LOCAL GROUP ARE NOT VIGILANTES!

EAGLE RIVER: Joe Klein, a local businessman who had recently voiced the need of local citizens to band together in attempt to prevent some of the acts of vandalism and lawlessness in the community, said today that he was distressed by a report which appeared last week in an Anchorage daily newspaper.

The paper quoted Klein as stating that he planned to organize a "Vigilante" group to police the area.

Klein denied that he made any such statement, and said that he believes most people find the term "vigilante" offensive, bringing to mind a gun toting, backwoods lynch mob.

What Klein and fifteen other responsible, interested local citizens have in mind is a citizens security group which would work under direct supervision of the State Troopers.

Klein stated that there is already a small group of citizen band radio operators in the area which is known as Chugiak REACT. They have been assisting the State Police by monitoring radio calls, and in patrolling public areas.

Klein stated that the group he has been working with is planning to coordinate with REACT and the State Troopers, and are also going to ask the HAM Radio monitors to join with them.

He stated the purpose of the group is to prevent trouble, not to look for it. He said that it is not their plan to "sell protection" to local residents and businessmen, but to assist the Troopers whenever possible. They plan to meet with representatives of the State Troopers and learn what action a private citizen can take in helping to apprehend lawbreakers. He said they plan to learn whether local members of the security group can be deputized to act until a State Trooper can get out here.

Klein said that all he has talked to realize that all the State Troopers are understaffed, as well as underpaid, and want to do what they can to help them.

He said that all the members of the group he has been talking to are cool headed, compassionate and well educated individuals. They are not a radical group, and don't plan to run around armed looking for trouble.

REMEMBER WHEN?...TEN YEARS AGO ON JULY 4th, THESE CHUGIAK VFW OFFICERS RAISED THE 49 STAR FLAG OVER THE CHUGIAK POST OFFICE IN THE OFFICIAL STATEHOOD CEREMONY (back row left to right) Bill Reuter, Joe Bettin, Jack Phillips, Dave VanHorn, Jack Timms, Don McFarland. (Front Row) Joe Hong, Glenn Payne, Jim Fennel, Jim Slayton, Bill Whitman, "Corky" Cochran.

FARM BUILDINGS ARE NOT ABANDONED

EAGLE RIVER: Mr. and Mrs. John Vanover, who own the hog ranch on Eagle River Road, have asked that the public be informed that the buildings located across Meadow Creek from the Apartments are not abandoned.

Mrs. Vanover stated that in recent months 2 of the buildings have been destroyed and vehicles parked near them vandalized. In several instances when individuals who were caught in the act of removing material from the property were questioned, they replied that they had been informed by some adults in the neighborhood that the farm had been abandoned, and that they had therefore not seen any help in helping

Team time will be computed upon the aggregate time of its first 3 members to finish the race.

NEW FIRE STATION FOR CHUGIAK IS PLANNED

CHUGIAK: Ed Willis, Borough Assemblyman for Section 1, reported today that the Borough Assembly approved unanimously a request from Service Area No. 8 to allocate the contingency fund provided in the 1969-70 budget of over \$6,000 and any surplus which may be left from the 1968-69 fiscal year which may exceed \$2,000 for a fire station building on the Birchwood Loop Road.

This station is to be located on a piece of land which has been allocated to the Borough by the Birchwood Community Club for the purpose of constructing the fire station.

The new station is necessary

**THE STORY OF
MT. MARATHON**

While the town of Seward was no more than a wide spot on the shores of Resurrection Bay, the first Mt. Marathon Race was run—even before the mountain had received its name.

It is said to have begun officially on the 4th of July 1912, but a recently discovered newspaper of 1909 carries an account of the race.

It is told that the whole thing started when two sourdoughs had an argument about whether it was possible to climb and descend the mountain in less than one hour. "Impossible", one said.

To settle the argument and the resulting wager, it was decided to hold a race with the loser to furnish drinks for the crowd. At the same time enterprising merchants put up suit of clothes and other at-

tractions for the winner and proposed the race take place on a holiday - why not the 4th of July? From this beginning the Mt. Marathon Race has become a regular part of the annual Independence Day celebration in Seward, conducted with more or less sobriety as years passed.

The optimistic sourdough lost his wager - the winning racer took one hour and two minutes to finish the course, he has been vindicated many times over the years, however.

For many years the town put up cash prizes for the first three places in the event. Until a few years ago these cash prizes reached substantial proportions, (as much as \$2500 to the winner). This practice was discontinued during the mid-fifties to allow amateurs to participate. Awards now given are attractive, specially made trophies, and gold, silver and bronze medallions, thus bringing the event within the

regulations of the American Amateur Athletics Union, and permitting all Olympic and college athletes to compete without endangering their amateur status.

Majestic Mt. Marathon, rising 3,022 feet above the sea-level City of Seward, Alaska, is the place where the Annual Mt. Marathon Race is held each year. It is a rugged and dangerous course, starting downtown, going up the mountain over rock strewn gulleys, rocky bluffs, loose shale slides and often snow and ice.

The racers must go around a judge on the top of the mountain at the flag pole and then the decent begins. The decent is most often the most exciting part of the race, as the racers can be watched from the streets of Seward. This tough and grueling race attracts runners from all over the world.

The time on the race has been cut from one hour and two minutes to the fantastic and unbelievable time of 44 minutes 25 seconds set in 1968 by Jonathan Chaffee of the U.S. Army Blathlon Team.

In 1964 the race committee thought that added interest in this annual event might be

initiated by creating a Junior Division Race. This race consists of running from the established starting line to a point approximately halfway up the mountain (that place where the trails cross), round a flag pole and returning to the downtown finish line.

Since 1967 the winner of the Junior Race is the recipient of the annual "Dennis Hitt Memorial Trophy" award, an award in memory of a local Seward youth fatally injured on Mt. Alice in 1963, while training for the Mt. Marathon Race.

themselves.
The Vanovers stated that the farm at no time has been abandoned, and they do not know why anyone would have said so.

There have been instances of children building a "Clubhouse" on the property. Mrs. Vanover stated that they cannot afford to be liable for any injury that might result of this and will not permit children to play on their property. Also they told of an instance of an adult who was shooting wild song-birds on their property for "target practice". This also they feel should be stopped, not only for safety reasons, but because shooting of these birds is a Federal offense.

The Vanovers stated that they will no longer permit any trespassing on their property, and have instructed their caretaker to call the State Troopers the next time anyone is caught trespassing, and, if necessary, hold them at roundup until the State Troopers arrive.

(CONT PAGE 1 col 2)

Team awards will be made for only 6 members. The Mustang A.C. membership is as follows: Coach, Andy Kirk. Runners: Bob Shepard, Phil Best, Bob Pyles, Dan Moore, Henry Theodore and Shane Pries. Trainer is Steve Jordan, and Handler, Kenny Kirk. After their race, the Mustang A.C. will watch the sen-

A division race at 2:00pm. (these racer go all the way to the top.)

Coach Andy Kirk stated "As far as I know only 4 people from the Greater Chugiak Area have ever been in this race; Bob Pettit, Steve Swanson, Coach Don, Sanders and myself. It's a real challenge and a great experience."

The Mustang A.C will also compete in the Lazy Mountain race over the Labor Day weekend. The club hopes to have more members by that time, since Coach Kirk feels this is a good way for these Chugiak High School cross-country runners to get into shape.

(Editors Note: For those who are not familiar with the Mt. Marathon Race, the Courier has printed an account of the race and its background elsewhere in this issue.)

(CONT PAGE 1 col 3

ary in order to more adequately provide fire protection to the West side of the service area, especially since the new road is soon going to be completed.

Willis said that the Assembly also approved a contract for the construction of the fire station to accommodate two pieces of equipment with the Smith Construction Company of Old Chugiak for an amount not to exceed \$8,500.

The Borough Administration together with representatives of the supervisory board have investigated four alternatives for the construction of the building and consider Mr. Fred Smith's proposal to best meet the needs of the service area and at a savings of over \$5,000 from the other proposals.

Work on the new station will begin after July 1.

(CONT PAGE 1 col 4)

He feels that regular patrols in the area to spot possible trouble and report them to the State Troopers through the facilities of REACT is what is needed. Particularly surveillance of homes that are unoccupied while the owners are away on vacation.

Klein said that he doesn't feel that the teen-agers are any major problem. He does feel, however, that there is a need for more facilities for the youth of the area to keep them occupied, and not out looking for something to do.

Klein said that the group he hopes to help organize would not be limited to Eagle River, but would cover the entire Greater Chugiak Area.

He stated that he hopes to coordinate with REACT, the HAM monitors and the State Troopers and have representatives of all these groups at a public meeting where the subject could be discussed with any interested local citizens. Klein said that he would ask the Knik Arm Courier to announce the date of the meeting as soon as it is set up. "We want to cut down crime and vandalism in the area," he repeated, "But we are not a vigilante committee."

OPAG NEWS

By: Pat Sherman, Community Aide for OPAG

We have word that one Loy will begin clearing the brush around our new Center this Tuesday, July 1st. Two more boys are scheduled to begin work too, but they haven't contacted us yet.

There is a ruling that all N.Y.C. workers must be supervised at all times.

An OPAG member volunteered to be overseer for the present in order to get the work started.

We need more men to volunteer time too. These men are not expected to do any work, just be there to direct

the boys.

Last Friday two of our ladies assisted with the Head Start parents dinner. Mrs. Tissington, and Mrs. Heagle arranged the center pieces made of living plants. The centerpiece for the main table was made of a bouquet of roses which had been donated by a local nursery. The ladies also helped with serving the food.

Dorothy Yarnot one of our "Good Neighbors", answered our plea for a barber to cut the men's hair on their day out. She also took some yarn with her to make a scarf, and two baby sweaters for our future Bazaar.

We still have quite a bit of small, or fingering yarns that could be made into Barbie doll clothes or? If you would like to help by making something from this yarn, give us a call. We appreciate your suggestions, and offers of assistance very much.

Another "Good Neighbor" donated T.V's and record players plus other items for the center. She also donated records which we were very happy to receive. Some of them are recordings of old time songs that we sing as we roll along on our bus trips. They bring back wonderful memories for the older generation, and help us to remember the words to the songs.

We are still in need of a hairdresser. The ladies really do miss their day out at the beauty parlor. If you would like to help, call us. It is not necessary for you to be an expert in order to do this work. One of our gentlemen memb-

ers would like a part time job as gardner.

Call Peg when you wish to order or re-order Best Line the housecleaning products she sells to help our petty cash fund.

Your aides are Pat Sherman 688- 10 and Peg Tissington, 688-2518.

uous process. Ping-pong, volleyball and badminton have also been popular -- particularly for mixed groups. Weight-lifting was fairly popular last summer, and a larger group plans to work out every gym night.

Last summer a high Oump pit was set up. This summer it will be a combination high jump and pole vault pit, so both events can be practiced.

Also there will be some apparatus work added this summer, balance beam, horse, and rings. There will not be the 'uneven bars' unless a qualified adult 'spotter' is present. Coach Kirk is not qualified to spot in this event.

To give the gym some atmosphere, there will be a record player, and kids can bring down any platters they want.

Kids may check out a football, shot put, discus, or a couple of hurdles to use outside if they want to. There will not be baseball, as it is felt there is a lot of baseball at other places during the summer.

This Lion's gym program is open for both boys and girls, and junior and senior high students, CHS graduates and

friends are also welcome.

This program has been very successful for the past 3 summers. No equipment has been stolen or abused, even though it has had heavy use. Some students have come down to just have fun and flirt, while others have been very serious about 'getting in shape.' There has never been a fight or a 'bad scene'. Coach Kirk says it's a pleasant atmosphere and a good time. "Our young people deserve a lot of credit for their conduct--especially at a time when there is so much criticism of 'outh", Kirk concluded.

The first week the gym is open, all participants are asked to go in 'stocking feet, or barefooted as the gymnasium floor will have just been refinished.

Tell it to Martha

By: Martha Council

Dear Martha,

I would like to know how you would solve this problem. We are putting our son through college. He will enter his junior year next fall.

He is engaged to a girl in his class whose parents are also putting her through.

Last week he told us they decided that they would like to get married this summer, and then go on to get their degrees. He said that her parents are willing to continue to finance her education and if we agree to do the same they could rent an apartment and that way could be getting by for even less money than they have to pay separately.

I am willing to go along with this, but my husband is against it. He said he wasn't going to foot the bills so that the boy can "play house". He says he will give odds that the girl will get pregnant before either of them ever gets a degree, and that they will both have to quit school, and all the money we have sunk into our sons education will be down the drain.

Both our son and his fiance have assured me that they do not plan to have a family until they have graduated and are on their own. Should I try to talk my husband into going along with them or not?

Puzzled Mother

Dear Mother,

If the young people say they do not plan a family until the right time, there is no reason why you shouldn't believe them. Planned parenthood is an exact science for those who wish to practice it, and there

is no reason that you have mentioned why they shouldn't.

Many married couples have found that attending school together is far easier than the strain of carrying on a courtship and trying to study at the same time. I say if these are two intelligent, responsible people, then give them your support. I doubt if you will ever regret it.

Sincerely,

Martha Council

BAHA'I PIONEER TO SPEAK

ANCHORAGE: Shelia Rice Wray, of Santo Domingo in the Dominican Republic will speak on her experiences as an English teacher at the Cultural Institute, and of her life there as a Baha'i pioneer on Wednesday evening, July 2nd, at 8:00pm in the Romig Junior High School, under the auspices of the Baha'is of Anchorage, Spenard, Eagle River and the Matanuska Valley. Mrs. Wray has lived in every country in America except Brazil, and has served on N.S.A. administrative bodies for the Baha'is in Central America, the Antilles, and now in the Dominican Republic.

Her avocation is painting. She studied at the Chicago Art Institute, had held exhibits in Costa Rica, Bolivia, Peru, Nicaragua, Paraguay and the Dominican Republic, and her oils are hung in many countries of the world.

A special invitation is being extended to the artists in this area; but anyone interested in meeting and hearing Mrs. Wray speak will be given a cordial welcome.

Chad Resari and his Folk-singers will perform at the beginning of the program.

LADIES CLUB PLANS FIELD TRIP

BIRCHWOOD: The Chugiak Ladies Club, meeting at the home of Dee Steeby in Birchwood last Thursday planned a field trip to inspect prospective sites for a second Babe Ruth field in the community.

The ladies planned to meet at the home of Margaret Rip-

ley on Thursday, July 10th, at 2:00pm and proceed from there.

The club will meet later that day, at the home of Arvilla Soto in Birchwood, and discuss their findings.

The Ladies Club is also attempting to raise funds among other local organizations to hire a lifeguard for the Mirror Lake swimming Area.

Club members who plan to attend the anniversary dinner at Barry's Finger Lake Resort on July 31st, are reminded to make their reservations with Julie Huling at 688-2141.

BANKERS WIN ONE -LOSE ONE

CHUGIAK: Mike Stratton added to his pitching laurels last Tuesday as he pitched the local Babe Ruth Bankers to a no-hit, no-run four to nothing win over a stroug Lottsfeldt and Kyzer team on their home field at Lake Otis.

Mike is pitching his first year in the Babe Ruth League, but Coach Marv Stratton says he is sure all of the local baseball fans have reason to remember him from last years Little League. Mike, he reminds in taking the local team to a State Championship and has started again in his first year with Babe Ruth.

The news wasn't quite as good on Thursday when the local club met the first place C.R. Lewis team at West Mulcahy. The Bankers lost the game 14 to 7, but put up quite a scrap on the way down.

The C.R. Lewis team had enough respect for our young local club to pitch their top pitcher against them, and the boys still came up with seven runs. They played a good

TIPS FOR MILADY

For deliciously flavored ham, insert a funnel--filled with either pineapple juice or ginger ale--in the ham before baking.

If there is any chance of a double boiler boiling dry, place a jar lid in the bottom section.

When the water is almost boiled away, the lid will rattle.

points out, C.R. Lewis will lose most of their team next year, while the Bankers will retain most of their boys not only next year, but for two more years.

"We have a fine start on a top Babe Ruth team," Stratton boasts, "and I am sure we will see these same boys bring another championship to the Greater Chugiak Area."
