NO DOUBLE SHIFTING AT CHS

CHUGIAK'S FIRST YOUTH FOOTBALL TEAM. ALL READY TO TAKE ON PALMER.

CHUGIAK: Rumors that there would be double shifting at Chugiak High School next fall were dispelled today by the following statement by the school administration.

Chugiak High School will observe a regular full day schedule next year, as will the Chugiak Elementary and Birchwood Elementary Schools.

Students at the Eagle River Elementary School will not be so fortunate, however. They will have to double shift until such time as the new addition is completed.

The time schedule for the Eagle River school will be, for the first shift, 7:30am until noon, and 12:15 until 4:45pm.

RODEO QUEEN IS SPECIAL EVENT THIS WEEKEND

OLD CHUGIAK: Rodeo fans at the August 8th and 9th rodeo at Chugiak will get the opportunity to view beauty as well as skill.

Special guest of the Alaska State Cowboy Rodeo Association will be Miss Linda Cerday, Rodeo Queen from Siloan Springs, Arkansas.

Linda is a contender for the title of Miss Rodeo USA Pageant.

She is 17 years old, and a former resident of Alaska. She attended school for six years in Alaska, and her father, Ed (Chief) Cerday is a well known Country Western Band leader, and has played on numerous occasions in the Chugiak Area.

Linda will appear at the Rodeo on both days.

The rodeo starts at 1:00pm on both Saturday and Sunday. All

the traditional rodeo events will be featured, with the possibility of a few surprise added attractions.

A spokesman for ASCRA stated that next year that organization will sponsor a Rodeo Queen contest, with the winner to represent the State of Alaska in the national competition.

MTA OFFERS FREE DINNER TO MEMBERS

PALMER: The Matanuska Telephone Association will depart from several traditions this year at the Annual Membership meeting.

The meetings which in the past have been held on the first Saturday in August, will be held on the first Friday, which is August 7th. Also, the meeting will be held at the Palmer Elk's Lodge, instead of at the Central School as was customary. Finally, a FREE smorgasbord dinner, featuring fried chicken will be served to members prior to the meeting.

Dinner will be served starting at 6:30pm, with registration at 7:30, and the meeting at

YOUTH FOOTBALL SEASON STARTS AUGUST 16

BIRCHWOOD: Chugiak's first Youth Football team (shown in the accompanying picture) is ready and waiting!

The first Youth Football team ever formed in the Greater Chugiak Area is completely equipped, and ready to take on the Palmer team on August 16th, at the Chugiak High School field.

Also ready, but still lacking their team jerseys are the older age group boys. The older team is still lacking about five boys of a full twenty-five man squad. The younger group, however, has had to close their ranks as the capacity of twenty five boys was reached. Both teams will open against Palmer on the 16th.

FEW FAVOR UNIFICATION SFPSCB LEARNS

OLD CHUGIAK: The Committee for the Preservation of the Second Class Borough is getting more recruits all the time, according to Bill Lowe, Chairman.

Volunteers who are conducting the door-to-door campaign report very few residents to be in favor of Unification.

At a meeting of CFPSCB held last Thursday at the United Methodist Church of Chugiak, plans for putting up signs and printing of handbills urging the defeat of the Charter were discussed.

Lowe stated that although contributions are constantly coming in to CFPSCB, more will be needed to put up an effective

SP. CENTER NEWS

By: Bessie Miller, Director

This world is full of very nice people. When some of them extend their graciousness toward our Senior Center, this fact is brought even closer to our members.

Such was the case last week. Mr. Leonard E. Grasser, resident of Peters Creek, contributed paneling for the main hall of the Center. This he did in memory of his deceased wife Marjory L. Grasser, who passed away last month while in the states. We're grateful.

Mr. Grasser and Mr. John P. Spicer from Anchorage were at the Center last Wednesday afternoon and evening fitting the paneling to the wall. The next day Mr. Bernard Miller of Eagle River finished securing it to the wall. Yes, the world is full of some very nice people.

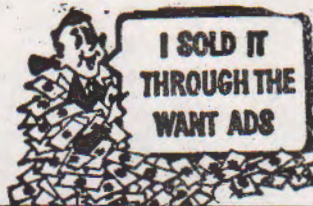

On Thursday, August 6th, the S.C. will leave the Center at

10:00am for Edmonds Lake. Everyone try to be on time, as we don't want to miss the fun.

August the 10th marks the day we'll be going to Eklutna Lake. This is to be a "pot luck" affair. If the weather prevents our going to the lake, the dinner will be held in our own building. The Anchorage group will be joining us for this outing. You'll miss the fun if you don't come along.

This Friday is our monthly business meeting and birthday party. Seven o'clock is the time. We always have an interesting gab fest on these occasions and want very much to see you there.

OPAG driver, Juanite Brunson, 688-2303, Senior Center, 688-2677.

CBA ELECTS NEW OFFICERS

OLD CHUGIAK: The annual meeting and election of officers of the Chugiak Benefit Association took place last Thursday at the Chugiak Carnival Hall.

In addition to the six members which were to be chosen to the Board of Directors for two year terms, two additional directors were elected to fill the unexpired one year terms of Max Pyles and Lee Jordan who had resigned.

Elected to the two year terms were Elsie Oberg, Phyllis Smith, Alex Soto, Wiley Armstrong, William Blavka and Jim Carawan.

Those named to fill the one year terms were Dale Briggs and Ray Starner.

The Board will elect officers from their number at the August 25th meeting.

Other business covered at the meeting was the discussion of renting the building to an Antique dealer from Anchorage, in exchanged for labor toward completing the work on the inside of the building.

It was also voted to change the date of the Annual Meeting from July to October due to the difficulty in obtaining a quorum during the summer months.

LOCAL COUPLE GET AWARD

BIRCHWOOD: Ray and Jan Holmsen, of Birchwood Loop were recently awarded a Personal Sales Award Plaque, according to Sylvia Wolf, of Palmer, District Distributor of Amway Products.

The plaque can be earned annually by any of the 100,000 Amway Distributors in the United States and Canada by achieving a high personal sales goal.

THE COMMUNITY QUESTION BOX

QUESTION: I thought the phone service here was as bad as it could get, but somehow they've managed to make it worse.

Now instead of getting a busy signal everytime I try to get the operator or dial Anchorage, I am treated to a combination of ear-splitting moans, shrieks and other assorted noises.

How much are we expected to stand? Is there any hope for improvement?

I.H.
Chugiak

ANSWER: Max Clement, Manager for the Matanuska Telephone Association says the trouble is in the ACS circuits, not in the MTA lines.

He stated that ACS has had a lot of their personnel quit, and are having trouble keeping the lines open. If you get any unusual sounds when you dial, just treat them as a busy signal, and keep trying. You will eventually get through.

An encouraging word, is that MTA has been informed that RCA, who are in the process of taking over ACS have told them they will have no objections to MTA and the City of Anchorage putting in their own lines between Anchorage and the Greater Chugiak Area. ACS has always blocked any attempt to do this. Clement stated that engineering for these lines has already been started, and plans are to double existing circuits at the outset, and add more as they are needed. So be patient, better days are ahead.

If you have anymore gripes about local phone service, the MTA Annual Meeting is this Friday. Why not come on down? They will be happy to listen to you.

(The Community Question Box will try to answer any question that is of general public interest. If you have a question, call 688-2513, or write Community Question Box P.O. 1166, Chugiak Ak. and we will try to find the correct answer.)

Tell it to Martha
BY: MARTEA COUNCIL

Dear Martha,

We have been in Alaska just a little over one month, and we just can't seem to get used to the fact that it never seems to get dark.

I finally got tired of not being able to get the kids to sleep before midnight, and took to giving them a mild sleeping pill.

Now this is the kind you can but without a prescription, and can't possibly harm them, but my mother found out, and you would think that I had been giving them narcotics or something.

She says that everyone has a hard time adjusting to the long days, and that I should just be patient. She has also threatened to tell my husband what I am doing if I don't promise to stop.

Please, Martha, take my side. I feel it is more important that the kids get a good night's sleep than to worry about what a harmless little pill might do, don't you?

Cheechako

Dear Cheechako,

Sorry, but I'm with your mother. Any kind of medication to make one fall asleep can't possibly be harmless when given to children night after night.

If the daylight continues to bother them, then get blackout type shades for their room, or heavy drapes. You will all get used to the daylight, but just one month is not quite enough time.

Here's a comforting thought, the days are rapidly getting to be shorter, and soon, you will be wishing for some of that daylight. By next spring, you will have gradually gotten used to the longer days, and no longer be a Cheechako.

Sincerely,

Martha Council

**LOOPERS PLAN
API PICNIC**

BIRCHWOOD: The Birchwood Loopers Homemaker's Club are planning a picnic for the patients at the Alaska Psychiatric Institute. The picnic will be held on Friday, August 8th, at the Anchorage Park Strip, starting at noon. In the event of rain, the picnic will be held at the Institute.

On July 23rd, the Loopers held a going away luncheon at the home of Rose Selk for Carol Wilsoncroft.

The annual pecan sale is starting early this year, Loopers spokesman announced. The nuts are already here, and are selling for \$2.25 per pound of shelled pecans. Anyone wishing to buy some may call Dora Monroe, at 688-2832.

**CAMPFIRE GIRL
ACTIVITIES
ARE TOLD**

EAGLE RIVER: Campfire girls Sherry Adams, Sherry Bayless, Marie Godwin, Bonnie Guyer, Debbie Reed and Jeanie Trow of the fourth grade KE TU WAH ZI Group, and Susi Miller and Wesley Welsh, of the Jr. High HAN WE YAH PA TAWA Group, have recently completed Camp Fire Girl Day Camp at Elmendorf AFB.

The girls went for the five day session including one overnight pioneer campout, and classes in crafts, boating, folk dancing and nature lore.

Local girls attending Camp Kushtaka on Kenai Lake this August are, Marie Godwin, Sue Miller and Dawn Seidler.

A Campfire Girls family picnic is planned for August.

Girls interested in joining the Camp Fire Girls are urged to sign up during Joining Days, the first two weeks of school.

Leaflets will be distributed to all interested girls in the six through fourteen age groups at that time.

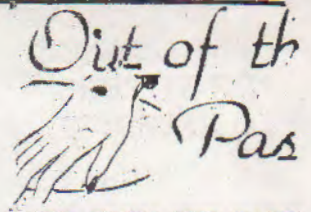

**SECOND TAX
INSTALLMENTS
DUE THIS MONTH**

ANCHORAGE: Real and personal property tax bills for the second half installment of the 1970 levy will be mailed out by the Greater Anchorage Borough the latter part of next week, according to E.H. Orwoll, borough controller.

Approximately 37,000 bills will go out to persons who elected to pay their 1970 taxes in two installments, Orwoll said. Second installment tax payments are due August 31.

The bills will reflect mill rate reductions made possible because of the State of Alaska's revenue sharing program. Persons who paid their entire tax in one earlier installment will receive refunds the latter part of this month, Orwoll said.

Approximately \$1.5 million of shared revenues will be distributed in refunds or tax credits to service area, city and borough taxpayers, Orwoll said.

ROBBERY AT POST OFFICE
Sometime last week the Chugiak Post Office was robbed, but fortunately the victim was not the United States mail, but Postmaster Paul Swanson.

Sometime, when the Post Office was closed, a sneak thief stole one of the guns which Paul had displayed in the lobby of the Post Office.

CHUGIAK READIES FOR ELECTION: Preparations are being made for what is hoped will be a record vote in Chugiak.

This year the polling place will be in the Eagle River Shopping Center in the space formerly occupied by the Eagle River Hardware store.

SCHOOL CENSUS IN PROGRESS: Residents of the Chugiak School district are being called upon by members of the PTA who are taking the school census for the coming year.

Palmer, like Chugiak, is fielding Youth Football teams for the first time, and although they had many more boys report out this year, they can only put eleven on the field at the time.

Bill Watkins, spokesman for the local teams stated, "In the past week I have had many parents call and ask if there was anything they could do to help. I want to thank all who have called and in a short time we will be calling on you. We are still getting organized, and there are many things to do. Little by little I would like to call on various parents to take over some of the detail work that goes along with teams of any kind. As soon as we are organized and know just what we need done, we will all get together and figure out just what each one can do. In the meantime," Watkins concluded, "Everyone get down to that first game and see Chugiak's answer to the Greenbay Packers!"

TIPS FOR MILADY

Use a bathroom bowl cleaner to clean that smelly garbage can. Just fill one third full of water, and 1/2 cup of liquid or powdered cleaner, let soak for an hour, and swab it out. Not only is the container sparkling clean, but disinfected too.

When a ballpoint pen with ink in it does not write, place it tip down in hot water for a few minutes. The heat usually will make the ink flow smoothly.

Anyone wishing to contribute to help defeat the Charter may send their donations of either Lowe, or to Jess Nichols, the Treasurer for SFPCB.

The Committee will meet again on Thursday, August 13th, at the Methodist Church at Mi. 18, on the Old Glenn Highway.

Anyone with any ideas on how to help defeat the Charter is urged to attend and present them.
