Chugiak High School.

This meeting was held by the GAAB for the purpose of discussing with local residents the recreational needs of the area.

Jim Kruger, planning assistant for the Borough, is in the process of drawing up an accurate map of the area. He is also compiling a list of all lands within the Greater Chugiak Area, which will show whether they are Federal, State, BIA or Privately owned.

The map and list should be completed within six weeks, at which time another public meeting will be scheduled.

Ed Willis, Assemblyman from Section One pointed out that approximately one half of all the land in the Greater Anchorage Area Borough lies within Section One.

BCC TO HEAR TALK ON SEWER SYSTEM

BIRCHWOOD: The Birchwood Community Club, Inc., is sponsoring a public service meeting on March 14th, Tuesday at 8:00pm at the Chugiak High School.

The purpose of this meeting is to inform the property owners in the Greater Chugiak Area of the proposed sewage plan.

Mr. George H. Tilbury will be the guest speaker and will show slides of aerated lagoon systems. This type of system is presently favored for the congested areas of Eagle River and is also suggested for the Birchwood area if and when it becomes necessary or desirable to have other means of sewage disposal. Mr. Tilbury will also show methods of modifying septic tanks to provide more efficient operation. Mr. John Asplund, Borough Chairman, and Mr. Ed Willis Chugiak area borough assemblyman will also attend this meeting.

A planning grant was used to make the study of sewage disposal for this area. The study is based on a population estimate of 55,000 in the Greater Chugiak Area by year 2010 as predicted by average annual growth rate of about 5% compounded.

Cost of trunk line would be 2 cents per square foot of area by those benefited and lateral lines would cost those benefited 5/4 cents per square foot of area. A hookup cost would be charged, plus a monthly service fee of \$2.50, the latter paying cost of maintenance and amortizing cost of treatment facility and other jointly used facilities.

A basic factor of this plan that landowners who will bear 50% of this cost must agree to the improvement. No assessment may be levied unless the improvement is requested of the Assembly in writing by owners of at least 1/2 in value of property to specially benefited by improvement.

These meetings are being held to determine what people want, what they need and what will satisfy this need. A spokesman for the Birchwood club said that it behooves each property owner in the Greater Chugiak Area to attend, listen, learn and put in his two cents worth.

BENSONS GOES OUT OF BUSINESS

EAGLE RIVER: Benson's Department Store, which has been located in the Eagle River Shopping Center, has gone out of business, according to Glenn Briggs, a spokesman for the Shopping Center Corporation.

Briggs said that the stock at Bensons store belonged to the Matanuska Valley Co-op, and was placed on consignment at the Eagle River Store.

He said the store closed as a result of a decision of the Co-op to discontinue the local outlet.

GIRL SCOUTS TO HOLD SONG FEST

BIRDWOOD: A Song Fest for all Girl Scouts and Brownies in the Greater Chugiak Area will be held on Wednesday, March 15th at 7:30pm at Chugiak High School.

This is in observance of Girl Scout week. Leader of the singing will be Mrs. Elliason, a former Girl Scout Executive. Girls are instructed to wear either camp uniforms or slacks and blouses.

Girls interested in scouting but not presently a member of a troop are invited to attend. Parents are also welcome to attend as spectators.

Mrs. Elliason said that if time permits she will also have some folk dancing. The program will be over at 9:00pm.

SEWER PLAN CALLED FLEXIBLE

EAGLE RIVER: Local residents, attending a public hearing on the proposed sewer plan, were told that the plan is flexible and can be changed to suit the needs and desires of the people and the economic needs of the area.

Mr. Frank Nyman of the Engineering Firm of Trick, Nyman and Hayes who co-authored the plan, said "We are not trying to shove this down your throat, but trying to assist."

"Only those who need and will benefit from this sewage disposal will be paying for it."

OLD CHUGIAK: It was "Open House" Saturday, in celebration of the new Post Office building. The Post Office was open all day and is observed on Saturdays, and the work of the "Flame Dames" (Auxiliary Company)

The newly re-modeled building is approximately 14,000 square feet in the old building. The attractive total of 550 postal boxes as compared to the old building is available in three sizes and he now is able to those who need them.

In addition to the box lobby, there is a large well lighted work room.

The first Chugiak Post Office was opened in the summer, in 1947. It was operated by Marie McDowell was the first postal clerk. Moosehorn was a fourth class post office, but at that time it was a post office.

The post office was located at the corner of the building and was temporarily moved to the building which now houses the original Trading Post torn down in 1947.

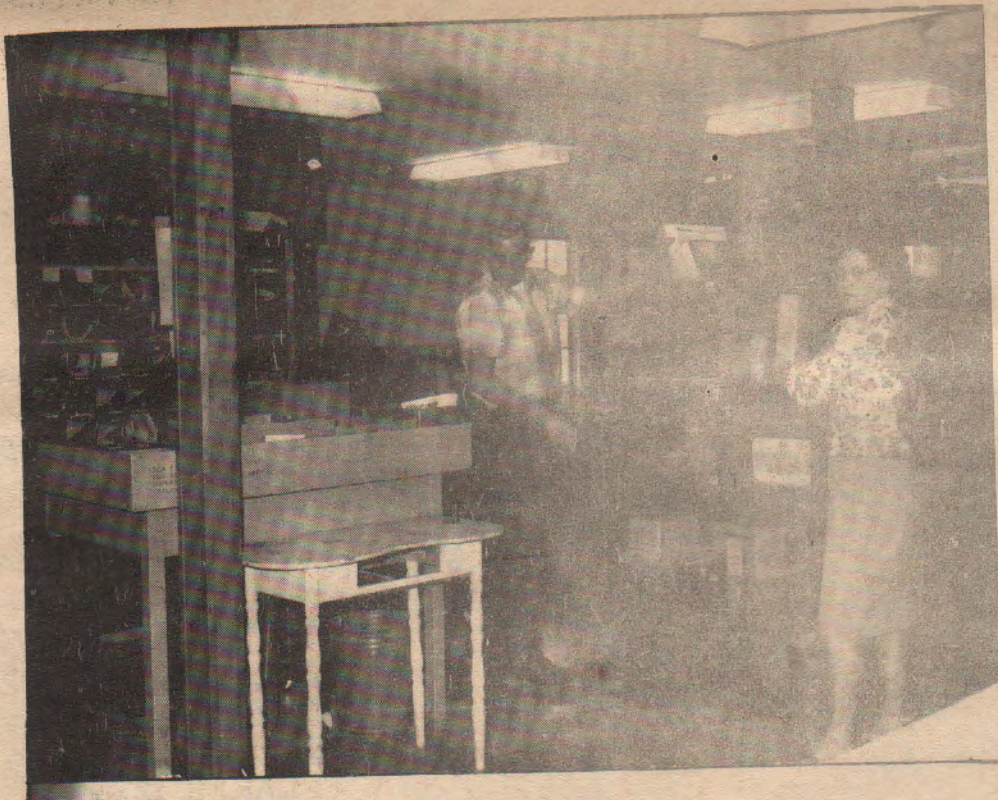

Paul Swanson became the postmaster of the post office was located in the room which was formerly the elementary school. When these buildings were torn down and replaced by a converted military barracks by Swanson. This was in December, 1947.

The building which now houses the post office has a rich history. It was originally built in 1880 and was operated as a store by the Methodist Church, and it became the first post office.

When the Church moved to the new building, the building was frequently leased to a number of other organizations as a temporary classroom for the Chugiak School and just prior to its recent renovation it was the Chugiak Branch of the Church for their services.

The building belongs to the Methodist Church. He was a member of the church in the summer, and both enlarged and modernized in accordance with specifications as set forth by the Post Office.

Swanson pointed out that the building is the only one in the State that keeps the boxes in the lobby to accommodate the boxholder. He said that he was forced to lock the lobby at night and that he had seen a small amount of vandalism in the lobby. The Post Office, Swanson said, is a well lighted room and local residents continue to foresee the need to keep the lobby open.

LOCAL LIBRARIAN NAMED TO BOROUGH COMMITTEE

ANCHORAGE: Mrs. Robert Kallenberg (Polly) has been appointed to serve on the Borough Library Study Committee.

Mrs. Kallenberg, who is the librarian of the Chugiak Branch Library, will be replacing Mrs. Clifford Ellis of South Fork, Eagle River who has resigned.

U of A OFFERS EXAMS TO PROSPECTIVE STUDENTS

BIRCHWOOD: The University of Alaska is providing prospective students an opportunity to take the university of Alaska Mathematics and English Placement Examinations prior to their arrival on campus, according to Mrs. Ramsey, Counselor at Chugiak High School.

Traditionally given immediately before registration, the examinations are being offered locally this spring in order to give students a chance to demonstrate their ability in math and English before they go on vacation and possibly lose some of their proficiency in the subjects.

Every senior who may attend the University of Alaska or a community college this summer or fall should take the examinations this spring. Both tests are required of all entering freshmen. The results of these tests are combined with the results of the ACT scores and high school grades to make placement decisions. The University desires very much to place freshmen in classes in which they will have the greatest chance for success, but will not encounter unnecessary repetition. Therefore, it is important for a person to do his best on the examinations.

The mathematics placement examination covers the areas usually taught in elementary and secondary math courses, i.e. arithmetic, beginning algebra, advanced algebra and trigonometry.

Seniors who intend to take the examinations should register for them with Mrs. Ramsey at the High School.

The tests will be given Saturday, April 8, 1967 in Room 1, at Chugiak High School.

LOOPERS TO LEARN PARLIMENTARY PROCEEDURE

BIRCHWOOD: There will be a regular meeting of the Birchwood Loopers Extension Homemakers on Thursday, March 9th at 7:30pm.

BOROUGH ASSEMBLY OKAYS MERGER ACT

ANCHORAGE: The GAAB Borough Assembly last Monday approved a resolution endorsing the Borough City Unification Bill, as proposed by the Borough-City Study Committee. The bill was passed with a vote of 7 for and 4 against. Voting against the resolution were, Assemblymen James Garrigues, Joe Graham, Boniface and Ed Willis.

The resolution read as follows: The Greater Anchorage Area Borough resolves that the bill proposed by the Borough-City Study Committee, entitled "An Act Authorizing Borough and Cities within the Borough to form a Single Unit of Local Government Upon Approval by Public Referendum" is hereby endorsed by the assembly as suitable legislation to accomplish the purpose of the unification of the cities and boroughs in Alaska.

That a copy of this resolution be sent to the Governor of the State of Alaska, the Speaker of the House, President of the Senate, and the respective chairmen of the House and Senate Local Government Committee.

Ed Willis, Assemblyman from section one, said that it was also recommended to send copies of all tapes and records of public hearings and related information along with the resolution.

Willis said that in his opinion it appears pointless to continue the subject of a merger in face of the overwhelming opposition to it by the voters. He said that at a public hearing held last week in Anchorage over one hundred persons attended. He said that of this group only four spoke in favor of the Unification bill. Also, when a show of hands was asked of those present who favored the bill, only these same four raised their hands.

LADIES CLUB TO MEET THURSDAY

PETERS CREEK: There will be a meeting of the Chuglak Ladies Club this Thursday, March 9th, at the home of Carol Jancek at mile 22 1/2.

The group will continue to make plans for their Centennial Art Show which is scheduled for the first weekend in May at Chuglak High School.

LINDA RANKIN IS FIRST IN TOURNAMENT

GOVT. HILL: The Anchorage City Junior Bowling Tournament was concluded last weekend at Anchor Bowl on Government Hill.

A number of junior bowlers from the local leagues participated with Linda Rankin, a member of the "Wipe Outs" league taking first place in the Bantam Girls singles event. Linda bowled a 364 series for two games. Debbie Stewart, also of the Wipe Outs, received a patch for a 408 series. The above scores are with handicap.

The trophies will be presented at an awards banquet to be held at the Elmendorf NCO club on Sunday, March 18th at 1:00pm. Tickets for this event are \$2.00 and may be obtained by call ING Mrs. Phyllis Stewart, coach of the local Bantam League at 694-2121 after 6pm.

UNITED BUILDING IS OPEN FOR BUSINESS

EAGLE RIVER: The United Building Supply located at mile 14 1/2 Glenn Highway, is now open for business.

The management stated that the complete inventory has not yet arrived, but the store is open and local residents are invited to drop in and get acquainted.

A Grand Opening has been tentatively scheduled for March 20th.

Day and night a sentry stands guard at the Tomb of the Unknown Soldier.

TWO LOCAL MEN TO SERVE ON SEWER GROUP

ANCHORAGE: Two local men have been appointed to serve on a thirteen man committee which will study re-evaluate and make recommendations on the Borough Sewer Plan.

George Tilbury of Eagle River Rd. and Harvey Pullen of Eagle River Valley will serve on this committee.

TAX ON HOME SALES CAN BE POSTPONED

If you sold your home, the tax on any gain realized from the sale is postponed if certain tests are met, according to Lewis J. Conrad, district director of Internal Revenue Service for Alaska.

Further, if you are 65 years of age or older, you may be able to sell your home tax-free.

Mr. Conrad added that if within the 2-year period commencing 1 year before and ending 1 year after the sale, you buy and occupy another residence, the gain is not taxed at the time of sale if the cost of the new residence equals or exceeds the adjusted sale price of the old residence.
