

# KALLENBERG LEADS GOP TICKET IN DISTRICT 6

## SURVEY TO DETERMINE NEEDS OF AREA RESIDENTS

**CHUGIAK:** A survey, to determine specific needs of the residents of the Greater Chugiak Area is being conducted by the Greater Anchorage Area Borough Health Department in conjunction with the newly established Family Service Center.

This Center was established on August 1st, of this year to serve the residents of the Greater Chugiak Area by meeting the needs of the people where those needs exist.

Although many health and social services are already available, many resources could be provided if the needs of the community were better known.

The survey, which will take place during the month of September, will be conducted on a confidential as well as anonymous basis.

The information collected will

### FEW DETAILS AVAILABLE ON ACCIDENT

**OLD CHUGIAK:** Few details are available on an accident which took place last Tuesday afternoon, which sent an eleven year old boy to the hospital.

The victim is Gary Lashbrook, son of Jerry Lashbrook of Fire Lake.

The child was reportedly riding a mini-bike when he was struck by a car.

He was transported to the 5040th Air Force Hospital and then transferred to Providence Hospital.

He was suffering from a possible back injury and lacerations, it was reported.

INEZ BELK, OF OBERG ROAD IN PETERS CREEK HANDS HER BALLOT

**CHUGIAK:** Bob Kallenberg, Candidate for the State House of Representatives from District 6, appears to be well out in front, and stands a good chance of capturing the GOP side of the ballot, as 26 out of 29 precincts reported in as of press time.

In the overall tally Kallenberg had a healthy lead of 343 votes over his closest GOP opponent Robert L. McCartney, who had 221 votes. Ted Schmidke, the third Republican candidate trailed with 201 votes.

Voter turnout in the Greater Chugiak area was about average for a primary election, with a total of 1312 votes cast.

Precinct by precinct, the tally is as follows:

**PETERS CREEK PRECINCT:**

Total Votes cast...149.

**U.S. SENATOR:**

Guess, 25 Stevens 98

**U.S. REPRESENTATIVE:**

### FIRE CO. TO SIGN CONTRACT WITH BOROUGH

**CHUGIAK:** The Chugiak Volunteer Fire Company has agreed to sign a contract with the Greater Anchorage Area Borough to provide both Fire Protection and Ambulance service to the area.

The Fire Co. agreed to the contract following a meeting Director of Public Safety, Joe Maxwell and Fire Chief Bagley of the Borough at the Chugiak Fire Hall last Tuesday.

Apparently some members of the Fire Company were fearful that the Borough might step in and place professional fire fighters in the area as had been done in Eagle River.

Both Chief Bagley and Mr. Maxwell assured them that this would not happen as long as the Fire Company was willing and able to provide the necessary service.

### STILL NO WATER AT SCHOOL SITE

**OLD CHUGIAK:** Drillers have still not found an adequate water supply at the test well which is being drilled at the proposed site for the new Chugiak Elementary School.

The well is now down to 240 feet, according to a spokesman for the Greater Anchorage Borough School District.

The land, which is owned by the Chugiak Benefit Association has not yet been transferred to the School District.

A proposed exchange of that land for the property presently occupied by the existing Chugiak Elementary School is pending the outcome of the test well. The existing school site lacked sufficient water to supply the needs of the school, and the land exchange with CBA was proposed.

The site in question is located at Mile 21, on the Old Glenn Highway, and includes the Chugiak Rodeo arena, the Carnival Hall and Little League ballpark.

The contract calls for the driller to go to a maximum of 400 feet in depth.

# BOROUGH SEES LOCAL AREA IN TRANSPORTATION SYSTEM

**CHUGIAK:** The Boroughwide public transportation system, which will be put before the voters in the form of a bond issue next October, will include the Greater Chugiak Area.

This was explained at the Monday meeting of the local Chamber of Commerce by Mr. William Barnes, of the Borough Transportation Committee.

Mr. Barnes spoke at length of the transportation problem in the Borough. Plans to alleviate these problems would include buses to bring people to the "inner city" in the mornings, as well as to carry them away in the evening after work, as well as some buses to provide transportation to the shoppers at specified periods through the day.

Bus service to the local area would probably be limited to buses departing and arriving at a terminal, located somewhere centrally, with those wishing to use the buses having to arrange their own transportation to or from the terminal.

The bus system would be operated by the Borough, probably let out on contract, it was explained.

Funds would be derived from the bond issue as well as some subsidized funds from the Federal Government.

SPECIAL  
IMMUNIZATION  
CLINIC  
SCHEDULED

Dear Martha,

I am a working mother with two small school aged children.

During the school term I arrange with a friend (whom I pay) for them to stay with her until I get home.

This spring, when school was out a high school aged girl came to me and asked if she could sit my children at our home while I worked.

This sounded like a good idea, and worked out very well, ..... I thought.

The other day a neighbor came to me and told me that she thought that I should know that the girl was sending my children over to play with hers, and then she would take off with her friends for several hours at a time.

My neighbor made it plain that she did not mind having the children over, but she thought that since I was paying this girl to stay with them, I ought to know about this.

I don't know how to handle this situation, Martha.

Should I speak to the girl, or since school will be starting soon, and I will be going back to my previous arrangement.

I don't want to ask my husband about this, because I know that he would tell the girl off, and I don't want to hurt her feelings.

Dear Mamma,

I can't imagine why you should be worrying about the girl's feelings. From her lack of responsibility, I doubt if she has much.

I don't think that you should let this matter slide. You would be doing this girl no favor by allowing her to get away with such behavior.

Tell her firmly that you are aware that she has not been staying with the children as she was supposed to, and if she indicates that she will buckle down and live up to her obligations than give her another chance and allow her to stay with your children until school starts.

Otherwise I suggest that you dismiss her and make other arrangements.

Perhaps the neighbor who informed you of this would be willing to keep your children until school starts.

SINCERELY,

Martha Council

EAGLE RIVER: The Greater Anchorage Area Borough Health Department will hold a special Immunization Clinic on Monday, August 28th, at the Family Service Center (formerly the GOAL Center), on Artillery Road in Eagle River.

The clinic will be held from 4:00pm until 7:00pm.

This clinic is being held because school is starting and many children need to update immunizations.

There has been a diagnosed case of Whooping Cough (Pertussis) in Anchorage.

This disease can be serious in children under 6 years of age.

Immunizations are not given for Whooping Cough for children over 6 because the reaction to the medication can be severe.

Anyone wishing more information is asked to call 694-2200 or 694 2350.

ed of the road into the ditch at Mile 11 last Friday, August 18th.

The car was registered to Thomas H. Calmeyer, of Elmendorf. The owner, however denied that he had been driving the car at the time of the accident.

Evidence at the scene led the troopers to deduce that the car had gone out of control, slid sideways and rolled over coming to rest on the wheels. There was no one at the scene of the accident when they arrived.

Damage to the vehicle was estimated at \$800 by the Alaska State Troopers.

# Dream Machine.

America is the place that is made out of dreams. And, U.S. Savings Bonds have been helping to make happy dreams come true for years.

Now, Bonds mature in less than six years. That means your dreams can come true faster than ever before.

You can buy shares in your particular dream by joining the Payroll Savings Plan where you work, or the Bond-a-Month plan where you bank.

Before you know it, your American dream will be a reality.

Now E Bonds pay 5 1/2% interest when held to maturity of 5 years, 10 months (4% the first year). Bonds are replaced if lost, stolen, or destroyed. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.
