FIRE AT CHUGIAK HIGH?.....FALSE ALARM

BIRCHWOOD: All units of the Chugiak and Eagle River Volunteer Fire Companies responded when a call was received that there was a fire at Chugiak High School last Thursday, (February 19th) in the late afternoon.

The report turned out to be a false alarm, but this was not discovered until seven pieces of equipment (including both ambulances) arrived at the school.

A spokesman for the Chugiak Volunteer Fire Company stated that the call reporting the fire did not come through the local dispatcher, but rather through a fire dispatcher from Anchorage who stated that the alarm had been called in to them.

For this reason it is suspected that the person turning in the false alarm was not a local resident, but someone who was not aware that there was a local number to call to report a fire.

The Chugiak Junior High Wrestling team was competing with a Junior High team from Anchorage at the Chugiak High gym at the time the false alarm was called in.

WINTER CARNIVAL POSTPONED

OLD CHUGIAK: Chinook winds and snow-melting temperatures have zapped the plans to hold the Chugiak Winter Sports Carnival this coming weekend.

The event will be postponed indefinitely, it was announced today by a member of the carnival committee.

Because of their inability to predict the weather, the committee has declined to set a new date for the Carnival, but plan to reschedule it for the first weekend that Old Man Winter returns with enough snow and ice to hold the event.

Should by some chance this be the last of the winter weather, then the joint PTAs of the Chugiak, Birchwood and Eagle River Elementary Schools, who were sponsoring the Carnival will plan a spring Carnival to be held instead.

In the meantime, they are asking all local residents to "think snow!"

NEW FIREHOUSE PLANS OKAYED

OLD CHUGIAK: Plans for the construction of a new Main Fire Hall, to be built at Mile 18 on the Old Glenn Highway were approved this week, according to Robert Kallenberg Chairman of the Board of Supervisors for the Chugiak Fire Service Area.

Invitation to bid on this project has been advertised, and sealed bids are being accepted by the Chugiak Volunteer Fire Company up until 7:30pm, on March 18, 1970.

Plans and specifications may be had by calling 688 2310 or by writing Box 563, Chugiak Alaska.

CHAMBER OF COMMERCE PLANS GENERAL MEETING

EAGLE RIVER: There will be a meeting of the general membership of the newly organized Chamber of Commerce on Wednesday, February 25th.

The meeting will start at 8pm and will be held at the Red Barn in Eagle River.

Til Wallace, President of the Chamber said that letters inviting them to become members will be mailed to all eligible businessmen in the community, informing them of the meeting. He stated that

ARMY EXPLAINS EXPLOSIONS

CHUGIAK: A series of loud explosions which rocked the Greater Chugiak Area yesterday morning, (Tuesday, February 24th) were explained by a spokesman for the Army as having come from the Eagle River Flats where a demolition team was at work.

Although residents of this area are normally accustomed to the sound of artillery firing in that area, Tuesday's detonations seemed much louder than usual. This was explained as being the result of atmospheric conditions.

LARRY CARR

For GOVERNOR

Last Saturday, Anchorage Businessman Larry Carr Announced His Candidacy For Governor. In His Announcement, Larry Carr Said:

"Today I am announcing my candidacy for Governor. I have spent all of my adult life in Alaska. My family and business are here and, like most of you, I care a great deal about Alaska and am concerned about its future.

"I am a businessman, and the most important business in Alaska today is the operation of the state government.

"Because of our tremendous oil discoveries, Alaska has the unique opportunity to develop a quality of life unparalleled in America.

"More responsibility is vested in the Governor of Alaska than in any other Governor in the nation. A good Governor can do great things for Alaska, a poor Governor can destroy the state. Alaska needs efficient, honest, business-like leadership and with your help, that's what I hope to bring to the office of Governor."

NEW EQUIPMENT AT CARR'S BAKERY

ANCHORAGE: Mr. Dennis Miller, supervisor of Carr's Bakery, announced today that the installation of new equipment at the bakery will now make it one of the most modern facilities in the area and enable them to produce more and better bakery goods.

A new bread preparation machine, capable of producing 2,000 loaves per hour, will make it possible for Carr's to keep up with the demand for the specialty breads and rolls which they feature daily, along with pastries, pies and cakes.

Other equipment is a new automatic bread wrapping machine and a doughnut production table machine. Additional equipment is still on order, and will be installed soon.

This new plant will enable all of the Carr's Food Stores to offer their customers a much better and more complete variety of baked goods fresh each day.

Residents of the Greater Chugiak Area will find a more varied assortment of baked goods at the Carr's Eagle River store, and will also be able to place custom orders for specially decorated cakes of any size and for any occasion, which can be delivered the day following the order.

Tell it to Martha

By: Martha Council

Dear Martha,

This is a most delicate situation, but I need outside help in making my daughter see what is right.

My youngest daughter has been married for ten years, but she and her husband have not been blessed by any children. The doctor says there is no chance that she can become a mother. They have been trying to adopt a child, but they haven't been able to locate the right baby yet.

My older daughter, on the other hand has a nice sized family. I learned last month of a unfortunate thing which has happened. Her oldest girl has gotten into trouble and is expecting a baby. Marriage is out of the questions, and the girls parents are making arrangements to have the baby put up for adoption.

Martha this was like an answer to a prayer. I wrote to my oldest daughter and told her to let her sister and husband adopt the baby. This way the baby would not only have a loving home, but would stay in the family. You won't believe this Martha, but she refused. When I asked her

month, at 7:00pm. The club meets at Spring Creek Lodge at mile 20 1/4 on the Old Glenn Highway.

For information call Evelyn Hite, at 694-240s, or Fran Newton at 688-2810.

MARY SHEPLER, OUTREACH AIDE

CHUGIAK: Mary Shepler, a lifetime resident of the Chugiak area has been hired as the new Outreach Aide for the GOAL Community Center.

Mary will be visiting many of the homes in the Greater Chugiak Area telling about the programs offered at the Center at the present time.

She will also be seeking any ideas on other projects that might be undertaken by the Center.

Anyone with a problem of any kind may call the Center at 694-2200, or contact Center Director Kathy Walker at that number.

why, she just said "if you can't see the reason, there is no use in my explaining it."

Tell me how I can make her see that it is her duty to let her sister have the baby. To let the child go into the home of strangers where it will never be seen again rather than let it grow up amongst its own flesh and blood is a sin.

I have thought of appealing to my granddaughter, and make her see how much better it would be to give the baby to her aunt. What can you tell me that will help me prove my point?

Upset

Dear Upset,

It appears that this family has enough problems without you adding to them.

Since you don't appear to see what your daughter points out is an obvious reason for not letting her sister adopt the baby then I will spell it out for you.

To have the child grow up under the eyes of her natural mother can only lead to heart-break in years to come. Sooner or later your granddaughter will come to regret having given her baby away, and may even resort to legal means to prove that she was pressured into doing this, and even if she has no legal grounds, the unpleasant situation that this could bring about could split your family wide open.

I can't help but wonder how your childless daughter and husband feel about this. If they have been looking for what they feel must be the "right baby, then they will surely realize that this one isn't right.

My advise to you is to stay out of this and let the girls own parents handle it the way their own conscience tells them to.

Sincerely,
Martha Council

Last Thursday and Friday, the Chugiak Mustangs participated in the Class 'A' tournament.

The teams that participated in this were Eielson, Palmer, Kodiak and Chugiak.

The first game was between Palmer and Kodiak, in which the Moose verly skimmed by Kodiak.

Kodisk lost to Chngiak Friday night, then Eielson lost to Palmer by 1 point in a low score of 40-41.

Do you consider it a waste of time to fry the backs, necks and wings of chickens?
Then save them in a plastic bag in your freezer. When you have enough, boil them until the meat falls off the bone, and you have an excellent start for soup or fric-assee.

Mix lemon juice and honey, add a touch of grated lemon rind, and spread on baked ham for a delicious glaze.

since there is no dependable list of all such eligible persons, some will undoubtedly be overlooked. He hopes that anyone who is licensed to conduct business in the Greater Chugiak Area, and who does not receive such a letter will still feel free to attend the meeting.
