ALEX HOME BURNS IN BIRCHWOOD (Photo by George Ondola)

FIRE DESTROYS ALEX HOME

BIRCHWOOD: A rented home in Birchwood was completely destroyed by fire last Sunday afternoon, while the occupants were away.

The Manfred F. Guggenmos family, were reportedly doing the family shopping when a neighbor spotted the smoke and called the Chugiak Volunteer Fire Company.

When the equipment arrived the fire was blazing out of control.

Although the Chugiak Volunteers were assisted by the Eagle River Volunteer Fire Company who responded under the mutual aid agreement, they were unable to save the building from complete destruction.

The house was owned by Herbert Alex, who had rented temporarily while he was assigned to Maryland in connection with his job.

The house had been rented completely furnished, including a new color TV set. All furnishings, along with the Guggenmos' personal belongings were lost in the fire. It was not known whether Alex carried insurance.

The cause of the fire has not been determined, although a spokesman for the Fire Company stated that it appeared to have originated in the kitchen area.

FIRE CO. TO RECRUIT WOMEN

CHUGIAK: The Chugiak Volunteer Fire Company has decided on a unique way to solve the problem of not enough volunteer firemen, particularly during the daytime.

Taking the example of the Rabbit Creek Volunteer Fire Company, Chugiak has decided to recruit women as volunteer firefighters.

This has been very successful at Rabbit Creek, with the ladies doing an excellent job of answering the calls, handling the pumps and driving the equipment.

The Fire Marshall's office would set up a training class for the women, and they would be instructed in all the aspects of fire fighting.

Robert Kallenburg, Chairman of the local Board of Supervisors for the local Service District, pointed out that even though the people of this area voted for tax-supported fire protection, the cost can only be kept to 1/2 mill if a Volunteer Fire Company is active. He said that it would cost \$14,000 a year to pay only one professional fireman for fulltime duty. At 1/2 mill the area tax base brings in only \$3500 per year to the Service District. It is only if this money is spent on material items, and the labor voluntary that the tax can be kept

CBA SEEKS DUMP OPERATOR

CHUGIAK: The Chugiak Benefit Association is looking for someone to operate the Eagle River Sanitary Fill, according to Dale Briggs, President of the CBA Board of Directors.

Briggs said that CBA is willing to discuss terms with applicants, and will consider leasing the operation outright, or letting it out for a percentage.

The present dump operator has had to give up the job due to ill health, Briggs said, and CBA is willing to listen to any offers that prospective dump operators may make.

SEWERS THE SUBJECT OF PUBLIC MEETING

EAGLE RIVER: A Public Meeting for the purpose of discussing the Proposed Eagle River Sanitary Sewer proposition has been called for Thursday, November 7th at 8:00pm in the multi-purpose room of the Eagle River Elementary School.

Ed Willis, Borough Assemblyman from Section 1, stated that Borough Officials

OPAG NEWS

By: Pat Sherman, Community Aide for OPAG

Last Monday a group of women from the Older Person's Action Group met in Peg Tissington's home to take advantage of a service rendered by another "Good Neighbor."

Mrs. Simons, of Birchwood is donating her services as a beautician to those women fifty five years or older who wish to share in this unique beauty salon.

The three ladies who participated Monday afternoon seemed to be very pleased with their hair styles. As one lady said, "We all had a very nice time getting acquainted and sharing an afternoon together."

Peg Tissington and Fran Jones served refreshments, while the ladies took turns with shampoos, and hair sets.

Until supplies are available, each lady is asked to bring her own shampoo, curlers, towels, or any item she may need.

This Wednesday, November 6th, the ladies are to have a get together at the home of Mrs. Thomas Blavka. Co-hostess will be Mrs. Mary Blavka Sr. An afternoon of craft demonstrations and all around good fellowship is in store for those who plan to attend.

Anyone wishing to participate in any of the services offered are asked to call Pat Sherman in advance so that she can assure you of time available and transportation. Phone 688-2210.

LETTERS TO THE EDITOR

Dear Editor:

I would like to say something in defense of the Chugiak Volunteer Fire Company.

Now, a lot of people know about or have seen the fire which totally destroyed the Alex home the other day on Birchwood Loop Rd. I heard some criticism among some of the spectators at the fire. I say "spectators" because that's about all they want to be - they were just standing there criticizing the efforts of the firemen, and the funny thing is they are the ones who are not nor have never been a vol. fireman. It seems they expect the firemen to perform a miracle - like waving a magic wand and the fire truck would be right there in a split second! Anybody in their right mind knows that's impossible! You figure out the minutes it's going to take, considering the distances in this area.

I am proud to say my husband is one of the firemen and I know that he as well as the other firemen do their very best in trying to get to a fire or whatever the emergency may be, even risking their own lives trying to get there as quick as possible.

I'm sure the firemen would like to see these critics take over as volunteers and see if they can do any better.

Virginia Call

(Cont page 1 col 3)

would be attending the meeting and would be available to answer any questions.

He urges that all concerned residents attend this meeting.

(cont page 1 col 2)

at 1/2 mill.

Kallenburg said that while men volunteers are available at night, most work out of the community during the day, and the logical solution was to recruit women. He said that these would not be Fire Company Auxiliaries, but full-fledged members of the Fire Company.

Any women wishing to join the Fire Company, or wanting more information are asked to call Waneeta Smith, at 688-2310.

BACK TO SCHOOL AT CHS

BIRCHWOOD: Chugiak Junior-Senior High School opens its doors to parents and friends Monday evening, November 11th. The Chugiak High School "Back to School Open House" is the feature of American Education Week.

At 7:30pm a short meeting of all attending will be held in the school's Multi-Purpose room. Starting at 8:00pm, visitors will go through a regular schedule of 10 minute classes.

"We have several new programs going this year," stated Graham, "and we are anxious for parents and other adults in the community to meet the teachers and hear more details about the programs."

Parents of seventh grade students who are housed at Birchwood Elementary School will be going through the schedule as well, all visitors will start with the meeting at the high school.

Graham pointed out that through schedules for each student in school are being mailed to parents, all adults in the community are invited. "We will have counselors make up schedules for any 'non-student parent' letting the 'student' pick."
