naming campaign throughout This will consist of not only encouraging residents to select names for those streets which are not already named but to erect identifing street signs at all intersections.

A committee was appointed to promote this campaign. Serving on this committee are Irene Hildeman, Marianna Koehler and Rusty Bellring-Marianna

Tell at to Months

Dear Martha,

My gripe may seem trivial to you but I would appreciatit if your paper would print it in the hopes that it will get a message through to some people.

I am talking about the one who don't have door bells at their homes.

I have bruised my knuckles repeatedly on these heavy solid exterior doors trying to be heard inside the house.

It is expecially bad where there is a double door problem, such as in the case of a storm porch, such as many homes have in this part of the country.

POOL TOURNEY WINNERS ARE NAMED

PETERS CREEK: Winners were announced today of a pool tournament, held last Sunday, March 22nd, at the Half Way House in Peters Creek.

First place winner, was Jim Pinkerton of Ft. Richardson. Second place went to Bill Holcolmb. of Palmer.

colmb, of Palmer.

The winners were awarded prizes of cash and merchandise.

I have the need to visit many homes because of my line of work, and believe me, you would be surprised to know how much time I have spent pounding on a door before someone inside hears it.

I don't expect the Westminister chimes, just any kind of a buzzer would be an improvement.

Bruised knuckles

Dear "Knuckles",

Your point is a good one. To all of you people who have not gotten around to installing a doorbell.....this would be a good time to have it done.

Sincerely,

Martha Council

LADIES CLUB

TO MEET

PETERS CREEK: There will be a regular meeting of the Chugiak Ladies Club on Thursday, March 26th, at the home of Margaret Halverson, in Peters Creek.

Club members will be making plans to attend the AFWC Convention in Fairbanks this spring, as well as preparing for the Art Show which they will sponsor at Chugiak High School. (CONT PAGE 1 COL 4) trying to encourage all residents of the Greater Chuglak Area to select names for those streets and roads which are not already named and to then put up street signs for those which are not already marked.

It was determined that many of the streets are known by names which while unofficial have been accepted because of popular usage. Also all streets in subdivisions are identified by names on the plat, but in many cases they are not identified by signs and many of the people living on these streets are unaware that they are named.

Marianna Koehler, of the committee has maps of the entire area from Eagle River to Eklutna which show the names of those streets. Anyone wishing to learn if their street has already been named may call her at 688-2125.

The Chamber is most an-

xious to get this program underway as soon as possible the need for quick identification of all streets and roads in the area is vital not only for convenience of delivery services, but for emergency vehicles, such as fire trucks and ambulances.

The committee will try to

The committee will try to find a local organization that might be interested in manufacturing a standard type of street sign which could be made available to the local residents at a nominal cost and still realize a small profit for that organization.

The committee will also contact the Department of Highways and see if they will erect milepost signs along the Birchwood Loop Road, the Birchwood Spur, Eagle River Loop Road, Eagle River Road Ski Road and Eklutna Lake Road. These roads are all under State jurisdiction.
