**EAGLE RIVER:** Ray Viau, manager of the Eagle River Bowl stated today that the group which has been trying to raise enough money to re-finance the Bowling Alley have admitted failure, and the Eagle River Bowl is definitely going out of business.

Viau said that he will be at the bowling alley from Tuesday, August 22nd through Saturday, August 26th from 7pm until 10pm in order that anyone with equipment in lockers may come down and pick it up.

Les Peterson, owner of the Eagle River Bowl property declined to comment on future plans for the building, although he did admit that a prospective tenant did not plan to operate a bowling alley.

### LOCAL WOMAN FOUND DEAD

**EAGLE RIVER:** State Police are investigating the cause of death of Mrs. Mattelene (Betty) Roberta Parillo age 33, of Eagle River.

Mrs. Parillo was found dead on Friday morning by her husband Salvatore (Pete) Parillo in their trailer at the Eagle River Campground. State troopers attributed her death to an apparent overdose of sleeping pills.

The Parillo's home is located on Echo Street in Eagle River. Mrs. Parillo had been employed as a stock Clerk for the U.S. Army Alaska, son.

The funeral was held on Monday at 10:00am at the Spenard Heights Mortuary, with burial at the Anchorage Memorial Park. Mrs. Parillo was born in Nashville, Tenn. She is survived by her husband, her mother, Mrs. Mary Hepburn of Pasadena California and a brother Harold Hepburn, also of Pasadena.

the Eagle River Elementary School and in the classrooms which have been vacated by the seventh grade which has been transferred to Chugiak High School.

Harry L. Wimmer, Principal of Birchwood Elementary, has a long record of teaching in Alaska. He came here for his first teaching assignment in 1952 upon completion of his training at Kansas State University at Manhattan Kansas where he received his B.S. and M.S. degrees. He taught high school English and math at Palmer in 1942, and in 1942-43 he taught at the Agricultural School in Eklutna. He returned to Palmer in 1943, where he continued to teach until 1956, when he left Alaska to teach at Elderato Junior College in Kansas.

He returned to Alaska in 1959 to teach at Central Junior High School. He has been with the Anchorage School District since that date. Before coming to this area he has been Principal at Scenic Park Elementary School, and Assistant Principal at Wendler Junior High School.

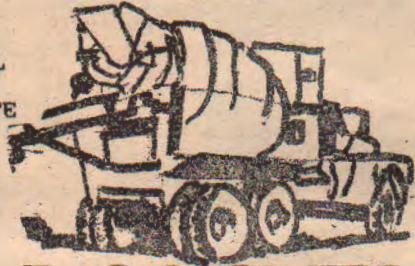

The new principal at Eagle River Elementary School will be Dave C. Crowell who was Assistant Principal at Lake Otis Elementary School last year.

Mr. Crowell, who is replacing Robert (Sam) Hayes, received his B.A. and his M.A. at Washington State University at Cheney Washington. He

came to Alaska for his first teaching assignment where he taught Physical Education at Ft. Richardson from 1961-62. In 1962-63 he taught P.E. at Wendler Junior High, and then returned to Cheney Washington where he taught the sixth grade. He returned to the Anchorage School District in 1966, where he taught the sixth grade at Turnagain and was an administrative intern. In 1966-67 he was Assistant Principal at Lake Otis Elementary School.

Laurence N. Graham, who replaces Barney Sabo as Chugiak High School Principal, has been at East Anchorage High School since 1961. He was the Assistant Principal at East in 1965-66. He received his B.A. at St. Olaf College in Northfield Minnesota, and his A.M. at Colorado State in Greeley Colorado. Prior to coming to Alaska he taught High School English and speech at Eldora Iowa for two years. (cont page 7 col 2)

## ASSEMBLYMAN CALLS PUBLIC MEETING

**BIRCHWOOD:** Ed Willis, Borough Assemblyman from Section 1, (the Greater Chugiak Area) has called a public meeting for Wednesday, August 16th at Chugiak High School.

The meeting will be held in the multi-purpose room beginning at 8pm.

Mr. Willis said that the purpose of the meeting is to report to the residents of this area on the items which may appear on the ballot at the coming election; namely library services, fire protection, police powers, sewer bonds etc.

He is also anxious to discuss the possible effects of re-apportionment on this area. The Borough has considered combining the Greater Chugiak Area with some precincts of the Muldoon area in order to conform with the reapportionment as called for by State Law. Willis said that it is his belief that this would be unfair to local residents as well as those in the Muldoon area. He doesn't think the two areas share common problems, and that one assemblyman would have difficulty in doing a good job of representing everyone.

Willis will also invite those attending the meeting to bring up any problems they may have and will attempt to answer all questions.

## SHEEP AND CARIBOU SEASONS OPEN

**ANCHORAGE:** The Dall sheep and caribou season opened August 10 in all units of Southcentral Alaska except Units 7 and 15 which are closed to caribou hunting, reported Loren W. Croxton, Southcentral Regional Game Supervisor in Anchorage.

Forty-four caribou were transplanted to the Kenai Peninsula by the Department of Fish and Game in 1965 and 1966 in order to establish a huntable caribou population. Since that time the caribou have scattered over a large area. Several caribou cows with calves have been seen, Croxton said, indicating the animals have been reproducing normally.

At this time the outlook for a future caribou herd in Units 7 and 15 appear quite good. All hunters and fishermen are requested to report any caribou observations from the Kenai Peninsula to the Department of Fish and Game office in Anchorage.

Sheep hunters should remember to pick up their harvest tickets before venturing afield, Croxton said, and these may be obtained from the Fish and Game office or the various license vendors.

There is one new regulation this year that all sheep hunters should be aware of, Croxton said, which deals with the use of aircraft for transportation of hunters to their field camps. Anyone who is airborne through the day must wait until after mid-night to take or assist in taking Dall sheep.

The post card portion of the sheep harvest ticket must be returned within 15 days after a ram is taken or for those hunters who are unsuccessful, the harvest ticket must be mailed within 30 days after the close of the season.

### TRUCK DEMOLISHED IN WRECK

**LAKE EKLUTNA:** A 1962 GMC pick-up truck was totally demolished when it went off the road on Lake Eklutna Drive last Sunday afternoon.

The driver, Russell W. Wertz, of Anchorage told the State Troopers that he lost control of the vehicle when a wheel got over on the soft shoulder and the shoulder of the road gave way, causing the truck to slide down the bank. The vehicle rolled over once, coming to rest on its wheels.

The driver was bleeding when he was helped from the truck, but the extent of his injuries was not known.

expressed their pleasure at the prospect of assistance with their work which has been at a standstill. They stated "We feel that since Kathy has lived in the area for 17 1/2 years, she will make every effort to carry out the meaning of G.O.A.L., (Gaining Overall Advantages Locally) We hope to improve some established community services, and to set up some new ones that will effect each person in the community."

The proposed projects will take time, there have been many hours of time wasted while local residents went to Anchorage for services instead of having them brought here. Planned projects are:

1. Improving health nurses quarters,
2. Getting a community center and bringing out services such as legal aid, license plates etc.
3. Clothing the needy and disaster victims.

### UNDERAGE CHILDREN MAY ENTER SCHOOL

ANCHORAGE: The Anchorage Borough School District will follow state guidelines which allow the admission of underage children into the first grade under certain conditions this fall.

State law provides that children who

under 6 years of age, as of September 1, 1967, shall be admitted into the first grade without meeting any specific maturity requirements.

The regulation also provides for the admission of children who do not meet this age requirement providing that the local school district authorities feel that the individuals have reached an adequate stage of physical, social, mental, and emotional readiness for education.

In order to have a child considered for early admission, parents must retain a private psychologist to do preliminary testing, according to Gordon Guffey, assistant superintendent of the Instructional Services Division. If these results indicate giftedness, the information must be forwarded to the school psychologist for further evaluation and determination for or against early first grade admission.

Each underage child admitted to school

will be closely observed by his teacher during the first six weeks of school to insure that the child is adjusting to school successfully.

Those who are not successful in the six-week probationary period, of course, will be asked to withdraw from the school and return as first graders next year.

With school starting September 5th parents should contact a private psychologist during August to have an evaluation made prior to the opening of school. No child will be considered for early admission after September 15.

Children who have successfully completed a full year of Kindergarten in another school may enter first grade without testing even though they do not meet the legal school age minimum.

### OBEDIENCE CLUB TO HOLD NEW CLASSES

**OLD CHUGIAK:** The Obedience Training Club of Chugiak has announced the beginning date of their next class of dog obedience training.

The class is scheduled to start on September 10th, at the Chugiak Community Hall at mile 21.

Classes will be held every Sunday from 6:00pm to 7:00pm, and the course consists of ten sessions. Entry fee is \$15.00 per dog. Both mixed breeds as well as pure bred dogs are eligible.

Anyone desiring additional information may call Birchwood Kennels at 688-5121.

### 7th GRADERS TO GAIN ADVANTAGES

**BIRCHWOOD:** The advantages which would be offered to seventh grade students upon being transferred to Chugiak High School were outlined to parents by school administration officials at a meeting held at the high school last Wednesday evening.

The seventh graders, who have previously attended classes at the Eagle River Elementary School, will be housed in re-locatable classrooms which were constructed behind the high school this summer.

Some of the advantages outlined were that each seventh grade boy will be able to take a quarter (9 weeks) of woodshop and each seventh grade girl will be able to take one quarter of Home Economics. Also each seventh grade student will be able to take one quarter of general music and one semester of Physical

Education. This will in no way cut into the time allocated for high school students in these subjects.

It was also pointed out that a special reading teacher has been hired for the seventh grade, and she will conduct a non graded reading program, with a special speed reading course for those with above average abilities.

The high school will have two separate lunch shifts to accommodate the additional students. One shift will feed the seventh and eighth grade student, while the 9th, 10th, 11th and 12th graders will eat during the second shift.

Larry Graham, Chugiak High Principal, stated, that at present, he could see no alternative to having the students shift from one of the detached relocatable classrooms to the other for the changing of classes. The possibility of having the teachers move from one classroom to the other while the students remained in one place has been ruled out at not being workable.

Mr. Graham also said that the library at the High School will be much improved. He said that at the close of the school year last June, there were a total of 3,000 books in the library. Since that time an additional 1,000 books have been ordered which will be a permanent addition to the library, and 500 books will be on loan, making a total of 1,500 more books this fall. He said that he has requisitioned a micro-film reader and a number of current periodicals on micro-film.

He added that the seventh grade students will be transported on the same bus as the high school students.

## PARTICIPATION IN C.A.P. URGED

**CHUGIAK:** Mrs. Kathy Walker, the new Community Action Program field worker for the Greater Chugiak Area, stated that word has been passed along that the Basic Education classes will not be held this year.

Mrs. Walker said "We will do everything possible, as we did last year in order to bring the classes out here again."

This class offers the opportunity to finish grammar and high school. "We urge everyone to sign up during registration time," Mrs. Walker said. "We would appreciate those of you who are interested in attending these classes, or wish more information to call, so that we will have an estimate of the number of prospective students."

Names will be taken at the G.O.A.L. meeting, which will be held Wednesday, August 16th, at 8pm at the Chugiak Elementary School, or call Kathy Walker, 688-6365, or Ludi French

688-6301 or Pat Sherman at 688-6471.

This meeting has a dual purpose. The new C.A.P. Director, Project Director will be introduced. Also an Election for the Birchwood and Peters Creek Councilmen will be held.

"This Council represents you," Mrs. Walker stated. "They are your voice at the Anchorage C.A.P. board meetings. It is important that you attend these meetings and elect the people who are enthusiastic and interested in community work. The program is for the "Little People" the low income families.

After the meeting there will be a question and answer period. So come and bring your ideas. We and gain advantages locally with the help and Community co-operation," Mrs Walker concluded.
