LOCAL ASSEMBLYMAN ATTENDS CONFERENCE

FAIRBANKS: Ed Willis, Borough Assemblyman from Section 1, was one of three representatives from the Greater Anchorage Area Borough at the Western Alaska Borough Research and Development Conference held in Fairbanks on July 14th.

Representatives from the Kenai, Mat-Su, GAAB and North Star Boroughs met to discuss the establishment of Economic Development Districts in Alaska.

Representatives from both the State and Federal Government met with them to explain the function of these districts.

The purpose of the districts is to help the residents of the areas involved understand their own economy by analyzing the economic factors of those areas, and to stimulate and develop ideas by informing

ED WILLIS

the citizens of the needs, possibilities and advantages of economic development. Also to formulate an effective program including a schedule of development projects ranged in the order of priority.

Attending the Conference with Assemblyman Willis was John Asp-lund, Borough Chairman and Assemblyman Jim Garrigues.

Those attending the conference agreed to proceed with a study and the group will meet again in October to discuss the findings of the study committee.

BIRCHWOOD: The two month old son of William L. and Sharon Lundy of mile 2 Birchwood Loop, Paul Allen Lundy, was found dead in his crib last Thursday, according to the State Police.

The State Trooper who responded to the call said that at 9:00am on July 13th, the infant's father discovered the baby lying face down in his crib, apparently dead. The parents told the trooper that the baby had been in perfect health up until this time.

The State Trooper transported the body to the Anchorage Funeral Chapel where arrangements were pending.

MORE FUNDS STILL NEEDED FOR BOWLING ALLEY DEAL

EAGLE RIVER: An additional three thousand (\$3,000.00) dollars was pledged by individuals interested in investing in a corporation which would purchase the property consisting of the Eagle River Bowl.

This leaves an additional \$20,000 to be raised in order to meet the terms of the Small Business Administration, to whom the group seeking to finance the deal has applied for a loan.

Ray Viau, manager of the Eagle River Bowl, has called another meeting of interested prospective stockholders for tomorrow, Thursday, July 20th at the bowling alley.

He said that if everyone who has pledged to purchase stock would find one friend also interested, that there would be enough money to swing the deal.

He added that in the event that enough funds are pledged, and the loan is granted by the SBA, the Corporation would continue to sell stock in hopes of retiring the loan sooner and avoiding the payment of that much interest. He urges interested persons either bowlers who want to see the Eagle River Bowl saved, or non-bowlers who simply are interested in a financial investment to come down to the meeting and learn more about the situation.

VETS MAY PICK OWN DOCTORS

A new program to reduce costs and improve service in outpatient care has been adopted effective July 1 by the outpatient service of the Juneau Veterans Administration regional office, H. C. Christie, manager, has announced.

This new program is being inaugurated nationwide by the VA following a successful test program in three states.

Since World War II, the Veterans Administration has authorized outpatient care by private doctors, at government expense, for certain qualified veterans. Under the old rules, VA estimated how much care each such veteran would need during the coming year and issued an authorization to a specific doctor to give treatment government expense.

Under the new program, VA will issue an identification card to veterans who require this type of treatment, and each patient will be permitted to select a doctor of his choice for treatment of the medical condition stated on his card.

Tests of the new system - conducted in Indiana, Colorado and Alabama - demonstrated that administrative costs of providing this treatment were reduced significantly.

Both the patient and the doctor also benefit by the new plan. The patient can visit the doctor of his choice as often as his doctor considers necessary. The doctor is relieved of much of the paper work associated with the old system.

Additional details on the program which might be needed by

Tell it to Martha

BY: MARTHA COUNCIL

Dear Martha,

I need you advice on a mess I am responsible for. Several weeks ago a ran into a girl in town. She was having a coke in the dime store, and we started talking. It turned out she was from the same state as we are, in fact from a town only twenty miles away. She said she had come up to Alaska to find work, but hadn't been able to land a job. She was broke, and hadn't had a square meal in three days.

I felt sorry for her and invited her home to have dinner with us. We have an extra room, so my mother invited her to stay with us until she could find a job.

Now Martha, she hasn't made any effort to look for work since she moved in. My mother gave her the names of several places where she was sure she could find work, but she said that she was looking for work singing in a night club (she does have a lovely voice) and that if she took work in an office or a store, she wouldn't be able to get around and look for a job in her profession.

In the meantime I introduced her to some of my friends, although I think she is several years older than most of us. My best girl friend's steady took a shine to her, and she has been going out with him almost every night. My name is almost mud with my crowd, as they all think she is a phoney. I wish now that I had never asked her home, but now that she is here I don't know what to do. My mother is getting tired of her too.

Too generous

Dear Too Generous,

I'm with your friends. This girl sounds like a 100% free-loading phoney to me too.

Tell you mother that she should inform the girl that you will be needing the extra room and give her one week to find a job and clear out.

I'll be willing to bet she goes back to that stool in the dime store and waits for someone else from "her home state" to come along and listen to her hard luck story and take her home.

Sincerely,

Martha Council

OPEN LETTER:

To all residents of Eagle River, Old Chugiak, Birchwood, Fire Lake, Peters Creek, and Eklutna:

Do we want a bowling alley in our area or not? Don't wait until the snow covers the ground and leagues are supposed to be bowling to decide. Do it now!

Bowlers and non-bowlers, do we need this recreation for our children and ourselves? If you feel that we do act now and attend the meeting on Thursday July 20th, at 8:00pm at the Bowling Alley and bring a friend or two. Let's make this a one hundred percent community project and we can have our recreation and a profit too. Without your help it will be almost impossible so give this project some thought and attend the meeting.

LIONS THANK ALL

Dear Editor:

On behalf of the Lions Club of Chugiak, we should like to express our appreciation to those people who supported our Carnival by their attendance and by their efforts in preparation for the event.

This was the first attempt by our organization to stage a carnival and we hope the mistakes we made were not as obvious to the public as they were to us. In this respect, we are especially appreciative of the patience and understanding that were displayed.

Very truly yours,

Bob Fleming, President
Lions Club of Chugiak

LIBRARY PROGRAM IS SUCCESS

OLD CHUGIAK: After just one month of operation, the Chugiak Elementary Library summer program is considered a big success.

Over 130 children have registered from Kindergarten through seventh grade. An average of thirty are attending each day. Students are encouraged to join either the "Pointed Star" (primary) or the "Rocket" (advanced) clubs through which their reading abilities and levels are showing marked improvement.

Each day's program includes a movie or record on some subject of interest to the children, through which a certain section of books can be featured. It is interesting to note the number of science and nature books taken home each day.

Each student is being shown how to utilize the library to its fullest extent for both research and pleasure, thus paving the way for reports and projects necessary during the school year.

The books on the shelves have been thoroughly inventoried and the second one thousand books have been individually selected and ordered. The first order of 1,000 should be arriving shortly.

The permanent library rooms have been remodeled and painted a cheery sunny yellow. The staff is anxiously awaiting the arrival of the new equipment so that they may move in.

Parent _____ announced that the library is open each day until 4:30pm and on Wednesdays until 6pm. The scheduled daytime program is as follows:

Monday and Friday: Bus arrives at the school at 1:00pm and leaves at 2:30pm.

Tuesday, Wed., and Thurs: Bus arrives at the school at 1:00pm and leaves at 3:30pm. On these three days the primary and advanced groups each have about one hour and fifteen minutes for library and for physical fitness.

The children under the direction of Wendell Lane, Instructor, have been learning team sportsmanship, playing volley-ball, basketball, tumbling etc. The past week they have been trying out for the President's physical fitness award.

LADIES CLUB ENJOY DINNER

ANCHORAGE: The Chugiak Ladies Club enjoyed their anniversary dinner last Thursday at the Red Ram Restaurant in Anchorage.

In addition to the current members, two club alumni and one guest attended.

The next regular meeting of the club will be on Thursday, July 27th, at the home of Katie Phillips in Eagle River.

NO CARS IN DUMP, PLEASE!

EAGLE RIVER: Local residents are reminded that dumping of junked automobile bodies at the Sanitary Fill located south of the Eagle River bridge is prohibited.

Within the past few weeks four more junked cars have been dumped at the site. In one instance one of the cars was traced through its license number to an auto salvage yard on the Seward Highway. The proprietor stated that he had been unaware that it was not permissible to dump junk cars and promised to remove it.

A sign informing the public of the regulation against dumping cars is being prepared and will be placed in a conspicuous place at the road leading to the dump.

The local All Star team will play in the Division B Tournament at Palmer. The first game will be on July 24th at 4pm, with games following on the 25th and 26th.

Division A Tournament games will be played at Nunaka Valley. Winning teams from division A and B will then play-off to decide who will represent this area at the State Little League Tournament to be held later this summer.

BANKERS IN SECOND PLACE

CHUGIAK: The Chugiak Babe Ruth team was squeezed out of first place in a play-off game with Boys Club of City View last Wednesday night.

The Bankers record for the season stood at 16 wins 3 losses and 1 tie.

The play-off was decided in the first inning when the Boys Club center fielder raised a fly ball to left field which was misjudged, allowing the runner second base. A double to left followed, scoring the only run of the game.

The game was a tightly pitched duel all the way with each team getting only two hits. Both

Chugiak hits were by catcher Richard Martin. Twice the Bankers had runners on third base, but were left stranded by Boys Club fielders.

Ron Tyson, Chugiak hurler, struck out seven batters, and issued no free bases. Kim Watsfold struck out eight, walked two and hit one batter. Chugiak committed two errors, while Boys Club fielding was perfect.

In the final game of the season, played at Chugiak Friday night, Eagle River Branch of First National Bank clubbed Alaska Title and Guarantee of City View 11 to 1.

The lone visitor run came in the final inning as they picked up their 2nd and 3rd hits of the game.

Chugiak garnered 8 hits in scoring 4 runs in the 3rd inning and 7 in the 6th. Two runs were accounted for as Big Jim Kohring closed out his Babe Ruth Career with a home run over the road in right field with a runner on base.

Steve Jordan pitcher for the Bankers striking out 7 and shutting out the opposition until the 7th inning.

FOUR BANKERS NAMED FOR ALL STARS

CHUGIAK: Four members of the Eagle River Branch of First Nat-

ional Bank Babe Ruth team are among the All Star team which will represent the East Division of the Anchorage Babe Ruth League in the State finals in Juneau this weekend.

Chugiak players selected for the Tournament team are Ron Tyson, Steve Jordan, Neal Bullock and Richard Martin.

Norm Henderson, Boys Club coach is manager of the team and Lee Jordan coach of the Bankers is All Star coach.

Their positions were decided by the play-off game for first place.

The East All Stars participated in an exhibition tournament during the past weekend at Mulcahy Park, losing 8 to 3 to West in their opening game, then defeating Palmer 7 to 2 in the second game of a triple header Saturday. Returning at 7:00pm on Sunday, the Easterners walloped the third place Kenal team 4 to 1 in 6 innings, but bowed 3 to 2 to West, in a return match which was split between Sunday and Monday due to rain.

An anxious time was given the East team by Chugiak pitcher Fred Olson and first baseman Allen Wallis who had been loaned to Palmer for the tournament game against East.

The All Stars were unable to get the left-handers curves until late in the game and Wallis made several good plays at first.

The East team leaves Thursday morning for Juneau where they will square off at noon Friday against Sitka in the double elimination tournament. The tournament ends next Wednesday when the State champs is determined. Winner of the State finals will play at Glendive Montana on August 1st and the Winner of the regional games will participate in the Babe Ruth World Series to be held at Fairbanks on August 17 to 26th.
