RED BARN DESTROYED BY FIRE

CURIOUS SPECTATORS LOOK OVER THE STILL SMOKING RUINS OF THE RED BARN WHICH WAS DESTROYED BY FIRE ON MONDAY NIGHT.

EAGLE RIVER: One of the more prominent landmarks in the Greater Chugiak Area ceased to exist on Monday night, when fire completely destroyed the Red Barn at mile 15, Glenn Highway.

The Eagle River Volunteer Fire Company received the call at around 11:00pm. The fire was reported by a tenant of one of the apartments in the Big Country Shopping Center, which is located next to the Barn.

Tom Take, Eagle River Fire Chief, stated that the fire apparently had started somewhere in the second floor dining room, as the top of the building was afire when the equipment arrived.

Eagle River was assisted by the Chugiak Volunteer Fire Company and the Ft. Richardson Fire Department. The biggest problem faced by the fire fighters was in getting enough water, as they emptied tanker after tanker on the burning building.

The Barn was the largest structure in the area, and was of wood construction with the interior one large open room, making it impossible to contain the fire.

Owners of the building Mr. and Mrs. George O'Barts, of Eagle River, built the Barn in the summer of 1966. Almost overnight it became one of the most popular night spots in the State - a Mecca for Country - Western music fans, featuring big name stars from all over the country.

The Barn was presently under lease to Mr. and Mrs. Ed Nelson of Anchorage. Mrs. Pat Baskett was leasing the kitchen.

Mrs. O'Barts stated that the loss was approximately 2/3 covered by insurance. She said that they hoped to rebuild as soon as possible at the same location. She said that the lessee had contracts with many musical stars and would have to cancel some of them until a place could be built where he could honor these contracts.

The Barn was closed on Monday night, and there was no one on the premises at the time the fire broke out.

AN ANSWER TO "WHAT IS CBA"

CHUGIAK With the announcement of the General Membership meeting of the Chugiak Benefit Association on June 19th, the question has been posed by many of the new residents of this area, "What is CBA?"

Since it is important that everyone understand just what is CBA, and why it is important to every resident of the Greater Chugiak Area, Dale Briggs, Chairman of the CBA Board of Directors has drafted the following article giving the purpose and background of this organization.

"The Chugiak Benefit Association is made up of every resident over the age of thirteen (13) that has resided in the Greater Chugiak Area (Eagle River, Fire Lake, Old Chugiak, Birchwood and Peters Creek) for over thirty

LOCAL VOTERS REJECT MANAGER AND BONDS

CHUGIAK: The light vote predicted in the special Borough Election was evident in the Greater Chugiak Area with only 178 votes being cast in the combined precincts at the Eagle River School; and 176 votes at the combined Chugiak, Birchwood and Peters Creek Precincts at the Chugiak Elementary School.

At the Eagle River precincts the voters turned thumbs down on the Borough Manager plan, voting 137 No on proposition D, as opposed to 40 who voted "Yes".

On proposition A. (School improvement) it was a close 78 "yes" to 77 "no". Proposition B (Sanitary Sewers) was turned down with a vote

LOCAL YOUTH INJURED IN FREAK ACCIDENT

OLD CHUGIAK: A nineteen year old Chugiak area youth was rushed to Providence Hospital early Tuesday morning when two fingers of his left hand were partially severed.

Mike Smith, son of Mr. and Mrs. Fred Smith of Old Chugiak said that the injury took place when the shifting lever of his mini-bike broke off. Mike reached under the bike and was attempting to hand shift it, when the bike jumped into gear, and his fingers became caught between the chain and the sprocket. Mike said that it place at 2:30am near the entrance to his road on the Glenn Highway. He managed to extract his mangled hand

SOME HISTORIC BACKGROUND

The Knik Arm Courier has always been aware of the importance of the Chuglak Benefit Association, and the role it has played in coordinating the efforts of the civic and service groups of the community.

For this reason we would like to add a little historic background to Mr. Brigg's excellent article on page 1 to provide answers to some questions which may have not been satisfied.

The Chuglak Benefit Association came into existence in 1954, when the many clubs and non-profit organizations of the Greater Chuglak Area decided that a joint effort at raising funds for their various projects might be better than the many bake and rummage sales which they had depended on in the past.

The voted to pool their efforts and hold a Spring Carnival, with all groups involved to share in the profits.

The first Carnival was held at mile 14, on the property now occupied by the Eagle River Elementary School. In 1955 a second Carnival was held at that location. The following year, CBA was able to file on a plot of over 30 acres located at mile 21 Glenn Highway. This was to be a permanent site for the Carnival.

This land was eventually patented to the Chuglak Benefit Association to be used for recreational purposes for the residents of the Greater Chuglak Area. Permanent buildings were erected here, the most prominent of which is the quonset shaped Carnival Hall. The annual Carnival was held here every Memorial Day weekend through 1959. After that year, public interest in the Carnival waned and it was discontinued.

The Carnival grounds still is administered by CBA for the people of this community.

A portion of the grounds is taken up by a little league diamond, and another portion by a motorcycle race course. The latter was developed when the CBA signed a lease with a Motorcycle Club in order to have some income so that they might be able to keep up the taxes and maintenance of the buildings and grounds.

During the past year, there has been a rebirth of public interest in CBA and the land at mile 21, and the upcoming meeting has been called to see if the public can once again work together in using the Carnival Grounds and facilities for the mutual benefit of all local residents and organizations.

Mamma, are you making my costume now?
Yes, dear

Remember, It's got to be ready by tomorrow!

Don't worry it will be.

IS THAT your costume for the play?
yes

What's your rush... the play isn't until Sunday.

I know, but tomorrow's the dress reversal.

days. The board of directors is made up of twelve members elected to the board by a general membership meeting. Ideally, each non-profit organization in the community is represented on this board. I say ideally, because the board of directors is the coordinating center for the organizations of the community.

The Board itself cannot initiate activities which include the community as a whole. The board can only coordinate the efforts of any group of organizations within the community that wish to sponsor some activity, such as the carnival. The carnival was a joint effort of the organizations of the community, not of the board.

The only really important function of the board is to protect for the community the holdings of the community, such as the property which is known as the Carnival Grounds - protect them from loss by legal means such as

failing to pay taxes on assessments. The holdings of the Association are secure. All debts against the association are met. All taxes and assessments are paid.

In the upcoming annual meeting I hope the community will respond to its responsibility and elect members to the board according to the By-Laws in order that the Chugiak Benefit Association may function as it is intended.

I would appreciate the opportunity to meet with each organization in the community prior to the annual meeting in order that we might better understand the purposes of this association. Call me at home, 694-2311, or at work, 864-3135 and I will make every effort to meet with you.

I hope that we may have in the hands of each organization a copy of the By-Laws prior to the Annual Meeting which is to be held on Thursday, June 19th, at the Carn-

ival Hall, which is the Quonset shaped building at the Carnival Grounds.

See you all on June 19th, at 8:00pm."

of 72 for "yes" and 81 for "no". Proposition C (Roads and Streets) was tied with 77 voting "yes" and 77 "no".

At the Chugiak Elementary School, the voters also turned down the Borough Manager with a vote of 148 for "no" and only 28 for "yes". All of the three bond interest propositions were rejected by the voters at these polls, with Proposition A getting 64 votes for "yes" and 78 for "no". Proposition B tallied 50 "yes" votes and 85 voted "no." Proposition C, had 65 votes for "yes" and 70 for "no."

from the machine and then went to the nearest house for help. This was the residence of Mr. and Mrs. Leonard Sherman at mile 20 3/4.

The Sherman's called the Chugiak Fire Company ambulance, who transported the injured youth to the hospital where he underwent surgery to sew the severed fingers back in place. At this time there is some doubt as to

whether he will recover full use of them.

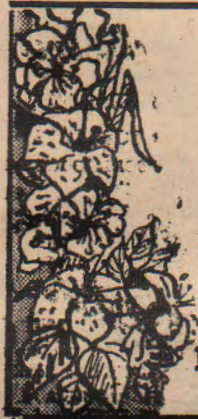

A sad aftermath to what is already a tale of misfortune was that Mike had to leave his cycle at the side of the road while going after help.

When he returned, the cycle was missing. Mike asks that whoever may have taken the machine just please return it. No questions will be asked, he just wants his bike back.

FIRE CHIEF EXTENDS THANKS

EAGLE RIVER: Tom Take, Chief of the Eagle River Volunteer Fire Company has asked that his personal thanks be extended to the Chugiak Volunteer Fire Company and the Fort Richardson Fire Department for their responding in mutual aide at the fire at The Barn on Monday night.

He also wishes to extend his thanks to two young ladies, Miss Linda Hamilton, and Miss Jean Soto, who brought coffee to the firemen.

TAKEN FROM THE PAGES OF THE KNIK ARM COURIER ISSUE OF JUNE 10, 1959

PLANS UNDERWAY FOR A CHILDRENS CARNIVAL: At the first CBA board meeting following the Carnival, plans were revealed to hold a second Carnival this summer.

This time the entire grounds will be rented to two local clowns. Dick (KoKo) Rand and Les (Chu-Chu) Fetrow.

CENSUS TAKERS NEEDED: With the approaching of 1960, and the National Census a number of people will be needed to act as census takers in this community.

FLAG RAISING CEREMONY IN CHUGIAK: A new 49 star flag will be raised over the Chugiak Post office on July 4th. Paul Swanson, postmaster has expressed the wish to have an appropriate ceremony accompany this flag raising, and will contact the VFW and Boy Scouts to see if they will conduct one.

CHUGIAK BELLES INCUR "COMPETITION": The audience at the last stage show of the Chugiak Carnival got

an unscheduled and completely unrehearsed bit of rhubarb dished up for them when two gentlemen who had evidently contributed too heavily to the VFW building fund came prancing out of the wings just as the Belles were in the midst of their Can-Can.

This unscheduled performance came to an abrupt end when several of the CBA board members and several irate husbands of the Belles hurried up on the stage and hustled the happy inebriates off.

One of the ladies discovered a practical use for the Can-Can kick, when she planted her toe in the seat of one of the would-be dancers pants.

UNIDENTIFIED DRIVER CAUSE OF ACCIDENT

EKLUTNA: A two car collision at the junction of Glenn Highway and Eklutna Lake Road, at 4:50pm on Saturday June 7th.

According to the Alaska State Troopers, a car started to pass another, and upon meeting oncoming traffic, crowded back into the lane it had just left forcing a 1968 Ford Mustang, driven by Warren V. West of Anchorage onto the shoulder. This caused

West to lose control of his car, which skidded across the highway, and struck a 1968 Oldsmobile driven by Ray Donald Bacon of Palmer.

Damage to the Ford was estimated at \$1,000, to the Oldsmobile at \$600. There were no injuries, and no citations were given.

The third vehicle, the cause of the accident had kept right on going without stopping.

SUMMER HEAD START PROGRAM TO BEGIN

OLD CHUGIAK: The summer Head Start Program will begin on Monday, June 16th at the United Methodist Church of Chugiak.

This program is somewhat different from the regular Head Start program. It will be mostly outside activities consisting of Field Trips, picnics, short hikes and some crafts and indoor activities.

Bob Mielke, of Lower Peters Creek will be the group leader, with three N.Y.C. aides to help.

There are still a few openings for children 4 and 5 years old. Please call the Center at 694-2200 anytime between 8am and 5pm daily for additional information.

BLM STATIONS SURVEY PARTIES

The Alaska State Office of the Bureau of Land Management has announced that survey parties are presently stationed at Juneau, Gakona, Copper Center, Cantwell, Willow, Galena, Chignik Lake and Fairbanks.

Surveys consist of surveying state selection applications, homesites, homesteads, community grants, townsites, trade and manufacturing sites, and headquarter sites.

Survey parties are usually composed of four to six men with the field party surveying state selected applications having 12 men assigned to the crew and helicopter support.

Survey parties assigned to the Copper Center and Willow areas will remain in the area through September. Other assignments will generally last from four to six weeks.

Property owners are reminded that although permanent type monuments will be set during course of survey, the survey is not official until the field returns are prepared, reviewed and approved by the Alaska state and Washington offices of the Bureau of Land Management.

OPAG NEWS

By: Pat Sherman, Community Aide for OPAG

We are impatiently waiting to learn the results of the application for a grant from the Administration of the Aging. Until this grant is approved, we are unable to surge ahead with needed improvements for our newly acquired Center building.

Since we are so far away from the Anchorage facilities there is a definite need for a center in this area. We have no place to meet, no facilities to help members supplement their income, enjoy their leisure time, or spark their interest in people, and the world around them. In some cases, there is a definite need to improve a depressed outlook on life caused by a lack of social contact with people of their own age.

We need storage space for the home care, hospital type supplies donated to the program by interested people living in the Greater Chugiak Area. We also need a place to display clothing and household items needed by members.

The people in the Community have always come to our assistance when we needed help, but now we are at a standstill until the grant is approved.

Our Alaskan building season is so short that we must move

ahead quickly. As one man said when we were talking about the waiting, "The tension is getting me down, but I can't even chew my nails as I have no teeth!"

Last Thursday, nine OPAG members who have taken an interest in GOAL, our local community council, attended Pot Luck dinner given for Rev. and Mrs. Shaffer. Everyone enjoyed the fine food and fellowship. The going away dinner was held by GOAL to say "Thank You to Rev. Shaffer who has been very active in the CAP and GOAL programs.

He has always cooperated with the Head Start leaders, GOAL Board, Basic Education classes and helped improve the community in many ways. He made these programs possible by offering assistance when we desperately needed it. Rev. Shaffer is an example of an outstanding "Good Neighbor."

DATES TO REMEMBER: Friday, June 13 we will be going to the Anchorage OPAG meeting. We will meet at 9th and Fairbanks at 8:30pm.

We do appreciate your participation in these meetings. They are held for your benefit. The aim of the board, and members is to make your life easier as a senior citizen by working now to improve your chances for a more worry-free future. We are working for the younger people too through programs that are being initiated now to help them in their old age. Help toward building a sec-

ure future for yourselves, support us now!

Thursday, June 19th is another important date for you. The Chugiak Benefit Association will hold elections for new board members on this date. Come support the new OPAG member who would like to serve on the board in order to better serve you.

There is a job opening for a man or boy who wishes to help with upholstery work at \$2.00 per hour. For information or assistance, call your aides, Pat Sherman at 688-2210 or Peg Tissington at 688-2518.

LADIES CLUB TO HOLD MEETING

EAGLE RIVER: There will be a regular meeting of the Chugiak Ladies Club on Thursday, June 12th at 7:30pm.

The meeting will take place at the home of Phyllis Smith in Eagle River.

Plans for developing recreational facilities for the youth of the area will be discussed.

OBEDIENCE CLUB HOLDS MATCH

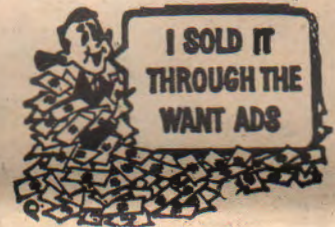

ANCHORAGE: The Obedience Training Club of Chugiak held a Fun Match last Sunday at the Park Strip in Anchorage.

Results of the match were as follows: Novice A (13 entries) 1st place, a run-off between J.E. Church with his Great Pyrenees Chaperell, and Mr. Bledsoe with his German Shepard, Mingo both with 194 points. The winner was the Great Pyrenees.

Second place was Robert Kerr with his dog Smoke. In Novice B class, (8 entries) 1st place went to Carol Kentopp with her Great Pyrenees "Chief" with 196 points, 2nd place to Christa Burg with Ila, a German Shepard at 193 points.

In the Open A & B class, Jim Spangler with his Norwegian Elkhound "George" was first with 185 points.

Highest scoring dog in the match was the Great Pyrenees "Chief".

Tell it to Martha

By: Martha Council

Dear Martha,

I live not too far from my son and daughter-in-law, and take care of their children while they both work.

My daughter-in-law is a good mother, and I realize that with working all day, she doesn't have the time to do many of those little chores that have a way of being put off.

I watch the children at her house, and if I should offer to do some of these for her, as for example, clean out the cupboard and put new paper on the shelves, or go through the magazine table and get rid of all the outdated papers and such, she says please not to bother. The next time I am at the house, I see that she has done that particular job and I know she must have stayed up most of the night getting it done.

Martha, I only make these suggestions to help her. I have nothing better to do, and I know that after working all day, she is lucky to get

dinner on the table, and the laundry done. How can I make her realize that I only want to help.

Time on my hands

Dear Time etc.

Your daughter-in-law obviously interprets your offers to do those chores as a criticism of her housekeeping.

Better to let them go until she can find the time to do them at her leisure rather than make her feel she must stay up all night.

You may only mean to be helpful, but unless she understands your motives, it is better to pretend not to notice these items, and just contain your help to babysitting.

Sincerely,

Martha Council

LOCAL BANKERS LOSE THREE

CHUGIAK: The local Babe Ruth League baseball team lost three games in a row last week, but the record books won't show all the facts of a very young team.

The local team, which is sponsored by the First National Bank of Anchorage, Eagle River Branch, and managed by Marvin Stratton with Wiley Armstrong as Coach, is made up mainly of last years Little League players. It is a young team who up to this point have shown a little nervousness at playing with the "Big Boys" all at once.

Manager Marv Stratton said, "I believe that Saturday was their turning point. After losing to Lottsfeldt and Kyzer on Tuesday, and to Melody Trailer Sales 7 to 6 on Thursday, the Bankers met the undefeated C.R. Lewis nine at Mulcahy Stadium on Saturday. The C.R. Lewis team with seven starters back from last year has proven to be the powerhouse of the league so far this season. Our young local team played them to a standstill for seven innings before losing in an overtime eighth inning 11 to 5.

Mike Stratton was on the mound for the Bankers and held the heavy hitting league leaders scoreless for the first five innings, while the Bankers got out to a 3 to 0 lead with one run in the first, fourth and fifth innings. In the sixth inning, the Anchorage team combined to hits with some Banker errors and put over three runs to tie the score. In the top of the seventh they came back with two more runs and led our Bankers 5 to 3 but the local team wasn't finished yet. The Bankers came back in the bottom half

of the seventh with two outs when Don Zimmerman singled to left field and Terry Goedel tripled with a long fly against the fence to score him. Frank Armstrong then drove a hard ground ball to the short stop who overthrew first base and Goedel was in with the tying run. Frank McAllister then came in to pinch hit, but received only one pitch when Armstrong was caught off third base to retire the side.

In the top half of the eighth inning the Anchorage team put six runs over the plate to take an 11 to 5 lead which held as the Chugiak club was unable to score in the bottom half of the overtime inning.

This Babe Ruth team will be together for the next two years and over half of the boys will be together for the next three years. Saturday they found that they could not only play with the Big Boys, but could hold their own. The entire infield of this team is made up of 1968 Little League All-Stars who won the State Championship and manager Stratton believes they will go on to bring this area a Babe Ruth Championship.

Stratton concluded by saying "For those of you who haven't seen any of the Babe Ruth games, you are missing some mighty fine baseball. There isn't much in this old world that is free anymore, but these baseball games are. Give yourself a break and get out an enjoy them."

UNDEFEATED LIONS LEAD KNIK LEAGUE

CHUGIAK: The Knik Little League season is well underway, with the Eagle River Lions Club the only team in the league to still be undefeated.

Scores for last weeks games are: Wednesday, June 4th, Eagle River Lions 19, Eagle River Shopping Center 8, Peters Creek Fuel 6, El Patio 12. On Friday, it was the Eagle River Lions 12, El Patio 4, The Eagle River Shopping Center 13 and Peters Creek Fuel 4. On Monday, June 9th, it was Eagle River Shopping Center 15, and El Patio 9. Eagle River Lions 19 and Peters Creek Fuel 16.

The schedule for the coming week is as follows: WED. June 11th, at the Chugiak ballpark, it will be Peters Creek Fuel vs. El Patio, while at Eagle River, the Eagle River Shopping Center meets the Eagle River Lions. On Friday, June 13th, at Chugiak the E.R. Shopping Center will play Peters Creek Fuel, and at Eagle River, the

Lions will meet El Patio. On Monday, June 16th, El Patio will play E.R. Shopping Center at Chugiak, and at Eagle River it's Peters Creek Fuel vs. the E.R. Lions.

SCHOLARSHIP LOAN FUND IS DOUBLED

Governor Miller's office has announced that the Alaska State Scholarship Loan Fund was doubled last month when the first session of the Sixth Alaska State Legislature authorized a total of \$100,000 for scholarship loans.

The loans are intended to assist qualified Alaska students to secure a higher education in the State's institutions of higher learning and to encourage able students to remain in Alaska and provide future leadership.

Last year, the Alaska Scholarship Loan Program was initiated with a \$50,000 appropriation to cover 100 scholarship loans to Alaska colleges and

universities. In September, 100 students entered college with the aid of a \$500 non-interest loan. To encourage the recipients to remain in Alaska once they have completed their higher education, the

program is reduced in proportion to the length of time the recipients stay in the State.

This year's authorization will allow \$50,000 to be used for renewal of loans to those students who obtained them last September. The additional \$50,000 will be available for freshmen entering college in the fall of 1969.

Completed application forms, which may be obtained from the school district office must be returned by June 15 to Mrs. Wanda Cooksey, Guidance Consultant, Alaska Department of Edu
