A SPLUND SHOOT'S DOWN SCHOOL SITE SWAP PROPOSAL

ALL SCHOOL MUSIC FESTIVAL FRIDAY

BIRCHWOOD: Parents and other music lovers in the Greater Chugiak Area will have the opportunity to see how music student in local schools progress from the elementary school level, through Junior High and finally as members of the Chugiak High Symphonic Band.

An all school music festival will be held on Friday, May 19th at 7:30pm in the Chugiak High School gym.

Under the direction of Darrel Daley and Marlow Thomas, the program will consist of selectiong by the Elem-

ANCHORAGE: Borough Chairman John Asplund, effectively shot down the proposal to exchange land at the Chugiak Carnival Grounds for the present Chugiak Elementary School Site.

Asplund accomplished this with a memo to the Borough Assembly, advising the to consider a recommendation by the Borough Planning Department, rather than those of both the School Board and the Planning Commission, both of which approved the swap.

In his memo, Asplund listed the reasons offered by the planning department, which from the very outset has opposed the Carnival Ground site.

Both Robert Kallenberg, local member of the Planning Commission and Ed Willis, Assemblyman from this area expressed their shock and amazement at Asplund's action in disregarding the recommendation of two officials of the borough govern-

glak High School gym. Under the direction of Darrel Daley and Marlow Thomas, the program will consist of selection by the Elementary bands and orchestras from Chugiak, Birchwood and Eagle River grade schools, the Elementary Advanced Band, the Chugiak Junior High Beginning, Intermediate and Concert Band and by the Chugiak Senior High Symphonic Band.

A massed band, consisting of all participants will complete the program.

Also to be featured will be Mr. Roy Torsky, trumpet soloist, performing with the high school band.

There is no admission charge for this program, and all local residents are invited to attend.

PROCTOR TO OPEN SUPER MARKET HERE

EAGLE RIVER: A new Proctor's Supermarket will be opening in the Eagle River area, according to Orville Proctor, head of the Anchorage chain. The store will be located in the Red Barn Inn building which Proctors have leased and are presently remodeling.

The building is being enlarged, and when completed will have a total area of 12,000 square feet, with 8,000 of this being store space.

Proctor said the target date for opening is the last week in June. When open, the local store will offer the same prices and specials as the two Anchorage stores.

This will be the third store in the Proctor chain. The two others are located on Muldoon Road and on Northern Lights Boulevard.

Gary Humphrey, formerly of Gary's Meats in Eagle River will be manager of the local store.

TWENTY INSTALLED TO HONOR SOCIETY

BIRCHWOOD: Twenty new members were installed to the Excelsior Chapter of the National Honor Society last week during a special Assembly.

The new members are four seniors; Mary Ellen Wallis, Patricia Rust, Mark Mayo and Susan Krafft. Seven Juniors, Shirley Ross, Debra Call, Richard Cummings, Lillian Benzel, Myrna Miller, Wendy McClellen and Judith More. Nine Sophomores, David Baranow, Doreen Dwyer, James Weger, Michelle Blair, Melvin McGregor, Marcus Olson, Steven Uher, Dee Williams and Rachel Marclay.

REGISTER FOR GIRLS SOFTBALL SATURDAY

CHUGIAK: Registration for local Girls Softball teams, (ages 9 through 12) and teenagers 13 through 18) will be held this coming Saturday, May 20th, at 1:00pm.

Girls from Birchwood, Old Chugiak and Peters Creek areas will register at the Little League Field at the Birchwood Elementary School.

This fee covers insurance and helps defray equipment expenses.

at Asplund's action in disregarding the recommendation of two officials of the borough government as well as the wishes of the residents of the area seated by the Chugiak Elementary School.

Willis was particularly unhappy that the Assembly was not given an opportunity to review the complete minutes of the Planning Commission Hearing held at Chugiak last week. It was as a result of testimony presented at this hearing that the Commission made their recommendation that the Carnival Grounds site be given concept approval for the school location.

It has been held by both Willis and Kallenberg that the reasons listed for opposing the site are based on inaccurate and false information.

Willis feels that in spite of the fact that the motion to accept the recommendation of the Planning Commission was defeated 7 to 3, there is still hope of salvaging the exchange.

Assemblyman Garrigues had moved that the present site of the Chugiak Elementary School be retained for the construction of the replacement facility. Assemblyman Parker moved to table the discussion until next week. Willis said that when the matter is brought up again, he will amend the motion to read that the Carnival Ground land be considered.

In the meantime, Willis has asked both Asplund, and Bob Morris, Borough Staff Director to come out to Chugiak sometime during the intervening week and inspect both the present Chugiak Elementary School site and the land being offered by CBA at the Chugiak Carnival Grounds.

Our Pot Luck Dinner at the Anchorage Lutheran Church 15th and N. Street, co-sponsored by Anchorage Sourdough Chapter AARP, Older Persons Action Group and Salvation Army Senior Center was a very happy one and Mayor George M. Sullivan read the Proclamation for Senior Citizens Month, Recognition of Leaders and Members. Rev. Fred P. Schutt was also present.

In Chugiak our Older Persons Action Group we were lucky to have the Oldest Lady she is Mrs. Nora B. Sharver and she is 89 years young. She received a plaque and her name is being engraved on it, and also a beautiful orchid and she was a very proud lady and a happy one. She is the aunt of Mrs. Genevieve Blavka of Star Route Box 990, Chugiak. She also entertains us with her accordion.

May 12th we had our potluck dinner and we want to thank all our friends who came from Anchorage and from the Salvation Army Older Persons Action Group. It was Nora Scharver and Genevieve's birthday and Pen Lee as always made the most beautiful birthday cake. Thanks Pen Lee from the Chugiak Senior Center.

There was a donation of a handmade poncho made by one of our own ladies, Rose Rogers of Chugiak and the winner was Ola M. Hughes of 2402 Dunbar Anchorage.

CLEAN-UP HERE THE BIGGEST EVER

CHUGIAK: Students from the Greater Chugiak Area and Civic groups conducted the biggest clean-up campaign ever in the area during last Saturday's borough-wide spring clean-up, Denise Bashaw of the Borough Department of Environmental Quality said.

Six thousand litter bags were distributed, and 7,000 tickets were collected by the students from Chugiak Junior-Senior High and Chugiak, Birchwood and Eagle River Elementary Schools.

The tickets are chances on savings bonds, bicycles, a trip to Anatuva Pass and Shrine circus tickets donated by Anchorage area businesses.

There were more tickets than litter bags distributed because many youth brought their own bags, Miss Bashaw said.

In addition to the students, Girl and Boy Scout troops, the Lions Club, the Veterans of Foreign Wars, the National Guard, Anchorage Refuse Co., and other organizations participated.

Tell it to Martha

BY: MARTHA COUNCIL

Dear Martha,
I have learned something which is destroying my marriage.

All the times that my husband has told me that he has been going bowling with his brother, I find that they have been going to see those adult movies.

My sister-in-law was the one who told me about it. She doesn't seem to think it is so awful, but Martha, the very thought of it makes me sick to my stomach.

It has gotten to the point that I can not stand to have him touch me.

Of course he has no idea that I know, and can't understand why I am suddenly turned off by him.

Martha, what makes a happily

married man want to watch those filthy things, and what can I do about it?

Turned off

Dear Turned off,

First of all, you must let your husband know that you are aware of what he has been doing.

It might help you to learn why he feels the need for that type of entertainment.

Also tell him exactly how you feel about it. Perhaps if he realizes that his second hand thrills are keeping him from enjoying the real thing he will give up his "Sunday night at the movies".

Sincerely,

Martha Council
