a meeting of the local school advisory committee on Wednesday, January 31st at 8pm at Churiak High School. The committee has sent a

letter to General Breitweiser formally asking the military to meet with the committee and to discuss possible alternatives to the location of the proposed new high school.

The committee hopes to schedule another public meeting in the near future at which time they will inform the people of the progress they have made toward a compromise with the military and to try to determine what the people wish.

Anyone interested in sitting in on the meeting of the advisory committee is welcome to attend.
